

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

The Most Worthy Grand Matron spoke as follows:

Sisters and brothers of this General Grand Chapter, at our last session, our R. W. Grand Secretary was instructed to indite a letter requesting the Grand Chapters of New York, Vermont, Connecticut, and New Jersey, to send representatives to this session of our Grand Body, and it is with no small degree of pleasure to me and my associate officers, that we have with us to-day representatives from the Grand Chapters of New York, New Jersey, and Connecticut, and in behalf of the General Grand Chapter I bid them thrice welcome.

The representatives were:

NEW YORK—Mrs. Eleanor Burton, Mrs. Rachel L. Stiefel, Mrs. Eliza M. Demarest.

CONNECTICUT—Mrs. Ida M. Fisk, and Charles L. Fowler.

NEW JERSEY—Mrs. Anna Garabrant, Mrs. Frances L. Boone, and William C. Brown.

The Most Worthy Grand Matron then introduced Henry C. Yost, Sr., Worthy Patron of Ruth Chapter, District of Columbia, as the pioneer of the Eastern Star in that jurisdiction, expressing to the brother the pleasure of the General Grand Chapter in extending a welcome.

Brother Yost in a few choice words thanked the Most Worthy Grand Matron for the courtesy of her notice.

James B. Merritt of California, moved that a committee of five be appointed to confer with the sisters and brothers of New York, New Jersey, and Connecticut, and the motion prevailing, the Most Worthy Grand Matron appointed the following:

JAMES B. MERRITT, of California.

L. CABELL WILLIAMSON, of the District of Columbia.

MRS. JENNIE E. MATHEWS, of Iowa.

MRS. NETTIE RANSFORD, of Indiana.

MRS. LORRAINE J. PITKIN, of Illinois.

WELCOME.

Address of welcome was given by Mrs. Carolyn A. Handy, Worthy Grand Matron of the District of Columbia as follows:

*Most Worthy Grand Matron, Sisters and Brothers
of the General Grand Chapter of the United
States:*

It is my great privilege, in behalf of the Grand Chapter of the District of Columbia, of eight constituent Chapters, and of fourteen hundred loyal sisters and brothers of the Order of the Eastern Star, to welcome you to our beautiful Capitol City. Washington is the Mecca to which the representatives of every society,

fraternity, sect and interest gather, and it seems as if the hand of Him who doeth all things well could be seen in the selection of this city at this time, as the scene of the deliberations of the governing body of our beloved Order. Our streets have been thronged with men clad in the habiliments of war, and our hearts sickened with tales of horror from field and camp. Weary of pomp and pageantry, of strife and carnage, we contemplate with glad hearts the return of our armies to paths of peace and turn with grateful relief to an Order founded on charity, truth and loving kindness, and spreading the gospel of "Peace on earth, good will toward men."

The Grand Chapter of the District of Columbia, the youngest of the sisterhood of Grand Chapters, feels indeed honored and proud to receive as her guests this distinguished company of sisters and brothers, whose fame, nobly earned in promoting the best interest of our Order, has preceded them. You are gathered from every section of this broad land to determine questions of great moment to the Order. That your deliberations will be characterized by harmony and fraternity, and that the legislation enacted at this session will be conceived in the broadest spirit of truth and justice, and find hearty and loyal acceptance in every member of the Order, there can be no doubt. We bid you God-speed in your beneficent efforts to assist our brethren of the Masonic fraternity in promulgating the sublime principles of brotherly love, relief and truth. We welcome you to our hearts and homes, and to the enjoyment of the hospitality we have provided for you. In our noble streets, avenues, parks, and public buildings, symbolizing the wealth and power of our Government, you will find a new inspiration for your patriotism and a larger sense of the greatness of our common country. In our homes and

social gatherings you will find warm hearts to welcome you and willing hands to minister to your comfort. We want each and every one of you to feel that it is good to be here, and when you depart for your homes, may it be with delightful memories of your reception among us, and a determination to come again.

TWICE WELCOME.

Samuel C. Palmer, Grand Master of the Grand Lodge, A. F. and A. M., of the District of Columbia was then introduced and spoke as follows:

*Most Worthy Grand Matron, Officers and Members
of the General Grand Chapter, Order of the
Eastern Star:*

I deem it a high privilege as well as a very great honor to appear before you to-day as the representative of the Masonic fraternity of this jurisdiction, to extend to you in their behalf a cordial and fraternal welcome.

We welcome you as valuable auxiliaries in performing a part at least of the benevolent work of the lodges, and the rapid growth of your organization, argues well for an increased ability to render such service.

This has been a year filled with great events; events which in their effect upon the peoples of the world are destined to be far-reaching and of great power for good in advancing the blessings of liberty and justice.

As Masons, loyal and true to the government under which we live, we cannot but rejoice at the marvelous success of our army and navy in the operations of the war now, happily nearing its victorious close, yet we must realize that in the aftermath of

battle we will find sorrow for those whose lives have been sacrificed and great suffering from wounds and sickness incurred in the line of duty; and we will be called upon to minister as best we may in the alleviation of distress in all its forms. In that service we confidently rely upon your assistance. The members of the Order of the Eastern Star, I am confident, will not disappoint our expectations.

In gathering together in this fraternal meeting, your representatives come from nearly all sections of our glorious country, and it is peculiarly appropriate that you should assemble in its Capitol City, which ere long, we hope, is destined to be the centre of Masonic influence and authority, as it is now the centre of political power.

We trust that your deliberations may be conducted in harmony, that your actions may be inspired by wisdom, and the result of your efforts be the strengthening of your membership and the enlargement of your power for good throughout the land, and when you have concluded your labors, may the kind Providence, under whose watchful care you have so largely prospered, give you safe guidance to your respective homes.

Again I tender you a hearty welcome.

THRICE WELCOME.

John W. Ross, Commissioner of the District of Columbia, was then introduced and spoke as follows:

Sisters and Brothers:

I esteem it a great privilege to be permitted to have a part in a cordial greeting to the General Grand Chapter of the United States, Order of the Eastern Star. I welcome you as the representatives of a national organization which, in its personal, in its im-

pressive ritual and in its laudable purposes and aims, constitutes an influential force for the improvement of human conditions in every community where it has been maintained.

As an outgrowth of and an accompaniment to that great brotherhood which is as old as civilization and as broad as humanity, our Order brings into closer bonds of friendship the members of the families of Master Masons, fosters the cause of charitable relief, and encourages such social and fraternal gatherings as tend to lighten the burdens and dispel the cares attendant upon that strange journey known as human life.

It was the Star in the East which guided the wise men to the place where He was born, whose sublime life, teachings and death have given faith and inspiration to the human race. And so, for nearly 1900 years, the Star in the East has been typical of the influence which have tended to enoble character and impart true dignity to the sons of men. Reverently guided by lessons from His life, the Order of the Eastern Star brings to us, in the midst of our daily cares and perplexities, influences which uplift our hopes and aspirations and strengthen the bonds of friendship among us as members of Masonic families.

And it is our pleasure to greet you, not alone as members of the Order, but also as citizens of the United States who come to their own governmental headquarters. Many of you view the Capitol for the first time. Some, who made prior visits, have not until now honored us by your presence since the nation received its recent baptism of blood. As you look upon the stately federal buildings, you are reminded not only of the fact that they are the home of the general government, but that in them and from them were directed the movements of the forces on the land

and on the sea, which, in three short months, freed the gem of the Antilles from a serfdom of nearly four hundred years duration, destroyed all Spanish dominion on the Western Hemisphere and acquired territory worth many times the cost of the war.

You will visit the Executive Mansion to be received by the first citizen of the Republic, who is a Master Mason and a Knight Templar. He has so borne himself during the terrible ordeal now passing into history as to have won and retained the love, the respect and the confidence of the American people without regard to party affiliation.

You will be received by the Commander-in-Chief of the army and of the navy of the United States, under whose guiding and directing mind those victories of our heroes on land and sea were won, which added to the prestige of the Republic, and made it a power to be respected henceforth in whatever quarter of the globe its flag shall be carried. You will go to that imposing structure which, by its architectural grandeur, fitly symbolizes the strength and dignity of the great people, whose servants assemble there to execute their will. You will inspect the Halls where the War Congress deliberated when voting for the supplies and the revenue measures to conduct the war against Spain. In the House of Representatives there will be pointed out to you the desk of the gallant Knight Templar, fighting Joe Wheeler, whose greatness of soul is in an inverse proportion to the size of his physical frame. You will look in upon the new Congressional Library, with its treasures of literature and of art, and with excellencies of architecture to which the old time definition of frozen music may well be applied.

You will from the heights near the Soldiers' Home, or the Naval Observatory, or Arlington, look down upon the ideal site selected by the Father of his

country for its political centre. As you view the extensive outline of its streets and avenues and public parks, you will know that he planned the Capitol not for a nation of thirteen states, but for one continental in extent.

You are visiting a community of nearly 300,000 souls. No other city of approximate size contains more of intelligent, law-abiding, or public-spirited people. We have here many citizens of large means, who are respected and influential. But there is no city in all the land where men and women are rated more by what they are, rather than by what they may be worth in dollars and cents.

We want you to take with you to your homes the most agreeable recollections of your visit to your Capitol City. If you can consistently do so, say a good word for it to the people at home. Tell your members and senators that you have visited Washington; that you are proud of it, and that it is your demand that they shall by their votes in Congress help to adorn and beautify it, and make it healthful, as becomes the Capitol of the greatest Republic known in history.

RESPONSE.

The response to the several welcomes was made by Mrs. Hattie E. Ewing, Right Worthy Associate Grand Matron:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

Three years ago this Grand Body received a cordial invitation to hold its next triennial session at our national capitol, and since its acceptance the members of our several jurisdictions have anticipated with pleasure this visit to their young sister.

The word *welcome* spoken from the heart means volumes, and we believe that in this spirit you have welcomed us, that all your words of greeting have been prompted by feelings closely akin to the thoughts expressed, and so in behalf of our Most Worthy Grand Matron and in the name of the General Grand Chapter, I sincerely thank you for your unbounded hospitality expressed to us in many loving deeds, and for this fraternal welcome all of which will be to us a pleasant memory.

Traces of sunshine and shadow have been indelibly engraved upon all our hearts since last we met, yet if we have been true to the teachings of our Order, above us in joy and sorrow our star has shown out revealing to us its loving message of constancy, faith and love.

If in our daily lives our acts and our words have been in unison with our sacred obligation, then have we benefited mankind, and we may truly say "we have seen His Star in the East" and all about us realize that we, who wear the star, possess that which it denotes.

As we gaze with pride and admiration upon this beautiful and attractive city, the future queen city of the world, the law-making city of our nation, reflecting the grandeur and prosperity of the American people, intuitively we recall bits of its early history with which is linked the name of one who was at that time and who in all times will be "first in the hearts of his countrymen."

"Oh, beautiful city of cities!
Fair choice of a leader grand,
Who fought for his country's freedom,
With a staunch, devoted band.

Oh, beautiful, far-famed city—
Sweet liberty's cradle-bed!

He liveth—the statesman, warrior,
Who armies to victory led!

Whose heart, as broad as the ocean,
As deep as its fathomless tide,
O'erflowed with a love, most human—
Masonic—beatified!

He lives in the hearts of a people
Whose altar-fires never grow dim—
Where the laurel of fame entwineth
Forever her chaplets for him!

To these regal halls, my brothers,
Our footsteps have swiftly run,
Led on by our star's bright glimmer
O'er Columbia's Washington.

As from east, and west, and northward,
And from far-off southern lands,
We clasp the warm hand of friendship,
How strong seem our silken bands!

How sweet are the ties that bind us—
How glad are the songs we sing—
How full doth America's anthem
In chorus exultingly ring!

Oh, sisters and brothers, listen!
In this dear and sacred spot,
Where each nation finds a brother,
Let *this* never be forgot.—

The love which doth e'er enfold us,
In joy or in sorest need!
And may our deliberations
Bear fruit of that holy seed.”

The Most Worthy Grand Matron announced the appointment of the following:

the rostrum and introduced to the General Grand Chapter, acknowledging the courtesy in a few happy and well chosen remarks.

L. Cabell Williamson stated that the reception by President William McKinley must be postponed to 3:30 P. M., whereupon William A. Blossom moved that the General Grand Chapter call off from 1:30 to 4:30 o'clock this afternoon, which motion prevailed.

ADDRESS

OF

MARY E. PARTRIDGE, M. W. GRAND MATRON.

The Most Worthy Grand Matron then read her report as follows:

*Officers and Members, Sisters and Brothers of the
General Grand Chapter:*

It is with pride and pleasure that I welcome you to this our national capitol, where our revered heroes—Washington, Lincoln and Grant—have guided the ship of state and achieved glorious victories for our nation and our flag. Here too, our honored president, William McKinley, has conducted the late war with Spain in such a manner, as to have won the hearts of all loyal Americans. In the midst of such surroundings, and in the presence of such achievements, our hearts should overflow with gratitude and love to him who has placed our nation in the front rank of nations, and has made our flag the symbol of liberty and joy to every nation and to all peoples.

OUR FLAG.

Oh, Flag of a resolute Nation,
Oh, Flag of the strong and free,
The cherished of true-hearted millions,
We hallow thy colors, three:
Three proud, floating emblems of glory,
Our guide for the coming time;
The red, white and blue in their beauty,
Love gives them a meaning sublime.

On the divide, between the past and future, the twin eternities, embracing all that is gone and all that is to come, we linger a while to contemplate the signal victories of many a well-fought battle field. Thus pause we here in review of the past, upon the inviting threshold of the new epoch—the “Ninth Triennial” in the eventful history of our Order. From all quarters of our great Republic, we gather here in person or by representation as one family, in the Triennial re-union around, the hearthstone of the old homestead, “our altar;” one in sympathy, one in love for the great and glorious cause; hence, this meeting is typical of the inherent nature of our Order, of its highest interests, its most brilliant successes, its most ardent hopes of its interests: for here are gathered many whose wise counsels or valued service, have gone to its upbuilding; for here stand the hardy reapers who have gathered the golden sheaves in the noon-day sun and merit the plaudits, o’er and o’er, well done; for the present is the vantage ground of actions past where all experience, good or ill, unite to rectify and turn to nobler mold all things to come.

It is a pleasant duty to tell the story of the past, made more pleasant by the fact that during this term our Order has prospered beyond all expectation. The story need not be long. “A plain tale speeds best

when plainly told." And the record of our work is a tale of plain facts and figures, as you will see by the report of our Most Worthy Grand Patron and R.W. Grand Secretary.

In the golden sunset of the past, another three years have blended; a new, glad, welcome triennial illumined by the self same central sun of glorious, noble purpose, is now upon us with its prospects bright and cheering, awakening all to renewed life and action, by its genial warmth and inspiration, calling for the best improvement of its every opportunity.

NECROLOGY.

Ere we proceed with the business of this session, let us pause for a moment and with gratitude acknowledge the loving Father's care, which has been over us during the past three years, that we are permitted to assemble here in General Grand Chapter, with no links severed in our circle of officers.

The sisters and brothers in our Grand and Subordinate Chapters have, many of them, been bereft of loved ones, and with hearts full of sorrow returned from the graves of their dear ones to renew the battle of life again. Our sympathy has been with them in their bereavement.

Among the honored dead, we record the names of the following sisters and brothers:—

Sister Jane Miller, Past Grand Matron of Missouri.

Sister Julia Abraham, Past Grand Matron of Oregon.

Sister Georgia A. Matfield, Past Grand Matron of California.

Sister Victoria C. Little, Past Grand Matron of Minnesota.

Brother John H. Noble, Past Grand Patron of Minnesota.

Brother Eugene B. Dyke, Past Grand Patron of Iowa.
Brother John Van Buren Green, Grand Patron of New
York.
Brother John A. Reynold, Past Grand Patron of Kansas.
Brother Herman G. Carter, Past Grand Patron of New
York.
Brother J. Ira Brown, Past Grand Patron of Kansas.
Brother N. D. Ricks, Past Grand Patron of Illinois.
Brother James M. Harkey, Past Grand Patron of Arkansas.
Brother R. F. Dunn, Past Grand Patron of Missouri.
Brother David B. Purington, Past Grand Patron of
Michigan.
Brother John F. Dickinson, Past Grand Patron of Illinois.
Brother I. W. Blake, Past Grand Patron of Minnesota.

AT REST.

"Fast as the rolling seasons bring
The hours of fate to those we love,
Each pearl that leaves the broken string,
Is set in friendship's crown above.
As narrower grows the earthly chain,
The circle widens in the sky;
These are our treasures that remain
But those are stars that beam on high."

DECISIONS RENDERED.

Hundreds of questions have been submitted to me for decision, many of them being answered by referring to the Constitution Rules and Regulations of the General Grand Chapter.

The ever recurring question of the eligibility of a step-daughter to membership has been asked seventy-six times during the present administration; whereas, by referring to the proceedings of the General Grand Chapter they could have readily seen the decisions on that subject, viz.: "if step-daughters be legally adopted, they are eligible to membership."

I will only present a few of the most important questions and my decisions for your consideration, in order to avoid repetition.

1. *Question.* Through some mistake of the Mason, who organized our Chapter, a demitted Mason was accepted as a charter member. He has since asked for his demit and has moved away from this place. Shall we grant him his demit?

Answer. The brother to whom you refer was not entitled to become a member of our Order, he being a demitted Mason at the time; but as he was vouched for by a Master Mason (who erred by so doing), and as he received the degrees, if no charges are preferred against him and he not being an installed officer, I shall decide that he is entitled to his demit.

2. *Ques.* Is a Master Mason's daughter, who married a man not a Mason, eligible to become a member of the O. E. S.?

Ans. The daughter of an *affiliated* Master Mason in good standing, though married to a man not a Mason, is still the daughter of a Master Mason and eligible to the degrees.

3. *Ques.* A Grand Matron asks this question: Does the suspension of a brother from his Masonic Lodge for non-payment of dues, carry with it suspension from a Chapter of O. E. S.?

Ans. In my opinion it does not. See page 7 of the Ritual under the heading of Membership—How Forfeited.

4. *Ques.* How should the officers of the General Grand Chapter be introduced in a Grand Chapter?

Ans. It is optional. That is a courtesy each Grand Chapter or Subordinate Chapters under the jurisdiction of the General Grand Chapter may exercise according to their own ideas of etiquette.

5. *Ques.* Our By-Laws require that a brother, who petitions for the degrees, shall be a member of the Masonic Lodge in good standing. Is a demitted member considered as such?

Ans. No. See Rules and Regulations of the General Grand Chapter, page 5 and on page 1 of the Ritual and page 7 under the heading of Membership.

6. *Ques.* Can I open Chapter and transact routine business without a Patron or any brother being present?

Ans. Yes; unless you have by-laws providing that a brother must be present. The Worthy Matron may open Chapter and transact all business, except conferring degrees.

7. *Ques.* Who is custodian of the Secret Work?

Ans. If the Worthy Patron is a regular attendant, the Secret Work should be in his charge. If not, in charge of the Worthy Matron; and in the absence of both Worthy Patron and Matron, the Associate Matron should be the custodian.

8. *Ques.* The following question is from a Grand Matron: Who is the executive head of the General Grand Chapter between sessions; the Most Worthy Grand Matron or the Most Worthy Grand Patron?

Ans. The Most Worthy Grand Matron. See Article 8, Section 5, of the Constitution of the General Grand Chapter.

9. *Ques.* I have a niece whom I have raised, whose mother died when she was three months old; may she join the Chapter on my husband's standing?

Ans. If you have legally adopted your niece, she may petition the Chapter for the degrees as your adopted daughter. If you have not done so, she is ineligible.

10. *Ques.* What is the response to be given by Grand Officers when the grand honors are extended to them?

Ans. The Ritual being silent on that subject, I would recommend a slight bow in recognition of the honors extended.

11. *Ques.* May I dispense with the opening ceremonies at a called meeting?

Ans. No. The whole of the opening ceremony must be used in called or special meetings, "except for public installations or funerals."

12. *Ques.* A sister suspended for non-payment of dues, now asks for a demit but is unable to pay the back dues. The Chapter is willing to remit them, and grant her request. Will it be legal to do so?

Ans. Yes, the Chapter may by a majority vote remit her dues, then declare the sister re-instated and issue a demit.

13. *Ques.* Would a meeting be legal if a Past Patron opens the Chapter, the first three officers of the Chapter being absent?

Ans. No. See Rules and Regulations, page 2, section 4.

14. *Ques.* Can a lady whose husband is not a Mason, petition for the degrees on her foster father's Masonic standing?

Ans. No, not unless she be legally adopted by the said foster father.

15. *Ques.* Can the Worthy Matron order the members to ballot on slips of paper on the application of a petitioner for the degrees, (the ballot box being misplaced.) Would the ballot be legal?

Ans. No. The ballot on a petition must be in accordance with the established rules of the Order, and a correct ballot must be had at your next regular meeting.

16. *Ques.* A petition for the degrees was signed by two members of the Investigating Committee. The Master Mason appointed failing to sign the same, was it ready for ballot?

Ans. No. The Master Mason should report on the application, for only he can vouch for the masonic standing, or relationship of the applicant. In his absence, the Worthy Matron should appoint a brother who may report at once, if necessary; and unless so endorsed by a brother, it is not ready for the ballot.

17. *Ques.* A clause in our By-Laws, as amended, renders a member liable to suspension who is in arrears for dues for one year, if, after due notice, they fail to pay the same or the Chapter remits them. Can we proceed at once, in accordance with the amendment approved by you?

Ans. Unless the Chapter remits the dues, you can proceed at once to act in accordance with your By-Laws as they now stand.

18. *Ques.* If both the Worthy Matron and Associate Matron be absent, who shall preside at the meeting of the Chapter?

Ans. The Worthy Patron should invite a sister, (a Past Matron if one be present) to preside over the meeting.

19. *Ques.* What part of the Ritual may be used when trying to explain to non-members the purposes and objects of our Order, when inducing them to become members?

Ans. Page 40 of the Ritual, the last four lines, and as far down on page 41 as the words "active duty" can be referred to with propriety.

20. *Ques.* If a Chapter holds a public installation of officers, can all from page 69 to page 95 of the Ritual be used?

Ans. Yes, at the installation of Officers, be it public or private, the regular ceremony from page 69 to page 95 inclusive must be adhered to.

21. *Ques.* Should a Chapter pay the per capita tax, before the newly elected officers are installed. If so, to whom is it to be paid?

Ans. Yes. Your per capita tax should be sent to the Right Worthy Grand Secretary as soon as possible after the annual report of your Secretary has been read in Chapter.

23. *Ques.* Who should install a new board of officers, the incoming Matron or Patron, or the retiring ones?

Ans. The retiring Matron or Patron, as the Ritual on page 69 prescribes that the installing officer must be a present or past Worthy Matron or Patron.

24. *Ques.* What will we do with members who have been notified four or five times about their dues. Our By-Laws make no provision for such cases.

Ans. Offer a resolution to amend your By-Laws to read as follows: "When a member fails to pay dues for the period of one or two years (whichever you may decide upon), after thirty days' notice has been given them, that unless otherwise ordered by the Chapter, they will be liable to suspension from the privileges of the Order.

25. *Ques.* There is the name of a gentleman on our Charter who did not join when the Chapter was instituted, who now desires to receive the degrees. Can we initiate him without an election by ballot. He is a desirable party.

Ans. Yes. He was virtually elected with the rest whose names appear on the Charter and is entitled to the degrees without further action.

26. *Ques.* Should we give the Grand Honors to all Past Grand officers in Grand Chapter and invite them to seats in the East?

Ans. This courtesy is optional. If you desire to extend the Grand Honors to Past Grand Matrons and Patrons as a courtesy for former services rendered, I can see no objection to their being so honored by your Grand Chapter.

27. *Ques.* What officers of the General Grand Chapter are entitled to the Grand Honors in Grand or Subordinate Chapters?

Ans. In my opinion all elective officers of the General Grand Chapter are entitled to the Grand Honors, and they being

Past Grand Matrons the courtesy may justly be extended to the appointed officers in Grand or Subordinate Chapters.

28. *Ques.* We have several names on our Charter of persons who have not received the degrees, who have several times been requested to present themselves for initiation. Having failed to do so, we desire to have their names erased from our Charter. How shall we proceed?

Ans. Have the Secretary instructed, at a regular meeting of your Chapter, to notify the parties to the effect, that if within ninety days they do not present themselves for initiation, steps will be taken to have their names erased from the Charter.

29. *Ques.* Can the Worthy Patron call on the Worthy Matron to give the obligation. Our Past Grand Matron decided that he could do so.

Ans. I find nothing in the Ritual or in the Constitution of the General Grand Chapter authorizing the Worthy Matron to give the obligation. At the foot of page 62 of the Ritual it reads as follows: The Worthy Matron may at the request of the Worthy Patron conclude the initiation ceremonies.

30. *Ques.* Can we hold our meetings in any other than a Masonic Hall?

Ans. Yes, but a Masonic Hall is more desirable and every effort should be made to secure it for the meetings of the Chapter.

31. *Ques.* When in Grand Chapter is the proper time to extend the Grand Honors to Past Grand officers and escort them to the East?

Ans. Any time after the Grand Chapter has been declared open for the transaction of business. This rule would apply to Subordinate Chapters also.

32. *Ques.* Is the wife of a Mason under the age of eighteen years eligible to the degrees of the Eastern Star?

Ans. No. See Ritual page 1, under the heading Membership.

33. *Ques.* Can we give a social entertainment under the auspices of our Chapter to raise funds to meet our indebtedness. Some of our members object to our so doing.

Ans. Bring the matter before your Chapter under Good of the Order, have it thoroughly discussed and voted on. If a majority are in favor, I know of nothing to prevent. Would advise caution as to the character of entertainment given?

38. *Ques.* There are in the jurisdiction of our Chapter several ladies upon whom the degrees of the Eastern Star were conferred, but they were never organized into a Chapter. What relation do they sustain to us? Should we allow them to visit our Chapter, and if they desire to become members, how should we proceed?

Ans. The degrees having been communicated to the ladies and no Chapter organized, the parties have no legal standing in our Order and must present petitions for membership in the usual manner.

39. *Ques.* Our Worthy Patron is very desirous that his mother-in-law should join our Chapter. Her first husband died a Mason in good standing, but her present husband is not a Mason. Can we receive her petition?

Ans. The lady lost her identity as the widow of a Mason when she re-married, rendering her ineligible to the degrees of our Order.

40. *Ques.* From whom can the Ritual be procured? Are we permitted to loan the Ritual to possible or non-possible candidates?

Ans. Mrs. L. J. Pitkin, R. W. G. Secretary, is the only authorized agent. Orders must be sent to her by the Secretary of the Chapter. The Ritual should be guarded as sacredly as the secret work of the Order and under no consideration should be loaned to non-members of the Order.

41. *Ques.* Has a party who received the degrees of our Order in a Masonic Lodge in 1863 the right to petition for membership by affiliation, they holding a certificate from a

Master of the Lodge F. & A. M., stating that she received instructions in the O. E. S. as above stated.

Ans. No. Persons joining a Chapter by affiliation must present a legal demit from a Subordinate Chapter, the party in question having no legal standing in the Order.

42. *Ques.* Is a deaf person eligible to the degrees?

Ans. If the person be so deaf that they can communicate only by signs or writing, they are not eligible to the degrees. But if they can converse through an ear trumpet, I see no reason why they may not be admitted.

43. *Ques.* Is a blind person eligible to the degrees of our Order.

Ans. No. Their condition renders them physically incapable of receiving the degrees.

43. *Ques.* Should a member hailing from Vermont, Connecticut, New Jersey or New York be permitted to visit Chapters under the General Grand Chapter?

Ans. Yes. The General Grand Chapter settled that by admitting them at the session held in Boston in 1895. See General Grand Chapter proceedings, page 15.

45. *Ques.* Are not the funeral services of the Order intended for sisters only, as the brothers have the Masonic ceremony for their use at interment?

Ans. The ceremonial of our Ritual is, I believe, intended for the sisters only. Still, if a brother should be unfortunate, by holding his demit from his Masonic Lodge, and he a member in good standing in our Order, who requests the Eastern Star burial service, I suppose the words could be transposed to meet the occasion. I know of no law preventing being buried by our Order at his request.

DECISIONS.

46. A number of persons desirous of forming a Chapter signed a petition for the same. But after re-

ceiving the degrees, many of them decided to unite with the sister Chapters.

Some funds have been collected to procure paraphernalia. The brother who had hoped to institute the Chapter, desired to be relieved of the responsibility as several parties wished to claim the money, and requested me to inform him how to dispose of the same, he believing that according to the agreement—signed by them—should they fail to organize a Chapter, the property, etc., should revert to the General Grand Chapter.

I replied that the petitioners pledged for each other that if they failed to organize, all money or property should be forwarded to the Right Worthy Grand Secretary; and instructed the brother to forward the money to sister L. J. Pitkin, the Right Worthy Grand Secretary, who would receipt for the same. Should further action be taken by the remaining petitioners to complete the organization of a Chapter, during the present administration, the amount paid will be credited to them.

47. *Ques.* We have in our city a lady, highly respected in the community, who was rejected by our Chapter; and we have every reason to believe it was a personal matter that prompted the act. Can we make this an emergency case and act on her petition at any time we have opportunity when the suspected party is absent from the regular meeting of the Chapter.

Ans. While I regret that the members of our Order forget the use of and abuse the privileges of the ballot, the emergency clause in my opinion is not intended to cover a case like the one you have stated, and I am not in favor of depriving any member of their privileges by taking undue advantage of their absence.

48. *Ques.* (From a Grand Patron.) Can a corps of officers

working under a dispensation granted by the Grand Matron, legally act on petitions and confer the degrees?

Ans. In my opinion—yes. Does not the Dispensation granted Chapters U. D. so state? If it does not, it should so read.

49. *Ques.* We have in our Chapter two sisters who were elected to office, one as Associate Matron, the other as Secretary, neither were present at election or at the installation, but were installed by proxy. Is it legal to so elect officers? Neither of them have attended a meeting since election. What can we do in order to fill their stations permanently? It is not pleasant to have a new secretary every meeting and work a hardship on the Chapter.

Ans. I know of no law preventing a Chapter from electing to office absent members, providing they have expressed a willingness to serve, but no elective officer can be installed by proxy. Their installation should have been postponed until they could be present, the present officers retaining the positions until their successors are legally installed. I therefore advise that at the next regular meeting, you present a resolution to the Chapter asking that these chairs be declared vacant, if after thirty days' notice the sisters do not present themselves for installation.

RECOMMENDATIONS.

1. Recommend that Section 1, Article 15, of the Constitution of the General Grand Chapter, under the heading of Subordinate Chapters, be amended so as to read: "where more than two Chapters exist, without the consent of a majority of all the Chapters in said town or city."

2. Recommend that Sect. 2, Art. 6, Constitution of General Grand Chapter be amended so as to read: "And each Subordinate Chapter under the immediate jurisdiction of this General Grand Chapter, not in arrears for dues to this General Grand Chapter, in

States and Territories, be entitled to one vote in this General Grand Chapter."

3. Recommend that Sect. 1, Art. 2, under the heading of officers, be amended and that the titles of the Worthy Grand Conductress and Worthy Associate Grand Conductress (which were made elective at the last session of this Grand Body) be changed to Right Worthy Grand Conductress and Right Worthy Associate Grand Conductress, and that they precede in rank those of Worthy Grand Chaplain, the word "Very" be eliminated from title of chaplain.

4. Recommend that all questions shall be referred to the Most Worthy Grand Matron for decision, except as provided in Section 5, Article 8, General Grand Chapter Constitution.

5. Recommend that Sect. 5, Art. 8, be amended by adding after the word "powers," "and *shall* sign with the Most Worthy Grand Patron all circular letters authorizing the formation of Grand Chapters, also the notices of recognition."

6. Recommend that after an applicant has been elected to receive the degrees he or she must present himself or herself for initiation within six months from the date of such election. Failing to do so, said election shall be deemed void and the fee forfeited to the Chapter, unless for sufficient reasons shown, the Chapter shall otherwise determine.

7. Recommend that the sum of One Dollar be charged for each special dispensation granted by the Most Worthy Grand Matron, fee for the same to accompany request.

8. After my experience I would earnestly recommend the adoption of the recommendation offered by my esteemed predecessor, Mary C. Snedden, "That special Deputies of the Most Worthy Grand Patron,

for the purpose of organizing Chapters, may be either a brother or sister, duly qualified."

9. Amend Sec. 20, Page 5, Rules and Regulations, by striking out Section 20 and inserting the following: "Any member of a Chapter who fails to pay dues for two years, after 30 days' notice at the discretion of the Chapter may be suspended from all the rights and privileges of the Order."

10. Also to amend Sec. 2, Page 5, under heading of Trails, that the words "other than non-payment of dues" be inserted after the words "for any cause."

11. Also recommend that Sec. 7, of Rules and Regulations, Page 2, be amended by inserting after the word "committee" "of three members one of whom shall be a brother for investigation, who shall report at the next regular meeting, upon the applicants, unless further time be granted by the Chapter," and that the remaining clause referring to cases of emergency be stricken out.

12. Would also recommend "That members holding Dimits be privileged to visit one year, after which time provision be made, whereby they may retain their standing in the Order, by contributing to the nearest Chapter the full amount charged by said Chapter for the annual dues."

13. Mountain Chapter No. 2, Park City, Utah, has met with a sad experience. The Masonic Hall in which their meetings were held, having been destroyed by fire, and our Order as well as the Brotherhood lost all their property, some of them their homes and barely escaped with their lives, but undaunted by the calamity, their interest in the Order was unabated, and they were desirous to hold their next regular meeting. In the absence of the Charter and lodge room, I gave them permission to hold their

meetings in a school building, and without Charter until such time as our Most Worthy Grand Patron, brother Hinds, could issue them a duplicate Charter. Our sympathy is with them in their great loss sustained. I earnestly recommend that the dues of Mountain Chapter for the year 1898 be remitted.

14. I find no law requiring Chapters under the jurisdiction of the General Grand Chapter, to present their Code of By-Laws to the Most Worthy Grand Matron for approval, and recommend that a clause be inserted in Rules and Regulations, governing said Chapters, instructing them to forward their By-Laws to the Most Worthy Grand Matron for approval.

AMENDMENT TO THE RITUAL.

15. Amend the Ritual on Page 18 by striking out the word, "fourteen," and inserting the word "seventeen," and on Page 19, by striking out the words "and may have," making the Chaplain, Marshal, and Organist regular officers and that the necessary change be made in the installation ceremony, and the duties of the officers added to conform to the above amendment.

The station of the Chaplain shall be in front of the Treasurer, at the right of the Worthy Matron, and the station of the Marshal shall be in front of the Secretary, at the left of the Worthy Patron.

The two last named officers to be seated on a level with the Star officers.

16. When visiting Ruby Chapter, Moscow, Idaho, my attention was called to the case of the Misses Whitworths, what action had been taken by the General Grand Chapter at its last session. Upon investigation, I found that our Most Worthy Grand Patron, J. R. Donnell, had submitted this matter to the General Grand Chapter for consideration, but could

not find that any action had been taken. I regretted having to decline to grant a dispensation in their favor as the matter was still before the General Grand Chapter. Their mother being a member of the Chapter and their father not a willful, unaffiliated Mason, I should be happy if some action could be had resulting in their favor.

VISITATION.

During my term of office I have received invitations from every Grand Chapter in the U. S. to attend their annual convocations, and numerous invitations from Subordinate Chapters to be present at installations, anniversaries and social gatherings. The hall was filled to its utmost capacity, over six hundred members of the entire district being present. I was escorted to the East and introduced to the Grand Matron by brother M. S. Martin, Past Patron of Unity Chapter of Oakland, Chairman of the Reception Committee. While the extension of the Order is under the immediate jurisdiction of the Most Worthy Grand Patron, and Right Worthy Grand Secretary, I have received many letters of inquiry from Chapters in different States as to the mode of procedure in organizing Grand Chapters, also subordinate Chapters under the General Grand Chapter.

To all of these I have replied and referred the writers to the Right Worthy Grand Secretary for the needed information on the subject.

During my visit to the Grand Chapter of Texas in October, 1896, brother Heil of San Antonio called my attention to the possibility of introducing the Order into Mexico. Many of the barriers having been removed by Grand Lodges of A. F. and A. M. by again recognizing the lodges in Mexico. Later I received a letter from him suggesting that we have the Ritual printed in the Spanish language, and a deputy appointed to introduce the Order in Mexico. I referred the question of organizing in Mexico to our Most Worthy Grand Patron.

I have received numerous letters from Mr. J. Morse, a resident of London, England, who received the degrees in San Francisco with a view of organizing Chapters in England, and our Most Worthy Grand Patron has had the same under advisement.

We had hoped to report the Order introduced in Honolulu before the close of our term of office; our Right Worthy Grand Secretary and myself having received very encouraging letters from leading members of the Masonic Fraternity. But alas, for human disappointments (contrary to the old adage, women proposed and man disposed).

While our ambitions have not been realized, the seed has been sown, and good results are bound to be realized in the near future.

The interest in our Order throughout the United States is steadily on the increase and the support we are receiving from the Masonic Fraternity (to whom we are indebted for our existence) is most encouraging and gratifying.

Delaware being the only State where our Order is not in existence, and our Right Worthy Grand Secretary has been in correspondence with the lodges there.

SO-CALLED HIGHER DEGREES.

During my term of office I have been repeatedly asked to endorse the so-called higher degrees to our Order and participate in their privileges; to all of which I have courteously declined. I regret exceedingly that the name of Eastern Star has been made one of the prerequisites for petitioners, as it is often misleading and some have joined in good faith believing it to be a higher degree to our Order. In reply to inquiries from several Grand Matrons and Grand Patrons, I have advised that while we cannot prevent any of our members from joining any lodge or society, but they cannot in any manner connect them with the Ritual, or hold their sessions in Chapter room on regular nights of meetings of the Chapter, referring them to the decision of my predecessor, sister Mary C. Snedden, which was sustained by the General Grand Chapter.

CHARGES.

Ransford Chapter No. 2, E. Las Vegas, New Mexico. On November 26, 1896, charges were preferred by sister M. against sister S. on the grounds of conduct unbecoming a member of the Order.

A trial was had on December 9, 1896, when the sister was declared expelled from the Chapter. On

May 13, 1897, I received from sister S. an appeal from the decision of said Chapter. I then wrote to the Secretary for a transcript of all the proceedings governing the case, which were promptly forwarded to me. After carefully considering the entire procedure, I found that the trial had not been had in accordance with the laws governing subordinate Chapters under the jurisdiction of the General Grand Chapter, and therefore sustained the appeal remanding the case back for a new trial with directions how to proceed. Through the kindly interposition of a brother, who acted the part of the good Samaritan, sister M. consented to withdraw the charges. Sister S. asked for a Dimit and was by unanimous vote of the Chapter granted the same. This was her last request to the Chapter, she having died soon after this sad occurrence. I have placed in the hands of the Chairman of the Committee on Appeals and Grievances all the documents covering the case.

RITUAL.

1. My attention has been called a number of times on my visits to Chapters in regard to the change made on Page 67 of the Ritual, beginning at the fifth line and as far down the page as to the word "charity" on the thirteenth line. I wrote sister Pitkin regarding the change, who informed me that she was instructed to make the change by my esteemed predecessor. The change seemed only to correct the grammatical construction of the sentence, and in order to avoid any difficulty I recommend the same be approved.

2. I would ask this Grand Body to interpret the clause under the heading of "Membership," found on Page 1 of the Ritual.

3. I would also ask this Grand Body to define what part of the Ritual shall be considered as law,

and binding in the Grand Chapters who compose this General Grand Chapter.

4. Many members of the Order contend that decisions made by the Most Worthy Grand Patron or Most Worthy Grand Matron, relating to membership, by extending the eligibility, is not valid, but should be presented as an amendment to the Ritual, and should be acted upon according to the Constitution of the General Grand Chapter.

The decisions referring to the eligibility of half-sisters and adopted daughters, which were approved by the General Grand Chapter, is in the opinion of many null and void, as the Constitution of the General Grand Chapter prescribes how the Ritual shall be amended.

My attention has been called to this many times during the past three years, and I am of the opinion the eligibility for the degrees and membership, should be uniform in all States, holding allegiance to the General Grand Chapter.

INDEPENDENT GRAND CHAPTERS.

In accordance with the recommendation of the Committee as found on Page 148, Proceedings of the Session held at Boston in 1895, our R. W. Grand Secretary has written each of the Grand Chapters, inviting them to send a representative to this Session, and it is with pleasure I see so many visitors present, and I bid them a cordial welcome, with an earnest hope that each member may be able to report back to their several Grand Chapters, in favor of uniting with and becoming a constituent part of this Grand Body.

OPENING CEREMONY.

I have arranged a form for Opening and Closing of the General Grand Chapter, and present the same

for your consideration, as to its adoption by the General Grand Chapter for future use.

ESTHER CHAPTER, TENNESSEE.

Esther Chapter located at Bagdad, Tennessee, was re-organized Dec. 21st, 1895, and wishing to retain their former Charter, I endorsed the same, but gave them No. 5 on said Charter, in place of No. 1 as heretofore.

PLACE OF MEETING.

In accordance with the resolution adopted by this Grand Body at Boston in 1895, see Proceedings 153, I wrote each Officer of the Committee as to their choice, where the Session should convene. Invitations having been received from Texas, Washington, D. C., and St. Louis, Missouri. In reply all voted in favor of Washington, D. C., and the Grand Chapter of the District of Columbia was notified in due time of our acceptance of their invitation, and the Order at large notified as to place of meeting per resolution adopted.

During the month of August, 1896, our R. W. Grand Secretary, sister L. J. Pitkin, wrote me that North & Taylor had failed, where over one thousand dollars General Grand Chapter money had been deposited, but assured me that she should replace the money, and has sacrificed her salary, until the full amount was replaced. I have called the attention of the Finance Committee to the loss, and requested them to thoroughly investigate the matter and report the facts to this Grand Body.

I hope that this Grand Body will not permit our sister to meet this loss, as it was not an "error of judgment," but one of the unfortunate experiences that has come to many societies and individuals during the past two years.

The bank was a reliable one, having passed through the trying times of 1893, and had among the depositors many of the most influential business firms of Chicago. This bank was among the very first to succumb in the financial crisis in 1896, many National Banks closing soon after.

CORRESPONDENCE.

When I assumed the duties of this office, believing that it would be for the good of the Order, and bring members and myself into closer touch with each other, I issued a circular letter of greeting to all subordinate Chapters under the General Grand Chapter, and to all the Grand Matrons of Grand Chapters, and from the kind responses I received, was assured that my feeble efforts met with approval.

I have issued each year since an annual greeting to the Chapters and Grand Chapters generally.

My correspondence has been extensive, having received letters of inquiry of every conceivable nature, to all of which I have replied, no letter having reached my office that has not been answered.

Many letters received and replied to have passed the six thousand mark, many of them being answered by the Constitution, Rules and Regulations of this Grand Body.

I have had the pleasure of corresponding with every Grand Matron up to the date of my leaving home, many Grand Patrons and Grand Secretaries also.

Numerous questions having been asked in regard to various departments of the work. To all Grand Officers I have given my "opinions," always as "advisory," and not as decisions.

During my visits to different States, I have many

times been asked the question as to what literature could be procured, and what periodicals could be found giving information pertaining to the O. E. S., and I have informed all such that we have a 16 page paper published in Indianapolis, Indiana, by Mrs. Nettie Ransford, P. M. Worthy Grand Matron; the Signet by Mrs. Inez J. Bender, of Illinois, and the Mizpah at Marlboro, Massachusetts, by Mrs. Ella A. Bigelow.

I would earnestly commend the above Eastern Star papers to the Order at large, as deserving the support of all members.

It is not necessary for me to say to you, sisters and brothers, that my position as Most Worthy Grand Matron has been the Pioneer of the West — the duties of the Most Worthy Grand Matron having been enlarged at the Session of the General Grand Chapter held at Indianapolis in 1889.

When I reached home laden with the honors and responsibilities of the chief executive officer, I began to realize to some extent the responsibilities of the duties devolving upon me; and when from many Chapters on the Pacific Coast, I received so many letters, stating that they needed instructions and encouragement—to use their own words, “we are working in the dark with nothing but the Ritual to guide us,”—some appealing that they had never seen a General Grand Chapter Officer and had paid dues for many years and were entitled to some consideration. Others wrote that they had been struggling to exist for some time and unless instructions and encouragement were received, would surely die. I resolved that my first attention should be given Subordinate Chapters which had never been visited by an officer of the General Grand Chapter, believing that once in twenty-one years, in the existence of this General Grand Chapter, these remote Chapters were entitled to recognition.

The Chapters under the immediate jurisdiction of the General Grand Chapter have received attention so far as it has been possible for me to reach them. Chapters in the following named States have been visited personally by me: Idaho, Utah, New Mexico, Arizona, Wyoming, Maryland, West Virginia and "Old Virginia." The R. W. Grand Secretary having visited the Chapters in Tennessee, Georgia, Florida, 7 in Maryland and the District of Columbia.

With one or two exceptions, the above Chapters were never visited by an officer of the General Grand Chapter and I found the officers generally doing good work, and are deserving of commendation for their energy and zeal. I am of the opinion that the Chapters under the jurisdiction of the General Grand Chapter, should receive the same attention that subordinate Chapters do from their Grand Matrons.

I would therefore recommend that the Constitution be so amended that each Chapter under the jurisdiction of the General Grand Chapter shall be visited by the Most Worthy Grand Matron, or a deputy appointed by her, once in three years, at the expense of the General Grand Chapter.

In carrying out my resolution I have necessarily had to travel extensively. Sometimes the body grew weary after spending half of the night side-tracked, waiting for trains to pass or in small stations when changing from one road to another; at other times encountering sand storms in Idaho or the cloud burst in Arizona; delayed by wash-outs on the road, or staging to visit a handful of zealous workers who fully appreciated our efforts. One of the most startling, being the fearful thunderstorm experienced in our forty-mile travel through the black hills of Wyoming to visit the Chapter at Sundance.

In all my journeyings as your representative, I

recognize the fact that the Father's care has ever been over me.

These visits have, I trust, been of lasting benefit to the Order, and the cordial greetings extended to me on all occasions will ever be remembered with much pleasure during the remaining days of my life.

I shall, when I reach my home, have traveled over 32,000 miles in the interest of the Order. The days, weeks and months spent in traveling, sometimes at great personal sacrifice on account of the continued disability of my companion in life and otherwise have freely been given you; only regretting that I could not do more for the Order which has been a part of my life these many years.

APPRECIATION.

In the matter of thanks, I am at a loss how to begin or where to end. Would I might express to each Grand and Subordinate Chapter, and the officers especially in both bodies, my appreciation of their many kindnesses to me—a stranger among them—would fill a volume. To each of you I can only express my heart-felt gratitude for the many acts of kindness while a guest among you, and the tokens received at different times during the years we have been so pleasantly associated together. May your labors in the coming years be crowned with success, and the choicest blessings from our Father in heaven be yours to enjoy. To the Past and Present Grand Officers I am under lasting obligations for all the courtesies they have shown to me. To my associate officers I am indebted for the support they have rendered me; and to our Right Worthy Grand Secretary, Lorraine J. Pitkin, for the valuable assistance she has at all times given me. Our beloved sister has, by

her faithfulness to every duty, won the love and esteem of our noble Order, and proven herself worthy of the important trust with which she has been invested.

As we assume the duties of legislation for the good of the General Grand Chapter, let us lay aside all personalities and conscientiously consider only what is best for the good and welfare of the entire Order; and may all our deliberations be governed by the lessons taught at the several points of our emblematic star.

CONCLUSION.

Sisters and brothers, the record of *some* of the duties performed during the three years I have served you are before you. While I have failed to accomplish all that I had hoped, I assure you that my best efforts for the welfare and prosperity of our beloved Order have been freely given you. I have fully appreciated the confidence reposed in me by those, who by their preferment placed the gavel in my hands, which I shall soon return to you. I bespeak for my successor the support and confidence so freely accorded me.

I remain

Faternally yours,

MARY E. PARTRIDGE,

Most Worthy Grand Matron.

On motion the Address of the Most Worthy Grand Matron was referred to the Committee on Distribution.

Mrs. Sarah B. Haggard moved that we meet at eight o'clock to-morrow morning.

William H. Norris moved as an amendment that

to-morrow we hold but one session, meeting from eight o'clock in the morning until noon, which motion prevailed.

By order of the Most Worthy Grand Matron the Worthy Grand Marshal called the General Grand Chapter from labor to refreshment until 4:30 o'clock P. M.

In Triennial Session.

FIRST DAY—AFTERNOON.

TUESDAY, Sept, 27, 1898.

The General Grand Chapter was called to labor again at 4:30 o'clock, the Most Worthy Grand Matron presiding, the Worthy Grand Marshal proclaimed the afternoon session open for business.

ADDRESS

OF

H. H. HINDS, MOST WORTHY GRAND PATRON.

The Most Worthy Grand Patron then read his address as follows:

To the General Grand Chapter:

The organic law of this Order assumes but little jurisdiction. The several Grand Chapters through their assembled representatives who constitute this Grand Body have clothed it with but little authority. Its jurisdiction may be summed up briefly, as follows:

1st. It shall furnish a ritual of work, a signet, and a form of installation for officers of all bodies of the Order.

2nd. Should controversies arise between Grand Chapters that they are unable to adjust themselves (a highly improbable circumstance) it may intervene and make a final determination.

3rd, and most important of all, it is granted jurisdiction over the face of the globe where no Grand Chapter exists, to organize and govern Subordinate Chapters. Such apparently is the scope, authority and field of work of this Grand Body. The moment a Grand Chapter is formed over a given jurisdiction and is recognized by this Grand Body or its legal representative, all authority of the General Grand Chapter ceases therein and thereafter, and the Grand Chapter, in assuming jurisdiction, becomes the final arbiter, judge and law giver of the jurisdiction.

I am aware that this Body formally approves or disapproves rulings and decisions as to O. E. S. law and usage, but none of these proceedings have the slightest binding effect upon any of the Grand Chapters or the members thereof. They have force and are binding only upon the Chapters and members thereof which are subordinate to the General Grand Chapter. Briefly, one kind of ruling and law may obtain in one grand jurisdiction and the opposite may obtain in another. This body may not intervene to reconcile the difference. There is this single exception (another highly improbable occurrence) that a Grand Chapter may itself refer a question for settlement to the General Grand Chapter.

It is made the duty of the Most Worthy Grand Patron to assume the responsibility of organizing Chapters subordinate to the General Grand Chapter, and recognize Grand Chapters as same are formed. He is required to render an account of his stewardship at each regular session of this Grand Body. In conformity with that requirement this report is made.

I have issued charters for and caused to be instituted the following Chapters:

On September 10 the following letter was mailed at Evanston, Wyoming:

EVANSTON, Wyoming, Sept. 10, 1898.

MRS. LORRAINE J. PITKIN, Chicago, Illinois.

Dear Madam:—Enclosed find petition for charter, together with the affidavit of Evanston Lodge No. 4, A. F. & A. M., and New York Exchange No. 106,619 for \$20.00 to your order in payments of fees.

We have selected Geo. E. Bristol, who is already a member of the Star of Alpha Chapter, No. 1, of Laramie, Wyoming, as installing officer. Please forward charter and instructions soon as possible.

Yours truly,

MISS NELLIE PEPPER, Sec'y.

This letter reached the office of the R. W. G. S. on the 14th, and copy of same carrying petition in due

form reached my office the morning of the 15th. A singularly remarkable and unusual circumstance in this connection was that all the papers, including certificate of eligibility were amply sufficient, and the brother recommended, for my deputy was already heeled for the work, being a member of the Order in good standing. This would avoid the usual and lengthy delay incident to considerable correspondence. I decided to issue charter at once and direct the prompt institution of the Chapter. In my letter of instructions to the R. W. Grand Secretary, I explained the premises on which I base my act as follows:

"The application for charter for Chapter to be located at Evanston, Wyoming, is received to-day and it places me in a peculiar situation. The case plainly stated is this: If a Grand Chapter was really organized yesterday theoretically this office would lose its jurisdiction, but as a matter of fact it practically does not lose its jurisdiction until the said Grand Chapter is recognized by the General Grand Chapter or by this office. There is another factor, however, that has had great weight in influencing my action to-day. It is this: Owing to the late date that I was able to learn the wishes of the several Chapters, I feared the call might not reach all the scattered Chapters in time for them to be represented, I asked the parties called to at once acknowledge receipt of notice of call. Up to date I have received acknowledgment of receipt of same from but two Chapters, and one of the two thought they would be unable to be represented. I am therefore fearing that the representatives of a constitutional number of Chapters may not have answered the roll call in Casper yesterday. In view of all the above I have issued the charter and directed the institution of Chapter No. 9 at Evanston, and instructed my deputy that if a Grand Chapter for Wyoming was organized

yesterday, the proposed Evanston Chapter would become at once subordinate to and a part of the Grand Chapter of Wyoming. The only matter that would then be open would be the question of the disposition of the fee which the General Grand Chapter itself could dispose of."

I instructed brother Bristol, my deputy, as follows:

"It becomes my duty to inform you, and through you all the members of the Chapter you are to institute, that a convention was called by me of all the representatives of the existing Chapters in Wyoming, to assemble in Casper yesterday to consider the advisability of forming a Grand Chapter. If such Grand Chapter was organized, the Chapter you are asked to institute will at once cease to be subordinate to the General Grand Chapter, and will become subordinate to and a part of the Grand Chapter of Wyoming.

Fraternally and very truly yours,

H. H. HINDS,

Most Worthy Grand Patron.

The records of my office show that the 64 Chapters above noted represented a charter membership, when issued, of 1958. Ample evidence is at hand of additional material seeking early admission to these Chapters to make it fair to presume that the same Chapters now carry a membership on their rolls of more than 2,000.

BURNED CHARTERS.

On October 10th, 1895, fire destroyed the entire appointments and appurtenances including charter of Marion Chapter, No. 7, Marion, Kentucky. I issued Charter to replace burned one.

On March 30th, 1896, I issued charter to Gate City Chapter, No. 1, Florence, South Carolina, to replace one previously lost by fire.

On August 4th, 1898, I issued charter to Mountain Chapter No. 2, Park City, Utah, to replace one destroyed by fire June 19th.

OTHER DUPLICATE CHARTERS.

Under date of August 5th, 1880, a charter was issued under seal of the General Grand Chapter to various petitioners at Laramie, Wyoming, for a chapter to be known as Alpha Chapter, No. 1. My most worthy brother, Thomas M. Lamb, then M. W. G. P., failed to execute the charter by omitting his signature. As this was clearly a mistake of my predecessor, who is since deceased, making it a physical impossibility to obtain his signature and thereby correct the same, I issued charter with proper endorsement across face of same to the Chapter at Laramie under date of April 3rd, 1896.

DISTRICT OF COLUMBIA.

The Grand Chapter of the District of Columbia was formed April 30th, 1896, upon the following call:

STANTON, Mich., March 30th, 1896.

To All Whom it May Concern—Greeting:

Whereas, There being six Chapters of the O. E. S. in the District of Columbia with a membership of more than 700 persons, and believing that it will be for the best interest of the Order that a Grand Chapter be formed; therefore, be it

Resolved, That we petition the M. W. Grand Patron of the General Grand Chapter to issue a call for a convention to meet at Scottish Rite Hall, 1007 G Street, N. W., Washington,

D. C., at 7 o'clock P. M., April 30th, 1896, for the purpose of instituting a Grand Chapter of the Order of the Eastern Star for this jurisdiction.

The facts as to statements contained therein being conceded, the requests seems but reasonable and both "convenience and propriety" indicate that the request should be granted.

W., Washington, D. C., at 7 o'clock P. M., April 30th, 1896, to form a Grand Chapter, Order of the Eastern Star, for the jurisdiction of the District of Columbia.

It was duly recognized by the following proclamation, July 19th, 1896:

STANTON, Mich., July 19th, 1896.

To all Members of the Order of the Eastern Star—Greeting:

Whereas: By the Constitution of the General Grand Chapter, Order of the Eastern Star, the jurisdiction of the same holds and remains exclusive over territory where no Grand Chapter exists until a Grand Chapter is legally organized therein and recognized by the Most Worthy Grand Patron or the General Grand Chapter itself; and

Whereas: On April 30th last, a constitutional number of subordinate Chapters in the District of Columbia, through regular and legal representatives, did in a proper and formal manner organize a Grand Chapter and install officers of the same and adopt a constitution regular and proper in form, which has received the approval of the executive of the General Grand Chapter; now

Therefore, I, Henry Harrison Hinds, Most Worthy Grand Patron of the General Grand Chapter of the Order of the Eastern Star, by the authority vested in me as above indicated, and in conjunction with the Most Worthy Grand Matron, do hereby proclaim and declare the Grand Chapter of the District of Columbia duly organized and a constituent member of the General Grand Chapter of the United States of America.

WYOMING.

On September 5th evidence was completed in the files of my office that led me to believe all the Chapters in the State of Wyoming desired a convention

called at Casper on the 14th, to consider the propriety of forming a Grand Chapter. I, therefore, issued the following proclamation through the office of the R. W. Grand Secretary calling said convention.

To All Who It May Concern—Greeting:

Whereas, there are now eight regular organized Chapters, Order of the Eastern Star, now working under the jurisdiction of the General Grand Chapter in the State of Wyoming, and

Whereas, evidence just completed in the office of the Most Worthy Grand Patron leads to the conclusion that it is the unanimous desire of said eight Chapters of the Order that a convention of the representatives of the same be called to meet in Casper, Wyoming, at 10 o'clock A. M., Sept. 14th, to consider the propriety of forming a Grand Chapter for the jurisdiction of the State of Wyoming; now

Therefore, a convention of all the Chapters of the Order of the Eastern Star under the jurisdiction of the General Grand Chapter located in the State of Wyoming is hereby called to meet at Masonic Hall, Casper, Wyoming, at 10 o'clock A. M., Sept. 14th, 1898, to form a Grand Chapter, Order of the Eastern Star, for the jurisdiction of the State of Wyoming.

All Worthy Matrons, Worthy Patrons, Associate Matrons, Past Matrons and Past Patrons in good standing belonging to the eight Chapters above referred to, are entitled to seats and membership in said convention.

H. H. HINDS,

[SEAL.]

Most Worthy Grand Patron.

MARY E. PARTRIDGE,

Most Worthy Grand Matron.

Attest: LORRAINE J. PITKIN,

Most Worthy Grand Secretary.

In order that incidental delays might not arise and delay the official call from reaching all the scattered

Chapters of this Rocky Mountain State, I addressed the following official notice to each Chapter:

To the Worthy Matron, Worthy Patron and Associate Matron:

Dear Sisters and Brothers:—You are hereby notified that I have called a convention of the eight Chapters, Order of Eastern Star, to assemble in Masonic Hall, Casper, Wyoming, at 10 o'clock A. M., Sept. 14th, 1898, to consider the propriety of forming a Grand Chapter of the Order for the jurisdiction of the State of Wyoming.

All Worthy Matrons, Worthy Patrons, Associate Matrons, Past Matrons and Past Patrons in good standing belonging to the eight Chapters above referred to, are entitled to seats and membership in said convention.

The official notice of said convention I have directed issued from the office of the Right Worthy Grand Secretary, and same, I trust, will reach you at an early date. Take due notice and govern yourselves accordingly.

Kindly acknowledge receipt of this communication at once.

Fraternally yours,

H. H. HINDS,

Most Worthy Grand Patron.

On September 19th I received the following communication:

CHEYENNE, Wyoming, Sept. 16th, 1898.

H. H. HINDS, M. W. G. P., Stanton, Michigan.

My Dear Sir and Brother:—I have the pleasure to inform you that at Casper, Wyoming, during the meeting of our Grand Lodge, A. F. & A. M., the Grand Chapter of the Eastern Star was formed, and in the evening we held a joint installation, and being the retiring Grand Master, I was requested by the oldest Past Patron to install the officers of

the Grand Chapter for him, which I did with great pleasure. You will receive full particulars through the proper officers.

Fraternally yours,

E. P. ROHRBAUGH.

P. S.—I have made special mention of the Eastern Star in my annual address to the Grand Lodge, which I have never before seen in any of the doings of the Grand Lodges.

E. P. R.

This is all the information I am possessed of, either officially or by common rumor, as to the formation of a Grand Chapter in the State of Wyoming.

RELEASE OF JURISDICTION.

To Indiana:

On January 13th, 1897, brother A. W. Byers, Patron South Bend Chapter, No. 2, telegraphed me asking dispensation for his Chapter to confer the degrees upon a Master Mason, resident of London, England. Of course, I had no jurisdiction in Indiana, but had in London, England. I could do no more than to release jurisdiction to the Grand Chapter of Indiana, which fact I wired to brother Byers. The degrees were duly conferred upon the applicant by South Bend Chapter. Brother Byers, in reporting upon the incidents of the occasion, not only transmitted thanks, but a newspaper clipping reading as follows:

"South Bend Chapter, No. 2, Order of the Eastern Star, had the high honor last evening, of conferring the degrees of the Eastern Star upon Henry Welcome, a distinguished Master Mason of London, England. A special dispensation to confer the degree was granted by the Grand Matron, Mrs. Jennie Nye of La Porte, Mr. Welcome being a citizen of England. He is Past Master of Fidelity Lodge, No. 3, of London, and also Past Master of Columbia Lodge, the American Lodge of London. There is no Eastern Star in Eng-

land, and Mr. Welcome is the first Englishman to receive the degrees of the O. E. S. He will start for London Saturday, after a pleasant visit with his brother here. Rev. Welcome, of Elder street and will endeavor to introduce the Eastern Star there. If successful, it will be a great honor to South Bend."

I replied to brother Byers as follows, which closed the incident on the part of the General Grand Chapter:

Mr. A. W. BYERS, W. P., South Bend Chapter, No. 2, O. E. S.

Dear Sir and Brother:—Replying to your highly esteemed favor of the 15th, I beg to advise you that the General Grand Chapter had original jurisdiction of the material in the case of brother Harry Welcome, of London, England, but no jurisdiction as to his receiving the degrees in Indiana. It would have as to his receiving the degrees in any Chapter subordinate to the General Grand Chapter. The releasing of jurisdiction of the original material I should always grant, being first satisfied that the candidate was eligible. I knew, on general principles, that your Chapter would know its material before working, and I therefore wired as I did, that I would not intervene, which amounts to releasing jurisdiction.

The paper cutting is in error in stating that brother Welcome is the first resident of England to receive the degrees of the Order of the Eastern Star. Mr. J. J. Morse of Sunderland, England, is a member of Golden Gate Chapter of San Francisco, and is now at home in England, and hopes to awaken an interest in our Order there.

You had best furnish me with the exact London address of brother Welcome, so that I may cause proper blanks, applications, etc., to be sent him, if he is inclined to try to interest brother Master Masons in organizing Chapters of the Order in Britain.

Fraternally and very truly yours,

H. H. HINDS,

Most Worthy Grand Patron.

To Michigan. I have released jurisdiction to the Grand Chapter of Michigan through its Grand Secretary in the case of six persons, viz:

Geo. W. Smith and wife, Mrs. Ella Smith, November 22, 1897.

Henry Roebuck and sister, Mrs. Nachell Blackburn, December 18, 1897.

W. W. Stover and wife, Mrs. Jennie Stover, July 22, 1898, all being residents of Sombra, Canada, and petitioning Emily Ward Chapter, No. 205, Marine City, Michigan.

Each petition carried the following endorsement from this office, the name of applicant and date only being changed:

I, Henry H. Hinds, Most Worthy Grand Patron, General Grand Chapter, Order of the Eastern Star, do hereby release jurisdiction of the General Grand Chapter in the case of Geo. W. Smith, a member of St. Clair Lodge, No. 425, A. F. & A. M., of Sombra, Canada, for the purpose of joining the Order in the jurisdiction of Michigan, viz: Emily Ward Chapter, No. 205, of Marine City, as set forth in the attached petition, and for no other purpose. Stanton, Michigan, Nov. 22, 1897.

H. H. HINDS,

Most Worthy Grand Patron.

CONCLUSION.

In this report I have intended to cover the ground traversed in my official work, which is the entire field of extending the influence, work and membership of the Order by the General Grand Chapter in so far as new organizations are concerned. In the work I have found no reason to act in any case with the slightest personal bias. I have performed no official act to accommodate an enemy or please a friend. I have aimed

to do right in all cases as I saw the right. I have interpreted the law to the best of my ability and after drawing a line, I have hewn to the line. One of the very serious mistakes of my mature manhood was permitting myself to be elected to and entering upon the discharge of this high and honorable office. I had no real appreciation of the magnitude of the work. In this magnificent city in which is always encamped an army of office-holders as well as office-seekers, there are few examples of persons looking forward to the expiration of their terms of office with the complaisance that now possesses me. Were I to contemplate another so important an undertaking, I should desire to possess youth, vigor, enthusiasm, great endurance and money to burn.

Respectfully submitted,

H. H. HINDS,

Most Worthy Grand Patron.

WASHINGTON, D. C., Sept. 27th, 1898.

On motion the address of the Most Worthy Grand Patron was referred to the Committee on Distribution.

Of the accounts receivable on the 15th day of July, 1898, the Grand Chapters of the District of Columbia, California, Illinois, Massachussetts, Nebraska and Pennsylvania have paid their indebtedness. The Grand Chapters of Indian Territory and Minnesota having paid part of their indebtedness.

The proceedings were printed as per instructions, and the first copies were mailed to the Officers of the General Grand Chapter on December 9, 1895, others following as soon as it was possible.

All moneys have been forwarded to the R. W. Grand Treasurer promptly. The "Contingent Expense Account," which was reported at the last Session, has been continued and was approved by the Finance Committee, as a necessity and the same manner of paying small bills has been continued during the last term.

CHARTERS SURRENDERED.

De Soto Chapter No. 11, Logansport, La., made their report to January 1, 1898, paid all dues and sent their Charter and Signet to me, with request that we

issue demits to the following named persons, which was done under the direction of the Most Worthy Grand Matron: Mrs. M. E. Garrett, Mrs. S. E. Crosby, Mrs. F. R. Ingle, Mrs. M. A. S. Alston and Mrs. Sarah Wall, Messrs. W. J. Headrick, H. N. Wyse, S. J. Smart and A. M. Garrett.

Mr. E. Wailes, Secretary of Electa Chapter No. 12, Franklin, La., sent to this office the Charter of Electa Chapter No. 12, February 16, 1897, regretting that it was impossible to keep the Chapter up longer.

Mrs. Julia Husbands, Secretary of Gate City Chapter No. 1, Florence, South Carolina, sent to this office on the 25th of February, 1898, the Charter, Signet and two Rituals. In both cases I urged the members to pay their dues and have demits issued, but have heard nothing from them since.

CHAPTERS DELINQUENT.

The Chapters being delinquent appear under the list of Subordinate Chapters, just following and need not be repeated here.

CHAPTERS RE-ORGANIZED.

Esther Chapter No. 1, of Difficult, Tenn., was organized August, 1880, and paid dues only in 1888. By action of the General Grand Chapter in 1892, upon the recommendation of the Committee on Charters, that Chapter was stricken from our books. They desired to re-organize under the old name and number. They could not have the old No. 1, as that had been given to Nashville Chapter, Tenn. By permission of the M. W. Grand Matron, the Chapter was re-organized December 21, 1895, under the name of "Esther Chapter No. 5, located at Bagdad, Tenn.," and the old Charter was endorsed by her, as the

Chapter wanted to retain the Charter granted them in 1880.

DUPLICATE CHAPTER.

Duplicate Charter was issued to Marion Chapter No. 7, on the 13th day of November, 1895, the original having been destroyed by fire.

PAYMENT OF MILEAGE.

The General Grand Chapter at its last session, ordered that "each representative present, or their proxy, should receive the sum of 2 cents a mile one way from place of starting," and the R. W. Grand Secretary was instructed to pay the same. Anxious to carry out the order of the General Grand Chapter, and believing that many registered who did not attend a single session and did not expect mileage, I sent a blank to each one who registered, asking them to certify to the number of sessions they attended and paid mileage as per proceedings, pages 138 to 145 inclusive, except Mrs. Edith Horsfall of Arkansas, Mr. Andrew McMillan, proxy for the A. Grand Patron of Iowa, Mr. I. N. Hathaway, Grand Patron of Ohio and Mr. Frank A. Brown, P. Grand Patron of South Dakota and those who refused mileage. I sent blanks to Mrs. H. Horsfall twice and they were returned both times. Messrs. McMillan, Hathaway and Brown did not return blanks filled out, and the letter was not returned, so I concluded that they did not attend any of the sessions, but after the Proceedings were printed, they applied for their mileage complying with my request, and I paid them the mileage they were entitled to. Mr. Brown received \$34.16, Mr. Hathaway \$13.50 and Mr. McMillan \$27.46. I drew warrants for the mileage and paid the representatives by check, filing them as vouchers.

Mrs. Emma W. Port, of Kansas, Mrs. Annie B. Huntress, Mrs. Hattie E. Ewing, Warren W. King and Robert C. Huntress, of Massachusetts, Mrs. Mary F. Phillips, of Rhode Island and Cornelius Hedges, of Montana, declined to accept mileage.

GRAND CHAPTERS ORGANIZED.

The Grand Chapter of Rhode Island was organized August 22, 1895, and reported by the Most Worthy Grand Matron and Most Worthy Grand Patron, but the dues paid by the Chapters in that State did not appear in my report as they were received after my books were closed, but will appear in this report under the proper head.

The Grand Chapter of Washington, D. C., was organized April 30, 1896. Notice of recognition was duly issued and will be reported by the Most Worthy Grand Patron, and dues paid for the year 1896 appears under the proper heading.

TEST OATHS.

A copy of the "Test Oath" was sent to all Chapters under the jurisdiction of the General Grand Chapter at the time the Report Blanks were sent, December 1, 1895, with full information of its use.

INDEPENDENT GRAND CHAPTERS.

As per instruction of the General Grand Chapter I addressed a communication to the Grand Chapters of New Jersey, Connecticut, Vermont and New York, informing them of my instructions, and urged them to take such action as should result in their becoming a constituent part of this Grand Body. I am happy to say that the Grand Chapters of New York, New Jersey and Connecticut received the communication, and

appointed a committee to meet with us at this session, and I must be pardoned for extending my hearty welcome and best wishes for a speedy action on the part of all who can aid in the full fruition of our hopes for a United Order. My letter appeared in full in the *Proceedings of Vermont* for 1897, and need not be added here. Vermont deferred action on the matter till the session in June, 1898, and the Grand Secretary Henry L. Stillson, notified me that they were not quite ready to take action, giving me very good reasons. I am sure that only a few years will pass by before every Grand Chapter of the Order of the Eastern Star will be as one body and part of the General Grand Chapter. "The patient waiter is no loser." I trust that the "old green mountain State" is represented here to-day by visitors, and I know they will receive a warm fraternal greeting.

NEW TERRITORY.

Seven Chapters have been organized in Old Virginia since the last session and all are in a flourishing condition, as will be shown by the report of the Most Worthy Grand Matron.

SECRET WORK.

Several Grand Chapters have requested the Secret Work in cipher, and I have had it printed, using the first letter of each word, supplying such Grand Chapters as have preferred it printed in this way.

PETITIONS FOR CHARTER.

There have been sixty-five petitions for Charters received at this office since July 15th, 1895, Charters for three of which were granted by James R. Donnel and reported by him.

Sixty-two petitions have been sent H. H. Hinds, Most Worthy Grand Patron, fifty-eight of which have been returned as approved and Chapters organized, and which will appear in his report.

The Charters have been sealed and signed in blank by the Most Worthy Grand Matron and myself, and inscribed in the office of the Most Worthy Grand Patron, except the first few.

REVENUE.

One of the interests which should be considered by this Grand Body is its Revenue. Many of the Grand Chapters are curtailing the sale of Rituals, and when every State has a Grand Chapter, if this course continues, the revenue from the sale of Rituals will be very much reduced.

When I was elected to this position in 1889, it was very evident to me that a good revenue could be secured by the sale of such supplies, as every Chapter was obliged to use almost constantly, such as Petitions for Degrees, Receipts for Dues, Treasurer's Receipts, etc.

After consulting with the Most Worthy Grand Matron Mrs. Nettie Ransford, and with her approval I made an effort in this direction.

I reported the matter to the General Grand Chapter, and the Committee on Finance reported in favor of keeping supplies as mentioned on page 71 of the Proceedings of 1892, held at Columbus, Ohio.

The General Grand Chapter adopted the report of the Finance Committee and made the Right Worthy Grand Secretary the financial agent for the purchase and sale of Rituals, Signets, Blanks and such other articles from which the General Grand Chapter derives a revenue.

I give the following figures showing the net gain for the sale of these supplies for the years indicated, the last being for two years:

Net gain for the sale of such supplies from 1886 to 1889.....	\$121.14
Net gain for the sale of such supplies from 1889 to 1892.....	414.54
Net gain for the sale of such supplies from 1892 to 1895.....	866.85
Net gain for supplies from 1895 to 1896, two years.....	662.27

Compare the figures and notice how the revenue increased, and notice the loss to the Treasury of the General Grand Chapter, as the following was adopted at the last session in Boston:

"That all supplies in the office of the Right Worthy Grand Secretary be sold only to Grand Secretaries and Chapters under the immediate jurisdiction of the General Grand Chapter."

I could see no good reason why I should be confined in the sale of these supplies to Grand Secretaries, when we had a large stock on hand, that must be almost a total loss, as few Grand Chapters patronize the General Grand Chapter, except for Rituals and Signets.

Prohibiting the sale of these supplies to twenty-six hundred Chapters, seemed to me to be in direct opposition to the interests of this Grand Body, especially as I had made every effort for six years preceding 1895, to create a revenue from the sale of these supplies.

I have taken a special pride in extending the Order into unoccupied territory and increasing the revenue, and it was a matter of regret to me that this revenue should be swept away with so little consideration.

Chapters under the immediate jurisdiction of the General Grand Chapter buy sparingly and are reached by dealers who get a large share of their orders.

After consulting with the M. W. Grand Matron

Mrs. Mary E. Partridge, I concluded to continue the sale of these supplies as heretofore, to reduce the stock and save the loss, and did so up to the 15th of July, 1897, turning into the Treasury of the General Grand Chapter \$662.27 net gain. I took stock on that date and sold what there was on hand at cost. I have always had more or less office help, and paid for it from my own resources. I decided to have help four days in the week at an expense of \$5.00 per week for two years, and charge it against the \$662.27 that I turned into the Treasury of the General Grand Chapter; this amount should be credited to the "Office Expenses."

I have called the attention of the Finance Committee to the above facts, and they can verify my statement.

Any society is in danger of a collapse who has no established source of revenue.

If mileage is paid Delegates who attend the sessions of the General Grand Chapter, it seems wise to consider the matter of calling in the tax the Constitution provides for.

Chapters that are organized by the General Grand Chapters in remote territory, should be fostered and cared for, the same interest manifested as is in State Grand Chapters. They pay us dues and are entitled to help and encouragement, and it is no wonder they complain of neglect by the body who organized them and who exact annual dues and leave them to live or die as the case may be.

I would recommend that the Constitution be so amended that Chapters shall work under dispensation of the M. W. Grand Patron until the Chapter has been fully organized, when the Deputy shall make such report and return the petition for charter, with full report of those who were present at the organization,

whose names *only* shall appear upon the Charter, when the Charter can be inscribed in the office of the R. W. Grand Secretary. Under the present manner of organization it is not possible to know who are present at the organization and who are Charter Members.

Thirty days might be allowed to give signers to the Petition an opportunity to present themselves for recognition as Charter Members, as sickness or unforeseen accident might prevent the Petitioner from being present and work a hardship.

Still indebted to the members of the Order at large for the full measure of confidence so generously bestowed upon me at all times, I can only assure them of my gratitude and continued fidelity to the Order that has been a part of my life for over a quarter of a century. Respectfully submitted,

Lorraine J. Pitkin

R. W. Grand Secretary.

To the M. W. Grand Matron, Officers and Members of the General Grand Chapter:

The Committee on Addresses to whom were referred the Addresses of the M. W. Grand Matron, and the M. W. Grand Patron, would respectfully report that, having examined these papers, do submit as a result of their labors the following recommendations:

Believing, that the precedent established by several of the Grand Chapters is worthy of adoption by the General Grand Chapter, we would recommend that all matters contained in said addresses having reference to deceased members be referred to the Very Worthy Grand Chaplain.

That all matters contained in the address of the M. W. Grand Matron, in relation to her official acts, decisions to changes in the Ritual, and to a ceremony for opening the Sessions of the General Grand Chapter, and to the so-called "higher

degrees" and all recommendations, with the exception of the one pertaining to Mountain Chapter, Park City, Utah, be referred to the Committee on Jurisprudence.

That the recommendation in regard to the remission of dues for the year 1898 of Mountain Chapter; and the matter referring to the loss of certain of the funds of the General Grand Chapter, by the failure of North & Taylor, be referred to the Committee on Finance.

That the portion of said address which refers to the extension of the Order in foreign countries be referred to a Special Committee.

MRS. MATTIE P. BARNEY.

MRS. JENNIE E. BRADLEY.

On motion of Willis D. Engle the resolution and the matter referring to the Most Worthy Grand Patron, was recommitted and the remaining portion adopted.

UNFINISHED BUSINESS.

Mrs. Carrie M. Perkins, from the Committee on Unfinished Business, submitted the following report, which was adopted:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

Your Committee on Unfinished Business, respectfully

report that the case of the Misses Whitworth's of Moscow, Idaho, is the only business left unfinished at the last session of the General Grand Chapter.

The case in our judgment is one of the unfortunate ones for which there is no remedy: the ladies are clearly not eligible under our rules, and we can not see the advisability of changing those rules.

Therefore, recommended that the General Grand Chapter uphold the decision of Past Most Worthy Grand Patron, James R. Donnell.

Respectfully submitted,

MRS. CARRIE M. PERKINS.

EDWARD W. BARROWS.

MRS. ALMA C. STRONG.

AMENDMENT TO THE RITUAL.

James Bestor Merritt submitted the following resolution, which was referred to the Committee on Jurisprudence.

Resolved: That the Ritual be amended by striking out the eighth and ninth lines on page 60, so that it shall read:

"My Sister, The Eastern Star is closely related to the Masonic Fraternity. The wives, daughters, mothers, widows and sisters of Masons may become co-laborers with the great Brotherhood in the service of humanity."

Respectfully submitted,

JAMES BESTOR MERRITT.

Past Grand Patron of California.

The following communication relative to holding the next Triennial Session at Dallas, Texas, was read, and on motion of N. A. Gearhart, was ordered filed

and recorded, inasmuch as the place of meeting is fixed by the first five officers, acting as a committee.

MASONIC TEMPLE, HALL OF DALLAS
CHAPTER NO. 1, ORDER EASTERN STAR.

DALLAS, Texas, August 25th, 1898.

*To The General Grand Chapter, Order of The Eastern Star
—Greeting:*

In your Triennial Session, held in the city of Washington, D. C., will probably be selected the place for holding your meeting for the year 1901. In view of this fact, Dallas Chapter No. 1, extends a cordial and fraternal invitation to the General Grand Chapter to meet in the city of Dallas. We can assure you a hearty welcome and guarantee you hospitable entertainment while in our midst.

The Organization never having held a session in a Southern city, we believe, if in your wisdom, you do so for the 1901 Triennial, that it will be vastly beneficial to the Order throughout the South. Our hotel accommodations are ample, and our Hall one of the largest and most completely equipped in Texas.

Done by authority of the Chapter, in regular meeting assembled this day, and attested by the Secretary and over the seal of the Chapter.

Fraternally yours,

KATE M. BRYAN,
Secretary.

William F. King, of Michigan, submitted the following invitation to the General Grand Chapter to meet in Detroit, and upon motion it was referred to the same committee.

*To the Most Worthy Grand Matron, Officers and Members

Sisters and Brothers:—We the present Worthy Matrons of the several Detroit Chapters, O. E. S., in behalf of ourselves and the Chapters which we represent, respectfully invite your Grand Body to hold its next Triennial meeting in 1901 at Detroit, Michigan.

The reputation of Detroit as a Convention City is well known and the welcome of her citizens to her stranger guests is always most cordial. We trust you may accept our invitation.

Fraternally,

MEMORIAL.

Mrs. Laura B. Hart, of Texas, submitted the following, and upon motion of Frank A. Brown, it was referred to a committee of five to report at this meeting.

*To the Most Worthy Grand Matron, Most Worthy Grand
Patron, Officers and Members of the General Grand
Chapter, Order of the Eastern Star:*

Greeting:—At the annual session of the Grand Chapter of the Order of the Eastern Star, State of Texas, convened at Fort

Worth, October 13th, 14th and 15th, 1896, our Grand Patron, brother L. S. Garrison, who excels in fidelity, good judgment and forethought, said, among the many good things in his annual address: "There is another matter to which I wish to call the attention of this Grand Body, which is the condition appertaining to the sale of the ritual of this organization. I am of the opinion that a document containing nine-tenths of the secret work of any Order should not be made a purchasable commodity. I firmly believe that so soon as the very fabric of any secret organization becomes a matter of trade and barter it forever removes the sanctity and secrecy that should surround it. It makes this institution, instead of a secret one, a semi-secret society. There is no question but what it lowers our standing among the other fraternal Orders throughout the civilized world, as there are none within my knowledge whose rituals can be had by purchase. Other secret bodies have monitors, manuals, shibboleths, tactics, etc., but in none of these can be found a single line of the secret work. Therefore, having solely in view what I conceive to be the elevation of the Order, and what I believe to be for its best interests, I make the following recommendations, viz: That the Grand Matron appoint a committee of three, whose duty it shall be to prepare a memorial to the next General Grand Chapter to the effect that it is the sense of this Grand Chapter that the present ritual be called in and one promulgated for the use of the 'Craft' which does not contain any of the monitorial work, and that the same be placed in the keeping of the proper custodian, as is usual in such cases. Also that the General Grand Chapter be requested to issue a monitor, manual, or such other name as they may see fit to give it, for the membership in general. That the provisions of this memorial may be more effectively carried out, I suggest that our Grand Secretary be instructed to have a sufficient number of copies of said memorial printed, and, accompanied by a circular letter, be sent every Grand Jurisdiction in the United States, requesting their support of the measure by giving the respective Grand Representatives the necessary instructions in the premises."

The above recommendations being unanimously endorsed by our Grand Body, we, the committee appointed by the Grand Matron of the Grand Chapter of Texas in conformity thereto, would respectfully petition your Grand Body to consider the above recommendations, as we firmly believe an imperative necessity exists, demanding the promulgation of a new ritual, thoroughly revised and which shall contain all of the secret work of this organization, with possibly the exception of the pass words and their connections. When prepared and ready for use, it shall be placed in the hands of each Grand Matron throughout their respective Grand Jurisdictions of the United States and all other countries, as fast as the Order shall be extended. That at the same time there be issued by your authority a monitor for the use of members generally, which does not contain any of the secret work, as is now the case. We further ask that at this session your Grand Body appoint a committee on Ritual and Monitor Work, with the necessary instructions looking toward the execution of the provisions of this memorial.

MEMORIAL.

The following communication from the Grand Chapter of Pennsylvania was read and referred to the above committee, also:

*To the Most Worthy Grand Matron, Officers and Members of
the General Grand Chapter—Greeting:*

SUSQUEHANNA, Pa., July 26th, 1898.

At the annual meeting of the Grand Chapter of Pennsylvania, O. E. S., held November 16th, 1897, the resolution of the Grand Chapter of Texas was read, concerning the change of ritual, and on motion, duly seconded, it was

Resolved, That a committee of three be appointed to consider these changes and recommend for the Grand Chapter of Pennsylvania their rejection or adoption. The Worthy Grand Matron appointed brother John S. Jenkins, sisters Belle Luckenbach and Mary A. Strachen, such committee who have reported, as follows:

We, the undersigned committee, to whom was referred the resolutions of the Grand Chapter of Texas, relative to and urging the withdrawal of all rituals and issuing of new ones to contain none of the Monotorial Work. Now,

We, your committee, beg leave to report that after careful examination of the ritual now in use, and comparing it with the manual of the Order, formerly in use by the members of the Masonic Fraternity and their female relatives, who were instructed somewhat in the work of the Order of the Eastern Star; that we are opposed to the resolution of the Grand Chapter of Texas for the following reasons:

1st.—So far as we can determine there is not as good an opportunity to get the secret work out of the ritual we now have, by any one who has not taken the degrees of the Order, as formerly by the use of the Manual.

2nd.—There is not in the ritual now in use anything whereby a person not having taken the degrees could learn enough to injure us, or benefit them; furthermore, it would be an unnecessary expense, and one for which we would receive little or no benefit.

3rd.—As to the Monotorial Work being placed in the keeping of proper custodians, etc., what would we gain here? Is

not our secret work now kept in the hands of the Worthy Matron, Worthy Patron and Associate Matron? We see no greater security in the plan proposed.

JOHN S. JENKINS,
BELLE E. LUCKENBACH,
MARY A. STRACHEN,

NECROLOGY.

Alfred G. Pinkham, from the committee on Necrology, submitted the following report, which was unanimously adopted by a rising vote.

To the Officers and Members of the General Grand Chapter:

The simple parable of nature begun in the spring-time, continued in the summer and ended in the autumn, sets forth most eloquently the life of man, and is a constant reminder of our mortality. But they who look beneath the outward show, may read as well the lesson of our immortality. Since last we met three years ago, the Angel of Death has summoned from our midst eighteen of our permanent members, whose names

we lovingly record:—Sisters Jane Miller, Julia Abraham, Georgia A. Matfield, Victoria C. Little and Mary C. Fenton; Brothers John H. Noble, Eugene B. Dyke, John Van Buren Green, Herman G. Reynolds, Herman G. Carter, John A. Regnell, J. Ira Brown, N. D. Ricks, James M. Harkey, David B. Purington, John F. Dickinson Richard F. Dunn and I. W. Blake. Their memory we cherish. Their zeal and earnestness we gladly commend.

While mourning their loss we look forward with trustful faith to a joyful re-union in that land where separation and death are never known.

We recommend that memorial pages be set apart in the printed proceedings of this Grand Body, their names inscribed thereon.

Respectfully submitted.

ALFRED G. PINKHAM.

MRS. IDA E. JOSLIN.

FINANCE.

William A. Blossom, from the Committee on Finance, submitted the following, the recommendations of which were, upon motion, acted upon seriatim:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter, Order of the Eastern Star.

Sister and Brothers:—The report of the Committee on Finance, Ways and Means is herewith respectfully presented.

We have examined the accounts of the Right Worthy Grand Secretary and the Right Worthy Grand Treasurer and find them correct, the duties of both officers having been performed in a careful and accurate manner.

The Right Worthy Grand Secretary has paid to the Right Worthy Treasurer the sum of \$12,158.48 receiving the Right Worthy Grand Treasurer's receipt therefor.

The account of the Right Worthy Grand Treasurer is as follows:

Balance on hand at last report.....	\$6, 925.79
Received from Right Worthy Grand Secretary.....	\$12,158.48
Total.....	\$19,084.27
Paid out on warrants properly drawn.....	\$14,874.65
Balance in hands of R. W. Grand Treasurer....	\$4,209.62

The system adopted by the Right Worthy Grand Secretary is complete in every detail; it involves a vast amount of labor but produces excellent results.

The Most Worthy Grand Matron has manifested a remarkable degree of zeal, energy and devotion to the Order: she has visited a large number of Chapters under the immediate jurisdiction of the General Grand Chapter, thereby causing renewed interest in the Order and in some cases encouraging struggling Chapters to such an extent that they have been saved from dissolution.

In recognition of her valuable services we recommend an appropriation of eight hundred dollars to Most Worthy Grand Matron Mary E. Partridge.

We recommend that the officers and standing committees of the General Grand Chapter in attendance at this session be allowed mileage at the rate of three cents per mile one way, provided, that no person shall be paid mileage in more than one capacity.

We recommend that the incoming Most Worthy Grand Matron be authorized to appoint a committee of three to confer, by correspondence, with the several Grand Chapters in reference to the levying of a per capita tax to be paid by the Grand Chapters to the General Grand Chapter, said committee to report at the next session.

Respectfully submitted,

WILLIAM ALDEN BLOSSOM.
MRS. MATE L. CHESTER.
MISS ANNIE PHILLIPS.

The recommendation relating to the accounts of the Right Worthy Grand Secretary, was upon motion adopted.

The vote was then taken upon the recommendation of the committee, and the same was declared *not* adopted.

The recommendation relating to the appointment of a committee for the purpose of considering the advisability of levying a per capita tax was, upon motion, *not* adopted.

CONFERENCE.

James B. Merritt, from the Committee on Conference, submitted the following report, which, together with the recommendations, were concurred in.

To the Officers and Members of the General Grand Chapter:

Your committee appointed to confer with the representatives of the Grand Chapters of New York, Connecticut and New Jersey, would respectfully report the following:

A meeting of the committees was held with a full representation, as follows: Mrs. Eleanor Burton, Mrs. Rachel L. Stiefel, and Mrs. Eliza M. Demarest, of New York; Mrs. Frances L. Boone, Wm. C. Brown and Mrs. Anna Garabrant of New Jersey; Chas. L. Fowler and Mrs. Ida M. Fiske of Connecticut. The Chairman of the Committee from New York, Mrs. Eleanor Burton, submitted the following written statement, which is hereto attached and made a part of this report.

NEW YORK CITY, Sept. 27th, 1898.

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter, Order of Eastern Star, United States.

Esteemed Members in Session—Greeting: As the Grand Chapter of New York has been fraternally invited to unite with the General Grand Chapter, and as we are here as delegates from the Grand Chapter of New York, we can frankly say that the purpose or work of this body is not understood by a large majority of the members of the Grand Chapter of our State; unfortunately they have not taken the opportunity to inform themselves, and the grand representatives have not kept themselves nor the Grand Chapter posted, and we feel that owing to these conditions, we of New York might be misjudged or made to appear antagonistic to the General Grand Chapter, when such is not the case.

It is true we use the Macoy ritual, because it was the original work of the Order, and one under which many of the chapters now throughout the United States first found the light of the Eastern Star. As it is the desire of the General Grand Chapter for a standard ritual, we think the time has come for the entire Order to have a secret, uniform work, and as united action can end in success, it may be that a universal ritual, compiled or revised by good ritualists of the Order at large, can work together for the advancement and elevation of the combined associations.

We, the committee, appointed by the Grand Chapter of New York, to see what arrangements can be made for affiliating with your body, are here for the purpose of ascertaining all possible facts, whereby we may make a full report at the next annual session to be held in June, 1899, at which time final action will be taken.

But before uniting with the General Grand Body there are a few important questions to be considered.

First: We have bought at an expense of one thousand dollars the copyright of the Macoy ritual; we have had it printed; it is in use in all of our chapters, and any change of ritual would entail a heavy expense upon our Grand Chapter, as well as every chapter of our State.

Second: It has always been the custom in our State to admit Master Masons to our assemblies, and after obligating them to secrecy, permit them to witness our work. In the majority of cases these Masons become impressed with the Order, and bring in the petition of a daughter, wife, sister or mother. Masons in New York have so many orders of their own, for example, the lodge, chapter, council, commandery, and the shrine, that they do not care to join the Eastern Star, but they are willing that the female members of their families should become members, and they give us their friendly and financial support, and we feel that we have their good will.

Third: We have in our work a Floral Ceremony, which was first brought out in Stella Chapter No. 29, on May 5th,

1875, and since then has become part of our ceremonies. It is beautiful and instructive, and capable of being made a source of pleasure to candidates and visitors alike. Our Grand Chapter has adopted this ceremony as a part of the standard work, and the members would not be willing to give it up.

Fourth: We have several chapters that work in the German language, and they have our ritual translated, and this at their own expense; if we make a change they must be considered, and provision made to care for them.

In presenting these facts we, as delegates, would like a friendly and fraternal discussion as to what arrangements can be made in reference to the first question, the ritual. Surely you as a great body of intelligent members would not expect that we should be put to the expense of so great a change without some compensation as to the money expended on our work..

And we would in a fraternal manner ask the question: "What would this grand body do in re-imbursing us for the expenses of a change?" In view of the fact that Master Masons (not members of the Order) are admitted to our meetings, but are obligated to secrecy. How can we reconcile that with the laws of the General Grand Chapter, or would you be willing to grant us time to bring about the change?

As to the third, our floral degree, we learn that many of the states of the West are beginning to use it as an addendum, and we think that when its beauties are fully known, that it will be adopted by all the states, that it will be a source of pleasure to all our members, and therefore feel that this matter may be left in your hands with safety. This leaves but the consideration of the German chapters, and now, brothers and sisters, having placed these facts of our Grand Chapter before you, we ask your kindly consideration of them, and trust that your decision will be such that it may bring harmony and good feeling to all grand bodies now affiliated with you, and that we can look forward to the day when your wise judgments will make

us one grand, united body, whose only aim will be "who best can work, and best agree."

LANDMARKS OF STATE OF NEW YORK GRAND CHAPTER.

Those eligible to membership are master masons in good standing in their lodges: Wives, sisters, daughters, mothers, and widows.

Fraternally submitted,

MRS. ELEANOR BURTON.

MRS. RACHEL L. STIEFEL.

MRS. ELIZA M. DEMAREST.

Committee.

Your committee carefully reviewed the reasons given, why these Grand Chapters have not deemed it wise to become our constituents. The discussion was protracted, free and full. From the above statement together with the information gained from conversation with the representatives of New York, New Jersey and Connecticut, the real matters in controversy appeared to be reduced to two: namely, the Macoy ritual and the admission of Master Masons to the meetings of the Order, without a regular initiation.

Connecticut expresses a fear that they would lose their independence and be compelled to contribute to the financial support of the General Grand Chapter. They also have the so-called "higher degrees," and were uncertain whether a union would be affected in any manner by this fact.

Your committee do not consider these matters of any vital importance. It is to be hoped—nay—presumed, that the wisdom of the General Chapter will so handle its finances that no assessments will ever be necessary, and at most that the demand upon the Grand Chapters will be nominal.

As to the "higher degrees"—they are entirely

outside the province of this General Grand Chapter, and the Most Worthy Grand Matron has in her address, at this session, ably stated the position of this General Grand Chapter in that matter.

In regard to the ritual and the admission of Master Masons, your committee feel that the General Grand Chapter ought to be generous and forbearing. Both these questions are of great importance to New York and New Jersey.

While this General Grand Chapter desires to hold out the welcoming hand, believing that a union of all the Grand Chapters would tend to strengthen the Order and to promote truth and love, unity and peace, yet we cannot entirely sacrifice uniformity of ritual, and of qualifications for membership, the establishment and perpetuation of which is one of the principal objects of the existence of the General Grand Chapter.

We have, therefore, formulated a proposition, which, we hope, will be acceptable, both to the General Grand Chapter and to the Grand Chapters of New York, New Jersey and Connecticut.

Resolved:—That in the event of a decision on the part of the Grand Chapter of New York, to become a constituent of this General Grand Chapter.

This General Grand Chapter will present to the Grand Chapter of New York five hundred copies of our ritual, and further; will exchange, copy for copy, all rituals sent by the Grand Secretary of New York to our Right Worthy Grand Secretary.

That the Right Worthy Grand Secretary be authorized to have a translation of our ritual made into the German language, and to furnish as many copies thereof as shall be desired as a part of the five hundred rituals to be presented, and to exchange ritual for ritual, such copies of the German ritual of New

York, as may be sent to our Right Worthy Grand Secretary, by the Grand Chapters of New York and New Jersey.

Provided, That should a revision of the ritual be ordered at this session of the General Grand Chapter, then the exchange shall be made after the promulgation of the revised ritual.

Furthermore, That the Grand Chapter of New York destroy the plates of the Macoy ritual now in their possession, or place the same in the hands of our Right Worthy Grand Secretary.

That a period of three years be allowed, during which time the Grand Chapters of New York and New Jersey shall conform their regulations in the matter of the admission of Master Masons to those of the General Grand Chapter.

Provided, That nothing herein contained shall confer the privileges of visiting Chapters outside of the Grand Chapters of New York and New Jersey upon any Master Mason, who shall not have been regularly initiated into the Order.

Further, That the Past Grand Officers of the Grand Chapters of New York, New Jersey, Connecticut and Vermont, be entitled to the rights and privileges of membership in this General Grand Chapter.

Respectfully submitted,

JAMES B. MERRITT, California.

L. CABELL WILLIAMSON, District of Columbia.

MRS. JENNIE E. MATHEWS, Iowa.

MRS. NETTIE RANSFORD, Indiana.

MRS. LORRAINE J. PITKIN, Illinois.

NATHANIEL A. GEARHART, Minnesota.

The representatives from New York, New Jersey and Connecticut were then introduced and made appropriate remarks indicative of their pleasure at the happy result of the conference.

MARYLAND.

The Right Worthy Grand Secretary presented the following from Maryland Chapter No. 2, of Balti-

more, which was referred to the Committee on Jurisprudence.

BALTIMORE, Sept. 24th, 1898.

*To the Officers and Members of the General Grand Chapter
—Greeting:*

Dear Sisters and Brothers: As secretary of Maryland Chapter No. 2, I have been instructed to forward the enclosed resolutions under seal of the Chapter, and to make known to you that sister Margeret Megenhardt and brother R. M. Coombs have been elected and instructed to represent the interests of this Chapter to your honorable body. We trust that the courtesy of the floor will be extended to them with privilege of voice upon matters pertaining to the interests of the Order in our Chapter and State.

Respectfully and fraternally,

[SEAL.] MISS ELEANOR SULTZER, Worthy Matron.
MRS. M. A. H. CADDEN, Secretary.

Resolved, That the representatives of Maryland Chapter No. 2, be allowed the privilege of the floor, for the purpose of expressing to your Most Worthy Body the desire of Maryland Chapter, with a majority of other Chapters for the formation of a Grand Chapter in Maryland, to express the efforts and work made by said Chapters to this end. To make known to you the hardships said Chapters feel by the fact that they bear the burden of "taxation without representation," and

To pray, your honorable body to so adjust these irregularities that our proper rights and privileges may be guaranteed us, thus restoring peace and harmony within the borders of our beloved Order in Maryland.

[SEAL.] MISS ELEANOR SULTZER, Worthy Matron.
MRS. M. A. H. CADDEN, Secretary.

FINANCE.

William A. Blossom, from the Committee on Finance, submitted the following additional report,

and upon motion of Willis D. Engle, the matter was recommitted to the committee with instructions to submit a specific report:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

Sisters and Brothers:—The Committee on Finance report that they conferred with the Most Worthy Grand Patron and Most Worthy Grand Matron, in regard to bill for expenses presented by the Most Worthy Grand Patron.

The amount claimed by the Most Worthy Grand Patron was in excess of the amount that the committee considered fair and equitable.

A reduction in the amount of said bill was made and the committee recommended to the Most Worthy Grand Matron the payment of said reduced bill.

The Most Worthy Grand Patron stated that he wanted his bill paid, but did not desire a donation or appropriation.

Therefore, the Finance Committee omitted mention of an appropriation for the Most Worthy Grand Patron.

Respectfully submitted,

WILLIAM ALDEN BLOSSOM.

MRS. MATE L. CHESTER.

ELECTION.

The hour set apart for the election of officers having arrived, the Most Worthy Grand Matron appointed as tellers, Mrs. Sarah B. Haggard, Mrs. Nettie Ransford and Joseph W. Hill, which resulted in the choice of the following:

In Triennial Session.

THIRD DAY—EVENING.

THURSDAY, Sept. 29th, 1898.

The General Grand Chapter was called to labor at 7:30 o'clock P. M., by the Most Worthy Grand Matron, and after prayer, the Worthy Grand Marshal proclaimed the Evening Session open for business.

JURISPRUDENCE.

Harrison D. Rowe, from the Committee on Jurisprudence, presented the following report, relating to the organization of Grand Chapters in Maryland and Louisiana, and upon motion the report was adopted and the recommendations concurred in.

To the Officers and Members of the General Grand Chapter.

Your committee has carefully considered the matter of forming Grand Chapters under Art. XIII of our Constitution, and we are of the opinion that your Most Worthy Grand Patron is in error, he having read and acted upon Section 1 alone. Section 2 provides that when there be a sufficient number of Subordinate Chapters from which to form a Grand Chapter, the "*Call shall be made, etc.*"

Section 1 only provides the number of Chapters that shall exist before a Grand Chapter *may* be established,—but when the five or more Chapters ask for the formation of a Grand

Chapter, the Most Worthy Grand Patron *shall* call a convention and hear the petitioners, etc.

We would, therefore, recommend the following resolution covering the cases of the Chapters in the State of Louisiana and Maryland:

Resolved, That the incoming Most Worthy Grand Patron be directed to proceed, as soon as practicable, to appoint a disinterested deputy, who shall organize a Grand Chapter in the State of Louisiana.

Provided, A majority of the Chapters so desire.

Resolved, That the incoming Most Worthy Grand Patron be directed to proceed, as soon as practicable, to appoint a disinterested deputy, who shall organize a Grand Chapter in the State of Maryland.

Fraternally submitted,

HARRISON D. ROWE,

L. CABELL WILLIAMSON,

MRS. HELEN H. STIRES.

The General Grand Chapter then proceeded with the election of officers, with the following result:

Mrs. Madeleine B. Conkling, Worthy Grand Conductress.

Mrs. Ella S. Washburn, Worthy Associate Grand Conductress.

The Right Worthy Grand Secretary introduced at this time Major John D. Black, of North Dakota, a member of the Eastern Star, who had just returned from Porto Rico. Major Black received an enthusiastic welcome, and made a few happy remarks, followed by patriotic music.

Mrs. Augusta D. Wilson at this time arose and addressed a few remarks to the Most Worthy Grand Matron, Mary E. Partridge, and presented her, on behalf of the sisters and brothers from California, with a beautiful writing set, as a small testimonial of their

love and esteem. The Most Worthy Grand Matron feelingly responded to the kind sentiments thus expressed.

FINANCE.

William A. Blossom, from the Committee on Finance, submitted the following report, concerning the report of said committee recommitted, and upon the motion of C. W. Okie, the recommendation was concurred in.

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

Sisters and Brothers:—We report that the claim made by the Most Worthy Patron was One Dollar (\$1) per day, including Sundays, for thirty-seven months, for the services of a type-writer, and Fifty Dollars (\$50.00) for postage for nineteen months, and telegrams and expressage for thirty-seven months.

We recommend an appropriation of Three Hundred Dollars (\$300), to be paid to Most Worthy Grand Patron, H. H. Hinds, this sum to include the amount already paid to him for postage, for the first eighteen months of the term, as well as all amounts claimed for telegrams and expressage for the entire term, and postage for the past nineteen months.

Respectfully submitted,

WILLIAM ALDEN BLOSSOM.

MRS. MATE L. CHESTER.

MISS ANNIE PHILLIPS.

FINANCE.

William A. Blossom, from the Committee on Finance, presented the following additional report, and upon motion of N. A. Gearhart, the recommendation of the committee was unanimously adopted.

*To the Most Worthy Grand Matron, Officers and Members of
the General Grand Chapter:*

Sisters and Brothers:—The Committee on Finance present the following report upon matters specially referred:

Upon recommendation of the Most Worthy Grand Matron in regard to Mountain Chapter, which sustained a very serious loss by fire, we recommend that the dues of said Chapter for the year 1898 be remitted:

As requested by the Most Worthy Grand Matron, we have carefully investigated the matter of the loss caused by the failure of the Bank of North & Taylor; we find that the matter has been very fully, fairly and correctly stated by the Most Worthy Grand Matron, and we recommend that sister Pitkin be reimbursed the amount paid by her, said re-imbursement to be made in two payments, the sum of Five Hundred Dollars (\$500.00) be paid at this time, and the balance to be paid one year from this time.

Bank suspended August 11th, 1896. Amount of General Grand Chapter money on deposit, One Thousand and Seventy Dollars and forty-five cents (\$1070.45): 15 per cent paid by receiver, June 25th, 1897.

Respectfully submitted,

JURISPRUDENCE.

Harrison D. Rowe, from the Committee on Jurisprudence, presented the following report, and upon motion the General Grand Chapter then proceeded to act upon the recommendations seriatim:

To the Most Worthy Grand Matron and Officers of the General Grand Chapter:

Your Committee on Jurisprudence has carefully investigated and considered that portion of the report of the Most

Worthy Grand Matron, the Most Worthy Grand Patron and the Right Worthy Grand Secretary referred to us, and have to report for your consideration, as follows:

That the "Official Acts" as reported by the Most Worthy Grand Matron be approved, namely: Approval of Bonds, Recognition of Grand Chapters, Demits, Special Deputies, Approval of By-Laws, Approval of Amendments to By-Laws, Special Dispensations.

We recommend the approval of the following decisions:

Nos. 1, 2, 3, 5, 6, 7, 8, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 27, 28, 30, 31, 32, 33, 38, 39, 40, 41, 42, 43, 44 and 45.

As to decisions Nos. 4, 9, 26 and 29, we report as follows:

No. 4. *Ques.* "How should the officers of the General Grand Chapter be introduced in a Grand Chapter?"

Ans. "It is optional. That is a courtesy each Grand Chapter or Subordinate Chapters under the jurisdiction of the General Grand Chapter, may exercise according to their own ideas of etiquette."

We would recommend that No. 4 be not approved, but in lieu thereof substitute: "According to the manner as practiced in that particular jurisdiction and with the Grand Honors."

No. 9. *Ques.* "I have a niece whom I have raised, whose mother died when she was three months old; may she join the Chapter on my husband's standing?"

Ans. "If you have legally adopted your niece, she may petition the Chapter for the degrees as your adopted daughter. If you have not done so, she is ineligible."

We would recommend that the answer be:

"If your husband has legally adopted your niece, she may petition the Chapter for the degrees as his adopted daughter. If he has not done so, she is ineligible."

No. 26. *Ques.* "Should we give the Grand Honors to all Past Grand Officers in Grand Chapter and invite them to seats in the East?"

Ans. "This courtesy is optional. If you desire to extend the Grand Honors to Past Grand Matrons and Patrons as a courtesy for former services rendered, I can see no objection to their being so honored by your Grand Chapter."

Your committee recommends that the answer to the above question be :

"This is a matter to be regulated by each Grand Chapter."

No. 29. *Ques.* "Can the Worthy Patron call on the Worthy Matron to give the obligation? Our Past Grand Patron decided that he could do so."

Ans. "I find nothing in the Ritual or Constitution of the General Grand Chapter authorizing the Worthy Matron to give the obligation. At the foot of page 62 of the Ritual it reads as follows: 'The Worthy Matron may, at the request of the Worthy Patron, conclude the initiation ceremonies.'"

Your committee recommends that the answer to 29 be : "No."

With regard to Nos. 34, 35, 36 and 37, we recommend that they be eliminated for obvious reasons, and at the request of our Most Worthy Grand Matron.

We recommend the approval of the answers to questions 46, 47, 48 and 49.

We recommend the approval of Nos. 1, 2, 3, 4, 5, 6, 7, 9, 10, 11, 12, 14 and 15 of the "Recommendations" of the Most Worthy Grand Matron.

No. 8 is referred to the General Grand Chapter without recommendation.

No. 17. We recommend that all the subject matter, except the financial portion be eliminated from the Proceedings, and that the financial portion be referred to the Finance Committee.

We have given special consideration to the subject of "Higher Degrees" so-called, and approve of the position taken by the Most Worthy Grand Matron, and offer the following resolution:

Resolved, That there are no degrees connected in any way or manner with our Order other than those provided for and taught by our ritual.

And be it further Resolved, That any member willfully representing to any one that there are side degrees, higher degrees, or any degrees other than those taught and provided for by our ritual, shall be guilty of conduct unbecoming a member of the Order, and upon conviction thereof, shall be suspended or expelled from the Order.

RITUAL.

No. 1. Approved.

No. 2. We recommend that the following be the sense of this Grand Body:

That legally-adopted daughters and half-sisters are included, and that they are entitled to all the rights and privileges of blood-relationship.

No. 3. We recommend the following as the answer:

That all printed matter between the covers of the ritual shall be considered as law, and binding upon all the Grand Chapters.

No. 4. We would recommend that the clause relating to membership on page 1 of the ritual, be amended as follows:

After the word "sisters" insert "half-sisters and legally-adopted daughters."

OPENING CEREMONY.

We most cordially recommend the adoption of the form of opening and closing ceremony as submitted by the Most Worthy Grand Matron, and exemplified at this General Grand Chapter.

ADVISORY OPINIONS.

Decisions Nos. 3, 4, 31 and 48 are by instructions of this General Grand Chapter placed under the above heading in this report, and as such are approved by this Grand Body.

MOST WORTHY GRAND PATRON'S REPORT.

Your committee has been seriously inconvenienced and put to much unnecessary delay and annoyance by not being able to secure a copy of the Most Worthy Grand Patron's report until after it was read by the Most Worthy Grand Patron, and referred to and reported back by the Committee on Distribution, and passed from one committee to another, finally reaching this committee at the close of the second day's session of this General Grand Chapter. We would, therefore, most earnestly recommend the adoption of the following:

Resolved, That hereafter all the officers of this General Grand Chapter, whose duty it is to report in writing, be required to have such report prepared, printed, and in the hands of the Right Worthy Grand Secretary, for distribution to the several committees, at least two days before the convening of the General Grand Chapter.

Your committee cannot find a law and know of no authority, either express or implied, authorizing the Most Worthy Grand Patron to waive jurisdiction in any case. Your grand constitution clearly states the duties and powers of the Most Worthy Grand Patron, and also makes the Most Worthy Grand Matron the executive officer.

We find that your Most Worthy Grand Patron has exceeded his authority and would offer the following resolution in order to cover the cases in question:

Resolved, That the incoming Most Worthy Grand Matron be authorized and directed to issue a proclamation legalizing the

action of our Most Worthy Grand Patron, in granting a waiver of jurisdiction to the Chapters in Michigan and Indiana.

RIGHT WORTHY GRAND SECRETARY'S REPORT.

In regard to the recommendation of the Right Worthy Grand Secretary at the close of her report, we approve the same and recommend the following:

"Chapters so organized shall work under dispensation for at least sixty days, when the deputy shall return the petition for Charter, with a full report of the work of the Chapter. If said report be favorable, the Most Worthy Grand Patron shall issue a charter, bearing the names of *all members* who were present at the organization, together with those whose names appeared on the books at the date of petition for the charter.

All charters issued by the General Grand Chapter shall be inscribed in the office of the Right Worthy Grand Secretary."

All of which we most respectfully submit,

HARRISON D. ROWE.

L. CABELL WILLIAMSON.

MRS. HELEN H. STIRES.

"Provided the brother or sister presented themselves within three months."

The answer to No. 45 was amended at the request of the Most Worthy Grand Matron, so as to read:

Mr. Brown moved as a substitute to this answer,

that it be "No, it is intended for sisters and brothers alike."

The grand officers and members present from the Grand Chapter of Indiana, cordially invite you to that city for the next Triennial Session. We are not so fortunate as our good sisters and brothers of the District as to possess a Treasury Department, a Patent and Pension Bureau and many other points of great interest to the visitors here assembled, but we will give you a hearty welcome should you decide to come.

Respectfully submitted,

Eastern Star, Masonic Temple, Washington, D. C.

The National Council of Women of the United States extends greeting to the Grand Body of the Eastern Star, and a cordial invitation to affiliate with the National Council of Women, and hopes for favorable consideration by the General Grand Chapter now in session, but if not to send fraternal delegate to Council's Omaha meeting last week of October.

GREETING.

The following was read from John M. Mayhew, Past Grand Patron of New Jersey, who presided at the organization of the General Grand Chapter, November 16th, 1876. The letter was ordered printed and the Right Worthy Grand Secretary directed to make suitable acknowledgment.

NEWARK, N. J., Sept. 27th, 1898.

SISTER MARY E. PARTRIDGE,

Most Worthy Grand Matron, O. E. S.

It is with great regret that I am obliged to deny myself the extreme pleasure of meeting yourself and other dear friends of the General Grand Chapter, but circumstances have at the last moment compelled me to do so, as I have been expecting to be with you. I often think of the time I had the extreme pleasure of presiding over the convention, that brought into existence the General Grand Chapter, and have often wished to be with them in their Triennial Sessions.

You have chosen a most beautiful city, and at the most beautiful part of the year in which to meet. I trust that the many interesting sights of our Nation's Capitol that you may visit, will make a lasting impression on your memory.

May your legislation be for the best interest of our Order, and its growth largely increased by the transactions of your honorable body.

Remember me kindly to all who may be with you that I may know, and I remain

Yours fraternally,

JNO. M. MAYHEW.

On motion of Joseph W. Hill, the Committee on Finance was instructed to report certain amounts which may be expended by the General Grand Chapter officers for the ensuing term.

AMENDMENT TO THE CONSTITUTION.

Respectfully submitted,

MRS. ELIZABETH MAGEE.

Upon motion of Frank A. Brown, the General Grand Chapter decided to call off at 12:30 o'clock until 7:30 o'clock this evening.

RESOLUTION.

L. Cabell Williamson presented the following resolution, which was referred to the Finance Committee:

"Resolved, That all officers and members of this General Grand Chapter in actual attendance at this session, be allowed mileage at the rate of three cents one way, for all distances traveled in excess of five hundred miles.

Provided, That no mileage be paid in two capacities, and

Provided further, That said payment is not to be used as a precedent for any future action of this General Grand Chapter, as it is the sense of this body that mileage should not be paid in the future."

MEMORIAL.

Willis D. Engle, from the Committee to which was referred the Memorial from Texas, submitted the following, and upon motion the report was concurred in:

*To the Most Worthy Grand Matron, Officers and Members of
the General Grand Chapter :*

The committee to which was referred the Memorial from the Grand Chapter of Texas, has given the same such consideration as opportunity has afforded, and it begs to report that the present method of publishing the Ritual, and the unrestricted selling of the same to all members of the Order that may desire copies thereof, which prevails in many jurisdictions, and the partially restricted sale, which obtains in others, renders our Order only a semi-secret one, which must result in increasing injury to the Order in the eyes of the world generally and of the Masonic fraternity particularly. The action of some Grand Chapters in restricting the sale of the Ritual has resulted principally in a reduction of revenue to this body, without materially remedying the evil of publicity, and yet, if the present methods are continued, there is no doubt that other Grand Chapters will take steps to further restrict the sale of Rituals, which will result in a further reduction of revenue.

We believe, however, that the evil can be effectually checked, and the revenues of this body fully maintained by the publication of the Ritual containing only the Secret Work, in an edition of numbered copies, one of which shall be issued to each chapter and shall be and remain the property of the General Grand Chapter or Grand Chapter under which the chapter works, and the issuing of a Monitor of the Order, containing the General Regulations, the prayers, the star lectures, without the versicles, the scripture selections, the forms for installation of Chapter and Grand Chapter Officers and the funeral ceremonies, which can be sold indiscriminately to members of the Order through the Grand Secretaries, as the present Ritual is sold. This will require to some extent the revision of the present Ritual and its separate arrangement. We, therefore, submit the following:

Resolved, That a committee of five be appointed by the incoming Most Worthy Grand Matron to so revise and arrange the ritual that it may be printed in two volumes, one containing

only the secret work, and the other the balance of the ritual, and report to the next meeting of this body for primary action.

Fraternally submitted,

WILLIS D. ENGLE.

FRANK A. BROWN.

WILLIAM F. KING.

MRS. HARRIETTE A. ERCANBRACK.

MRS. AUGUSTA D. WILSON.

William A. Blossom, from the Committee on Finance, recommended the adoption of the resolution presented by L. Cabell Williamson, relative to mileage, and upon motion the recommendation of the committee was concurred in.

J. W. HILL.

Willis D. Engle offered the following, at the request of the Most Worthy Grand Matron, which upon motion was adopted:

Resolved, That the hearty thanks of this body be and are hereby tendered sister Alcena Lamond and brother L. Cabell Williamson.

Fraternally submitted,

WILLIS D. ENGLE.

CHARTERS.

Mrs. Madeleine B. Conkling, from the Committee on Charters, submitted the following, and upon motion the report was concurred in:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

Your Committee on Charters has carefully considered the matters referred to them, relative to Charters granted to the several Subordinate Chapters under the jurisdiction of the General Grand Chapter, during the past three years, and respectfully present the following report:

The absence of all Subordinate Chapter Records and By-Laws, force your committee to base their finding of facts upon the reports of the M. W. Grand Patron and R. W. Grand Secretary, together with petitions for Charters.

So far as we are able to determine from this data, we find that the Charters granted by the M. W. Grand Patron were in accordance with former customs of the General Grand Chapter, we therefore recommend that the action of the M. W. Grand Patron in granting said Charters, be approved by this body.

Also the action of the M. W. Grand Matron, in permitting Esther Chapter No. 1, of Difficult, Tennessee, to re-organize under the name of Esther Chapter No. 5, at Bagdad, Tennessee.

Respectfully submitted,

MRS. MADELEINE B. CONKLING.

WILLIS D. ENGLE.

MRS. ANNETTE H. HOOPER.

The Right Worthy Grand Secretary referred to a Petition for Charter for a Chapter in Wyoming, as mentioned in the report of the Most Worthy Grand Patron, and on motion of Joseph W. Hill the fee was ordered returned to the Grand Chapter of Wyoming.

PRESENTATION.

Mrs. Maria A. Peirce presented to the Worthy Grand Matron, Mrs. Carolyn A. Handy, of the District of Columbia, in behalf of the sisters and brothers from California, a beautiful souvenir spoon.

THANKS.

Harrison D. Rowe submitted the following resolution, which upon motion was concurred in:

We, the members of the Ninth Triennial Session of the General Grand Chapter, O. E. S., feeling a deep sense of appreciation of the hospitable and magnificent manner in which our sisters and brothers of the District of Columbia have received and entertained the members and visitors of this General Grand Chapter, and wishing to express in some small degree our appreciation, be it therefore

Resolved, That from our hearts we thank our sisters and brothers who have labored so lovingly and untiringly to make our visit a happy one. We thank you for the many courtesies and kindnesses so liberally bestowed. We feel that words but feebly express the fullness of our hearts. Such love and kindness as has been given us can come only from those who have learned the noble lessons of our Order: "We have seen His Star in the East and have come to worship Him," and in so doing have grown to love each other and especially our sisters and brothers of the beautiful city of Washington, and we thank Him who guided our footsteps to this sacred city, where such

true and noble sisters and brothers stood with out-stretched hands and open hearts to receive us.

And again we say "Thank you" and "God bless you."

Respectfully submitted,

HARRISON D. ROWE.

William A. Blossom, from the Committee on Finance, made report, recommending the return of the \$20.00 fee to the Chapter in Mason, West Virginia, and upon motion the same was ordered.

Upon motion of Joseph W. Hill the Finance Committee was relieved from consideration of a fixed sum to be set apart for the use of the General Grand Officers, as it was the sense of the committee that they could come to no definite conclusions as to the amounts necessary.

William A. Blossom announced that he would make up the mileage for those who were entitled to it, living at the greatest distance, that the warrants could be paid at once, and the Right Worthy Grand Secretary was instructed to make up the rest and pay as before. DECISIONS

Approved by the

GENERAL GRAND CHAPTER

For the government of its Subordinate Chapters.
But not incorporated in the

CONSTITUTION, RULES AND REGULATIONS.

From 1876 to 1898, inclusive.

It is lawful for the Worthy Matron, at the Worthy Patron's request, to do such portions of the work of conferring the degrees as will secure the best results.

A Mason, who is not a member of this Order, cannot be admitted to witness the secret work upon taking an obligation of secrecy. If such person has been so admitted in some state, and desires to join the Order, he can only do so by petitioning and receiving the degrees in due and regular form.—*M. W. Grand Patron Thomas M. Lamb, 1880.*

Payments of *per capita* tax of twenty-five cents on each member of Subordinate Chapters under the immediate jurisdiction of the General Grand Chapter shall commence January 1, 1884.

It is not proper and in accordance with law, to admit Master Masons to our Chapter meetings, who are not members of our Order, and it should not be permitted.

The standing of a sister is not affected by the expulsion of her husband from the Masonic Order. Nothing but her own misconduct affects her standing.

A person who has lost an arm cannot be received into our Order.
—*M. W. Grand Patron Rollin C. Gaskill, 1886.*

A person cannot hold an office in the General Grand Chapter who holds no membership in any Subordinate Chapter.—*Most Worthy Grand Matron Jennie E. Mathews, 1886.*

The question of a Chapter recommending the petition of members of the Order for a charter to organize a Chapter in the same town or city, is not properly subject to a ballot vote.

A ballot cannot be reconsidered under any circumstances.—*Most Worthy Grand Patron Willis Brown, Page 9, Proceedings, 1883.*

The jewels of a Grand Chapter shall be the emblems within a star or a triangle, within a pentagon.

The jewels of the General Grand Chapter shall be the Grand Chapter jewels within a circle.—*Page 58, Proceedings, 1886.*

Each deputy appointed, to whom is given general powers, shall have a special jurisdiction assigned him.—*Page 50, Proceedings, 1886.*

The "Floral Work" or "Floral Addenda" is not prohibited if the candidate is fully instructed.—*Page 78, Proceedings, 1889.*

Deputies appointed to install officers of the General Grand Chapter must be members of said General Grand Chapter.—*Page 72, Proceedings, 1889.*

Persons not signing the petition for a charter can not be received as charter members at the organization of the Chapter.—*Page 72, Proceedings, 1889.*

Festal day of the Order, Robert Morris's birthday, August 31st.—*Page 22, Proceedings, 1880.*

Mothers, sisters and daughters of deceased Master Masons, who were affiliated and in good standing in a lodge at the time of their death, are eligible to the degrees of the Eastern Star.—*Page 26, Proceedings, 1889.*

Sisters and daughters of Master Masons must be eighteen years of age to be eligible to membership in the Order of the Eastern Star.—*M. W. Grand Patron Jefferson S. Conover, Page 25, Proceedings, 1889.*

All members of the Order of the Eastern Star who are clear on the books and have no charges against them, and are not an installed officer, can demit upon written application.—*Page 73, Proceedings, 1889.*

The Worthy Matron has a right to ask an Officer who is present to fill another position *pro tem.*, but the records should show the regular Officer present, but acting *pro tem.* in another station.

A Dispensation is legal, although it does not bear the Seal.

All petitioners must be regularly initiated regardless of sex.

A ballot cannot be suspended while it is pending.—*Most Worthy Grand Matron Mrs. Nettie Ransford, Page 10, Proceedings, 1892.*

Sec. II., Art. II., of the Constitution of the General Grand Chapter provides for one delegate, who shall be elected by the Chapter, but who may appoint a proxy, Credentials being furnished under Seal by the Secretary.

In the election of Officers, the minutes should only show the result of the final ballot.

A Worthy Patron cannot resign, to become a member of a new Chapter.

There is no such thing as "continued meeting." The By-Laws provide for regular meetings to be held on certain specified days, and all such meetings must open and close on said days.

"A two-thirds vote," means two-thirds of the members present.

In the election of honorary members, it is not necessary to have a petition referred, but the ballot should be unanimous.

An objection to a visitor *is* valid, should be made in open Chapter, cannot be extended beyond the meeting at which it is made, and no record should be made of it.

The Ritual of the Queen of the South and Amamanth Degree cannot be used in any Chapter in a jurisdiction under the General Grand Chapter.

The acts of a Subordinate Chapter are legal when not in conflict with the Constitution, Rules and Regulations of the General Grand Chapter, although the By-Laws have not been submitted for approval, and the Chapter can amend them before being submitted.

It is necessary to install re-elected Officers, but they cannot be installed by proxy.

A Chapter may, by a majority vote, remit the dues of anyone of its members, which places the member clear on the books, and then a demit may be granted.

A Chapter may adopt a resolution, that all charter members not presenting themselves within a specified time for initiation, or their names will be dropped from the roll, but per capita tax must be paid on such members, and reported to the Right Worthy Grand Secretary.

The "Test Oath" should be taken by the visitor, repeating it after the Examining Committee and with the right hand on the Bible.

The veil at the point of Adah is used in most jurisdictions, but the veil for the Candidate is not used.

While the Conductress is placing the candidate in "proper position," the Worthy Patron should remain standing.

The whole of the opening ceremony must be used in called or special meetings.

The Worthy Patron shall have charge of the secret work if he is a regular attendant.—*M. W. Grand Matron, Mrs. Mary C. Snedden, Proceedings, 1895.*

The prayers are as much a part of the regular work as the lectures and cannot be changed, or others given in their place.—*Page 131, Proceedings, 1895.*

It is obligatory that a Floor Star be used.—*Page 132, Proceedings, 1895.*

That Special Deputies of the Most Worthy Grand Patron, for the purpose of organizing Chapters, may be either a sister or brother duly qualified, provided, however, that the obligation shall be administered by a brother.—*Page 155, Proceedings, 1898.*

That legally adopted daughters and half-sisters are included, and that they are entitled to all the rights and privileges of blood-relationship.—*Page 149, Proceedings, 1898.*

NOTICE.

Mrs. Mattie P. Barney, Grand Matron of Missouri, and Mrs. Sarah B. Haggard, Grand Matron of Illinois, returned their mileage, saying that their Grand Chapters provided for their expenses in attending the Session of the General Grand Chapter in Washington, District of Columbia, but too late to prevent the matter appearing, and in justice to these States this explanation is made.

F. W. King, Past Grand Patron of Michigan, presented the Most Worthy Grand Matron with a gavel made from wood grown from an apple tree planted by General Lewis Cass, first Grand Master of the *first* Grand Lodge of Masons in Michigan, in 1826.

Mrs. Jessie S. Vert, Past Grand Matron of Oregon, also presented a gavel, saying in part: "Edinburgh, Scotland, is one of the cradles of Masonry, and in olden times the Masonic brothers held some of their meetings in St. Giles Cathedral, Edinburgh. This gavel, Most Worthy Grand Matron, is made from three of the notes of the bells of this cathedral. There are twenty-three small music bells or set of eight chime bells, making the entire number of thirty-five bells in St. Giles. The music-bells are fitted on a frame, in the open or upper part of the spire and played by hand. These music bells date from 1698."

Mrs. Lena W. Lamb, Past Grand Matron of Massachusetts, presented a bouquet, saying in part: "May these flowers breathe to you my love and esteem, the pride with which I have followed you during your administration, my wish that all good befortune you, and that every day some ray of light and love fall on your pathway."

To all of these presentations the Most Worthy Grand Matron replied in her own way, extending thanks for these beautiful gifts, expressions of love and confidence.

The Right Worthy Grand Secretary reported that credentials had been filed by a majority of the Grand Chapters.

Mrs. Hattie E. Ewing, Most Worthy Grand Matron, proceeded to open the General Grand Chapter in ample form. Prayer by Rev. Willis D. Engle acting as Grand Chaplain, with Mrs. Susie Robb, acting as Grand Organist.

The song used in the opening was composed in honor of the Most Worthy Grand Matron by Mrs. Julia C. Tenney of Orange, Mass., and was sung to the tune of "Auld Lang Syne."

By instruction of the Most Worthy Grand Matron, proclamation was made by the Worthy Grand Marshal that the General Grand Chapter of the Order of the Eastern Star was duly open for the transaction of business.

Mrs. Franc M. Nichols, Chairman of the General Grand Chapter Committee appointed by the Most Worthy Grand Matron, introduced each of the several speakers, and spoke as follows:

*To the Most Worthy Grand Matron, Officers and
Members of the General Grand Chapter:*

As your representative during the past year, I have endeavored to perform my every duty, and today I come before you with a visible record of work performed to the best of my ability.

Every call upon members and officers, of both city and state, has been responded to cordially, immediately and with zeal, and we come now to bid you so hearty a welcome to our hearts and homes that you will ever rejoice that you accepted the hospitality of Detroit and Michigan.

I have the pleasure of introducing to you Mrs. Helen E. C. Balmer, who has served our State faith-

fully and well for two years as Worthy Grand Matron. She will bid you welcome in the name of the State.

WELCOME.

Most Worthy Grand Matron, Most Worthy Grand Patron, Officers, Members and Visitors of the General Grand Chapter:

To me has been assigned the honor as well as the pleasure of extending to you in behalf of the six Chapters of the city of Detroit, and the Grand Chapter of Michigan a most cordial and heartfelt welcome. We esteem it no small honor that you should have chosen our state, and this, our most beautiful city, as your place of meeting.

As we have assembled to review the labors of the past three years and formulate plans that may be for the best good of the Order throughout the entire jurisdiction, we earnestly believe that it is the wish of every member of this grand body that each and every act of our deliberations may show forth the true spirit of fraternity, based upon the lessons of the Great Teacher, and when this meeting shall have closed, may its members be able to say that this has been, as each succeeding one should be—the best of all.

When we recall the fact that the great Order of Freemasonry, having stood the crucial test of persecution during all the years that have intervened since its organization until the present time, that today in the fraternal world it occupies a position of greater honor and importance than ever before, we are encouraged to believe that our Order of the Eastern Star, the handmaid of masonry—founded upon the teachings of Holy Writ—must, like its noble ancestor, continue to flourish, until the

light of its stars shall illumine the whole earth, if its members are only true to its obligation and its teachings,—and if the influence of this meeting be such that shall inspire the heart of each one present to renew his vows and consecrate himself anew to the work—then it will not have been held in vain.

While we feel proud that we are honored by your presence, and glad in our hearts that you are with us today, it is our aim and most earnest desire that every moment of your stay among us may be so filled with pleasure and profit to you all that when this meeting is over and in the quiet of your own homes you live over in memory the scenes of these few days, may there be no shadow to dim its brightness, but, may your verdict be that the *welcome* extended to you by the (20,000) loyal members in Michigan has been honest and sincere, representing the true spirit of fraternity existing among its members.

While this is to us a season of delight in greeting old friends and making new acquaintances, yet 'neath the gloom and shadow of the heavy cloud of sorrow which overhangs this nation like a funeral pall, it seems but just and fitting, 'ere we join in the festivities of this gathering, that we as a grand body, tender our sympathies to her who mourns in her lonely home for the husband who cometh no more, and express our deep sorrow and personal loss for him, the leader of the forces of this nation, and our *indignation* and *contempt* for the human wretch who has dared to strike the cruel blow, which has robbed a good man of life, and brought grief and sorrow to the hearts of over seventy millions of people.

As a leader or chief magistrate, our late martyred President was one whom kings and princes

delighted to pay homage. As President, honored by every loyal citizen of this great Republic—as friend and neighbor, loved and respected by all. A credit to the good judgment of the people who choose him. One whose name will ever stand high in the annals of fame. As martyr—defender of his country—a true Christian—an honest man, and a devoted Mason.

One whose name the nation, for ages to come,
Forever will link with our loved Washington.
A name in the hearts of people enshrined,
More deeply and firmly than oak ivy-twined.
Ever like a fond mother the nation will weep,
And in loving remembrance her martyrs will keep.
This Republic be stronger for the years which he gave,
Ere he ceased from his labors to rest in the grave.

And at this time, as we mingle our tears in a common sorrow, let us be assured that down through the ages, with that of Washington, Lincoln, Garfield and Grant, emblazoned in letters of unfading lustre, will forever shine the name of "The Beloved One"—William McKinley.

In this our General Grand Chapter let us not forget that in some hearts there must be sorrowing for those who are not filling their accustomed places, for,

Some who have been wont to greet us,
In the days now past and gone,
Have laid down life's weary burden,
Passed to their eternal home.

But their influence ever lingers,
Bidding us to faithful be.
Trusting in that last reunion,
We each others face shall see.

It would illy become me at this time to speak in a boastful manner of the material wealth of the great State of Michigan. But when we remember that among the representatives here assembled are women and men from nearly every State of this great Republic, many of whom are with us for the first time, it is with a feeling of pride, pardonable I trust, that we speak to you of some of the resources that are ours and which we trust may be yours to enjoy.

Situated, as we are, almost midway between the old, great, conservative East, and the new, busy, hustling, bustling West, bounded upon the East and West and North by the three great fresh-water lakes of the world, our lake bound shores have become the Mecca towards which the weary wanderer from other lands turns in search of pleasure, rest, and health. Our universities, colleges, and schools are the boasted pride of every loyal citizen of this great commonwealth, and could you listen to the morning hymn of praise of the student or the gay rollicking song of the school boy methinks you would catch amid the strains of melody the sweet refrain of *Welcome, Welcome*.

Would you learn of our mining interests? Come with me to the copper region of the Upper Peninsula and if you are not too timid we will descend shaft No. 5, of the Tamarac mine, said to be the deepest vertical shaft in all the world and as you enter this subterranean world thousands of feet below the surface of the earth, you will find here men digging for the valuable ore whose sympathies are with those who are obliged to labor upon the surface of the earth, where the storms rage and the tempests roar, and by the dim glare of the lamp that overhangs the brow you will see upon the

faces of these hardy-handed sons of toil the most sincere smile of *Welcome*.

Are you followers of Isaak Walton? Come with me to our inland lakes and running streams and the finny beauties will tempt you in language all their own and bid you welcome.

You will doubtless visit the points of interest in and about our beautiful city to which you will be so cordially welcomed by our friend and brother, to whom your sympathies will be given; for through all these long years of his successful and prosperous business career, his must have been a lonely life. No baby fingers have ever clasped his neck, and whispered the sweet name of father. No wife to greet him on his returning home and share his troubles when weary and over-burdened with the cares and anxieties of municipal life. But let us hope that somehow or somewhere the light of some bright star may penetrate the darkness and gloom, and ever cheer the heart of Detroit's most popular mayor.

Would you know how Michigan cares for its unfortunate ones? All over this great State are homes built for those who need its fostering care, and among this number is one to which the members of the fraternity feel a pride, that of the Masonic Home in the city of Grand Rapids, where the aged, feeble, and infirm are cared for in the helplessness of their declining years. A monument to the practical demonstration of "brotherly love."

Would you question the bravery of our sons? Look to our records and you will find that whenever the flag has been assailed, or our country in danger, that Michigan has been among the *first* to send her "bravest forth to die," if need be, for home and country, and the flag, that dear old flag—

"That bears upon its folds of flame
To earth's remotest wave,
The names of men whose deeds of fame
Shall e'er inspire the brave."
"Timbers have crashed and guns have pealed
Beneath its ardent glow,
But never did that ensign yield
Its honor to a foe."
"Its stripes of red—eternal dyed
With heart-streams of all lands,"
Its white—the snow-capped hills that hide
In storm their upraised hands."
"Its blue—the ocean waves that beat
Round Freedom's circled shore.
Its stars—the prints of angels' feet
That shine forevermore."
The dear old flag still floats on high,
And waves o'er you and me,
And in a language all its own
A welcome waves to thee.

You will sail upon the waters of that delightful river that separates us from the possessions of the mother country and where England's proud emblem, the tri-colored old Union Jack, joins with our own starry banner in bidding you *welcome*, and then you will remember how a few months since *that* flag was draped in mourning, and all Europe bowed in sorrow because their Queen and friend had left them to join the great majority; she who as a child, on being told that she was the prospective heir to the throne of England, replied "I will be good." And though she is honored as one of the greatest of England's rulers, yet because of the goodness and true womanhood that characterized the years of her long reign, in the hearts of her subjects her memory

will be cherished most, because she *was* good. We may not be able to distinguish ourselves by our wonderful knowledge of parliamentary law, or by any great act that will bring us fame, but we can, like England's Queen, strive for goodness rather than greatness, for—

"Howe'er it be it seems to me
'Tis only noble to do good."
"Kind hearts are more than coronets,
And simple faith than Norman blood."

We bring to you the keys of our state, our city, our chapter and our hearts. May they unlock every portal, and may no disappointment meet you as you enter. May our Father's loving care watch over you while in our midst, and bring you each in safety to your homes.

Thus—

My sisters and brothers, we bring you
A *welcome* most cordial and true,
And trust that in the same spirit
'Twill now be accepted by you.

To you from the far sunny Southland,
The land of the orange and rose,
Where Nature in wondrous profusion
The sweet charm of beauty bestows.

The land of bright sunshine and flowers
Of which Bard and Minstrel may sing,
That part of our own loved country
Where 'tis said that "Cotton is King."

From land of the rushing Niagara,
Where our wondering eyes first saw light,
And childhood's bright hours unclouded
Passed quickly with time's rapid flight.

Flow on forever, Niagara!
 Bearing thy waves to the sea,
But to all who come from thy country
 A *welcome* most cordial to thee.

From stern rugged hills of New England,
 The land by the Pilgrims first trod,
Where they sang, mid storm and the tempest,
 In freedom their praises to God.

Where the writings of Lowell and Whittier
 Have made it immortal in song,
And whose name and whose fame will ever
 Increase as the years pass along.

From the home of our dear sister Ewing,
 She who has stood firm at the wheel,
And guided our bark o'er the waters
 Through sunshine and storm, woe or weal,

And anchored us safe in the harbor,
 And well earned her long-needed rest,
Our wish is, of Earth's many blessings,
 Her's be of the choicest and best.

From homes far beyond the wild Rockies,
 The huge, great backbone of the earth,
Where manhood and womanhood ever
 Are made the true standard of worth.

From the Golden Gate to the Northward,
 Wherever our flag is unfurled;
The standard of our beloved Order,
 Or from whate'er part of the world,

We bid you a *welcome*, thrice *welcome*,
 To State, to our hearts and our home,
And ask that our father, in kindness,
 Watch over and keep every one.

At last when life's sun nears its setting,
Life's duties and cares nearly done,
You enter upon that last journey
From whose bourne no traveler returns,

May you be the first to discover,
As nearing the beautiful shore,
And see mid the group standing waiting
Some loved one who's passed on before,

Some dear one for whom we have sorrowed,
Who, waiting with *welcoming* hand,
Will smilingly meet you and greet you
With *Welcome* to that better land.

And then over all and above all,
This message to each of you come
For the faithful performance of duty,
Well Done! Faithful Child, *Welcome Home!*

MAYOR'S WELCOME.

Hon. William C. Maybury, Mayor of Detroit,
extended a welcome in behalf of the city, as follows:

After the very delightful address of welcome which has been delivered by our worthy sister, it seems as if I might leave the welcome that has warmed your hearts just where it is, but I am impelled to say one word of a personal nature. I thank my good sister for having so generously opened up the door of opportunity for me, as I could not possibly have done it for myself.

It has been said of me that I am better in talking to a congregation of ladies than to one; at least I think I have had greater success, and when the committee came and asked me if I would come and say a word of welcome to this Grand Chapter, I was afraid

the invitation might be withdrawn, and accepted at once for such opportunities are not to be avoided.

Now, my dear friends, you are indeed welcome to the city of Detroit, and when I say that, it is not a perfunctory word, to be used on all occasions, but a word to be used with sincerity, and more, it is with a feeling of thankfulness and gratitude that we welcome you, for no community can have assembled in its midst conventions of this character which are not very greatly benefitted and therefore we are grateful indeed to those who come. So when I say welcome, I say also, on behalf of this city and the people, we thank you and are your debtors.

This city has been often called a convention city, and such it is. There is scarcely a day from the early summer until late fall that we have not the pleasure of welcoming here conventions of ladies and gentlemen. We hear discussions ranging all the way from finance to the humblest occupation, including intellectual, social and religious questions. The wide range between the conventions held in Detroit is perhaps best illustrated by the fact that we had the Bankers on one day and the Embalmers and Undertakers on the next day.

Now, my dear friends, there is only one disturbing thing in Detroit, and we keep that on purpose because we know even harmony may at times become monotonous, and that when we see a placid lake we can scarcely resist the impulse of casting a pebble upon its surface to see it ripple. And so we keep one thing that requires a little attention, and that is our time. We have three times, and to one of these only do I ask you to pay especial attention.

The standard time is fixed by the railroads, and is twenty-eight minutes slower than the sun time, which is God's time and therefore our time; and as

Masons, believing that the Sun rules the day, we prefer to be ruled by the sun. The benefit of having time in that particular shape, my dear friends, is that when you come you come by railroad time, twenty-eight minutes slower; when you go away—if you must—you go by local time, and we have you twenty-eight minutes longer. But for you there is but one time, and that I am sure you are going to have here in Detroit, and that is a right royal time.

The thought uppermost in my mind as I listened to the delightful words of my good sister, speaking of the attendance of delegates here from all over this great country, from the Atlantic to the Pacific, was the wonderful change which has come over the world even in the comparatively short period of my life, making these gatherings from these distant places possible.

Perhaps I can illustrate it best by referring to that beautiful story, written a few years ago, by Beatrice Harraden, entitled "Ships That Pass in the Night." She describes the ship that comes up in the night, away off in the darkness, just above the horizon. You see that light pass in the darkness; you wonder who are on that ship, from whence they come, whither going; and while thinking the light is gone, gone down in the darkness—the ship has passed.

You may have been in need; you may have been ship-wrecked; you may have pleaded for help that might be so easily extended, but it is only a light that goes down in the horizon—the ship that passes in the night.

So nations pass. The time is coming when men and nations will pass by day, coming on the horizon with their names plainly written upon the prow, passing near enough to say who are you? are you in

want? are you in need? So they pass greeting and each go their separate way.

So men and women are coming to meet in this glorious life, and so nations are meeting and learning that we all have some purpose in life.

Now, my dear friends, we call our city beautiful. It was beautiful before we came. The river that flows so peacefully, yet so grandly, in its dignity, was here. We have cleared away the beautiful forests and built homes for ourselves. We have opened our roadways; and it has been our effort to keep it as beautiful as we found it.

Our city is both old and young—old because only a few days ago it passed its two hundredth year, and young because you see on every hand evidence of the most modern ideas in science and architecture.

We pride ourselves that there is no city in all the world where there are so many homes owned by the people as in the city of Detroit; and when you leave the avenues and places of palatial residences and go into the side streets and see the cottages, you will see there the evidences that we are a home city. If you ask me for the tenement districts which you find in nearly every other city, I can truly answer we have none because they do not exist in our city.

Do you wonder then that under such circumstances Chapters of the Eastern Star flourish?

Our good friends will see that you are piloted to that beautiful spot where we delight to take our friends, from which they receive, as we do, the inspiration of what is beautiful and what is delightful—Belle Isle.

That Island was never stained with human blood save once. The islands of these Great Lakes and rivers, which are naturally so beautiful, impressed the Indian in such a way that to him it was holy ground;

and in fact some of our friends have found in that fact what they seem to think is a revival of customs of old nations—places of refuge, for, you will remember, under Jewish dispensation there were certain places that when people came upon them they took their sandals off their feet, and human blood was never shed there. We find these islands held sacred in the same way.

And so far as our own city is concerned, we have never had any visitation of disease or those calamities which have come unhappily to so many other communities. From the very bottom of my heart I believe that the founding of this city—the manner in which it was founded—is the reason why we enjoy the blessings we have had ever since.

When the pioneers landed here upon the night of the 24th of July, 1701, their first act was an act of worship. They had sought all day along the river for a landing-place. Here and there were bluffs and finally, within a half-mile of where you are now assembled, they landed. The birds had folded their wings and ceased to sing; the sun was sinking in the West, but around a rude altar they knelt and the song of evening vespers arose—a consecration which has come down to bless the beautiful city to which you are most cordially welcome.

CHAPTERS' WELCOME.

Mrs. Elizabeth Workman extended a welcome in behalf of the Chapters of Detroit, as follows:

*Most Worthy Grand Matron, Brothers and Sisters
of the General Grand Chapter:*

To me has been given the high honor of saying a word of welcome in behalf of the six Eastern Star Chapters of Detroit.

Your coming has been a pleasant anticipation these many months. We have worked together to the end that your stay with us might be an enjoyable and profitable one, and the work of preparation has been most pleasant and harmonious. We have looked upon it as a labor of love, appreciating the honor of your visit and the fact that you were to be our guests and that we were to have the pleasure of entertaining you.

We extend to you no formal greeting but a fraternal love which bids you welcome as sisters and brothers.

If I had the gift of oratory, I might express our gratification in more glowing words, but

“More expressive may be
Than all words ever spoken,
When heart has an instinct
Of what in the heart of another is passing.”

And I assure you that the thought “Welcome to the Grand Chapter” is the password written in the hearts of your sisters and brothers of Hayward, Keystone, Palestine, Detroit, Wayne and Sampson Chapters.

Again, we ask you to accept our password Welcome.

There are in Michigan 45,000 Masons. F. O. Gilbert, the Worshipful Grand Master, was to have been present to welcome the General Grand Chapter in the name of these Brothers, but he was unavoidably detained and relegated his duty to Jefferson S. Conover, Grand Secretary of the Grand Lodge, and Past Grand Master, also Past Most Worthy Grand Patron of the General Grand Chapter. He too at the last moment disappointed the Committee, and Mrs. Nichols called on the Grand Patron of Michigan to perform this duty.

MASONS' WELCOME.

A. C. Northrup, Grand Patron of Michigan, extended a welcome in behalf of the Masons of Michigan, as follows:

*Most Worthy Grand Matron, Officers and Members
of the General Grand Chapter:*

The sister has said that one of the disappointing things in this life is woman. I think she should have said man.

Evidently it was designed to bring a man before you who, figurately speaking, could stretch out his arms around this whole sisterhood, but he has failed to appear and I am very proud to be invited to this position; I am very glad I happened to be on the ground, although this is the first intimation I have had of it. I have no set speech; but, representing the Masonic Order of Michigan, certainly I can heartily welcome you. Evidences on all sides in this magnificent temple assure you ladies from Honolulu and Scotland, and indeed the whole world, that you are all welcome to Michigan, and the hearts of the Masons throughout all Michigan are filled with the desire to welcome the Eastern Star, with its beautiful Order.

Again, in behalf of the Masons of Michigan, I bid you all welcome and trust you may have a glorious session and remember us with kindly hearts when in your homes.

RESPONSE.

The reponse to the several welcomes was made by Mrs. Laura B. Hart, Right Worthy Associate Grand Matron, as follows:

*Most Worthy Grand Matron, Sisters and Brothers
of Michigan:*

“For I have neither wit, nor words, nor worth,
Action, nor utterance, nor power of speech,
To stir men’s blood : I only speak right on ;
I tell you that which you yourselves do know.”

If these lines were true in Anthony’s case, they are certainly true in mine, for all these welcoming addresses have left me with neither wit, nor words, nor power of speech, to express what my heart feels. I can only humbly thank you for all these kind welcomes.

Michigan is our eldest sister. How much do we owe to these brothers and sisters in this great state! They were our path-finders, our guides. For thirty-five years they have blazed the way through forests of prejudices and deserts of difficulty. Who shall tell the story of that journey and its trials; how they have made the road an easy one for us to follow!

Yes, Michigan is our best beloved eldest sister, and how proud are we to-day to honor her; how glad are we younglings to take her by the hand and receive these generous welcomes! While within these gates, the gates of this beautiful city of the lakes, this convention city and this consecrated city, may we appreciate and deserve these glad welcomes, and put to good use those twenty-eight minutes.

Most Worthy Grand Matron, in your name I heartily thank the brothers and sisters of Michigan for their welcome.

There is nothing sweeter or more beautiful to-day than human friendship. It makes life worth living; it makes dark places light and rough places smooth. To perfect and cement this friendship is the purpose of this Order, and I believe this General Grand Chap-

ter is arriving nearer and nearer the goal at each triennial.

Carlisle has said that to become thoroughly acquainted with thoroughly good people is to be made happy.

Most Worthy Grand Matron and members of the General Grand Chapter, I invite you on this occasion to become thoroughly acquainted with our brothers and sisters of Michigan and Detroit and incidentally, sisters, with Detroit's honorable Mayor.

The three years since last we met have passed as a tale that is told—to many of us fraught with more sorrow than joy, but surely as an Order we have much for which we should be grateful. We have to be thankful for the wonderful growth and extension of this beautiful institution; for the efficiency of our active officers; we have to be thankful for the fast fading opposition of the Masonic brotherhood. The evidences are before us. Many of the Grand Lodges are now recognizing us as an aid and help to their noble work.

The waves of an awful disaster enveloped one jurisdiction. That disaster has now become a part of history, and we have to be thankful that this Order came bravely to the front with contributions, amounting to more than \$10,000, fully relieving every case of destitution and suffering among our members. It was caused by the great storm at Galveston, September 8th, 1900. To-day in their name I desire to thank you, both officially and personally, for your fraternal generosity; but there is no language to express the gratitude of those people to the Order of the Eastern Star, and that name has become a by-word in many a home in coast towns of Texas.

We meet to-day, brothers and sisters, in the shadow of a world-wide calamity. Our tears mingle

with those of a stricken nation; and though it all should we not be thankful that our President represented all that we, as an Order, should revere in Masonry, and that he was so greatly loved. Other Presidents may have been able—I do not know, I cannot say, but surely he was the best beloved; and especially so it is true in the Southland. Should we not be thankful that he is forever enshrined in our hearts as the highest type of a true, American Mason, and as such has become what we hope to be, one

“Of those immortal dead who live again
In minds made better by their presence: life
In pulses stirred to generosity,
In deeds of daring rectitude, in scorn
For miserable aims that end with self,
In thoughts sublime that pierce the night like stars,
And with their mild persistence urge man's search
To vaster issues.”

Thus has he joined the choir invisible, whose music is at once the glory and the gladness of the world.

The Most Worthy Grand Matron reported that Mrs. Florence G. McLean, Worthy Grand Organist, had sent her a letter of regret, saying she was with her husband, who was very ill, in Texas, and upon motion of Mrs. Mary E. Partridge it was ordered that a telegram of sympathy be forwarded to her at this time.

The reading of the Minutes of the last Session of the General Grand Chapter was dispensed with, as printed copies had been distributed to all members present.

Upon motion of Mrs. Jennie E. Mathews, the Right Worthy Grand Secretary was instructed to send a letter of condolence to Mrs. McKinley.

The Most Worthy Grand Matron invited to the East the Past Most Worthy Grand Matrons present, who were:

Mrs. Elmira Foley,
Mrs. Lorraine J. Pitkin,
Mrs. Jennie E. Mathews,

Mrs. Nettie Ransford,
Mrs. Mary C. Snedden,
Mrs. Mary E. Partridge.

It was ordered that when the General Grand Chapter call off at one o'clock for lunch, we re-assemble at 2.30 P. M.

The Most Worthy Grand Matron announced the appointment of the following

ADDRESS

OF

MRS. HATTIE E. EWING, M. W. GRAND MATRON.

The Most Worthy Grand Matron then read her report as follows:

Sisters and Brothers:

“From hills of the East, the North, the South,
And the fertile, flowery West,
Your footsteps and hearts have in gladness turned
To this silvery milestone blest;
Where the light of our Star, the Eastern Star,
In glory to-day doth shine,
Fairer, clearer, brighter far,
Than gems from the richest mine.
And oh, may a beaker fair and large
By this way-mark lifted be,
With the wine of love to fill each heart
Till the golden goal we see.”

Assembled in this magnificent Masonic Temple and already the recipients of such cordial and heartfelt greetings, I extend my measure of welcome to all who have turned their eyes for some months towards this Mecca of our Eastern Star and with hearts overflowing with kindness and good-will have journeyed hither.

Two hundred years ago Cadillac set foot upon the shore of this city and took possession in the name of Louis XIV. Great changes have been wrought since then, for behold this beautiful Forest City which has sprung from the vast wilderness of which the Wolverine State was then a part. One hundred and

thirty-seven years ago the first Masonic altar in Michigan was erected at Fort Detroit, and we turn back in history only thirty-four years to discover when this Grand Chapter of Michigan first saw the light of the beautiful morn, which has broadened into a most perfect day. What place more fitting for us to erect the silver milestone of our General Grand Chapter than in the metropolis of our mother Grand Chapter.

The nineteenth century is acknowledged to be the most wonderful hundred years in our world's history. This we might expect, for it is the flower and fruitage of all the others. I count it the *best* century since it has taught us the value and necessity of co-operation and has touched the emotional side of our natures, leaving broad and deep the foundations for better things. It has developed the idea of equality and brotherhood and made us recognize that great principle, that man is his brother's keeper.

Associations have become great harmonizing key-notes of inspiration and the increased tendency during the last part of the nineteenth century to organize fraternities has elevated and ennobled the final creation of the Divine Hand and made the world a wider place for her. The large heart of humanity is throbbing in sympathy with his fellows, and men and women are banding together, each for the other's good, as never before in the history of the world.

If we study the genesis of fraternity we shall find that it is born of pleasant association. Robert Morris fully realized the deep meaning of fraternity from his Masonic relations, and desirous that woman might enjoy its genial influence, projected a similar organization, our Eastern Star. I need not tell you of its wonderful growth during the last half of the century just passed. To-day, founded upon the teachings of the Holy Scriptures, advocated by our best and most

intelligent Masons and guarded by that grandest of all secret organizations, what wonder that our outlook is so bright. Our future is rich in promises, but let us not forget that to-day is big with solemn obligations. In my visits to so many of our Grand Chapters I have noted with admiration the interest of the members in their Masonic and Eastern Star Homes. May the day soon dawn upon a work of this kind in every jurisdiction. Then shall the Eastern Star have reached the highest ideal of a fraternal organization.

OUR BELOVED DEAD.

At the beginning of this session, our hearts overflowing with grateful thanksgiving, we humbly acknowledge the wisdom and kindness of Him who, with a father's tender love, has guided and guarded us since last we met.

Little did I dream when I began this address that ere it had been delivered our country would be in the throes of such deep affliction. Indeed, our sorrow is part of a universal sorrow, for all nations of the world lament this sad event, and we are grateful for their heartfelt sympathy. Our lamented president has carried us safely through a momentous period in our country's history and placed us first among the nations in finance, industry and commerce.

We mourn the loss not only of our ruler, but of one who has endeared himself to the American people by his diplomacy and conservatism as a statesman, his broad sympathy, his confidence in our country's future and the charm and purity of his domestic life. In every sense he was a typical American. His spirit of forgiveness and gentleness is shown in his words to the fiend who took his life, "May God forgive him." They are the "perfected poem of a fireside expanded into a beautiful world song."

Although we have earnestly besought his recovery, we humbly bow to the Infinite One and remember William McKinley's last words: "It is God's way; His will be done, not ours." We extend our love and tenderest sympathy to her who has ever received from the loving husband the most beautiful and unselfish devotion, not only in the quiet of the home, but amid the pageantry of state and the tumult of political exultation.

I rejoice that I am able to report our circle of grand officers unbroken. From the homes of two of them their beloved companions have slipped away into the golden mist and found God's morn. We extend to them our sincere sympathy, and oft in the midst of their loneliness may they look upward and dwell on the eternal reunion. Several of our Grand Jurisdictions have suffered irreparable loss, one or more of their tried and faithful servants having, through patient toil, reached that land "Where tired feet with sandals loose may rest." We humbly ask that the light of Divine sympathy may shine into the darkened homes and sad hearts and that the comfort of the world's Redeemer may soothe them.

"The choicest gifts
That heaven hath kindly lent to earth
Are ever first to seek again
The country of their birth."

OFFICIAL ACTS.

RITUAL COMMITTEE.

In accordance with the action of the General Grand Chapter on report of memorial committee, I appointed, Oct. 29, 1898, Sister Mary E. Partridge, Brother Willis D. Engle, Sister Mary C. Snedden, Sister Lorraine J. Pitkin and Sister Laura B. Hart to attend to the revision and rearrangement of the ritual and report thereon at this meeting.

APPROVAL OF BONDS.

Oct. 29, 1898, I approved the bonds of the Right Worthy Grand Treasurer, Sister Harriette A. Ercanbrack, and Nov. 28, 1898, those of the Right Worthy Grand Secretary, Sister Lorraine J. Pitkin.

SPECIAL DEPUTIES.

Oct. 8, 1898, I commissioned Past Most Worthy Grand Matron, Sister Mary E. Partridge, to install Sister Augusta D. Wilson, Past Grand Matron of California, as Worthy Grand Ruth of the General Grand Chapter. This duty was performed Oct. 19, 1898, in the Grand Chapter of California.

Feb. 10, 1899, I commissioned Sister Alice Taylor, Past Grand Matron of Washington, to install Sister

Florence G. McLean, Grand Matron of Washington, as Worthy Grand Organist of the General Grand Chapter. June 16, 1899, this duty was discharged in the Grand Chapter of Washington.

In October, 1898, I received a cordial invitation to attend the annual session of the National Council of Women to be held in Omaha the last of the month under the auspices of the Woman's Department of the Trans - Mississippi and International Exposition. Knowing that it was not the desire of our organization to become a part of this Council, and not desiring to incur expense, I still believed it might be well for our order to appoint a representative in that locality to attend and to respond for our Order, five minutes being allotted each fraternal delegate. Oct. 19, 1898, I appointed Sister Helen M. Stires, Past Grand Matron of Nebraska, my representative to attend the meeting. Sister Stires' greeting was excellent and it was pleasantly received by the Council. In response to an urgent invitation to attend the triennial session of this body in Washington, Feb. 9, 1899, I commissioned Sister Alcena Lamond, Past Grand Matron of District of Columbia, to attend the meeting as my representative. Sister Lamond was invited to give a short address and responded in her eloquent language and forcible manner.

LEGALIZING FORMER ACTS.

In accordance with an act of the General Grand Chapter held in Washington in 1898, I sent an official document to the Grand Chapters of Michigan and

Indiana legalizing the former acts of Past Most Worthy Grand Patron, Brother Hinds, in granting release of jurisdiction over certain parties to these states, said parties living under the jurisdiction of the General Grand Chapter.

PROCEEDINGS.

Soon after my return home from our session in Washington I received notice that Sister Partridge had no recollection of announcing the special committee for extending our order into foreign countries. The minutes gave no report of same nor could several that were interrogated furnish any evidence of such act. When we consider the many duties devolving upon Sister Partridge during this session and her anxiety of mind regarding her beloved husband, who was lying in a critical condition, it is not strange that her memory failed her in this single act. As the appointment of this committee belonged to Sister Partridge, I advised her naming the same and sending the list to Right Worthy Grand Secretary, Sister Pitkin, for incorporation into our '98 Proceedings. Such list is found on page 164. Soon after the distribution of the Proceedings I learned that this committee was appointed during the session and the names thereof were furnished me. I have corrected the matter so far as I was able, sending an official document explaining same to every Grand Chapter within the General Grand. I am convinced that the mistake was merely an unintentional oversight on the part of all interested parties.

CALLS AND RECOGNITION OF NEW GRAND CHAPTERS.

In accordance with our law I have signed, with our Most Worthy Grand Patron, calls for the conventions and recognition notices establishing the Grand

Chapters of Maryland, Arizona, Louisiana, Tennessee, Georgia and Alabama. I have also signed the recognition notices declaring the Grand Chapters of Connecticut and Vermont constituent members of the General Grand Chapter.

January 28, 1901, I was appointed special deputy of Most Worthy Grand Patron, Brother Gearhart, for the purpose of organizing Grand Chapters in Georgia and Alabama, and to perform such other acts as might be necessary for the accomplishment of the work. Very successful conventions were held in Brunswick, Ga., February 21st, and in Birmingham, Ala., March 6, 1901. The delegates were enthusiastic in the work and the visitors were cordially entertained by the Chapter with whom the convention was called.

It was a noticeable feature that only one of the chapters represented at the convention in Georgia was organized previous to my term of office and of the nine chapters represented in Alabama, seven had received charters within the last two years. This proves the interest of the new chapters and the necessity of visiting and instructing these isolated chapters. Our territory within the United States has become so narrowed, I would recommend that every subordinate chapter under the jurisdiction of the General Grand Chapter be visited by either the Most Worthy Grand Matron or the Most Worthy Grand Patron during their term of office. The reports that come from the southern Grand Chapters are very encouraging, several new Stars shedding their light into the homes of the new-made sisters and brothers. We wish them God-speed in their noble work.

DECISIONS.

My opinion on various subjects has often been solicited by the grand officers of our Grand Chapters,

and although not reported, I have been pleased to advise with them. The usual number of questions have been asked by our subordinate chapters, which in nearly every instance a closer study of our rules and regulations would have rendered unnecessary. I have gladly written all who have desired any information, but find few decisions to report that have not already become a part of the law of this grand body.

1. Question. Is the charge of drunkenness proved against a member of the O. E. S., man or woman, sufficient cause for expulsion?

Answer. Gross and confirmed habits of intoxication proved against a member of the O. E. S., man or woman, are sufficient cause for expulsion.

2. Question. Should reappointed officers be installed the same as re-elected officers?

Answer. They should, for they are beginning a new term of office.

3. Question. May officers wear robes at public installations?

Answer. There is no law prohibiting it.

4. Question. May degrees be conferred the same night of election to receive the degrees?

Answer. They may.

5. Question. Does section 10 in rules and regulations imply that the rejected applicant should make out a new petition for membership?

Answer. A rejected applicant should make out a new petition for membership, and this should be acted upon according to Sec. 7.

6. Question. Can a sister who took a dimit ten years ago in moving from her home chapter, and who has never since lived in a place having a chapter, now place her dimit in our chapter?

Answer. Yes, the length of time a dimit is held does not affect its legality.

7. Question. Has a member of the order who has taken a dimit from the chapter the right of burial under the auspices of the chapter?

Answer. A dimitted member of the order has no right to an O. E. S. burial under the auspices of the chapter.

8. Question. The widow of a Mason married a man not a Mason, from whom she was divorced, and in the decree of divorce was given her former name. She received the degrees years ago in the parlors from Robert Morris. Under these conditions is she eligible to membership?

Answer. The marriage of a lady to a gentleman not a Mason, though divorced from him, debars her from becoming a member of your chapter as the widow of a Mason. Had she received the degrees in the regular way from a legally organized chapter, and then dimitted, she might now join your chapter by affiliation.

9. Question. A man and his wife holding dimit petitions to our chapter for affiliation and were elected, when it was ascertained that the brother was dimitted from his lodge. Were either eligible?

Answer. No, for no person can be admitted as a member of a chapter by initiation or affiliation save affiliated Master Masons, and their wives, mothers, sisters, daughters and widows.

10. Question. Our chapter was organized in June. Our worthy patron was not re-elected in December. Is he a past worthy patron?

Answer. Yes, as he filled the office during the term for which he was elected.

11. Question. We had a petition for degrees on which the sisters reported favorably and the brother unfavorably. On account of his report, I decided that the petition was rejected and it did not go to the ballot. Was this correct?

Answer. A ballot must be taken on all petitions for membership immediately after the report of the committee on investigation.

12. Question. If a candidate is elected but refuses to receive the degrees, is the chapter expected to return the initiation fees?

Answer. The chapter is under no obligation to return the initiation fees, but may vote to do so.

13. Question. If some of the lesser officers are absent, is it permissible to omit their parts during the opening ceremony?

Answer. Inasmuch as we have a decision that the entire opening ceremony should be used at every meeting, I would fill all vacancies at stations, provided there are sufficient members present.

14. Question. On the evening of the installation of our officers charges were preferred against our worthy patron elect. No objections being made, he was installed. Was the action legal, and is he our patron?

Answer. I consider a person innocent until he is proven guilty, and no objections having been raised, the action was perfectly legal.

15. Question. Owing to the lateness of the hour, we merely obligated a candidate for the degrees at our last meeting. Can he be present at the opening ceremony of our next meeting?

Answer. No, for he is not a member of the order and entitled to its privileges until he has taken the five degrees in the regular way.

16. Question. Should an application for membership lie over for two weeks or one month?

Answer. It depends upon whether your regular meetings are held once or twice a month. A petition must lie over until the next regular meeting following that at which it was presented.

17. Question. If we suspend a member of our chapter, should we notify all other chapters in our jurisdiction of such act?

Answer. It should be the duty of the secretary of a chapter whenever one of its members is suspended for other

cause than non-payment of dues to notify the other chapters in the jurisdiction.

18. Question. Our worthy matron has permanently removed from our jurisdiction. Will you declare the office vacant and grant a dispensation to elect a new worthy matron?

Answer. I granted the dispensation and made this decision: Death or permanent removal from a jurisdiction is sufficient cause for declaring the office of worthy matron or worthy patron vacant, provided it is the wish of the chapter.

The worthy matron of a chapter having permanently removed from the jurisdiction, I was asked to declare the office vacant and grant a dispensation for the election of a new worthy matron and was asked these two questions:

19. Question. Will the worthy matron that has vacated the office be considered a past matron?

Answer. No, as she failed to fill the term for which she was elected.

(This should not apply to a case where a worthy matron is serving her second term.)

20. Question. Will the newly elected worthy matron be considered a past matron provided she serves until our next annual election?

Answer. Yes.

21. One chapter under our jurisdiction, through ignorance of our law, received a petition and balloted upon it the same night. They learned their mistake before initiating the candidate and wrote me for advice. I advised them to report and ballot upon the same petition at the next regular meeting, due notice being given the members.

22. Question. Is it proper for a member of the order from a chapter affiliated with the General Grand Chapter to visit a New York chapter?

Answer. Yes.

23. Question. Should a member of a New York chapter in good standing, be allowed to visit our chapter?

Answer. Yes, if the member from New York can take

the test-oath, he or she should be admitted, but Master Masons who have merely been obligated, have not been initiated and are not members of any chapter, cannot visit chapters under the jurisdiction of the General Grand Chapter.

RECOMMENDATIONS.

Electa Chapter No. 6, of Greenville, S. C., lost its charter in January, 1900. Proper search seems to have been made for it and the members believe that it has been accidentally destroyed. I recommend that a duplicate charter be granted Electa Chapter No. 6, of Greenville, S. C., by the General Grand Chapter.

At our sixth triennial session Brother Willis D. Engle submitted the following amendment: "Resolved, That Section 6, Article III, of the Constitution be amended by striking out the word 'majority' and inserting in lieu thereof 'two-thirds vote,' and striking out the words 'shall lie over until the next stated meeting, when, if adopted by a two-thirds vote,'" which was referred to the jurisprudence committee. They deemed it unwise to concur in this amendment and recommended "that the law remain as it is." Their report was not adopted. Brother D. G. Burr moved the adoption of the amendment to Article III, Section 6, of the Constitution offered by Brother Willis D. Engle, which was concurred in by a two-thirds vote. Although this has never been incorporated in our Constitution, I consider the amendment legally adopted and therefore law. Since that session a new section has been put into Article III, and what was formerly Section 6 is now Section 7. I consider amending the ritual a work to which much study and careful attention should be given and we should not allow any hasty and immediate changes. I therefore recommend that Section 7, Article III, of the Constitution be

amended by striking out the words "two-thirds vote" and inserting in lieu thereof the word "majority," and by inserting the words "shall lie over until the next stated meeting, when, if adopted by a two-thirds vote," so that the section shall read:

"All amendments, alterations or additions to the ritual that shall be promulgated by this General Grand Chapter, must be submitted in writing at a stated meeting, when, if approved by a majority of the members present, shall lie over until the next stated meeting, when, if adopted by a two-thirds vote, shall become a part of the same."

The following questions have been recently asked me by the Grand Patron of Massachusetts and I herewith submit them to the General Grand Chapter for your consideration and decision: First, how far are the decisions of the General Grand Chapter relating to the ritual binding upon the several grand jurisdictions? Second, if the General Grand Chapter can promulgate a ritual, are not its decisions interpreting that ritual as binding as the order establishing a new ritual?

CHAPTER REORGANIZED.

Whilst visiting the chapters in Florida, I went to Sanford to see what assistance could be given to Seminole Chapter in that place. I found that regular meetings had not been held for two years and that so many of the members had moved away that it was impossible to gather a quorum. I found the worthy matron very much interested in the work and desirous that I should, if possible, reorganize the chapter. On the evening of my arrival the master of the Lodge called and expressed his desire of taking the degrees and helping on the work. The following day, accompanied by the worthy matron, I called upon the members residing in Sanford, giving them due

notice of the meeting to be held on the evening of February 15 and of the work that would be done. A special meeting had been called by the master of the Lodge, but he very kindly gave us the use of the hall at 9 o'clock and the chapter was called to order at that hour by the worthy matron. Acting under the authority of the Most Worthy Grand Patron, I permitted them to receive and ballot upon eight petitions for membership. The candidates were duly elected and initiated, officers were elected and installed and I left the chapter room believing that Seminole Chapter, with its increased membership, would be able to continue its activities.

VISITS TO GRAND CHAPTERS.

I have received each year cordial invitations from every Grand Chapter to attend its annual sessions. By vote of the Grand Chapters of Ohio and Indiana, this courtesy was officially extended to me a year in advance. These invitations have been fully appreciated and accepted as far as possible, long distance and previous Eastern Star engagements alone preventing my presence and causing me to send regrets with my greeting. It has been my pleasure to meet with the following:

Feb. 22, 1899, Grand Chapter of Wisconsin at Milwaukee; guest of the Grand Chapter.

May 11, 1899, Grand Chapter of Massachusetts at Worcester.

May 15, 1901, Grand Chapter of Kansas at Topeka; guest of Grand Chapter.

June 5, 1901, Grand Chapter of Vermont at Newport; guest of Grand Chapter.

On each occasion the uniformity of work, perfect harmony, great prosperity, and, best of all, the desire to help the unfortunate, have deeply impressed me and have awakened in my heart an enlarged appreciation of our order and the good it is destined to perform.

VISITS TO SUBORDINATE CHAPTERS.

The invitations which I have received to visit subordinate chapters are almost innumerable. I regret that I could not have accepted many more, although I have complied with these requests upon every possible occasion. The recollections of the pleasant associations with you sisters and brothers in your several chapter rooms will in the years to come brighten my path in life. The beautifully decorated halls, the dainty refreshments, the large attendance and the good-will and many courtesies shown me made me realize that my welcome was unfeigned. Would time permit, I should be gratified to give a detailed account of each.

Oct. 3, 1898, visited Ruth Chapter, Washington, D. C.; guest of Sister and Brother Williamson.

Oct. 6, 1898. The evening following my return from the General Grand Chapter, a delightful reception was tendered me by my own home chapter, Athena. As I was about to enter the profusely decorated hall I was presented a loving tribute by the organist, Sister Brazer. It was an original congratulation

march and was skillfully executed by the composer as I was escorted to the East. A beautiful gold-lined cup, saucer and spoon were presented me by the W. M., Sister Tenney, in behalf of Athena Chapter. Her never-to-be-forgotten welcome closed with these words :

“We welcome you proudly—we call you ours ;
We have known together both smiles and showers,
We have trodden the halls of joy and mirth,
We have stood by the flower-strewn burial earth ;
We have lived and loved and to-night we say
God speed thee, sister, and keep thee alway.”

The memory of the warm hand-clasps and the kind words spoken on this occasion have been a great incentive to me these three years in my efforts to promulgate truth and love, unity and peace.

RITUAL.

A committee of five was appointed in accordance with a vote of this body in 1898 to so revise and arrange the ritual that it may be printed in two volumes, and to report for primary action at the session in 1901. This committee have carefully attended to their duties and are ready to report. I trust that as a Grand Body we shall, when the matter is presented, consider it carefully. There are some grammatical errors that it might be well to correct, but the entire revision of the ritual means an enormous expense which I doubt if the results will justify. Many have harshly criticised the changes made a few years ago and I am certain that proposed changes would be quite as unsatisfactory to many. Our ritual in its present form contains nothing that would injure our Order should it

chance to meet the eyes of one not a member. I believe greater stress should be laid upon the guarding of our secret work. The attention of several of our states has been called to this matter and they use the secret work printed in cipher. Some states impose a fine of twenty-five dollars for the loss of a copy. In my work I have found the secret work carelessly used and in two instances it had been lost.

CORRESPONDENCE.

Aside from my personal visits, no part of my service has brought me into such close acquaintance with the members and chapters as my correspondence. Never a day without this medium of intercourse, and many with whose chirography I am familiar, though I may never meet, have with their pens flowing with love quickened much good within my heart. Each glad New Year I have sent a greeting to all our subordinate chapters under the General Grand Chapter and to the members of the General Grand Chapter, and the kind messages in return have given me new courage and greater zeal to work for our Order. Although it has taken much time to write these thousands of letters, I have been more than repaid by the friendly exchanges.

SUBORDINATE CHAPTERS.

I believe the portion of my work during the past three years most appreciated has been my visits to our subordinate chapters under the General Grand Chapter. Inasmuch as my predecessor confined her visits for the most part to states and territories in the West, my especial field of labor seemed to be in the South. I have consequently visited all the chapters in Florida, Georgia and South Carolina, nearly all in Alabama, Kentucky and Tennessee, and a few in Virginia and

West Virginia. Previous to my visits, only three of these chapters had ever seen an officer of the General Grand. In very few of the chapters had the ritual been committed and most of them had never been instructed by anyone familiar with the work. With few exceptions I found the officers and members eager for instruction and the enthusiastic letters received from so many of these chapters since my return can but cause me to believe that my labor was not in vain.

I learned on my first visit, after examining the records of the secretaries, that something was needed to assist these officers in writing out the minutes of the meetings, as most of them were unfamiliar with work of this kind. I therefore had printed specimen records and have sent them to every chapter in my jurisdiction. Having visited these chapters and learned their circumstances and several needs, I have been much better able to advise and counsel them, hence the earlier in her term that a Most Worthy Grand Matron can visit these subordinate chapters, the greater good can she do them.

GRAND CHAPTERS OUTSIDE THE GENERAL GRAND.

Ever since our General Grand Chapter was organized the name "Independent Grand Chapters" has been given to three of our Grand Bodies, and later to a fourth. To me the word signifies little, for there is no individual nor organization that does not have to abide by laws. The unbounded prosperity of our order in Illinois, Indiana, Missouri, California and other states that are charter members of the General Grand Chapter, and that have ever loyally supported it, prove that the simple ties that bind us together have not been detrimental.

We gladly welcomed in Washington the members from New York, New Jersey and Connecticut and

expectantly hoped that from the good reports taken back to these states by their own representatives a complete union would be effected ere we met again. Although disappointed in a measure, not having gained the entire quartet, I am rejoiced to-day that we have with us and *of* us for the first time in our history strong, earnest members from Connecticut and Vermont. We extend to them a hearty welcome and realize that the General Grand Chapter has gained two worthy co-workers and able assistants in our work.

Heretofore the Order of the Eastern Star has been exclusively American and has been confined to the United States save a few chapters in Scotland working under Macoy rituals. Since our last meeting we have traveled north to British Columbia and westward to Hilo and Honolulu. These chapters seem quite as prosperous as any in our old Grand Chapters. Scarcely a month that encouraging letters do not reach me from the Islands and the amount of their annual dues (six dollars) is one proof that they value the Order. An account of our advance in Scotland and on other foreign soil I will leave for our Most Worthy Grand Patron. I believe the light will soon dawn upon our order embracing the whole world and of untold strength by its perfect unity, for

"what is excellent
As God lives is permanent."

EASTERN STAR LITERATURE.

My interest in Eastern Star papers and knowledge of their benefits to others prompts me to say that all chapter members would become broader and more interested in our work if they could only be persuaded to read an Eastern Star journal. The literature of our

order is not vast. Both the "Mizpah" and the "Eastern Star," the one published in the East and the other in the West, are entirely devoted to our interests and are running over full with choice poetry, excellent cuts and interesting letters from so many chapters.

It is certainly true that as we put ourselves in touch with other chapters, our conceptions of our organization are proportionately widened. Our own little chapter may be too isolated to admit of an interchange of visits, but no chapter is so secluded that it cannot have an Eastern Star monthly and so gain new powers of truth, new visions of light and new methods of work.

Many have asked me to suggest a work wherein they could gain a knowledge of the history of our order. I gladly refer all such inquirers to the very excellent history of our order by Brother Willis D. Engle and believe every chapter should possess a copy for the use of its members.

COURTESIES RECEIVED.

I fully appreciate the honors conferred upon me by subordinate and Grand Chapters. I have received an invitation to every Grand Chapter session throughout the United States during the three years. In two or three instances I overlooked the date; aside from this I have always sent a greeting or extended it in person. In all my visits to the Grand Chapters I have been most courteously received and cordially entertained. Ofttimes a dinner or drive, a reception or boat ride has been tendered me and honorary membership has been conferred upon me by the Grand Chapters of Illinois, Maryland, Kansas, Vermont and New Hampshire. Connecticut honored me in 1899 by making me her grand representative near the General Grand Chapter of the United States.

My visits to several subordinate chapters in states having Grand Chapters have been in response to special invitations and the smiling faces and warm hand-clasps that greeted me counted even more than their elaborate banquets and other modes of entertainment. These visits afforded me an opportunity of studying the methods of work and transaction of business as performed in different states and I have been surprised at the uniformity of our work as it has come under my observation. The North and the South, the East and the West, as spoken of our Order, to me are mythical lines. I have been elected an honorary member by Arcana, New Bedford, Granite, Adelphi and Temple Chapters of Massachusetts and by Queen Esther Chapter of Chicago, Ill.

APPRECIATION.

So many have strewn my pathway with the white and crimson roses of joy that in most instances my duties have become privileges. Everywhere I have been received with the utmost fraternal kindness and I thank each individual member that has contributed a smile or kind word, all of which has enabled me to walk in paths of pleasantness and peace. Had I the pen of a ready writer, I could feebly express my thanks. With one exception I have had the pleasure of meeting all our past Most Worthy Grand Matrons, have enjoyed a pleasant correspondence with each, and their kind words of counsel have oft been appreciated.

My relations with my associate officers have been truly harmonious. They have given me able support and proven themselves worthy of your confidence. Whatever has been accomplished is the result of our united efforts.

My gratitude is especially due our Right Worthy Grand Secretary and Most Worthy Grand Patron. By long connection with our Order and the General Grand Chapter, the experience of the former finds her replete with knowledge of the past. None can truly know of her faithfulness and loyalty unless officially associated with her as I have been for three years. I found in my travels that her name among the Stars was almost a household word and every chapter spoke of her interest in their behalf.

I am sure that no Most Worthy Grand Matron has had a more genial and zealous co-laborer than myself. Owing to the intervening distance, the pleasure of the personal co-operation and counsel of our brother has been denied me, but through an uninterrupted fraternal correspondence I have learned his sterling worth and true devotion to the duties of the high office he has honored the past three years. I have consulted him on all important questions and have always found him an unselfish adviser and ready assistant.

CONCLUSION.

The record is nearly finished. The three years have brought me many pleasures. Over and over again I shall live these past experiences and each time some seemingly forgotten word or look of yours will appear in memory's picture, its influence continuing on my life.

Daniel Webster once said, "Those who do not look upon themselves as a link connecting the past with the future do not perform their duty to the world." I have endeavored on all occasions to act not merely for the present, but, as I believe, for the future advancement and upbuilding of our Order. I have given unstintingly my best efforts in your service, and yet the results fall far below my ideal. Soon the

emblem of my authority will be entrusted to more competent, but not more willing, hands. May the pathway of my successor be fraught with the same love and good-will that has been showered upon me by our members far and near.

Travelers tell us that amidst the Arabian hills is a valley given up to the culture of odorous shrubs and spices, where the air is redolent of fragrance. Going away, the visitor finds that the perfume clings to hair and garments for days. So harmonious, uplifting and soul-inspiring may this glad triennial be that we shall go hence holding the secret of the Master's touch, our lives made fragrant with nobler and more earnest desires to bless and uplift mankind, until we shall stand in the presence of Him whose Star we have seen in the East.

“Should the gates of the Holy City
Uplift their bright, shining bars,
Ere again we hail each other,
And we pass beyond the Stars,
For each and for all, God's blessing,
God's comfort, God's love and care.
I claim in the name of the Master,
Whose banner we proudly bear.”

Fraternally yours,
HATTIE E. EWING,
Most Worthy Grand Matron.

On motion of Mrs. Nettie Ransford, the Address of the Most Worthy Grand Matron was referred to the Committee on Distribution.

ADDRESS

OF

NATHANIEL A. GEARHART,
MOST WORTHY GRAND PATRON.

The Most Worthy Grand Patron then read his address as follows:

To the General Grand Chapter:

Because of the kindness of the sisters and brothers, I occupy a position in which it is incumbent upon me to make a report of my official acts. As it has been my lot to be associated in office with those of exceptional ability, each inclined to give the work the greatest care, best thought and most untiring energy, I am enabled to report that which is certainly very gratifying to myself.

To those who placed me in this honorable and responsible position, I give my sincere thanks, and to my associates in office, including my deputies herein-after named, in addition, my unbounded admiration.

Upon my election to the office of Most Worthy Grand Patron, and after familiarizing myself somewhat with the situation, I found it necessary, in advancing what I considered the best interests of the order, to practically "blaze the way" along several important lines. For instance,—among the changes made at your last session, the Most Worthy Grand Patron was authorized to appoint his deputies from among the sisters. I took advantage of such authorization. My deputies frequently went to new places, and desired to organize chapters. I could find no precedent by which such deputy could give our obligation, and qualify a man so that he might give such

obligation to the petitioners, and thus enable the deputy to organize the chapter.

I authorized my deputies to do just that, and but for this fact it is very doubtful whether the Grand Chapter of Arizona could have been organized.

At this point I venture my first recommendation, which is that you take such action as will allow the appointment of a sister as deputy of the Most Worthy Grand Patron, without so qualifying such appointment that the sister deputy can be of no earthly assistance to the appointing power. If a sister deputy can secure the services of a brother, to administer the obligation, why should not such brother be appointed the deputy? As the authority now stands, it compels the Most Worthy Grand Patron to do one of three things, either one having its disagreeable features, viz:

He may live up to the requirements of the constitution, and by so doing allow his work to be greatly crippled and retarded: he may ignore such requirements, but avoid criticism for so doing by failing to make any mention thereof in his report: or, he may totally ignore such requirements, make a full report thereof, and take the consequences thereof, as I have chosen to do.

If there is any good reason why a sister is not just as well qualified to confer the obligation upon a worthy applicant as a brother, then let the constitution remain as it is; otherwise, change it so that a sister may be appointed deputy to organize chapters, without any proviso about it.

I could find no precedent for directing the Right Worthy Grand Secretary to allow the actual expenses of my deputy to go to Louisiana and Tennessee, establishing some chapters, re-organizing others, and visiting practically all chapters in Louisiana, (those in Tennessee having been visited previously by the Most

Worthy Grand Matron) but I did it, and to that circumstance alone can be attributed the fact that I was enabled to obey the direction given the Most Worthy Grand Patron at your last session, to "organize a Grand Chapter in the state of Louisiana."

In this connection I desire to say that in my opinion the heretofore prevailing custom of receiving applications from places where a reasonably well-informed member of our order does not reside, the Most Worthy Grand Patron appointing a deputy from among the applicants, expecting such deputy to organize the chapter, and instruct the members thereof, not only in the ritual, but in the ceremonies which go to make our order the really beautiful thing that it is, when such deputy himself has never received such instruction, the Most Worthy Grand Patron being sure of nothing, except that the required fee has been paid, is not only sheer nonsense, unwise and unbusinesslike, but almost—if not quite—criminal, for we receive the money, and it practically takes a microscope to discover the benefit we confer in return.

Thoroughly believing in its importance, I recommend that someone be authorized, at his or her discretion, to direct the payment from the general fund, of such sums of money as may be necessary for expenses in the organization of chapters in new territory.

Another thing might very properly be included in this same recommendation, viz:

The plan above outlined having been carried on for years, and thoroughly tested, and being largely responsible for the many defunct, dormant and extremely weak chapters to be found, especially throughout the South, I recommend that such chapters be visited by a representative of, and at the expense of the General Grand Chapter.

Such visitations should be conducted in a business-

like way, and with an eye to the balancing accounts. The visitor should be capable, not only of giving the most ample information and instructions, but should be empowered to receive delinquent dues; negotiate for the sale of supplies, and organize new chapters, covering every receipt into the treasury of the General Grand Chapter.

If so conducted, amounts will be received which would not otherwise have come to the General Grand Chapter funds, to nearly if not quite pay all expenses incurred. It is in unorganized states that I am in favor of such visitation.

I am confident that it is desirable to perfect state organization as soon as it is practicable, and that, in the organization of a chapter, it should be impressed upon the members that when five chapters have been organized in the state, it will not be optional with such chapter whether a Grand Chapter shall be organized or not; but that such chapters must hold themselves in readiness, and respond to the summons of the officer charged with that duty, whenever it is sent forth.

I make these observations because we have several states and territories in which it seems to be impossible for the chapters to agree as to when or where a convention shall be called, and because of such inability to agree, state organizations have not been affected.

In regard to the methods advisable to employ in the organization of grand chapters, I still believe the opinion expressed by me to the various deputies who have aided in carrying on this part of the work, and which we have so far as possible, or practicable, adopted, is right: That is, to give as much attention as we are able to existing chapters before such organization and preliminary thereto, instructing them thoroughly—not only regarding the ritual and formal work of the order, but the principles and tenets, of

which such work is only the outward and visible sign, thus laying a firm and business-like foundation for future progress—and leave the chapters, so strengthened, to themselves extend the number of chapters and membership in the state. I think time will attest the wisdom of this course.

Without such preliminary work, the wisdom of encouraging state organization is in many cases questionable. To illustrate, we will take the state of Louisiana, where but one chapter was organized by the General Grand Chapter for a period of more than four years prior to the visit in 1900 of Sister Kate C. Brechner of Iowa, to whom I gave full power to represent me. During such four years the charters of six chapters were surrendered and forfeited, one chapter had not held a meeting for three years, and another for ten years. These two chapters Sister Brechner reorganized, visited and encouraged others, and on October 4, 1900, organized the Grand Chapter of Louisiana, with representatives present from eight of the ten chapters then existing in the state.

On June 6, 1901, such Grand Chapter met in its second annual session—but eight months after its organization,—during which period a decided gain in membership was reported, and four new chapters had been organized, thus accomplishing in the short time stated, four times as much work as the General Grand Chapter was able to do in four years.

With my hearty approval, Most Worthy Grand Matron Ewing has made two trips through the South. The real good she was able to do in the advancement of the Order can scarcely be estimated. On her last visit, as my deputy, she organized grand chapters in Georgia and Alabama. We can rest assured that the members there were thoroughly instructed, and they may well be congratulated that it was their privilege

to have such a competent and accomplished officer with them.

It will be remembered that at your last session in 1898, there had been but one chapter organized in Arizona territory.

Within the three months immediately following, a chapter was organized at Tucson, of which Sister Annie L. Tilton was made Worthy Matron. I was so fortunate as to secure Sister Tilton to act as my deputy, in which capacity she organized four of the seven chapters organized in the territory, and on November 15, 1900, organized the Grand Chapter of Arizona, of which she was made Worthy Grand Matron. The active, persistent, intelligent enthusiasm displayed in the work by Sister Tilton is highly commendable, and if credit is due this office for work done during the term, Sister Tilton is entitled to a generous share thereof.

Although mentioned last, I have no intention or disposition of overlooking or belittling the excellent work done by our worthy brother, Right Worthy Associate Grand Patron Williamson.

On the twenty-eighth of December, 1898, as my deputy, he organized the Grand Chapter of Maryland. To have brought harmony to the discordant elements there, was hardly to be expected, but he did it, and so enabled me to obey the instruction given at the last session of the General Grand Chapter concerning a grand chapter in Maryland.

Since the organization of the General Grand Chapter, there have been grand chapters of the Order existing which did not acknowledge allegiance to such General Grand Chapter. I think it true that there has not been a session since such organization that the situation has not been discussed and deplored. Officers charged with that duty have labored zealously

to have such so-called "Independent Grand Chapters" take such action that the Order might no longer appear a divided Order, but all to no avail, until during the present term. I claim no credit for what has been done, but because of the faithful endeavors of your present chief executive officer, Sister Ewing, and Right Worthy Grand Secretary Sister Pitkin, I have had the pleasure of issuing the following proclamations:

Duluth, Minn., December 18, 1900.

To all Members of the Order of the Eastern Star—Greeting :

At the General Grand Chapter session of 1892, the government and control of the three chapters then existing in the state of Nevada, was transferred to the Grand Chapter of California. Since such action, the Grand Chapter of California has, without any authority, assumed jurisdiction over the state of Nevada, and as appears by the Grand Chapter proceedings of 1900, has organized several chapters therein.

I called the attention of the Worthy Grand Patron of California to this matter, and it was practically agreed between us to leave it in status quo until this session of the General Grand Chapter. I cannot think it wise or proper to release jurisdiction over the state of Nevada, to California, but I do believe, and therefore recommend, that you take such action as will authorize and direct the incoming Most Worthy Grand Patron, in the name of the General Grand Chapter, to take charge and control of the existing subordinate chapters in the state of Nevada (now eight in number), and at the earliest practicable moment organize a grand chapter in that state.

In 1889 "a Grand Chapter was organized for the Indian Territory, which then embraced the geographical domain since set apart by the United States' government as the Territory of Oklahoma." The Indian Territory as it existed in 1889 was large, being fully six hundred miles from east to west, and more than three hundred miles from north to south.

In the division of the Indian Territory made by the government, the larger part thereof was designated as the Territory of Oklahoma.

At the Grand Chapter session held at Durant, August 15th-16th, 1901, jurisdiction of such Grand Chapter was released over the Territory of Oklahoma, as appears by a notice of which the following is a copy, served on me.

Judge N. A. Gearhart,
M. W. Grand Patron, O. E. S.
Duluth, Minn.

Dear Brother:—This is to certify that at the last session of the Grand Chapter, of Indian Territory, held in Durant, I. T.,

August 15th-16th, the constituent chapters located in Oklahoma Territory were released from the jurisdiction of the Grand Chapter of Indian Territory, they desiring to be organized into a separate jurisdiction.

(L. S.)

CLARA A. McBRIDE,
Grand Secretary.

I recommend that you accept such notice as a release to the G. G. C. of the O. T. by instructing your incoming Most Worthy Grand Patron to organize a Grand Chapter in Oklahoma at the earliest practicable moment.

In the jurisdiction of Idaho and New Mexico, after a great amount of urging, requests for the organization of Grand Chapters have been received, but were so long delayed that I did not consider it wise to undertake such organizations, but preferred to leave such work to my successor. Upon assuming office in 1898, almost my first effort was to induce the friends in Idaho to agree on a time and place for the organization of a Grand Chapter, and at one time we went so far as to call a convention, but all to no purpose. I am entirely willing to be held responsible for omitting to call a convention at a time when my report should have been completed and in the hands of the printer.

I have constituted and caused to be instituted chapters as follows, viz :

ALABAMA.

Thus it will be seen that we have organized sixty-four (64) chapters, with a chapter membership of two thousand one hundred and eighty-five (2,185) in sixteen (16) states and three territories, and in British Columbia, India and Scotland, and have organized Grand Chapters and so released jurisdiction over five

states and one territory, viz.: Alabama, Georgia, Louisiana, Maryland, Tennessee and Arizona.

The appointment as my deputy of Brother A. L. Burton of New York, and giving him the broad field of Scotland, was a fortunate circumstance. In reference to the importance of his work there, I venture the suggestion that if the organization in Scotland of Chapters of the Order of the Eastern Star indicates the breaking-down of the conservatism which characterizes all Masonic action in the countries under the jurisdiction of the Grand Lodge of England, we may well rejoice, for they view with alarm any attempt at an innovation, to such a degree that it must be gratifying to know that our Order has so commended itself to Scottish Masons that they are willing to adopt it in connection with their Masonic work. The wedge has been entered, and there is little doubt but that the Order will appeal to their good judgment, and I shall be mistaken if they do not fall heartily into the spirit of the institution.

"Masonry of Adoption," the general name in the old countries for that branch of masonry to which women were admitted, was a different institution, with different aims and objects from those of the Order of the Eastern Star, and from all accounts the privilege was at times abused, and the craft did not receive a great amount of credit by reason of its connection. But our Order is of a different character, and its object cannot but appeal to anyone imbued with the true principles of craft masonry. I will be surprised if the charitable and humane tendencies of English, Irish and Scotch Masonry does not naturally adapt itself to this new adjunct.

I am sure that you will pardon me if I say that your officers feel proud of their record. We are especially proud to be the first to report the extension

of our Order beyond the limits of the United States, and we hope that the good work may go on until our beloved Order has become truly universal.

During the term many acts have been performed officially not enumerated herein, a recital of which would extend this report to that extent that I have concluded to omit them and refer you to the report of the Right Worthy Grand Secretary for particulars thereof. Suffice it to say that I have endeavored to perform every requirement of my office promptly, and to the best of my ability.

As in the beginning, so in closing, I thank you sincerely for the honor you conferred on me three years ago. More efficient officers than our Most Worthy Grand Matron, Sister Ewing, and our Right Worthy Grand Secretary, Sister Pitkin, cannot well be found, and it is one of the joys of my life that I have been associated in the work with them.

I relinquish this office without one regret except my inability to serve you better, and wishing you all every happiness, and my successor abundant success, I am,

Sincerely and fraternally yours,

NATHANIEL A. GEARHART,

Most Worthy Grand Patron.

On motion, the Address of the Most Worthy Grand Patron was referred to the Committee on Distribution.

PAYMENT OF MILEAGE.

The General Grand Chapter at its last session ordered “That all officers and members of the General Grand Chapter in actual attendance at this session be allowed mileage at the rate of three cents one way, for all distances traveled in excess of five hundred miles,” and the R. W. Grand Secretary was instructed to pay the same, making up the amounts from the book used by the United States Army and Navy Paymasters. However, we found that this was not practicable, as the distances were given only to the various Forts, and after some delay and in the course of our inquiries as to the best method to pursue, Mr. George F. Lee, the Chicago Agent of the Rock Island Railroad, very kindly offered to have the expert of the company, who is detailed for this particular work, take my list of members of the General Grand Chapter, to which he affixed the number of miles each person traveled, and from that list the mileage was paid by check and warrant drawn to my order for the amount.

Mrs. Sarah B. Haggard, Grand Matron of Illinois, and Mrs. Mattie Barney, Grand Matron of Missouri, returned their checks, stating that their respective Grand Chapters had paid their expenses, and the amounts were returned to the R. W. Grand Treasurer.

GRAND CHAPTERS ORGANIZED.

Grand Chapter of Maryland, at Baltimore, December 23, 1898.
Grand Chapter of Louisiana, at Alexandria, October 4, 1900.
Grand Chapter of Tennessee, at Nashville, October 18, 1900.
Grand Chapter of Arizona, at Phoenix, November 15, 1900.
Grand Chapter of Georgia, at Brunswick, February 21, 1901.
Grand Chapter of Alabama, at Birmingham, March 6, 1901.

Official recognition notices were issued regarding the organizations of the above Grand Chapters, under authority of Mr. N. A. Gearhart, M. W. Grand Patron, and they will be reported by him.

The Grand Chapter of Wyoming was organized Sept. 14, 1898 and was reported by Mr. H. H. Hinds, the M. W. Grand Patron, at the last session of the General Grand Chapter in 1898 and officially recognized in executive session by the adoption of a resolution presented by the Jurisprudence Committee. At that time, however, the dues had not been received from the different Chapters, hence they appear in the list of dues received this term from the subordinate chapters.

CONNECTICUT AND VERMONT.

On November 30, 1900, official notice was received at this office from Mrs. A. E. L. Stebbins, Grand Secretary of Connecticut, under the seal of the Grand Chapter, stating that at its annual session held Oct. 10, 1900, at New Haven, the Grand Chapter of Connecticut had adopted a report of a Committee appointed at the previous session, thus declaring its desire to become a constituent part of the General Grand Chapter.

On June 10, 1901, Henry L. Stillson, Grand Secretary, notified this office that at the 29th Annual Convocation of Vermont, held at Newport, June 5, 1901, a proposed amendment to the Constitution was

adopted, Vermont thereby declaring itself in favor of becoming a part of the General Grand Chapter. This amendment was presented at the previous session, that the members might fully understand its import before taking action.

These communications were immediately forwarded to Mr. N. A. Gearhart, M. W. Grand Patron, who instructed me to formally issue the proper recognition notices, which declared the Grand Chapters of Connecticut and Vermont constituent members of the General Grand Chapter.

NEW TERRITORY.

As a matter of pride, I take pleasure in reporting that the Order has been introduced into India, British Columbia, Hawaiian Islands, and Scotland. The conditions in the last named jurisdiction are such that it will take a little time to unite the interests there. The Sisters and Brothers in that distant country have manifested in all their correspondence much enthusiasm and an earnest desire to unite under one authority and organize a Grand Chapter, and we have every reason to believe that this will be done during the coming year.

The thanks of the General Grand Chapter are due Mr. Alonzo J. Burton of New York who visited Scotland last spring and gave us material and valuable assistance looking purely to the interests of the General Grand Chapter.

TEST OATH.

A copy of the Test Oath has been sent to all Chapters under the jurisdiction of the General Grand Chapter, with the blank reports annually.

SECRET WORK.

Several of the Grand Chapters use the Secret Work in cipher, while others prefer it printed in full, and we have furnished it to Grand Chapters as they wish it.

PETITIONS FOR CHARTER.

There have been sixty-four petitions for charter received at this office since July 15, 1898, one of which was granted by Mr. H. H. Hinds, M. W. Grand Patron, and reported by him at the last session. Sixty-three charters have been issued under the authority of Mr. N. A. Gearhart, M. W. Grand Patron, and they will appear in full in his report.

After the Convention had been called to organize the Grand Chapter of Tennessee, a petition was received October 16, 1900, from Mr. W. J. Traverse, Worshipful Master of Tullahoma Lodge, A. F. & A. M., Tullahoma, Tenn., with charter fee of \$20, and the same was held until official notice was received from Mrs. Brechner, Deputy of the M. W. Grand Patron, that such organization had taken place. The petition for charter and fee was then sent to the Grand Patron, Mr. W. F. Foster, on October 22, 1900, to be turned over to the Grand Secretary.

TIME AND PLACE OF MEETING.

The Committee appointed at the last session of the General Grand Chapter to decide upon the time and place of meeting, reported through the office of the M. W. Grand Matron, May 28, 1900, that the place of meeting would be Detroit, Mich., and the time of meeting was decided upon later, due notice having been given to the Order at large.

Through the kindness of Mr. W. F. King, Chairman of the Triennial Committee appointed by the Grand Chapter of Michigan, this beautiful Hall was secured from the Masonic Temple Association of Detroit for our meeting.

Under instructions I wrote the several Grand Chapters calling attention to the necessity of each Grand Chapter taking action and providing for the expense of their representatives to the sessions of the General Grand Chapter.

A communication was received from Mrs. Elva Boardman, Grand Secretary of Montana, under date of October 12, 1899, with copy of resolutions adopted by the Grand Chapter of Montana, September 22, 1899, relative to the action of the General Grand Chapter at its last session wherein it ruled, "that all printed matter between the covers of the Ritual shall be considered as law and binding upon all Grand Chapters." This communication has been referred to the Committee on Jurisprudence, through the M. W. Grand Matron.

After the General Grand Chapter had purchased the Signets, I thought it might be best to make the price of same to Grand Chapters upon the same basis as the Rituals were sold them. This was at a time when we were trying to create a revenue from the sale of small supplies, and hoping that all Grand Secretaries would patronize this office for the benefit of the General Grand Chapter. This matter was referred to the Committee on Finance, and it made no report. At the close of the last session of the General Grand Chapter, we decided to put the Signets back to their former price, prepaying postage and express, and to require Grand Secretaries to pay the express on Rituals. In many instances I have been able to save something on express charges under the *special prepaid*

rate, and have done so, charging Grand Secretaries in their accounts the amount of the express, and thus appears under my Receipts, the item of *postage and express*.

REVENUE.

Six jurisdictions have been released during this term, which means that all charter fees and dues will in the future go into the treasury of the respective Grand Chapters organized. The Chapters in New Mexico desire a Convention called October 22, 1901, at Albuquerque, to organize a Grand Chapter, and the Chapters in Idaho were anxious to organize a Grand Chapter this month, but there was not sufficient time to do so before this session convened, and necessary action will be taken by the Chapters there to organize as soon as possible. I have called the attention of the Finance Committee to this particular interest, and trust that it will look into the needs of the General Grand Chapter, for its future good and prosperity.

I would recommend that the dues of the following named Chapters be remitted:

Seminole Chapter No. 6, Sanford, Florida, for 1899 and 1900.

Long Beach Chapter No. 2, Gulfport, Miss., for 1898 and 1899.

Mountain Chapter No. 2, Park City, Utah, for 1898.

The last named Chapter lost all its effects by fire, and we believe that this assistance to it and the others will give them new life and materially benefit them.

By reference to the last Proceedings you will find that when the General Grand Chapter closed its Session, only a few dollars remained in the treasury. We could not have printed the Proceedings but for the generous action of the Representatives from California,

who declined to accept mileage. I realized the Sisters and Brothers had lifted a burden from me, in assuming the Bank Loss for the General Grand Chapter.

This expression of their love and confidence sank deep into my heart which I appreciated, and desire to give public expression of my gratitude here. As your financial agent, I also realized that earnest, honest work must be done to save the General Grand Chapter from financial embarrassment. It takes courage and a genuine love for the Order to *feel* responsible for the financial success of the General Grand Chapter, and this I have felt especially during this term.

Over two years ago I asked the Most Worthy Grand Matron to give me help in the office. At that time she was not sure that the work and prosperity of the Order demanded it. I knew that there were not days enough in the week to meet the pressing demand. The correspondence grew burdensome and took the very life and vitality, leaving little courage to devote to Ways and Means necessary to develop the Order, and extend it into new territory. We provided ourselves with the necessary assistance, and with every encouragement from our superior officers, we found our usual courage, and began our work in earnest.

When I closed my books on July 15, 1901, I realized the full fruition of our fondest hopes, which was to be able to notify the Grand officers that I had over \$5000.00 in the Treasury, not a bill to pay, and some bills receivable. I had determined to reach that limit,—it meant work—work night and day. The Most Worthy Grand Matron was satisfied that the Order had reaped the benefit of the expense above referred to, and ordered the amount paid.

The financial success of this term could not have reached its present condition but for the perfect harmony of action of our official heads, Mrs. Hattie E.

Ewing, Most Worthy Grand Matron, and N. A. Gearhart, Most Worthy Grand Patron. Their unselfish loyalty to the best interests of the Order; the encouragement and confidence they have given me in conducting the financial affairs of the General Grand Chapter, has carried forward this successful issue.

The members of the Order may point with pride to the fact that it is the only fraternal organization of which the Supreme Body is self supporting, and it depends upon your judgment and discretion to secure for us future prosperity and perpetuity.

The very life of the Chapters under the immediate jurisdiction of the General Grand Chapter depend upon our getting near them. I keep in touch with the Secretaries in furnishing them Rituals, and giving such information as they may seek, but that is the practical side of the matter and lacks interest. There is nothing so inspiring to Chapters as to be expecting a visit from a Grand Officer. This I am sure of from personal experience, and my correspondence with the Secretaries during the past two winters, when our present Most Worthy Grand Matron visited through the South, was very much in evidence.

The Chapters visited the last two terms seem more alive to the work, it is much easier to collect their dues, and they seem to have caught new life and inspiration.

At every Session of the General Grand Chapter but one, since 1878, you have elected me to some position of trust. Twelve years ago, when you elected me for the second time, after an interval of six years I found—

696 Chapters in 16 Grand Chapters owing allegiance to the General Grand Chapter with a membership of..	33,567
39 Chapters under the General Grand Chapter, Membership.....	2,013
90 Chapters in Conn., Vt., N. J., and New York	5,300
Total Membership.....	40,880

I bring to you in this report the glad tidings, that we have a total Membership of Two Hundred Eighteen Thousand, Three Hundred Twenty-Two, in Three Thousand Three Hundred Ninety-Two Chapters, including New York and New Jersey. This will be augmented somewhat, as the reports given by some of the Grand Secretaries will show an increase when the year is up and the reports are received from the Subordinate Chapters.

Thankful indeed to my superior officers for the true courtesy they have ever tendered to me; to the members of the Order at large, who have for many years given me so generously of their confidence and love, I can only assure them of my heart's gratitude by continued fidelity to the Order that has been a part of my life for nearly Thirty-Five years.

Respectfully submitted,

Lorraine J. Pitkin,

R. W. Grand Secretary.

H. H. Williams of Leahi Chapter No. 2, Honolulu, was escorted to the East by the Worthy Grand Marshal.

GREETING.

The Right Worthy Grand Secretary read the following from the Grand Secretary of the Grand Chapter of Louisiana, and upon motion of Mrs. Nettie Ransford, it was ordered to be printed in full in the Proceedings:

NEW ORLEANS, LA., Sept. 22, 1901.

MRS. LORRAINE J. PITKIN,
R. W. Grand Secretary,
Detroit, Mich.

R. W. Sister:—

I am now about to attempt the performance of the most difficult task that has ever fallen to my lot. Involuntarily I find myself repeating the old couplet:

“Of all the sad words of tongue or of pen,
The saddest are these: ‘It might have been’.”

After nearly a year of most pleasant anticipation; of effort to foresee the future sufficiently to in part realize the pleasures that come from scenes where reason triumphs and soul meets kindred soul; of denial of other pleasures not deemed so real, I find that all my castles were but of the morning mist. Conditions, unforeseen and beyond my control, have arisen that absolutely prohibit my attendance at the session of the General Grand Chapter. You can possibly imagine, from my correspondence, how regretfully I write these words. Truly does the proverb speak of finite man:

“El hombre dice; pero Dios hace.”

There were many reasons which urged me to attend the session. First, an earnest desire to meet those who had contributed so much to the success of the Order, whose years of patient labor had surmounted all obstacles and demonstrated

woman's power and influence. Second, that in my humble way I might, perhaps, add some small tribute of appreciation and learn some lesson that properly applied would brighten my own life and gladden other hearts. I was especially desirous to meet those who had encouraged and cheered us until the "Star of Louisiana" had been added to the galaxy of the General Grand Chapter. Within the last few days another reason has been added. Presuming that the General Grand Chapter would take cognizance of the calamity which has befallen our Union, I desired, if permitted, to express the grief which we of the South feel for the loss of one whose name may fitly be placed side by side with that of immortal Washington, for like him he was: "First in war, first in peace and first in the hearts of a united people."

I do not know that the Grand Chapter of Louisiana will be represented at the session of the General Grand Chapter. I have not been advised of any intention on the part of any of our representatives to be present.

Will you please convey my fraternal regards to the members of the General Grand Chapter and the hope that the session will be, to each, one to which memory can revert without a single regret. May the labors be abundantly blessed and the results such as will enhance the prestige and advance the best interests of the Order.

Have written Sister Ewing, Most Worthy Grand Matron, advising her of my inability to be present.

Be pleased to accept my personal regards and the hope that I shall have the pleasure of meeting you three years hence, if not sooner.

Sincerely and fraternally yours,

JNO. S. ALFRED,
Grand Secretary.

RESOLUTION.

The Right Worthy Grand Secretary read the following, which, upon motion of Willis D. Engle, was referred to the Committee on Jurisprudence:

Resolved, That it is contrary to Eastern Star law and usage for any Grand Chapter holding allegiance to the General Grand Chapter, to have any other title for their officers than that laid down by the Ritual.

MRS. M. ANNETTE WEATHERFORD,
Past Grand Matron of Oregon.

CHARTERS.

Mrs. Jennie E. Mathews, from the Committee on Charters, submitted the following, and upon motion of Mrs. Adency Irons, the report was concurred in:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

Your Committee on Charters has carefully examined all the matters referred to it in regard to Charters granted to the several Subordinate Chapters under the jurisdiction of the General Grand Chapter during the past three years, and respectfully present the following report:

We find that the charters granted by the M. W. Grand Patron were in accordance with the laws and customs of the General Grand Chapter, and we therefore recommend that the action of the M. W. Grand Patron in granting said charters be approved by this Grand Body.

Respectfully submitted,

MRS. JENNIE E. MATHEWS,
MRS. LOUISE MATHEWS,
MRS. NELLIE E. SCOTT.

UNFINISHED BUSINESS.

Mrs. M. Alice Miller, from the Committee on Unfinished Business, submitted the following report, which upon motion of Mrs. Eudora Z. Pettigrew was made a special order of business for 10.30 A. M.

*To the Most Worthy Grand Matron, Officers and Members of
the General Grand Chapter, O. E. S.:*

Your committee on Unfinished Business would respectfully report that a careful examination of the Proceedings of 1898 has been made; that we congratulate the General Grand Chapter upon the thoroughness with which the business of the last Session was transacted, and beg leave to call attention to the following:

On page No. 156, a report of the Committee on Jurisprudence, containing the recommendation from the R. W. Grand Secretary's report was reported as Sec. 4 of Article XV, and laid over to be considered as an amendment to the Constitution at this session.

On pages 158, 159 and 162 are recorded three constitutional amendments to be considered at this Convocation.

We, as a Committee, understand that all undetermined matters of Ritual have been referred to the Special Committee on Ritual; therefore, we omit action thereon.

Your Committee would recommend that the amendments to the Constitution above enumerated be made a special order for 10.30 o'clock Wednesday morning.

Fraternally submitted,
HENRY L. STILLSON,
MRS. M. ALICE MILLER,
MRS. HARRIET I. BURWELL

JURISPRUDENCE.

Charles A. Eckert, from the Committee on Jurisprudence, submitted the following, and upon motion of Henry L. Stillson, consideration of the same was postponed until after the constitutional amendments referred to by the Committee on Unfinished Business were taken up and disposed of:

To the Officers and Members of the General Grand Chapter:

Your Committee on Jurisprudence, to which was referred the questions presented by Brother Vert of Oregon, would report as follows:

Question 1.—Mr. and Mrs.....legally adopt a daughter. Mr.....is not a Mason. Mr. and Mrs.....have a son who is a Mason. Is this adopted daughter eligible to the degrees of the Eastern Star?

Answer: Yes.

Question 2.—Mr. and Mrs.....have a daughter, and they legally adopt a son. Mr.....is not a Mason. The son becomes a Mason. Is the daughter eligible to the degrees of the Eastern Star?

Answer: Yes.

Is Mrs.....eligible to the degrees of the Eastern Star after the son becomes a Mason?

Answer: Yes.

Your Committee while unanimously opposed to the sentiment as contained in these questions is impelled to render the above decision in view of the legislation upon this subject enacted at the last session of the General Grand Chapter.

Respectfully submitted,

CHARLES A. ECKERT,
MRS. MAMIE CONRAD,
MRS. ELLA JEAN FLANDERS.

As per special order, the report of the Committee on Unfinished Business was considered seriatim. The first part of the report was considered as follows:

The Right Worthy Grand Secretary read from pages 112 and 156 of the Proceedings of 1898, her recommendation being—"that all Chapters shall work under dispensation of the Most Worthy Grand Patron until fully organized, when the Deputy shall make a report of those who were present at the organization,

whose names only shall appear upon the charter when inscribed by the Right Worthy Grand Secretary," which shall be known as Section 4, Article XV of the Constitution.

W. F. Kuhn moved that the amendment, as reported by the Committee and read by the Right Worthy Grand Secretary be adopted and made a part of the Constitution, which was carried.

Pending the further consideration of the other sections of the report, they were, upon motion, referred to the Committee on Jurisprudence.

The report of the Committee on Jurisprudence, which was postponed, was then taken up and declared carried by the Most Worthy Grand Matron, by a two-thirds vote.

William F. King moved that when the General Grand Chapter call off, it resume labor at 4.30 this afternoon, which was carried.

PRESENTATION.

The Most Worthy Grand Matron at this time presented the Most Worthy Grand Patron with a cane from his Associate Grand Officers, saying in part:

"And it has chanced to come to us at this time, that on this day, the 25th of September, you have reached the fifty-eighth mile-stone; and believing that, perhaps, in your declining years, looking into the future something of this kind might be of use to you, and hoping that as you look at it you will always have the happiest recollections of those who have served with you so faithfully and pleasantly, your Associate Officers of this General Grand Chapter request your acceptance of this slight token of their love and respect."

Mr. Gearhart responded:

"In thanking my Associate Officers, I have to say that I think you will agree with me that the time has come when this is a very appropriate present. I appreciate it, and I heartily thank my Associate Officers for their kindness and remembrance. You will understand my feelings are such that I can not appropriately reply. Again, I thank you."

Upon motion the General Grand Chapter was called from labor to refreshment, to convene at 4.30 P. M.

In Triennial Session.

JURISPRUDENCE.

Charles A. Eckert, from the Committee on Jurisprudence, made the following report, and moved its adoption, which was seconded by W. E. Brown:

To the Officers and Members of the General Grand Chapter:

Your Committee on Jurisprudence, to which was referred the Memorial from the Grand Chapter of Montana, would report as follows:

In view of the fact that certain matters affecting Grand Chapters are subjects upon which they alone have the right to legislate, and the further fact that action was taken by the

General Grand Chapter infringing said rights,—your Committee would recommend that the action taken declaring all matter contained in the Ritual as binding upon Grand Chapters be rescinded, and that only such portions as refer to landmarks and ritualistic work be made binding upon Grand Chapters. Further, that all other matter contained in the Ritual is for the government of and binding upon such subordinate Chapters as are under the jurisdiction of this General Grand Chapter.

Fraternally submitted,

CHARLES A. ECKERT,
MRS. MAMIE CONRAD,
MRS. ELLA JEAN FLANDERS.

Henry L. Stillson moved the previous question, and the report was adopted.

INVITATION.

Miss Laura J. Breckenridge, Grand Matron of Indiana, extended an invitation to the General Grand Chapter to meet in Indianapolis in 1904, as follows:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter, O. E. S.

In behalf of the state of Indiana and her representatives here assembled, I desire to extend to this General Grand Body an invitation to hold its next Triennial Session in 1904 at Indianapolis, Ind.

We, perhaps, cannot boast of a Mayor whose special forte it may be to so charmingly address an assembly of ladies, neither can we boast of three kinds of time, yet we can furnish two,—standard time and an unlimited amount of “good time.”

Indianapolis is the birth-place of this General Grand Chapter, and I am sure we all find it pleasant, after a number of years have passed, to return to our birth-place and renew associations there formed. Our capital city is amply able to care for her guests in a pleasing and satisfactory manner; has a nice Masonic

Temple in which to hold the meetings, and is easily accessible from all points.

Should the Committee in charge deem it wise to consider favorably our invitation, we shall feel highly honored, and I can assure you each and all a most cordial welcome.

This invitation was referred by the Most Worthy Grand Matron to the Committee provided for by the Constitution.

The General Grand Chapter was then, upon motion, called off to convene to-morrow morning at nine o'clock.

In Triennial Session.

THIRD DAY—MORNING.

THURSDAY, Sept. 26, 1901.

The General Grand Chapter was called to labor at nine o'clock by the Most Worthy Grand Matron, and after prayer, the Worthy Grand Marshal proclaimed the morning session open for business.

The minutes of the preceding day's sessions were read by the Right Worthy Grand Secretary, and upon motion, approved as read.

RESOLUTION.

W. F. Kuhn presented the following resolution, which was referred to the Committee on Finance:

Resolved, That a Committee of three be appointed by the Most Worthy Grand Matron to codify and revise the Constitution of the General Grand Chapter, and the Rules and Regulations for the government of the Subordinate Chapters under its jurisdiction. That the Committee shall send through the office of the Right Worthy Grand Secretary, to the representative Grand Officers and permanent members of the General Grand Chapter, a copy of such revised Constitution and Rules and Regulations, one year before the next Triennial Session of this General Grand Chapter.

W. F. KUHN.

PRESENTATION.

Henry B. Worth, Associate Grand Patron of Massachusetts, presented the Most Worthy Grand Matron with a handsome Silver Loving Cup, saying in part:

"One single item may indicate her popularity and influence,—wherever there is a dispute, and a controversy is submitted to her for decision or opinion, when her opinion is given, by universal consent, without objection or criticism, the matter is set at rest. I refer to the grand jurisdiction of the Commonwealth of Massachusetts. It has always been willing, ready and eager to recognize the ability and power of that Grand Matron, and I am commissioned this morning to present to her a testimonial from the grand old Commonwealth, testifying to its loyalty, and ask you, Most Worthy Grand Matron, to accept from your own Grand Chapter a testimonial of its good will and esteem."

The Most Worthy Grand Matron, on receiving this token, assured Brother Worth, her Grand Patron, that she appreciated this beautiful tribute of love from her own Grand Chapter, that she had ever remembered the noble teachings of her home state, and that in all her three years' work, she had endeavored to leave the name of Massachusetts, as regards the Order of the Eastern Star, as unsullied and untarnished as it has been in all things since the landing of the Pilgrim Fathers. Her remarks closed with the thought that everywhere she had endeavored to have due regard for the personal rights of others, and to meet them, in the words of Robert Morris, "upon the level and part upon the square."

ELECTION.

William F. King moved that the special order of election take place at eleven o'clock, which upon motion of Henry L. Stillson, was amended by substituting 2:30 P. M.

Engle moved that the report of the Committee on Ritual, as far as approved by this General Grand Chapter be adopted as a whole, and that part referring to division of Ritual be laid upon the table, which was declared carried by a two-thirds vote.

RESOLUTION.

Mrs. Mary E. Partridge submitted the following, which upon her own motion, was referred to the Committee on Jurisprudence:

Whereas: This General Grand Chapter did on the 16th day of September 1892, by resolution, waive jurisdiction of the three Eastern Star Chapters then existing in the State of Nevada, in favor of the Grand Chapter of California, and

Whereas: The Grand Chapter of California understanding said waiver included the right to institute Chapters and have jurisdiction over the entire State of Nevada, and

Whereas: Several Chapters have been instituted by the Grand Chapter of California, and by reason of such assumed jurisdiction, encouragement and support the Order has flourished and prospered in Nevada, and

Whereas: The Chapters in Nevada have each requested and expressed a desire to remain under the jurisdiction of the Grand Chapter of California;

Therefore, be it Resolved: That the General Grand Chapter, Order of the Eastern Star, waive jurisdiction of our Order over the entire State of Nevada, and transfer the same to the Grand Chapter of California.

MRS. MARY E. PARTRIDGE.

and the organization and admission of the Grand Chapters of Alabama, Arizona, Georgia, Louisiana, Maryland and Tennessee, would report and do recommend that said subject matter be referred to a Special Committee, to the end that such Grand Chapters may be received by and welcomed to this General Grand Body in a manner commensurate with the joy which the members experience in having them with us and of us.

CHARLES A. ECKERT.

MRS. MAMIE CONRAD.

MRS. ELLA JEAN FLANDERS.

STERLING M. PRICE.

JOSEPH W. HILL.

MRS. LORRAINE J. PITKIN.

On motion of W. C. Hurd, the General Grand Chapter was called from labor to refreshment to reconvene at 2:30 P. M.

In Triennial Session.

THIRD DAY—AFTERNOON.

THURSDAY, Sept. 26, 1901.

The General Grand Chapter was called to labor at 2:30 o'clock by the Most Worthy Grand Matron. The Worthy Grand Marshal proclaimed the afternoon session open for business.

Upon motion of Wilford C. Wilson, the special order for the election of officers was postponed until after the report of the various Committees which were ready.

Upon motion of John Vert, paragraph No. 12 of the Secret Work was amended.

FINANCE.

Wilford C. Wilson, from the Committee on Finance, submitted the following, which upon motion of Harrison D. Rowe, was adopted:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter, O. E. S.:

Your Committee on Finance, Ways and Means beg leave to submit the following report:

A three days' session of the Committee at the office of the R. W. Grand Secretary, enabled us not only to verify

every item of the reports of the R. W. Grand Secretary and the R. W. Grand Treasurer, and to establish their correctness, but to carefully examine the books and vouchers, bills and warrants of the R. W. Grand Secretary, and also observe the customs and methods of conducting that responsible office.

We found little to criticise and much to commend, and are please to report the books excellently kept, the warrants and bills correct, all money accounted for, and the general management of the office most satisfactory.

The account of the R. W. Grand Treasurer shows the following :

On hands at last report.....	\$ 4,209.62
Received from R. W. Grand Secretary.....	14,102.86
Total receipts.....	18,312.48
Expenditures	13,251.60
On hand.....	5,060.88

To our M. W. Grand Matron, Mrs. Hattie E. Ewing, we recommend an appropriation of eight hundred dollars, in recognition of the strenuous and effective labor which has characterized the able administration of her office.

As a partial recompense, and in appreciation of his devoted and efficient services, also to cover postage and certain other expenses during his term, to our M. W. Grand Patron, Nathaniel A. Gearhart, we recommend an appropriation of three hundred dollars.

Inasmuch as the R. W. Grand Treasurer, Mrs. Harriett A. Ercanbrack, has never received any allowance, either for expenses or services, during her twelve years in office, we recommend an appropriation for her of one hundred dollars.

In compliance with the suggestion of the R. W. Grand Secretary, we recommend that the dues of Seminole Chapter No. 6, Sanford, Florida, for 1899 and 1900, the dues of Long Beach Chapter No. 2, Gulfport, Miss., for 1898 and 1899, and the dues of Mountain Chapter No. 2, Park City, Utah, for 1898, be remitted. Aggregate dues of above about \$37.25.

We recommend that 2,500 copies of the proceedings of the session be printed for immediate and future distribution.

The approval of the action of the R. W. Grand Secretary, in advancing the price of signets is recommended; also her action in charging express on Rituals to Grand Secretaries.

Your Committee has carefully considered that portion of the report of the M. W. Grand Patron referred to it, and relating to the appointment and employment of deputies for the purpose of organizing chapters in new territory, to assist weak and dormant chapters and perform other duties incidental to this character of work, as mentioned.

We recommend the adoption of this portion of the report, and further recommend that the M. W. Grand Patron, at his discretion, be authorized to appoint such deputy or deputies, and he be empowered to expend a sum for this purpose, not exceeding \$200 per year.

We recommend an appropriation of two hundred dollars in payment for rent of hall, also fifteen dollars for services of stenographer.

Respectfully submitted,

WILFORD C. WILSON.

MRS. LENA W. LAMB.

MRS. MAY CHAPMAN.

Charles A. Eckert, from the Committee on Jurisprudence, presented the following report, which was considered seriatim, and upon his motion, was adopted as a whole:

To the Officers and Members of the General Grand Chapter:

Your Committee on Jurisprudence, to which was referred the resolution presented by Sister Annette Weatherford, relative to the use of titles other than those prescribed in the Ritual for officers of the General Grand Chapter, Grand Chapters

and Subordinate Chapters of the Order, would report as follows :

By the action of this General Grand Chapter at this present session, the use of titles of officers as prescribed in the Ritual is made obligatory upon all members of the Order using said Ritual.

Your Committee on Jurisprudence, to which was referred the amendments to the Constitution offered at the session of this General Grand Body in 1898 and found on pages 158, 159 and 162 of the printed Proceedings of said session, would report as follows :

We recommend that the amendment offered by Bro. Pinkham (appearing on page 158 of said printed Proceedings) be *not* adopted.

We recommend that the amendment offered by Bro. Williamson (appearing on page 153 of said printed Proceedings) be *not* adopted.

We recommend that the amendment offered by Sister Magie (appearing on page 162 of said printed Proceedings) be adopted.

CHARLES A. ECKERT.

MRS. MAMIE CONRAD.

MRS. ELLA JEAN FLANDERS.

Mrs. Elizabeth Magie, from the Committee on Credentials, submitted a final report, which upon motion of Mrs. Jessie S. Vert, was adopted.

The special order of election was taken up, and the following tellers were appointed and ordered to retire to count the ballots:

HARRISON D. ROWE.

MRS. MATTIE L. PARTRIDGE.

JOHN BLYTHE.

MRS. M. ANNETTE WEATHERFORD.

MRS. MATE L. CHESTER.

W. F. Kuhn moved that the Committee on Finance be instructed to bring in a moderate mileage report for the Grand officers and Chairman of the various Committes, including the Committees in the discretion of the Finance Committee, which was adopted.

RITUAL.

Willis D. Engle, from the Committee on Ritual, presented the following report, which upon his own motion was adopted:

To the Officers and Members of the General Grand Chapter:

The Committee on Ritual, to which was referred the question concerning the proper position of the five-pointed star, respectfully reports that it finds that according to the oldest authentic Ritual of the Order extant, the Tessera, which was an emblem to be used by members, was made with one point down, and that in every subsequent Ritual in which reference is made to badges or jewels containing a star, it was to be thus worn. It finds that in the various Signets used in the different periods of the Order's history, from the Morris Signet of about 1860 down, the star has been represented with the white point down. It also finds that, without exception so far as it has knowledge, wherever the star of our Order has been represented in print (except in a few cases where the printers have used the cut upside down) it has been with the white point down. Such being the case, there can be but one opinion as to what is the proper position of the star, so far as established both by the Ritual and practice of the Order.

The Committee is aware that in Masonry the five pointed star is represented with two points down, and that in the teachings of ancient mythology the five pointed star with one point down was an emblem used to represent the goat of Mendes—a God of Lust—but it does not consider that this Order is compelled to conform to the Masonic custom in the

use of this emblem, much less to the heathen practice, feeling, as it does, that, even if its mythological significance was one of evil, it has been redeemed from the domain of Satan and converted into an emblem of good by its half century of use by this Order, so beneficial to humanity.

MRS. MARY E. PARTRIDGE.

WILLIS D. ENGLE.

MRS. MARY C. SNEDDEN.

MRS. LAURA B. HART.

Further report was made by Willis D. Engle embodying an amendment to the Ritual, which was adopted. (Page 16).

Mrs. Nettie Ransford moved that another set of tellers be appointed to expedite the matter of election, which was carried, and the following tellers were appointed:

L. CABELL WILLIAMSON.

WILLIAM E. BROWN.

MRS. LEE CHRISTIE.

MRS. MARGARET MEGENHARDT.

MRS. MARIA JACKSON.

JURISPRUDENCE.

Charles A. Eckert, from the Committee on Jurisprudence, made the following report, which on motion of Willis D. Engle, was considered seriatim and adopted by section, and on motion of Charles A. Eckert, adopted as a whole:

To the Officers and Members of the General Grand Chapter:

Your Committee on Jurisprudence, to which was referred portions of the addresses of the M. W. Grand Matron and the M. W. Grand Patron, submit the following as their report:

They would recommend the adoption of those portions of the M.W. Grand Matron's Address which appear under the subjects,

— Approval of Bonds, Special Deputies, Approval of By-laws of Chapters, Amendments to By-laws, Approval of Constitution and By-laws of Grand Chapters, Special Dispensations, Legalizing Former Acts, Proceedings and Calls and Recognition of new Grand Chapters.

Your Committee concur in the decisions rendered by the M. W. Grand Matron. While they are at variance with the laws prevailing in some Grand Jurisdictions, they are in strict conformity with the laws promulgated by the General Grand Chapter for the government of subordinate Chapters under its jurisdiction.

Under the subject of "Recommendations," your Committee recommends that that portion relating to amendment of Article III of the Constitution be concurred in.

The questions propounded by the Grand Patron of Massachusetts are answered by the legislation thereon enacted by this General Grand Chapter at its present session.

Your Committee is in hearty accord with the action of the M. W. Grand Patron in the appointment of a Sister as Deputy of the M. W. Grand Patron for the purpose of establishing Chapters of the Order. The great good accomplished by that course certainly justifies the departure from our customs.

This General Grand Chapter and the Order in general is under lasting obligations to the Grand Chapter of California for the very unselfish manner in which they have nurtured and verily kept alive the weak Chapters in the State of Nevada. Their love for the Order has impelled them—at a financial loss and great inconvenience—to do this and to them are our hearty thanks tendered. However, in the opinion of your Committee, the time has arrived when a Grand Chapter should be organized in Nevada. We, therefore, concur in the recommendation of the M. W. Grand Patron, and recommend that the incoming M. W. Grand Patron take such steps as will result in the formation of such Grand Chapter as soon as practicable.

CHARLES A. ECKERT.

MRS. MAMIE CONRAD.

MRS. ELLA JEAN FLANDERS.

GREETING.

Mrs. Nettie Ransford, from the Committee on Greeting to new Grand Chapters, presented the following report, which was adopted, and the representatives present at that time from Arizona, Connecticut, Georgia and Maryland were introduced by the Grand Conductress:

To the Officers and Members of the General Grand Chapter:

It is a pleasure to your Committee to report that to the chain of Grand Chapters has been added since last we met,

We gladly list them among those already enrolled as constituent members of this General Grand Chapter, and recommend that the representatives in attendance be introduced and received with grand honors,—Alabama, Arizona, Georgia, Louisiana, Tennessee, Maryland, Connecticut and Vermont.

The word *welcome* but feebly expresses the greeting we would give. We are sure that these added stars to our galaxy will brighten the constellation, and that we shall be mutually strengthened for the good work we have to do.

MRS. NETTIE RANSFORD.

MRS. JENNIE E. MATHEWS.

NECROLOGY.

Mrs. Nettie Ransford from the Committee on Necrology reported as follows, which upon motion of Robert T. King, was adopted by a rising vote:

To the Officers and Members of the General Grand Chapter:

Since last we met we have thrice counted the seasons as they passed, and our hearts have been gladdened or saddened as sunshine or shadow has crossed our pathway.

From the east and the west, the north and the south there has been bourne to us the wail of sorrow and our hearts beat responsive to the sad refrain.

We call the roll of members, but from some there come no response. They have slipped from our presence and have journeyed into that better country where they rest from their labor.

For the last time we list their names on our record, but with each Triennial Session shall we not feel that, like ministering angels, they guard and guide us?

Each year brings us nearer to shadow-land, and one by one we shall pass through the valley of the shadow of death, but for those who have seen His Star in the East, the way will be lighted by His presence.

Twenty-nine of our loved ones have slipped from life's busy march and have entered into rest. We record their names with loving remembrance.

In His own good time our own will be restored to us.

We recommend that Memorial pages be placed in our Proceedings for those who rest in Paradise.

Lovingly submitted,

MRS. NETTIE RANSFORD,
MRS. LEE CHRISTIE,
MRS. ANNA D. STOFFEL.

Upon motion of Henry L. Stillson, the reading of the minutes of the previous day's sessions was postponed until the close of this session.

Mrs. Belle De Retta Moon

Past Grand Matron

She lived as the flowers shed fragrance and beauty
And died as the hero, a martyr of duty.

So did the love of the Lord her heart's lightness.

A sister in truth, may all honor render.
Fairest among thousands, purest and best,
Altogether lovely. Sister now rest,

And to live in God's glory for ever more.

The Right Worthy Grand Secretary reported that credentials had been filed by a majority of the Grand Chapters.

Mrs. Hattie May Delkin, Grand Matron of Georgia, was appointed to fill the vacancy of Mrs. Lee Christie as Worthy Grand Adah.

Mrs. Clara A. McBride, from the Committee on Credentials, made a partial report, and asked for further time, which was granted.

Mrs. Laura B. Hart, Most Worthy Grand Matron, proceeded to open the General Grand Chapter in ample form, and by her instruction proclamation was made by the Worthy Grand Marshal that the General Grand Chapter, Order of the Eastern Star, was duly open for the transaction of business.

The privileges of the gallery were extended to all who were properly vouched for.

Mrs. Amelia Huvelle, Associate Grand Matron of Texas, addressed the Most Worthy Grand Matron, in part, as follows:

"On account of unforeseen circumstances, our Grand Matron, Sister Alma M. Walker, has not been able to attend this meeting, and has, therefore, delegated to me the honor and pleasure of representing the Grand Chapter of Texas, and of presenting to you, Most Worthy Grand Matron, these flowers as an expression of the high regard and esteem in which you are held by the Grand Chapter and members throughout the State of Texas.

"When the General Grand Chapter met at Detroit three years ago and selected you to occupy the highest position within its gift, as Texans our hearts bounded with pride, for we knew that the honor had been conferred upon one of Texas' brightest women, whom we all loved as Matron,

Grand Matron and Grand Secretary, and felt that she fully deserved the high position she had attained.

"Most Worthy Grand Matron, in presenting these flowers, the desire of our Grand Matron was to represent the five colors of our noble Order,—the blue flowers, an emblem of your heroic fidelity and the constancy you always displayed to our Order; the yellow, whose sign-language is grace and elegance, so portrayed by your elegant manners abroad and at home; white, an emblem of your purity of heart; green, a type of our sincerity, and red, whose sign-language is love, exemplifies the sentiment of the Lone Star State.

"Most Worthy Grand Matron, I offer for your acceptance this bouquet, not of flowers, but of loving thoughts and sweet memories."

The flag of the Lone Star State was presented with the flowers, and upon motion of Mrs. Helen E. C. Balmer, the flag was placed by the side of the Stars and Stripes.

GRAND MATRON'S WELCOME.

The following address of welcome was delivered by Miss Mary Jean White, Grand Matron of Missouri:

It is my pleasant privilege to bid you a cordial welcome on behalf of the Order of the Eastern Star of Missouri.

WELCOME! How inadequate are mere words to express the great emotions of life! Even this beautiful word but says, "You are come, and it is well," when so much more than this is meant. Great joy can no more be imprisoned within the narrow confines of speech, than can a mighty flood within the banks of one small stream.

I am tempted to wish that it were in our power to adequately express to you our pride and happiness in your

coming; for did we possess this magic of eloquent pathos, our lips would indeed drop honeyed words of welcome; but that is a selfish desire for a power so great that an all-wise Creator has not entrusted it to mankind. In His infinite wisdom our great emotions are to be felt and understood in a manner more in harmony with their nature. You will find our joy in every glance of the eye, every clasp of the hand, and every cadence of the voice. Coming, as you do, in the true spirit of fraternity, your hearts will truly interpret these wordless expressions of our great happiness in your presence. I encourage you to believe all that your hearts tell you. It is all true, for whatever may be our faults, Missourians love their fellowmen, and have developed to a high state that divine gift,—the faculty of enjoying sweet communion with one's own kind.

It has been cultivated faithfully since those early days when our grandfathers battled the wilderness for their homes. The first fruits of victory in each case were a log house near a spring of water on a bit of "cleared" land in the midst of a virgin forest. It was miles distant from the nearest human habitation, but very close to nature's heart and the lessons learned in these homes, if few, were well learned. The lord and the lady of this manse were not attired in courtly costume, their manners were not such as to please a Chesterfield, and their language may have taken liberties with the King's English; but no wayfarer ever failed to understand the welcome that he received. From the first "Come in stranger" of welcome, to the last "God be with you" of departure, the visitor felt, as in fact he was, as if in his own home. His necessities were relieved as his due, and such comforts as the home contained were as his, of course. Pay for entertainment of man or beast in such

homes was never heard of, and to offer it the gravest offense.

In such a school have Missourians been reared, and while we believe we have improved somewhat in exteriors, it has not been at the expense of the ability to enjoy the visits of our fellows. Rather has the enlargement of our dwellings and the increase of their numbers but added to our facilities to entertain. It is still true that such comforts as we have are yours of course.

We are happy on this occasion as Missourians to welcome all who come from other States. As one sister in the family, we delight in having the other members of the family meet in our home for a family reunion.

"By the exercise of brotherly love we are taught to regard the whole human species as one family," and as such we welcome you all. We hope you will regard your presence here as a visit among those who love you and are happy to have you here.

If you shall return to your homes with kindly thoughts and fragrant memories of this occasion, and in the years to come shall give to Missouri an abiding place in your happy reminiscences, then shall our bright anticipations and rich realizations of this event have budded and blossomed and borne fruit of a great blessing to all. How like an angel of charity memory comes, spreading her mantel of kindly light over all the past, brightening brightness and hiding all darkness away underneath her luminous veil.

Memory has erected memorials of bronze and stone, built halls of learning and established such institutions as our Masonic Homes for drying the orphans' tears and for vouchsafing help to lift them out of poverty and distress. It reveals the true character of the world. It melts the icy bars of the heart until the fountains of sympathy gush forth

into the sunshine; that is brotherhood. It sounds the voice of honor; that is justice. It keeps faith with the departed; that is fidelity. Brotherhood, justice, fidelity,—these it keeps living, breathing, fruitful.

A strange, mysterious, wonderful light is the light of memory. It shines not on sea or land, but into the hearts and lives of men. As hopes paint the future to youth, so memory gilds the past to those of riper years. Your memory is a paradise in which we would ever abide.

In asking to be remembered, we will hope as well as pray that it may often be our privilege to greet you, and our welcome is not limited to today. You are welcome this time, every time and all the time.

Come in the evening or come in the morning,
Come when expected or come without warning.
Gladness and welcome will be here to greet you,
And the oftener you come, the better we'll treat you.

GRAND MASTER'S WELCOME.

William F. Kuhn, Grand Master, A. F. & A. M. of Missouri, spoke as follows:

M. W. Grand Matron and Members of the General Grand Chapter:

I thank you for the opportunity to welcome you to St. Louis and within the Grand Jurisdiction of Missouri.

It is a pleasure, not only to express my appreciation of the Order of the Eastern Star as an individual, but to emphasize, by my official position, the close relation existing between this Order and Masonry.

Ill founded prejudice and misrepresentation of the Order have not all passed away. Hence, if I can do no more, I wish to stand here before this magnificent representation of the

Masonic family circle, to express to you my absolute faith in the high purposes, in the lofty aims, and in the great and good work of the Order.

As the Grand Master of the Grand Lodge of Missouri, I bring to you the greetings of forty thousand Masons who believe in the Eastern Star, who love the Order and rejoice in its prosperity, who are glad that you are with us. We felt that you desired to come; we therefore arranged to have the World's Fair here for your special benefit and enjoyment. When weary of legislative duties, our Grand Patron will conduct you through the Igorrote village and show you some people who are naturally opposed to the Eastern Star and have a deep prejudice against it. In the evening the Grand Matron will take you a "hike" down the Pike. In the Palace of Fine Arts and in the Educational Building, where by taste and inclination you will find the Missourian, you can read a welcome on their faces. It will be an easy matter to recognize a Missourian. This reminds me of a little incident that occurred in a family in Texas. You have just heard of the greatness of the Lone Star State from which our M.W. Grand Matron hails. In this Texas family a little six-year-old asked her mama this question:—"Mama, how will I recognize papa in Heaven?" Now this may seem a strange question, with its implied doubt, that should arise in Texas. It would not have risen in Missouri or Massachusetts, for Heavenly recognition is an assured fact to all of these inhabitants. There may be some doubt among the Hoosiers and the Wolverines; and dark despair may sit on the mind of the Hawkeyes and the Jayhawkers, while in the Indian Territory and Oklahoma, they still hope to establish recognition by means of blanket and feathers; but the Texas mother calmly answered the puzzling question by saying:—"My dear, when you see an angel, with a red nose, that is papa."

I do not mean that you will recognize Missourians by this insignia, but wherever you find or see a smile, it is a smile of

welcome and it is the seductive smile, the pleasing, welcoming smile of the Missourian.

In this, your Eleventh Triennial Assembly, it is a source of satisfaction, that the Order of the Eastern Star is recognized, endorsed and permitted to meet in Masonic Halls in every State in our country, save one. Even in that State, the Order has been well planted and is doing its work. May we hope that before another Triennial Assembly shall be held, Pennsylvania will have opened her eyes and recognized the fact that her wives, mothers, widows, sisters and daughters can engage in the dissemination of the principles of Brotherly Love, Relief and Truth in an organization of their own.

We all believe in the doctrine, that we are descendants of the same Almighty Parent, partaking of the same nature and sharing the same hope. As Masons we are being taught more earnestly and learning more zealously the great lesson of the Brotherhood of Man. May we hope that woman is learning the same lesson. May I change one word, and thus make the application plainer, and bring the truth closer to us? Have the women of the Order recognized the force of the Sisterhood of Woman? Are we learning the beautiful lessons of the Ritual? Are we practising in our daily life, or do we forget the Sisterhood of Woman?

That Mason who sang so sweetly in bonnie Scotland knew human nature, human inclinations, the show, the sham and the tinsel; but out of it he sang of a greater, better, broader love and life. Listen to his charity:—

“Then gently scan your brother man,
Still gentler sister woman:
Though they may gang a kennin’ wrang
To step aside is human.”

He tried to teach by song in the 18th Century, that which we must learn in the broad light of the 20th Century, the following Masonic and Eastern Star doctrine:—

“What though on homely fare we dine,
Wear hoddin gray, and a’ that,
The honest man, though e’er so poor,
Is King of men for a’ that.
Then let us pray that come it may
As come it will for a’ that,
That sense and worth, o’er a’ the earth
May hear the gree and a’ that.
For a’ that, and a’ that.
That man to man, the world o’er
Shall brothers be for a’ that.”

May the Eleventh Triennial be an inspiration to us for a better and a clearer conception of this truth, that there be more of cheer in some one's life, more of sunshine in some one's dark days, more of silver lining to some one's storm clouds, more of hope to some one's despair.

I welcome you, the handmaid, the sister to your elder Brother :—Freemasonry.

RESPONSE.

The response to the welcomes was made by Mrs. Madeleine B. Conkling, Right Worthy Associate Grand Matron, as follows:

Sister White, Worthy Grand Matron, O. E. S. of Missouri, and Brother Kuhn, Worshipful Grand Master, A. F. & A. M. of Missouri, it may be true that “Words are silver, and silence is golden,” but I am quite certain, that after listening to your cordial welcome, each and all of us would contradict this assertion.

We are glad to be thus welcomed by you, on behalf of the Radiant Stars of Missouri, yes, we are more than glad, we are grateful to you, and on behalf of the Most Worthy Grand Matron, her associated officers and the members of this General Grand Chapter, I graciously accept this royal welcome, and assure you that before we bid you farewell,

we shall have proven to you our sincere appreciation of all courtesies and kindnesses extended.

It is most opportune that this session of the General Grand Chapter should convene in St. Louis, the metropolis of that vast and splendid Empire, west of the Mississippi, known as the Louisiana Purchase. We are all glad to meet and celebrate with you at this time and place, but more especially do we Stars, whose horizon begins with the delta of the Great Father of Waters, and sets in the Great North-west, "Where rolls the Mighty Oregon," value the privilege of meeting and uniting with you in this *our* glorious celebration, commemorating, as it does, the one hundredth anniversary of the Purchase of Louisiana; one of the most distinguishing events in the glorious career of our country; an event, whose imperishable luster is dimmed only by our *triumphs* for *liberty* and for *union*.

We are glad to mingle our voices with yours in words of praise and adoration for that glorious statesman, who, by his brilliant diplomacy, in the face of the most bitter opposition, prejudice and doubt, made it possible for us to gain this grand expanse of valuable territory; with you to bow in reverence to the memory of that illustrious warrior, who by indomitable will and courage made it possible for us to keep it, and when the impartial Historian shall record the names of great men and great events, the names of Thomas Jefferson and Andrew Jackson, which are inseparably linked with the Purchase of Louisiana and the Battle of New Orleans will be found at the head of the list. They may have a grave, but like the Father of his country, they need no monument save posterity.

Most Worthy Grand Matron, with your permission, I will refer to Oregon, my own Jurisdiction, as being particularly glad to meet in Missouri. Oregon Masonry is a

daughter of Missouri, hence it must follow that the Oriental Twinklers of Oregon belong to the Constellation of Missouri.

The first Masonic Charter for Oregon was granted by the Grand Lodge, A. F. & A. M. of Missouri in 1846. It was carried across the plains by Joseph Kellogg, and in 1848, Multnomah Lodge No. 1, A. F. & A. M. was organized at Oregon City, Oregon, and is today the oldest Masonic Lodge west of the Missouri River.

We are all glad to meet in St. Louis, that we may visit the Temple of Fraternity, in which the members of the Eastern Star have taken such pardonable pride.

Worthy Grand Matron of Missouri, like you, I too am almost tempted to wish that the Creator had singled me out from among his wonderful and curious creations, and endowed me with the skill to adequately express in words, at this time, our happiness in being with you, and our appreciation for your gracious welcome. If as you say, you Missourians have been reared in a school of "From the first 'Come in stranger' of welcome, to the last 'God be with you' of departure," then you must have learned the lesson of remembrance, and can better understand how we, your guests, once having broken bread with you, can never forget your hospitality, therefore accept our "memory" as your "Paradise," and come all Missouri Stars and abide therein, for we will never forget you. We thank you, and will, ere we say good-bye, "Show you Missourians" that we know a good thing when we see it.

The Most Worthy Grand Matron invited to the East the Past Most Worthy Grand Matrons present, who were:

Mrs. Elmira Foley,	Mrs. Nettie Ransford,
Mrs. Lorraine J. Pitkin,	Mrs. Mary C. Snedden,
Mrs. Jennie E. Mathews,	Mrs. Hattie E. Ewing.

ADDRESS OF MOST WORTHY GRAND MATRON,
MRS. LAURA B. HART.

*Most Worthy Grand Patron, Officers and Members, Brothers
and Sisters of the General Grand Chapter,
Order Eastern Star.*

Herewith I present you an account of my efforts to further the interests of this Great Order; to augment its growth, to harmonize its differences and disseminate its pure and lofty principles; that I have failed to accomplish much that I intended when you, by your kindness and consideration, placed me in this exalted position, is not at all strange. As the years go by and the stream of life rolls on I find that we rarely accomplish the full volume or expectation of our work, however earnest may be our efforts; hence I am inclined to rest easily upon the trite, yet true saying,

"She does well who does her best;
An angel could do no more."

This report must, of necessity, be very deliberate and brief, for reasons which will hereinafter appear. We have been so heartily welcomed to this great city, this metropolis of the west, that I deem it unnecessary to expand upon this subject; I can only say to you that my heart swells with gladness at sight of this great meeting, and I extend you a most earnest and sincere welcome to this, our Eleventh Triennial; where the young and ardent members of the Order may meet, clasp the hand and learn from the pioneers, whose eyes have grown dim in the service, and whose shoulders bend from the burdens they have borne in our cause; but these same eyes may well brighten and sparkle at the spectacle before them. Behold a goodly sight! From the pine clad hills of Maine to the shores of the Golden Gate, from the Red River of the North to the Rio

Grande on the South; from the orange groves of Florida to that far off land over "where rolls the Oregon" and e'en from the islands of the sunset sea, they have come, the representative woman, the man of ability and leadership, the brightest and best from all communities; surely, surely, this will be a glorious meeting, for never before has the representation been so great and each bids the other welcome.

But hush, hark! A still small voice whispers, "are we all here?" Nay, some have passed:

"One road, and to one bourne
We all are goaded. Late
Or soon will issue from the urn
Of unrelenting Fate
The lot, that in yon bark exiles us all
To undiscovered shores, from which is no recall.
Death comes alike to all—to monarch's lordly hall
Or hovel of the beggar, and his summons none shall stay.
Nor song of birds, nor music of the lyre
Shall their lost sleep restore."

Let us not mourn them as lost but gone before; let us feel that somewhere, from some secure haven in the "Isles of the Blest" they watch and wait for us, and let our actions and deliberations be so pure, so unselfish, so free from all that is sordid and vain, they may look upon us and realize that in their work here, "they builded better than they knew." On April 30, 1902, approved the appointment of Sister Harriette A. Ercanbrack as Treasurer of the Eastern Star finances in the same Association. How well these three estimable sisters have performed their various duties, I leave you who are in St. Louis today, to judge for yourselves.

COURTESIES RECEIVED.

The Grand Chapter of Louisiana has made me an Honorary Member of that body, presenting me with a handsome scroll indicating same. I have received invitations to visit all the Grand Chapters which have met during my term of office. I have been able to accept but few for reasons hereinafter stated; usually I have replied to these cordial invitations by letters of greeting, though some have been overlooked during prolonged absence from home. I desire to thank all these Grand Chapters for their kindly courtesies. While organizing the Grand Chapter of New Mexico, I was invited to attend an open meeting of the G. A. R. the territorial encampment being then in session, and its commander a member of our order;

I was escorted to the platform, introduced, saluted with military honors and given a rousing cheer. By request I addressed this meeting and responses by several representative members followed. I certainly appreciated this honor from the veterans of our great struggle, the bitterness of which has been greatly softened by the Eastern Star and kindred Orders.

November 10, 1901, I attended the International Convention of the Women's Christian Temperance Union, held at Fort Worth, Texas, convenient to my own home. I was introduced as a distinguished guest and received quite an ovation. In return I promised my official and personal support to the great cause of temperance.

December 14, 1901, I was advised of my appointment as Chairman of Finance for the Eastern Star in the proposed erection of the Temple of Fraternity; this appointment being inexpedient for obvious reasons, I declined in favor of Sister Sallie E. Dillon, Grand Secretary of the Grand Chapter of Missouri.

I have issued 2,240 circular letters of fraternal greeting and trust they have borne fruit, or at least that the benefits may be reaped in the future.

My correspondence has been voluminous, especially in the latter half of my term.

Mizpah Chapter of Galveston and Alvin Chapter of Alvin, Texas, have presented me with beautiful memorials, tokens of their appreciation of the assistance I was happy to render in the name of the Order, in the event of the great storm which occurred on the Gulf Coast. These memorials are most valuable, not only as records but for the sentiment that came to me with their presentation.

On July 2, 1904, a most delightful reception was tendered me in the Temple of Fraternity by the Grand Officers of Missouri, and I hereby extend my thanks.

MASONIC AND EASTERN STAR PAPERS.

It is my pleasure to commend our two leading papers, "The Eastern Star" published at Indianapolis, and "Mizpah" published at Marlboro, Mass. I suggest that each Chapter subscribe for one or both of these excellent journals. The good they will do can only be learned by a trial.

Various Masonic papers have also found their way to my desk during the three years about to close. I am grateful for these remembrances as they nearly all devote a page or a column to the Eastern Star, a proof that the purpose of the Order is being recognized.

MASONIC HOMES.

I am very much interested in Masonic Homes and it has been my pleasure and profit to visit and inspect the following: Masonic Home of Texas, Fort Worth; Masonic Home of Kentucky at Louisville; Masonic Home of Tennessee at Nashville; Masonic Home of Virginia at Richmond and Masonic Home of Missouri at St. Louis. I have found these institutions ex-

cellent, and discharging as nearly as possible the purposes for which they were inaugurated. In most cases they are ably assisted by the Eastern Star.

DECISIONS.

Many queries have been made concerning the proper application of the laws of the Order, which I have not deemed expedient to include in this report, as a more careful study of the ritual and constitution by our officers and members at large would obviate the necessity of asking questions; the few decisions I have thought correct to make are here appended.

Question. Is the Queen of the South or the Amaranth degree a part of the Eastern Star.

Answer. No.

Question. Is the White Shrine of Jerusalem a higher degree of the Eastern Star?

Answer. No.

Question. Are there any higher degrees of the Eastern Star?

Answer. No.

Question. Are Chapters under the jurisdiction of the General Grand Chapter allowed to use the McCoy ritual?

Answer. No.

Question. A Mason comes to our town, affiliates with the Blue Lodge and establishes a business and a home; then sends for his wife from another state. Is she eligible to join our Chapter at once?

Answer. She is eligible to apply for membership at once, the husband having established her residence.

Question. Is a negro eligible to membership in our Order?

Answer. No.

Question. May a Mexican woman, the wife, widow, or daughter of a Mason, be admitted to the Order?

Answer. Yes; if elected by a Chapter.

Question. May the daughter or a sister of a Mason who has married a Mexican be admitted to the Order?

Answer. Yes; if elected by a Chapter.

Question. May a Catholic woman who is the wife, widow, daughter or sister of a Mason be admitted?

Answer. Yes.

Question. "The Worthy Matron elect of our Chapter went to

visit in another state before her installation could take place, and has not returned, though six months have elapsed." What shall we do?

Answer. Elect and install another W. M. at a meeting where the members have been summoned for that purpose, acting under a special dispensation from the Most Worthy Grand Matron.

Question. How can a sister who has been made a member of the Investigating Committee ascertain the Masonic standing or relationship of an applicant?

Answer. She cannot. This is made the special duty of the brother on the Committee.

Question. May not the wife of a Mason who is under 18 years of age be admitted in states where all married women are considered of age by law, at 18?

Answer. No. Our law is very plain on this point.

Question. A member dimits from our Chapter and afterward applies for re-instatement; she is rejected as an actual member, but is retained as a "contributory member" and has paid her dues promptly; how shall I report her to the R. W. Grand Secretary?

Answer. Do not report her as any sort of a member; we have no members but those who have been elected in the regular way.

Question. May the wife of a non-affiliated Mason be admitted to the Order?

Answer. No. (See ritual and constitution).

Question. May the grand-daughter of a Mason be admitted?

Answer. Yes; if she has been legally adopted.

Question. Should the wife of a Knight Templar be allowed special privileges or promotion on that account?

Answer. No.

Question. A lady, whose husband has dimitted that he may aid in organizing another Lodge, applies to our Chapter; can we receive her petition?

Answer. Better wait until the husband has joined the new Lodge.

Question. A lady, partially blind, applies to us; she is able to discern the signs and emblems, but not the colors; may we admit her?

Answer. Yes.

Question. Is any sister in good standing eligible to the office of Matron?

Answer. Yes.

Question. Can a Chapter claim a member dimitted when there is no record of a dimit issued, and the Secretary has failed to issue same?

Answer. No.

Question. Does the presence of a dimitted member at a Chapter meeting render the work illegal?

Answer. No.

Question. How often should a dimitted member be allowed to visit any one Chapter, without applying for affiliation?

Answer. In justice to the Chapter, not more than three times.

Question. Our Chapter has three honorary members; must we pay a per capita tax for these members to the R. W. Grand Secretary?

Answer. No. Their dues are no doubt paid by the Chapter to which they regularly belong.

Question. Should a member, hailing from a New York or New Jersey Grand Chapter, be admitted to our Chapter?

(This question has been asked thirteen times).

Answer. Yes, but will refer again to this subject under the head of recommendations.

Question. Has the daughter of a Mason, married to a mulatto, the right to join our Chapter?

Answer. Do not confound "right" with eligibility. This daughter of a Mason may be eligible, but let your Chapter judge of the "right."

Question. May a Chapter appoint an Associate Patron?

Answer. Though our ritual does not provide for such an appointment, it does not forbid it; hence, I would answer, Yes, if conditions in the Chapter seemed to require it, *i. e.*, the Patron being often absent, it would be well for some brother to feel responsible for his work, and this would be the better accomplished by his appointment.

GRAND CHAPTERS VISITED.

I have visited but fourteen Grand Chapters, believing that my efforts would be the better employed by visiting, inspecting and instructing our own subordinate chapters, most of our Grand Chapters having happily passed the mark wherein they need outside advice or assistance.

I have visited many chapters under the Sovereign Grand

Chapters, but as these visits were not official, it is not my province to report them here. In all cases I have met with kindness, courtesy and the honors due your Most Worthy Grand Matron.

RECOMMENDATIONS.

First. I recommend that Section 1, "Rules and Regulations for Subordinate Chapters" be amended so far as it conflicts with accepted decisions 22 and 23 of my esteemed predecessor, Sister Hattie E. Ewing, and accepted decision No. 43 of Past Most Worthy Grand Matron, Sister Mary E. Partridge; these premises have embarrassed me somewhat, as the same question has been asked me a number of times; as I consider it the duty of the Most Worthy Grand Matron to render decisions in accordance with the established laws of the Order. I felt that I could not do so in this point without reversing the decisions of the above named sisters which I was loth to do.

Second. I recommend that the work of establishing chapters and building up the Order in the states of North and South Carolina and Mississippi be delegated by the Most Worthy Grand Patron to members of the Masonic Fraternity, who, by their standing or prestige in Masonry, are enabled to give the Order sufficient impetus. I have devoted considerable attention to the matter and believe that the existing social conditions in these three states must be met in a way which only the Most Worthy Grand Patron has the power to do.

Third. I recommend that Section 2, Art. III, of the constitution be so amended, i. e. insert "Most Worthy Grand Matron" after "Most Worthy Grand Patron" and before the word "or" in the last line, this to concur with Art. VIII, Section 5.

Fourth. I recommend that Section 4 of Art. VIII be amended thus: insert the words "in conjunction with Most

Worthy Grand Matron" between the words "power" and "to" in second line.

Fifth. I recommend that Section 2 of Art. VII be eliminated from our constitution.

Sixth. I recommend that the Most Worthy Grand Matron be empowered with authority to arrest the charter of any chapter which persists in adding to or taking from the matter contained in our ritual.

Seventh. I have been approached by prominent officers of the National Council of Women, touching upon the subject of our affiliation with that worthy and honorable body; in this day and age of broad thought and liberal speech, I can see no good reason why we should not accept this invitation. I therefore recommend that the Most Worthy Grand Matron be empowered to take the necessary steps for this affiliation; many societies composed of both men and women, are a part of this organization, hence this objection is without weight, as we could always be represented by a sister.

Along this line I desire to call your attention to the beautiful "Temple of Fraternity" which is the result, not of the efforts of one organization, but of the combined efforts of all, thus showing that in "Union there is strength."

Eighth. I recommend that the dues of the following chapters be remitted, all having agreed to resume work if this special leniency be allowed them.

Long Beach Chapter, No. 2, Mississippi, 1901-1902.

Queen Esther Chapter, No. 4, Mississippi, 1900-1901.

Rebecca Chapter, No. 7, Mississippi, 1902-1903.

Esther Chapter, No. 7, South Carolina, 1900-1-2-3.

Ninth. I earnestly recommend that the resolutions adopted by the Convention called to organize the Grand Chapter of Scotland, be approved by this General Grand Chapter,

these resolutions to be presented by the Most Worthy Grand Patron.

CONDITION OF THE ORDER.

I congratulate the General Grand Chapter on its excellent financial condition as will be seen by the reports of our bonded officers.

THE SCOTLAND MATTER.

This subject will be treated in full by the Most Worthy Grand Patron; hence I will but touch upon a few points which came into my personal experience.

When, after several conferences between my worthy colleagues and myself, it appeared to be necessary that I should go to Scotland, I will confess to a faint sinking of the heart at the thought of the long journey, taken alone to a foreign land, where I would meet only strangers—but adhering to the old motto “nothing risked, nothing gained,” I sailed from New York on Saturday, July 30, arriving at Glasgow the evening of the following Saturday.

August 6. After a rest over Sunday, I immediately began operations to bring together and amalgamate two factions or branches of the Order, between which there had hitherto existed the most bitter antagonism. Conferences were held with leaders of both sides, the result being that on Saturday, August 20, I was called to preside over a convention in Glasgow, which resulted in a union of forces and the organization of the “Grand Chapter of Scotland,” the same to use the ritual of the General Grand Chapter; the convention was unique and remarkable; ten chapters were represented, five from each faction. Perfect harmony prevailed, and it was a delight to see old friends, who had *thought* they were

enemies, shaking hands and agreeing to disagree no more. Some details will still have to be adjusted in the spirit of the Order, but I shall feel safe in predicting a wonderful growth and great success in this, our young sister across the Atlantic. In the happy results which attended my stay in the land of heather, I owe a special debt of gratitude to that venerable and venerated Mason, Brother R. S. Brown of Edinburgh. He is foremost among Scottish Masons, is well known in the masonic world, and has learned the lesson taught by Horace, to

"O'erlook the failings of your friends, and grow
Gentler and better as your sand runs low."

I desire to commend this gentle, tender and aged brother to all members of our Order.

My thanks are due Sister Maggie Foulds and Brother Alfred Murray, both of the late Supreme Grand Chapter of Scotland, for the courtesy and kindness in which they met my propositions for union, also to Brother James Douglas and others of our chapters for their combined efforts to bring about a joyful and peaceful termination of the "War in Scotland."

If I felt that I would meet only strangers, I was speedily disillusioned; friends flocked to me on every hand, and every courtesy possible was extended me from chapters and members alike. My conduct of the convention seemed to be appreciated, and it is an almost unheard of thing for a woman to preside in that country. At the close of this memorable meeting (at which several brothers appeared in full and picturesque Highland costume) all joined in singing "Better lo'ed ye canna be," "Will ye no' come back again." I was greatly touched and felt that I was amply paid for my long and wearisome journey of nearly 7,000 miles.

After the convention I was called on by Sister Maggie

Foulds, Grand Matron, and Brother James Douglas, who in the name of their Grand Chapter, presented me with a handsome gold cross, with star set in diamonds in center, engraved on the front the English Rose, the Irish Shamrock and the Scotch Thistle. On the back is found my monogram and Old Glory and Union Jack with crossed stems. Underneath, the motto from the old Scotch song, "Better lo'ed ye canna be."

Till I travel "the last sad road" alone will my pulses thrill and my heart grow light with my memories of dear old Scotia's land.

PLACE OF MEETING.

The General Grand Chapter received three warm invitations to hold this Triennial, i. e. San Francisco, Indianapolis and St. Louis. Regarding the first, I have to say, that, *personally*, I wished very much to accept. It would have been very delightful to return to my native state after an absence of 25 years, and preside over so honorable a Body as this; as it is, I feel this to be a memorable occasion, and it would have been more so had it occurred by the shore of the Golden Gate. But many, many protests as to the great distance from all central points showed me that my feelings must give way to the good of all.

It would also have been delightful to meet at the birth place of the General Grand Chapter, Indianapolis, but the constant cry, never-ending cry, was for St. Louis, St. Louis. Therefore the committee, feeling it a duty to serve and please a great majority, chose St. Louis as the meeting place.

I extend to the members of California and Indiana my warmest thanks for their hearty and hospitable invitations, and I most earnestly hope, that no officer or member of this General Grand Chapter will permit the attractions of the

sublimest Exhibitions the world has ever seen, to interfere with their constant attendance upon this Triennial Convocation. We are here for business—let us attend to it first and take our pleasure afterward.

CONCLUSION AND APPRECIATION.

I am sure this General Grand Chapter realizes how fully I appreciate the honor which it conferred on me three years since. I have met with the utmost kindness and consideration from all members, and to all I return thanks. To the courteous and refined gentleman who sits at my left, I owe a debt of gratitude which can never be repaid. "God and nature hath made him what he is"—the true American gentleman. May his type never grow less. Brother W. F. Kuhn, R. W. Associate Grand Patron, has also been of much assistance to me, and I shall always remember him as the practical, sensible, yet kindly man of business, who, on several occasions, made the "crooked places straight" for me. I have no words in which to express my gratitude and appreciation of Lorraine J. Pitkin: "to know her is to love her," and to appreciate her at par value, one must be intimately associated with her for three years. Regarding these officers I have felt,

"Till time has made us wise, 'tis sweet to wait
Upon the words and teachings of the great."

On account of the congested condition of westward travel I was detained in Great Britain two weeks longer than I expected, and fearing to leave the arranging of my papers to that very uncertain period passed on the ocean, this report was prepared in odd snatches of time in the cold city of Glasgow, at one of its colder hotels, and I am sure, in the coldest room of the hotel, hence if it lack warmth and enthusiasm, you will understand why. It is certainly not the well rounded, complete paper I expected to present.

It seemed difficult to get return passage to "my ain countrie," and now that I stand today under the folds of Old Glory, I feel this truth:

"Breathes there a man with soul so dead
That never to himself hath said,
This is my *own*, my native land"

and I thank God that I am an American.

Let us meet here today as *friends* in the true sense of that word—let us make friends and *keep them*. A free translation from one of the old Greeks, though homely in rhyme, tells us how:

"For we are bound to treat a friend's defect,
With touch most tender, and a fond respect;
With softening phrases will the flaw disguise.
So, if one friend too close a fist betrays,
Let us ascribe it to his frugal ways;
Or is another—such we often find—
To flippant jest and braggart talk inclined?
'Tis only from a kindly wish to try
To make the time 'mongst friends go lightly by;
Another's tongue is brusque and over-free,
Let's call it bluntless and sincerity;
Another's choleric; him we must screen,
As cursed with feelings for his peace too keen.
This is the course, methinks, that makes a friend,
And, having made, secures him to the end."

I thank you once more for your consideration, and sign myself,

Humbly yours,

LAURA B. HART,

Most Worthy Grand Matron.

FIRST DAY—AFTERNOON.

MONDAY, Sept. 19, 1904.

The General Grand Chapter was called to labor at 2:30 o'clock by the Most Worthy Grand Matron presiding.

ADDRESS OF MOST WORTHY GRAND PATRON,
L. CABELL WILLIAMSON.

*To the Most Worthy Grand Matron and Members of the
General Grand Chapter; Sisters and Brothers:*

We are meeting in the Eleventh Triennial Session to consider questions of most vital importance to this General Grand Chapter and to the Order of the Eastern Star. The time, place and large attendance are all favorable to a wise solution of every question presented for our consideration.

By the action of this General Grand Chapter the Most Worthy Grand Patron was directed to take charge and control of the existing subordinate chapters of the State of Nevada, then eight in number, and at the earliest possible time organize a grand chapter in that State. In pursuance of this direction, I assumed charge and control of said Chapters and have since organized two other chapters

in said State, but have found it impracticable to organize a grand chapter because of local conditions. The conditions which forbid the organization of a grand chapter in Nevada are these:—the long distances separating the several Chapters and the difficulty and expense incident to travel. While I regret exceedingly the conditions that prevented me from organizing a grand chapter in Nevada, yet, I feel confident, with the two new Chapters, that my successor will be able to organize a Grand Chapter in this State in the near future.

I was also instructed to organize a grand chapter in Oklahoma at the earliest possible practicable moment, which instruction, I am glad to say, I have been able to fully carry out.

I have constituted and caused to be instituted chapters and organized grand chapters as follows:—

FLORIDA.

Ruth Chapter No. 12, at Fort Pierce; dispensation issued April 10, 1902, chapter organized July 18, 1902, by Frederick A. Morgan, Deputy, with 21 charter members. Charter granted July 23, 1902. Mrs. Frances S. Cross, W. M. Henry I. Klopp, W. P. Mrs. Emeline R. Tyler, A. M.

Washington, D. C., Sept. 1, 1904.

To all Members of the Order of the Eastern Star—Greeting:

Mayon Chapter No. 1, at Manila; dispensation issued Aug. 29, 1904, 32 petitioners, Louis T. Grant, Deputy. Mrs. Emily Elizabeth Grant, W. M. Newton C. Comfort, W. P. Mrs. Annie Logie Squier, A. M.

Thus it will be seen that there has been added during the present administration 56 chapters, having a charter membership of 1,573, and eight Grand Chapters, namely: Oklahoma Territory, New Mexico, Idaho, Kentucky, Florida, Virginia, West Virginia and Scotland.

In organizing the Grand Chapter of Oklahoma Territory there were a number of questions to be dealt with, an unwise decision of which would have led to unpleasant and embarrassing results. It gives me pleasure to publicly express my appreciation of the unselfish, intelligent and valuable services rendered in this behalf by our Worthy Grand Marshal, Sister M. Alice Miller; declining all personal hon-

ors, she devoted herself to maintaining the honor and dignity of the General Grand Chapter, thus setting an example of loyalty worthy of emulation. This Grand Chapter was peculiarly honored at its birth, there being present so many Stars of the first magnitude—the Most Worthy Grand Matron, the Right Worthy Associate Grand Matron, the Right Worthy Associate Grand Patron and the Worthy Grand Marshal. All these distinguished officers of this body delighted and instructed the membership of the new Grand Chapter by appropriate and eloquent addresses.

There is not anything so conducive to the success of a Grand Chapter as to have present at its organization distinguished and experienced members of the General Grand Chapter, who by their counsel, advice and encouragement can inspire the members of the new body to greater devotion and to higher ideals.

In the organization of the Grand Chapter of Virginia I take great personal pride and feel that we may expect great things of this new Grand Chapter. It, too, was especially honored by having present the Most Worthy Grand Matron, the Most Worthy Grand Patron and the Right Worthy Grand Secretary at its organization, and was favored with addresses which were instructive, inspiring and helpful in the work it had undertaken. I refer particularly to the addresses made by the Most Worthy Grand Matron and the Right Worthy Grand Secretary. We were pleased to have present on this occasion Sister Nellie M. Lander-gren, Worthy Grand Matron of the District of Columbia, Sisters Alcena Lamond and Almeria S. Williamson, Past Grand Matrons of the District of Columbia, who, at the request of the Grand Chapter of Virginia, gave appropriate and useful addresses.

Just after my installation as Most Worthy Grand

Patron, I was brought face to face with conditions that seemed to me were difficult of solution. There appeared to be considerable friction among the Chapters in Scotland. I had several persons who offered to act as my deputy in Scotland who thought they could bring about peace and harmony in the Order. I was anxious to have Brother James B. Merritt, Past Grand Patron of California, to act as my deputy in Scotland. This distinguished Brother has traveled much and was contemplating a trip through England, Ireland, Scotland and Germany, and it seemed to me he could be of real service while in Scotland in advancing the interests of the Order. While I failed to have him act as my deputy in Scotland, I commissioned him as my deputy in Germany. I appointed Brother Matthew Richmond as my deputy in Scotland and Sister Sarah Healy Fash as his assistant. This Sister and Brother organized the Chapters hereinbefore stated and proved themselves zealous and devoted workers in the interest of the General Grand Chapter. There were other chapters working under the Macoy ritual and three of them organized a Grand Chapter styling it the Supreme "Grand Chapter of Scotland."

Although that body was not recognized by the officers of the General Grand Chapter a number of the Grand Chapters acting by their Grand Matrons recognized it by appointing Grand Representatives near the same; and the Grand Chapter of California, by resolution, recognized the Grand Chapter of Scotland. Some of the Grand Chapters withdrew their recognition when advised of the facts in the case. The officers of the General Grand Chapter believed that all the Grand Chapters in affiliation with the General Grand Chapter would withhold any recognition until the usual notice of recognition was sent out by the General Grand Chapter as in the case of Grand Chapters organized

in the United States. These recognitions by the several Grand Chapters tended to embarrass the Most Worthy Grand Matron, and the Most Worthy Grand Patron in dealing with the question. There was considerable correspondence, which, added to those conditions, brought the matter to an acute state. The Most Worthy Grand Matron and the Right Worthy Grand Secretary were of opinion that the good of the Order required that the Most Worthy Grand Patron should go to Scotland and take such steps as might be necessary to harmonize and organize the forces in the interest of the Order. Circumstances prevented my going. A conference was held between the Most Worthy Grand Matron, the Most Worthy Grand Patron and the Right Worthy Grand Secretary, resulting in the decision that the Most Worthy Grand Matron should go to Scotland with plenary authority from the Most Worthy Grand Patron to deal with the conditions there existing. In this way the Most Worthy Grand Matron would be able to act as the exigency of the case might require, exercising all the authority vested in her by the Constitution of the General Grand Chapter, and as the deputy of the Most Worthy Grand Patron clothed with his authority also. She went to Scotland, and a convention was called in which both sides were equally represented, the Most Worthy Grand Matron presiding; and the following concordat, in the form of resolution was passed:

A. That all the Chapters of the Order of the Eastern Star in Scotland here represented, or declaring their adherence hereto, shall be and are hereby united under one jurisdiction; and the representatives of such Chapters now present or adhering, not only bind themselves to sign this resolution in token of their acceptance thereof but also bind and oblige

themselves and the Chapters which they represent to ratify and confirm the same and to support and further said procedure as may be requisite to carry this resolution into effect.

B. That the Body formed by this resolution shall be known at present as the Grand Chapter of Scotland, but shall have supreme and exclusive jurisdiction over Great Britain, Ireland and the whole British dominions (excepting only, those upon the Continent of America) and that a Supreme or General Grand Chapter of the British Empire shall be formed as soon as Chapters are instituted therein and it seems expedient to do so.

C. That the Constitution and the laws of the late existing Supreme Grand Chapter of the Order of the Eastern Star in Scotland shall, with some slight alteration, be, and is hereby adopted as the Constitution and Laws of the Grand Chapter now formed.

D. That the Ritual to be used by all the Chapters under this Constitution shall be that now issued by the General Grand Chapter of America.

E. That this Grand Chapter as now constituted shall take over all Assets and Liabilities of the preceding Supreme Grand Chapter of the Order in Scotland.

F. That all Grand Office bearers and Past Grand Office bearers of the preceding Supreme Grand Chapter of the Order in Scotland shall be and are hereby accorded Past Grand Rank and shall

be entitled to all privileges and precedence appertaining thereto.

G. That the Office bearers of the Grand Chapter as now constituted be here and now nominated, elected and installed to hold office till January, 1906.

ALFRED A. MURRAY.

LAURA B. HART. _

ADDENDUM.

H. That the General Grand Chapter of America whose ritual we have adopted will exchange with the late Supreme Grand Chapter of Scotland an official number (three) of said ritual, in lieu of those the said Body have been using, the same to be furnished free of charge.

LAURA B. HART.

ALFRED A. MURRAY.

The foregoing resolutions and addendum are certified by us to be the Resolutions and agreement adopted by a Convention of all the Chapters of the Order in Scotland held in Glasgow on August 20th, 1904.

You will note that by these resolutions the Grand Chapter of Scotland is given supreme and exclusive jurisdiction over Great Britain and Ireland and the whole British Dominions, excepting those upon the Continent of America, looking to the organization of a Sister General Grand Chapter of the British Empire. It will also be noted that the Convention improperly used the word "America" after the name of the "General Grand Chapter O. E. S." The Most Worthy Grand Matron and the Most Worthy Grand Patron, after careful study and consideration of all the con-

ditions surrounding the question involved, were of the opinion that this was the only possible solution of the question presented to them and believe that it will be to the best interests of the Order to have established a Sister General Grand Chapter with jurisdiction over the British Empire. So far I have been unable to accomplish anything that is worthy of mention in spreading the Order in England, and we feel confident that the distinguished Masons who were represented in the Grand Chapter of Scotland will be able to achieve great things in the near future in establishing our Order throughout the British Empire. I therefore hope that the General Grand Chapter will endorse what has been done in this behalf by the Most Worthy Grand Matron and the Most Worthy Grand Patron.

The General Grand Chapter owes a debt of gratitude to the Most Worthy Grand Matron for her untiring efforts in behalf of the Order. Her Christian character and intelligence have made her inspiring wherever she has gone. "She hath done what she could," and that has been infinitely more than might reasonably have been expected of her. She has traveled extensively, leaving her home duties to accomplish the work incident to the proper exercise of her prerogatives as Most Worthy Grand Matron. She has been flooded with letters asking all kinds of questions which have required time and patience to fully answer. Among the many distinguished Sisters who have served this General Grand Chapter with devotion, the one now presiding in the East will be considered one of the best.

DEPUTIES.

I am indebted to Brother James B. Merritt for much valuable information communicated by letter as to the con-

ditions existing in the several countries visited by him, and the advisability of establishing chapters in the same.

I appointed Brother Sydney Clifton Bingham, of Christ Church, New Zealand, as my deputy to organize chapters in New Zealand. This Brother, accompanied by his wife, visited me in Washington and from the recommendations presented, I considered him a very desirable and proper person for the work. The degrees were conferred upon him and his wife by one of the Chapters of Illinois at the request of the Right Worthy Grand Secretary, Sister Pitkin, and he was provided with all necessary papers to carry on the work in that far-off land, but he has not, as yet, made any return showing the organization of any Chapters.

I appointed as my deputy in North Carolina Brother B. W. Hatcher of Liberty, North Carolina, who is Grand Lecturer of the Grand Lodge A. F. & A. M. of North Carolina. I feel quite sure that this Brother will prove to be a valuable acquisition in establishing Chapters, and finally organizing a Grand Chapter in that State, and I hope that my successor will re-commission him for the purpose of carrying on the work.

I appointed as my deputy Jos. H. Mears, Grand Patron of Vermont, to establish chapters in Quebec. This brother feels confident that Chapters can be successfully organized in Quebec, and I hope that he may be likewise re-commissioned by my successor.

In this connection I desire to make a personal acknowledgment of my appreciation of the good work done by my several deputies including all those who have acted in the organization of the many Chapters heretofore reported. The zeal of these Sisters and Brothers is commendable and the results make substantial additions to the Order. I am pleased to acknowledge the hearty support of all the officers

of the G. G. Chapter, but I desire to especially mention the Right Worthy Associate Grand Matron, Sister Conkling, and the Right Worthy Associate Grand Patron, Brother Kuhn. I have received invitations to the sessions of all the Grand Chapters in affiliation with this General Grand Chapter and also from the Grand Chapters of New York, New Jersey and Washington, and I hereby make public acknowledgment of my appreciation of these courtesies.

WHITE SHRINE OF JERUSALEM.

I received a communication from Brother Fred H. Hosford inviting my attention to and wishing my endorsement of that Order. I declined to recognize or in any way endorse the same. Judging by its literature, and by proceedings had in the Court at Chicago, it fell under the ban of the resolution of the General Grand Chapter passed in 1898, and for this and other reasons I declined to give any countenance whatever to the organization. I was convinced that no officer or member of the General Grand Chapter should be members of an Order making the claim that this one does.

The Eastern Star consists of five degrees and there can be no other or higher or advanced degrees. All members should maintain the land mark of the Order in this respect.

The Most Worthy Grand Patron has carefully sought to avoid any invasion of the Constitutional prerogatives of the Most Worthy Grand Matron and believes he has not in any instance done so.

I have received a number of communications from persons respecting the recognition of Spanish Masons and Spanish Lodges in Pennsylvania in connection with membership in the Eastern Star. I have advised these persons that the Most Worthy Grand Matron was the proper person

to decide on such questions and referred them to her, but stated that the policy of the Eastern Star was to recognize in the State of Pennsylvania only such Masons and such Masonic Lodges as the Grand Lodge, A. F. & A. M. of Pennsylvania recognizes.

The remarkable increase in membership is a ground for congratulation. At our last meeting there were 225,239 members in the Order and now we have 302,696 members, an increase of 77,457. But the increase in membership, great as it is, is insignificant when compared with the tremendous amount of good accomplished by the Order in establishing or assisting in the establishment and support of homes for the widow and orphan. Our Order has the confidence and support of the Masonic Fraternity. Let us be careful to avoid anything that might shake that confidence or jeopardize that support.

I cannot close this report without thanking the Most Worthy Grand Matron for the uniform kindness and consideration shown by her to me, and the Right Worthy Grand Secretary for her untiring efforts to make the work of my office less laborious for me and more effective for the Order, and the members of the General Grand Chapter for elevating me to this highest office and honor within their gift. I thank you in the name of the Grand Chapter of the District of Columbia and of each constituent chapter thereof, who have caused me to forget the burdens of office by strewing my path with flowers and gifts.

Fraternally submitted,

L. CABELL WILLIAMSON,
Most Worthy Grand Patron.

Upon motion of Mrs. Margaret Lutke, the Address of the Most Worthy Grand Patron was referred to the Committee on Distribution.

PAYMENT OF MILEAGE.

The General Grand Chapter at its last session ordered “that officers who had been regularly installed and members of standing Committees, and members of Committees appointed at the previous session and holding over, who are attending this session of the General Grand Chapter be allowed mileage at the rate of two cents per mile one way; that no person shall receive mileage in more than one capacity; that no mileage allowance in excess of fifty (50) dollars be paid to one person, except as now constitutionally provided,

and that no person shall receive mileage whose Grand Chapter has provided an appropriation to reimburse a portion or all of said member's expense to this session."

Through the kindness of Mr. George F. Lee, Chicago Agent of the Rock Island Railroad, a list of miles was made by the rate-clerk, who is detailed for this particular work, and from *this list* the mileage was paid by check and warrant.

Mrs. Margaret Howard of Honolulu, Hawaii, was sent a warrant for \$50, which she returned, and a warrant for \$16 was drawn, being amount payable to her from the city in the United States where she was visiting.

Mrs. Harriette I. Burwell, Grand Matron of Connecticut, returned her warrant, stating that her Grand Chapter had paid her expenses to attend the General Grand Chapter.

Mr. L. Cabell Williamson, R. W. A. Grand Patron, and Mrs. Ida E. Joslin, Grand Matron of Michigan, have never presented their warrants for payment, and these amounts remain in the Treasury.

GRAND CHAPTERS ORGANIZED

- Grand Chapter of Oklahoma, at Guthrie, Feb. 14, 1902.
- Grand Chapter of New Mexico, Albuquerque, April 11, 1902.
- Grand Chapter of Idaho, at Boise, April 17, 1902.
- Grand Chapter of Kentucky, at Louisville, June 10, 1903.
- Grand Chapter of Florida, at Sanford, June 7, 1904.
- Grand Chapter of Virginia, at Richmond, June 22, 1904.
- Grand Chapter of West Virginia, at Wheeling, June 28, 1904.
- Grand Chapter of Scotland, at Glasgow, August 20, 1904.

Calls were made and official notices were issued for the organization of the above Grand Chapters, under the authority of Mr. L. Cabell Williamson, M. W. Grand Patron, and they will be reported by him.

NEW TERRITORY.

I am gratified to report that the Order has been extended into the Philippine Islands, a petition for charter having been

received from Manila. I had also hoped to receive a petition for charter from Nome, Alaska, but the short summer season there has postponed that happy result.

Considerable interest has been manifested throughout Canada, and also from many interested persons in different parts of unoccupied territory.

SECRET WORK.

Several of the Grand Chapters use the Secret Work in cipher, while others prefer it printed in full, and we have furnished it to Grand Chapters as they order it.

PETITIONS FOR CHARTER.

There have been fifty-nine petitions for charter received at this office since July 15, 1901, and the dispensations have been issued under the authority of Mr. L. Cabell Williamson, M. W. Grand Patron, in whose report they will appear in full.

TIME AND PLACE OF MEETING.

The Committee provided for to decide upon the time and place of meeting, after receiving many requests from Grand Chapters and others, reported Sept. 19, 1904, and St. Louis, Missouri, as the time and place and due notice was given the Order at large.

A communication was received from Mrs. Libbie J. Demorest, Grand Secretary of Washington, with copy of resolution adopted by that Grand Chapter in June 1902, declaring the Grand Chapter of Washington "an independent Grand Chapter, and not a constituent part of the General Grand Chapter." The communication has been referred to the Committee on Jurisprudence, through the M. W. Grand Matron.

The Memorial Committee appointed at the last session of the General Grand Chapter prepared a Memorial upon the death of Thomas R. Ercanbrack and forwarded the same to Mrs. Harriette A. Ercanbrack, our beloved R. W. Grand Treasurer. This expression of sympathy was greatly appreciated by our sister, whose acknowledgment was most tender and grateful.

OKLAHOMA TERRITORY.

The Grand Chapter of Indian Territory at its annual session held at Durant, Aug. 15-16, 1901, released from its jurisdiction the constituent chapters located in Oklahoma Territory, as the latter territory desired to be organized into a separate jurisdiction. The General Grand Chapter then assumed jurisdiction and granted four charters, thus meeting the emergency that arose. Later a convention was called by the M. W. Grand Patron, the Grand Chapter of Oklahoma was organized, and became a part of this body.

NEVADA.

Very soon after the close of the last session, official notice was sent the Grand Chapter of California that it was deemed inexpedient by the General Grand Chapter for the Grand Chapter of California to hold jurisdiction over the territory of Nevada, and that it was recommended that the M. W. Grand Patron call a convention in Nevada to organize a Grand Chapter there as soon as possible.

We also notified the Chapters in Nevada of this action and instructed them to pay all dues accruing from August 1, 1901, to the office of the R. W. Grand Secretary. They complied cheerfully and promptly. The Chapters there felt that it would be a hardship to be obliged to organize a Grand Chap-

ter, and preferred to remain under the jurisdiction of the General Grand Chapter.

Two good strong Chapters have been organized there during this term, and the Chapters are beginning to believe that the Order will thrive best by the organization of a Grand Chapter in Nevada, and we think they will ask for a Convention to be called for this purpose in the near future.

REVENUE.

Eight jurisdictions have been released during this term, which means that all charter fees and dues will in the future go into the treasury of the respective Grand Chapters organized.

It has been my custom to reinstate dormant chapters upon the payment of one year's dues in jurisdictions where conventions have been called to organize Grand Chapters, thus giving weak Chapters an opportunity to become a part of their own Grand Chapters.

I would recommend that the dues of the following named Chapters be remitted:

Long Beach Chapter No. 2, Gulfport, Miss., for 1901 and 1902.

Dundee Chapter No. 1, Dundee, Scotland, for 1903.

RITUALS.

The instructions of the General Grand Chapter (Proceedings of 1901, page 176) relating to the publishing of the Ritual were strictly followed out in every particular. Slips containing the amendments were printed and distributed. Plates were changed and the Ritual published as directed. The 1,119 cloth Rituals reported on hand July 15, 1901, were all sold by December 1, 1901, and the amended Ritual was ready for distribution.

Grand Secretaries who had Rituals on hand asked that I exchange them free for the amended Ritual. I had not received such instructions, but as there seemed to be some justice in the request, I submitted a plan to the M. W. Grand Matron and received her full approval to sell to Grand Secretaries as many Rituals as they had on hand and unsold, for 15 cents each, they to return to me the covers. In every case this proposition was accepted by the several Grand Secretaries, and an emergency met which was not provided for by the General Grand Chapter.

SCOTLAND.

October 18, 1898, I received a letter from Charles S. Bixby of Ossawatimie, Kansas, asking me to correspond with Mr. Alexander Farmer, who was Worthy Patron of Dundee Chapter No. 5 of Dundee, Scotland. I reported in 1901 that we had granted two charters in Scotland, but one of these was never organized and the charter was returned to us. During all these years we have corresponded with the sisters and brothers in that distant country, in a conservative spirit, always hoping for a union of all the interests there, and now our M. W. Grand Matron will report the full fruition of our fondest hopes.

I wish to thank this Brother in Kansas for the help he has been to me. His Scotch friends sent him a paper dated Glasgow, August 22, 1904, which reached me before the official report of the M. W. Grand Matron, giving an account of the organization of the Grand Chapter of Scotland, and manifested his continued interest in the Order of the Eastern Star in his native land.

WORLD'S FAIR.

In December, 1902, I received an appointment as a member of the Auxiliary Board of Lady Managers, through the

Board of Directors of the World's Fair Fraternal Building Association. This Board was asked to raise \$50,000 through the several Beneficiary and Fraternal Associations of women. From my experience at the "Dream White City" in 1893, I knew just what an undertaking this was, and I could not persuade myself to accept. Many reasons presented themselves to my mind why I should not do so. The sisters and brothers in Missouri urged me to bring to their aid the benefit of my experience, and the Most Worthy Grand Matron presented the argument that it was my duty; therefore, having in view but the one end,—that of serving the Order of the Eastern Star to the best of my ability,—I finally accepted the appointment and met with the Board the first time, February 5, 1902, and at this meeting I recommended Mrs. Sallie E. Dillon, Grand Secretary, O. E. S. of Missouri as Chairman of the Ways and Means Committee, which was approved. I sent out at once a circular to over 4,000 Chapters announcing my acceptance and these appointments. Later one member from each State was appointed through the Grand Matron to serve with her for the purpose of soliciting contributions for the Temple of Fraternity, and I again sent out a circular announcing to the Chapters of the World these appointments.

I paid the postage for this myself, and only about ten days ago I received a reimbursement for this expense from the Board of Directors.

These contributions were held by the Committee, or by the Grand Treasurer, as the respective Grand Matrons should decide. Mrs. Harriette A. Ercanbrack, our R. W. Grand Treasurer, consented to hold the funds, and Mrs. Dillon notified the several Committees to send the contributions direct to her, which was done, as you will see by the report which she submits.

When the Board of Directors was ready to make the

first call for money, Mrs. Dillon notified the R. W. Grand Treasurer to send to the Treasurer of the World's Fair, Mr. William H. Thompson, the sum of Two Thousand Dollars, and since that time Twelve Hundred and Fifty Dollars more have been paid, making our total contribution towards the building and its maintenance, Thirty-Two Hundred and Fifty Dollars. At the close of the Fair, Mrs. Dillon will send a detailed report to the Grand Chapters, through the Committee appointed to make collections.

So far as the courtesy extended is concerned, we appreciate this appointment, but it has meant hard work and much anxiety in many ways that cannot be named. We have been associated with five other members of this Board, and it has been a privilege to work with these noble women, who are interested in the advancement and elevation of their sex:

Mrs. Ginerva L. Miller, Missouri, Degree of Honor.

Miss Bina M. West, Michigan, Lady Maccabees of the World.

Mrs. Myra B. Enright, Kansas, Royal Neighbors.

Mrs. Eunice Melville, Minnesota, Rebekahs.

Mrs. Geo. J. Frankel, Missouri, Woman's Christian Temperance Union.

That magnificent Temple stands as a living monument to the zeal and earnestness of the Fraternalists of the world, where the interests of over seven million persons are held as sacred, both in a beneficiary and fraternal spirit.

I want to extend thanks to the Committee who worked so faithfully, to the Grand Chapters and members of our Order who responded so generously, making it possible for the Eastern Star to take her place among the great Fraternal Societies of the world in this beautiful Temple.

When I accepted this appointment the M. W. Grand

Matron instructed me to charge any expense incurred to the General Grand Chapter; this, however, I felt would not be a wise thing to do, and therefore I paid all the expenses myself until such time as the Board of Directors was in position to reimburse me, which they have done in part—some stenographic work from time to time, as the correspondence became burdensome, I have charged to the General Grand Chapter.

I desire to extend thanks to the Board of Directors of the Temple of Fraternity for all courtesies extended to me, individually, and to the Eastern Star as an organization.

We hope that each and all of you will visit our home in the Temple and express your satisfaction at its completeness. All who have been there are of our own opinion, and are generous in their words of commendation.

Special credit is due to Mrs. Sallie E. Dillon, who has given her time and energy to every detail as only one can who has the interests of the Order at heart and a willingness to serve those interests without compensation.

Mrs. Laura B. Hart, M. W. Grand Matron, and L. Cabell Williamson, M. W. Grand Patron, have ever shown their loyalty to the Order by their harmony of action in every way, and their kindness to me; their confidence expressed and implied in my judgment in conducting the financial affairs of the General Grand Chapter has encouraged me to greater efforts.

I was very much gratified when I closed my books July 15, 1904, and found that I was able to report to them and to you a cash balance in the Treasury of Ninety-Five Hundred and Fifty-Six Dollars and Forty-One Cents (\$9,556.41).

From the reports of the several Grand Secretaries and our own, we have the pleasure of reporting a total membership of over three hundred thousand, including those in New

York, New Jersey and Washington. These figures will be somewhat increased by the final report of the Grand Secretaries.

It is a matter of personal pride that I have seen the Order of the Eastern Star grow from an organization in October 6, 1866, of 30 members in my own city of Chicago, to its present membership.

Words are vain indeed to express the gratitude that I so deeply feel for the continued expression of confidence and love extended to me by members of the Order, wherever I may be.

To my superior officers who have ever been kind, I can but give public expression of my appreciation and renew my fidelity to the Order in which I have been almost continuously in active work for nearly forty years.

Respectfully submitted,

LORRAINE J. PITKIN,

R. W. Grand Secretary.

Upon motion of William H. Saunders, the report of the Right Worthy Grand Secretary was referred to the Committee on Finance.

The invitation to have pictures of the body taken was announced, and upon motion it was accepted.

bers of the General Grand Chapter, Tuesday evening, at 8:30 o'clock.

*To the Most Worthy Grand Matron, Officers and Members
of the General Grand Chapter:*

Your Committee, to whom was referred the Addresses of the M. W. Grand Matron and the M. W. Grand Patron, respectfully report that having examined these Addresses, do submit as a result of their labors, the following recommendations:

Grand Patron, we have been impressed by the great amount of work accomplished. They have kept the faith, discharging their "duties to the satisfaction of this General Grand Chapter and the honor and welfare of our Order." We are gratified by the expression made by our sisters and brothers in Scotland that no one can be "better loved than our M. W. Grand Matron, Sister Laura B. Hart. May the Stars and Stripes and the Union Jack ever float in conjunction with the banner of 'The Eastern Star,' and ultimately may all Nations 'come to Worship Him.'"

MRS. LOUISE LYON JOHNSON,
S. PENROSE WILLIAMS.

CONSTITUTION.

Sterling M. Price, from the Committee on Constitution, submitted the following report, which was referred by the Most Worthy Grand Matron to the Committee on Jurisprudence.

*To the Most Worthy Grand Matron, Officers and Members
of the General Grand Chapter, O. E. S.:*

Your Committee appointed by resolution at Detroit in 1901 to codify and revise the Constitution of the General Grand Chapter respectfully report that we have carefully examined the Constitution of this body, and find very little, in our opinion, requiring any change. However, we recommend the following amendments, believing that their adoption will determine and settle some questions that have heretofore been discussed by members of the General Grand Chapter in session and have not been clearly defined:

(a) Amend Sec. 4 of Art. II, by striking out in the 4th line, the words "and must be a member of such Grand Chapter."

(b) Amend Art. XIII by striking out all of Sec. 4.

(c) Amend Art. XVI, clause sixth, under the heading "Charters," by striking out all after the word "shall" in the 2nd line, to and including the word "they" in the 6th line, and the word "also" in the same line.

(d) Amend Art. III by striking out all of Sec. 4 and insert instead thereof the following: All matter printed in the Ritual, published by authority of the General Grand Chapter, under the head of Subordinate Chapters, on pages 4 and 5, and the Article under the head of Membership on page 7; also any legislation or decisions of the General Grand Chapter shall be held as binding only on subordinate Chapters under the immediate jurisdiction of this body.

The portion of the resolution which required the printing and distribution of this report to members of the General Grand Chapter was not complied with, as your Commit-

tee found that the expense would far exceed the appropriation made for that purpose.

S. M. PRICE,
JOSEPH W. HILL,
MRS. LORRAINE J. PITKIN.

AMENDMENTS.

The following amendments were read and referred to the Committee on Jurisprudence:

Amend Art. IX by striking out all of Sec. 2, and inserting instead thereof, the following:

Sec. 2. The sum of Four Hundred Dollars shall be allowed the Most Worthy Grand Matron as compensation for her services, and a sum not exceeding that amount for traveling and all other expenses of her office, of which a detailed statement shall be rendered. The sum of Two Hundred Dollars shall be allowed the Most Worthy Grand Patron as compensation, and a sum not exceeding that amount for all other expenses of his office, of which a detailed statement shall be rendered. The compensation shall be paid semi-annually in advance, and the expenses on proper vouchers as incurred.

JOSEPH W. HILL.

Amend Art. IV, Sec. 1, to read as follows:

The General Grand Chapter shall meet every third year, at such time and place as may be determined by a vote of the General Grand Chapter at its previous meeting.

The Most Worthy Grand Matron and Most Worthy Grand Patron to have the power to change the place of meeting in case of any extraordinary emergency.

J. F. O'NEILL,
CHAS. A. NESBITT.

RESOLUTION.

Mrs. Icia F. Swartz presented the following resolution, which was referred, without motion, to the Committee on Jurisprudence:

Resolved: That all members of the General Grand Chapter file Credentials under seal of their respective Grand Chapter (or subordinate Chapter) with the Credential Committee; also that all proxies be under seal of the respective Grand Chapter (or subordinate Chapter.)

MRS. ICIA F. SWARTZ.

Upon motion of Mrs. Nettie Ransford, the General Grand Chapter was called from labor to refreshment, to reconvene tomorrow morning at nine o'clock.

In Triennial Session.

SECOND DAY—MORNING.

TUESDAY, Sept. 20, 1904.

The General Grand Chapter was called to labor at nine o'clock by the Most Worthy Grand Matron, and after prayer, the morning session was declared open for business.

GREETING.

The following was presented by William F. Kuhn, which upon his own motion was wired by the Right Worthy Grand Secretary to N. A. Gearhart, Past Most Worthy Grand Patron:

ST. LOUIS, Sept. 20, 1904.

N. A. GEARHART,
Duluth, Minn.

Most Worthy Brother:—

The officers, members and representatives of the General Grand Chapter, Order Eastern Star, in Eleventh Triennial Session assembled, send you hearty greeting and cheer. We extend to you our sincere sympathy in your illness and trust that He who does all things well will restore you to health, that you may do more valiant service in the Order you so much love.

JURISPRUDENCE.

Henry L. Stillson, from the Committee on Jurispru-

dence, presented the following, and upon motion of William F. Kuhn, seconded by Mrs. Margaret Lutke, the report was declared adopted unanimously :

To the Officers and Members of the General Grand Chapter :

Your Committee on Jurisprudence, to which was referred those portions of the addresses of the M. W. Grand Matron and M. W. Grand Patron relating to the Grand Chapter of Scotland, and the concordat contained therein,—signed by Mrs. Laura B. Hart, in behalf of the General Grand Chapter, and Alfred A. Murray, in behalf of the Grand Chapter of Scotland,—have carefully considered the same, and would respectfully offer the following :

Recognizing the fact that the Order Eastern Star is in its essence the Masonic family, and to this extent auxiliary to that Ancient and Honorable Institution ; and that, like Freemasonry, it is destined to become world-wide in its administration, conforming itself to the genius, government, social customs, and environments of the peoples among whom it has been or may hereafter be established,—an international character which is inherent in the Order from the very nature of its genesis ; therefore, we unhesitatingly recommend that the concordat with Scotland, in the form of resolutions (a copy of which appears in full in the address of the M. W. Grand Patron), be adopted on the part of the General Grand Chapter, and that the action of the M. W. Grand Matron and M. W. Grand Patron in the premises be ratified and confirmed ; stipulating that the words "of America," in paragraphs "D" and "H," shall not be held on our part to be a waiver of the legal name of this body, which is and must ever remain : "The General Grand Chapter of the Order of the Eastern Star" ;

and that it does not by this concordat release jurisdiction over any territory except as specified.

H. L. STILLSON,
MRS. MARY C. TAYLOR,
MRS. EUDORA Z. PETTIGREW,
MRS. ALICE H. SMITH,
MRS. ELIZABETH SALTER.

The Chairman of the above Committee made further report, and upon his own motion, seconded by Mrs. Mate L. Chester, the same was adopted by a two-thirds vote:

To the Officers and Members of the General Grand Chapter:

Your Committee on Jurisprudence, to which was referred Recommendation No. 1 of the Most Worthy Grand Matron, would respectfully report the following:

Amend Section 1 of "Rules and Regulations" for the government of Subordinate Chapters under the Jurisdiction of the General Grand Chapter, to read as follows:

Sec. 1—Every Subordinate Chapter, not under the jurisdiction of any Grand Chapter, must have a charter from this General Grand Chapter, and no Chapter shall be deemed legal or regular without such charter; and all communications, public or private, by Chapters under the jurisdiction of the General Grand Chapter, or the members thereof, with such illegal Chapters is hereby forbidden, except visiting members who shall have been regularly initiated in a legally constituted Chapter of the Order of the Eastern Star, and having been heretofore recognized by this General Grand Chapter.

H. L. STILLSON,
MRS. MARY C. TAYLOR,
MRS. EUDORA Z. PETTIGREW,
MRS. ALICE H. SMITH,
MRS. ELIZABETH SALTER.

A third report was read by the Chairman, and upon motion of Mrs. M. Alice Miller, seconded by Sterling M. Price, the same was declared adopted.

To the Officers and Members of the General Grand Chapter:

Your Committee on Jurisprudence, to which was referred those portions of the Address of the M. W. Grand Patron relating to the care of the Chapters in Nevada, the institution of Subordinate Chapters at home and abroad, and the organization of the Grand Chapters of Oklahoma, New Mexico, Idaho, Kentucky, Florida, Virginia, West Virginia and Scotland, have duly examined the details, and administrative acts attendant thereof, and recommend that the same be and are hereby approved.

H. L. STILLSON,
MRS. MARY C. TAYLOR,
MRS. EUDORA Z. PETTIGREW,
MRS. ALICE H. SMITH,
MRS. ELIZABETH SALTER.

MEMORIAL.

Mark P. Olney, from the Memorial Committee, read the following, which upon his own motion, seconded by A. P. Gooding, was declared adopted by a rising vote:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

We, your Committee on Memorials, to which was referred so much of the Address of the Most Worthy Grand Matron as relates to deaths within our ranks, hereby submit our report with recommendations.

We find that though many in our beloved Order to whom honors had come and whose voices had many times been heard

in the councils of the Order have passed over and joined the Great Majority, yet the immediate circle of this General Grand Chapter is today complete.

Truly amid the shifting scenes of life and its many uncertainties and dangers, may we not thank an all-wise Providence that we who assemble here today have been gloriously spared to enjoy this happy occasion.

Eighteen grand jurisdictions have felt the chilly hand of death, and from these have gone forth thirty-six Past Grand Matrons and Past Grand Patrons to receive whatever reward their lives entitle them to enjoy. We know not the cause of their going nor the fullness of their reward, but this we know, that he who is faithful here in little things will there enjoy blessings, rest abounding and eternal.

These partings here in sorrow are but the means which make possible our happy meetings in that bright tomorrow.

Every name upon the Memorial Roll represents the breaking of home and family ties, and while we have not known them all, yet each has been some mother's pride and hopeful stay, whose rise to eminence and honor has caused the happiness of parents, of family and of friends.

"There is no fold howe'er watched and tended

But one dead lamb is there.

There is no fireside howsoe'er defended,

But has one vacant chair."

While the dispensations we here record have brought sorrow and burdened hearts to many homes, yet each of us must bear his personal griefs and sorrows alone, being assured that at last "there remaineth a rest."

We could not write a faithful memorial to each of these departed loved ones, for he only can write a faithful epitaph who in life knew us best and loved us most, to bring to notice

the virtues which we all possess, and with the hand of love pass by and cover our many frailties.

We recommend that Memorial pages be placed in our Proceedings to the memory of each of these departed sisters and brothers.

MARK P. OLNEY,
MRS. ICIA F. SWARTZ.

Upon motion of William F. Kuhn, the Most Worthy Grand Matron called the General Grand Chapter from labor to refreshment, to convene at 1:30 P. M.

In Triennial Session.

SECOND DAY—AFTERNOON.

TUESDAY, Sept. 20, 1904.

The General Grand Chapter was called to labor at 1:30 o'clock, by the Most Worthy Grand Matron presiding.

CHARTERS.

Miss Laura J. Breckenridge, from the Committee on Charters, submitted the following, and upon her own motion, seconded by Mrs. Mate L. Chester, the report was adopted:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

Your Committee on Charters has carefully considered all matters referred to it, and would respectfully submit the following report:

In the organization of Grand Chapters, the granting of charters, organization and reorganization of subordinate chapters under the jurisdiction of the General Grand Chapter during the past three years, we find that the official action of the M. W. Grand Patron has, in each instance, been in strict conformity with the laws and customs governing the General

Grand Chapter; we would, therefore, recommend that said action be approved by this Grand Body.

MISS LAURA J. BRECKENRIDGE,
MRS. DELLA BENNETT,
MRS. KATIE I. THOMAS.

Mrs. Alcena Lamond, from the Committee on Addresses, presented a report, which after some discussion was referred back to the Committee for investigation of some matters under consideration.

Willis D. Engle, from the Committee on Credentials, made additional report, which was adopted, showing number of voters present.

William H. Norris, from the Committee on Finance, stated that they would be ready with their report the first thing Wednesday morning, and requested that all matters to come before that Committee be handed to him during the afternoon.

ADDRESSES.

Mrs. Alcena Lamond, from the Committee on Addresses, read the following, and upon motion of A. C. McDaniel, seconded by Mrs. M. Alice Miller, the report was unanimously adopted:

To the Officers and Members of the General Grand Chapter:

In arranging the partial report presented yesterday, but two members of the Committee were present. In the Address of the M. W. Grand Patron were two matters which were deemed of such importance that it was thought wise to have expression from the full Committee.

Having given due consideration to these subjects, we are prepared to report.

In relation to the "White Shrine of Jerusalem," we have arrived at the conclusion that it is unnecessary to refer this matter to a Committee, as the law of our Order is fully understood to consist of but five degrees, and there can be no other or higher degrees, and as our M. W. Grand Patron states, "All members should maintain the landmarks of the Order in this respect." We believe that while no restriction can be placed upon any members as to their connection with the "White Shrine," or of any other organization, yet we feel that no member has a right as such to advocate the engrafting upon the Order of the Eastern Star any so-called higher degrees, after the repeated declarations of the General Grand Chapter that there are but five degrees of the Order.

In relation to what was said by the M. W. Grand Patron on the eligibility of certain so-called Spanish Masons in Pennsylvania, your Committee feels that it is unnecessary to refer the matter to a Committee, for the reason that as the General Grand Chapter cannot recognize the claim of anyone as being eligible to receive the degrees of the Order of the Eastern Star except such persons as are known to be regular Masons or the female members of the families of regular Masons, and as the so-called Reginal Grand Lodge of Universal Freemasonry is a clandestine body, considered as such not alone by the Grand Lodge A. F. & A. M. of the State of Pennsylvania, but by all regular Masons, the question of eligibility of these persons is not a subject for the consideration of a Committee of this body, or any member of the General Grand Chapter, not excepting the M. W. Grand Matron herself.

MRS. ALCENA LAMOND,
MRS. LOUISE LYON JOHNSON,
S. PENROSE WILLIAMS.

Mark P. Olney made a motion that mileage for officers and committees be considered by the Committee on Finance. An amendment was offered which was accepted, that he re-

duce his motion to writing and present it to the Secretary's desk, which he did, but no action was taken on it.

JURISPRUDENCE.

Henry L. Stillson, from the Committee on Jurisprudence, read the following, which upon motion of Mrs. Nettie Ransford, was adopted unanimously:

To the Officers and Members of the General Grand Chapter:

Your Committee on Jurisprudence, appreciating the efforts of the M. W. Grand Matron to harmonize the conditions in granting liberties to Chapters, approves that part of her report relative to Special Dispensations, but deplores the granting of Special Dispensations to waive time on candidates, it being the opinion of this Committee that such Dispensations should be granted only in cases of *extreme emergency*.

H. L. STILLSON,
 MRS. MARY C. TAYLOR,
 MRS. EUDORA Z. PETTIGREW,
 MRS. ALICE H. SMITH,
 MRS. ELIZABETH SALTER.

A further report was read by the Committee to consider the following amendments to the Constitution, which was acted upon by section and adopted unanimously, and upon motion of Henry L. Stillson, the report as a whole was adopted without opposition:

To the Officers and Members of the General Grand Chapter:

Your Committee on Jurisprudence, to which was referred various proposals of Amendment to the Constitution, have carefully considered the following:

1.—We concur in and recommend the adoption of recom-

mentation Third of the M. W. Grand Matron as to Sec. 2, Art. VIII, which as amended shall read :

Sec. 2. It shall have and maintain exclusive jurisdiction for the organization and government of Chapters in all states and other territories where no Grand Chapter exists, and may grant charters for the formation of new Chapters, and for cause may revoke and annul the same until such Grand Chapter shall be legally organized therein, and recognized by the Most Worthy Grand Patron, the Most Worthy Grand Matron, or the General Grand Chapter.

2—We concur in and recommend the adoption of recommendation Fourth of the M. W. Grand Matron, as to Sec. 4, Art. VIII, which as amended shall read :

Sec. 4. The Most Worthy Grand Patron shall have power, in conjunction with the Most Worthy Grand Matron, to grant charters, to form new Chapters, as indicated in Section 2, Article III.

3—We do not concur in Recommendation Fifth of the M. W. Grand Matron, as to the proposed elimination of Sec. 2, Art. VII, from the Constitution of this General Grand Chapter.

4—We concur in and recommend the adoption of Recommendation Sixth with a slight verbal change, so that as amended by the Committee, it shall read as follows :

Sixth. I recommend that the Most Worthy Grand Matron be empowered with authority to arrest the charter of any Chapter under the jurisdiction of the General Grand Chapter which persists in adding to or taking from the matter contained in our Ritual.

H. L. STILLSON,
MRS. MARY C. TAYLOR,
MRS. EUDORA Z. PETTIGREW,
MRS. ALICE H. SMITH,
MRS. ELIZABETH SALTER.

APPEALS.

Mrs. Alice E. Robbins, from the Committee on Appeals, read her report, and upon motion of Mark P. Olney, the same was approved:

To the Officers and Members of the General Grand Chapter:

Your Committee on Appeals and Grievances desires to report that it has met and organized, but up to the present time it finds no appeals laid before it, which happy state of affairs would seem to indicate that the decisions of our M. W. Grand Matron have given universal satisfaction.

MRS. ALICE E. ROBBINS,
MRS. ELIZABETH WARREN,
MRS. ANNIE L. TILTON.

WORLD'S FAIR.

Mrs. Sallie E. Dillon, Chairman of the World's Fair Ways and Means Committee, read her report, which upon motion of Tom Kelly was referred to the Committee on Finance:

*Most Worthy Grand Matron, Most Worthy Grand Patron,
Sisters and Brothers:*

As National Chairman of the Ways and Means Committee for the Order of the Eastern Star, appointed to raise funds to locate and maintain headquarters at the Louisiana Purchase Exposition in the Temple of Fraternity, I present to you a brief report of my feeble efforts.

February 29th, 1902, Sister Laura B. Hart, M. W. Grand Matron, honored me by her approval of this appointment, Sister Lorraine J. Pitkin having first presented my name to the Board of Directors for appointment, which they made.

These sisters placed explicit confidence in my ability to

raise this fund, which would reflect credit upon our noble Order.

Upon receiving this appointment I hesitated about accepting the same, for at that time I was not very robust, owing to recent illness; however, I put on the armor, feeling that success would crown our efforts if we followed the advice and counsel of a wise leader, which we had in our beloved sister, Lorraine J. Pitkin, who held a similar position in the White City. Her advice and assistance was very valuable to me; she was always willing to aid and co-operate with me at any time, never considering anything a trouble.

I cannot find words strong enough to thank Sister Pitkin, but I know if not rewarded here, that she will be and wear a crown of gems when she reaches the shining shore for all her kindnesses here among us.

At an early date I communicated with the Grand Matrons of the several grand jurisdictions, asking them to appoint sisters to be members of the Committee on Ways and Means. This resulted in the appointment of the following sisters, who collected these amounts:

Total.... \$5742.20

I feel so proud of my associates. They have been so pleasant and cordial. To them is due the credit of raising this very creditable amount. Our intercourse has been so pleasant that I was anxiously waiting for this session of the General Grand Chapter to be able to grasp the hand of these dear

sisters. To them I return my sincere thanks, and hope that our pleasant relations will not close with the closing of our headquarters. We have made a home in the Temple of Fraternity, where we welcomed from the East, West, North and South members to the greatest Fraternal Building, at the greatest exposition, in the greatest city, in the greatest state of the country.

Almost every day since the opening, some sister or sisters have acted as hostesses, and all have expressed great satisfaction and pleasure in filling these positions.

In closing, I wish to return my heartfelt thanks, first to our beloved Most Worthy Grand Matron, who reposed such confidence in my ability, to Sister Pitkin for her wise counsel, to Sister Ercanbrack for her many courtesies, and last, but not least, to the members of my Committee and the Matrons of the St. Louis Chapters, who have been my support. Without these I feel that failure may have been the result; but success has crowned every effort, and we are called in the Temple of Fraternity, the banner and Aristocratic Society.

MRS. SALLIE E. DILLON,
National Chairman O. E. S.

The R. W. Grand Secretary called the attention of the General Grand Chapter to the fact that three members of the General Grand Chapter who were present at this session, Mrs. Nettie Ransford, John R. Parson and Willis D. Engle, were also present at the organization of the General Grand Chapter, and suggested that some mention be made of the fact.

Mrs. Hattie May Delkin moved that these distinguished members be conducted to the East, which was done by the Grand Marshal, and they received the Grand Honors and made most interesting remarks.

The Committee on Credentials wished to add three additional names, one being that of Benjamin Lynds, who was the first Past Most Worthy Grand Patron who had ever been present at General Grand Chapter sessions after retiring from office.

Keystone Chapter No. 52, O. E. S., Detroit.

RESOLUTION.

Mrs. Mamie Conrad, of Indiana, presented the following resolution, which upon motion of S. Penrose Williams was referred to the Committee on Finance:

The great Fair, toward which all eyes have turned and to which many have journeyed is nearing its close. The keystone of this arch in this charmed locality is our O. E. S. headquarters in the Temple of Fraternity. With the close of this eventful celebration, the needs of this delightful spot will have ceased. We, therefore, desire to express our appreciation of the efforts made for its maintenance and comfort, and offer the following:

Resolved, That when the Fair shall close, the furnishings of our room in the Temple of Fraternity be given to the Missouri Masonic Home.

We trust this will meet the hearty approval of every member of this General Grand Chapter.

MAMIE CONRAD,
Past Grand Matron of Indiana.

INVITATION.

Miss Mary Jean White, Grand Matron of Missouri, extended an invitation to the General Grand Chapter to visit the Masonic Home of Missouri, located in St. Louis, which was enthusiastically accepted.

JURISPRUDENCE.

Henry L. Stillson, from the Committee on Jurisprudence, made a report, and upon his own motion, Sections Nos. 1, 2, 3, 4, and 5 of such report were considered separately and adopted unanimously:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

Your Committee on Jurisprudence, to which was referred the decisions of the M. W. Grand Matron, would respectfully report:

We approve all the decisions of the M. W. Grand Matron, with the exception of the following:

No. 1. "Question No. 5—A Mason comes to our town and affiliates with the Blue Lodge and establishes a home, then sends for his wife in another State. Is she eligible to join our Chapter at once?

"Answer—She is eligible for membership at once, her husband having established her residence."

Your Committee on Jurisprudence are of the opinion that the husband cannot establish the residence of the wife in this matter, but that every petitioner must reside in the jurisdiction the required length of time prescribed by the laws of each Grand jurisdiction.

Provided, that in the matter of the Chapters under the immediate jurisdiction of the General Grand Chapter, the same

time of residence shall be required as prescribed by the laws of the General Grand Chapter.

We therefore offer the following addition to Sec. 7, "Rules and Regulations for the Government of Subordinate Chapters under the Jurisdiction of the General Grand Chapter," and which, as amended, shall read as follows:

Sec. 7. All petitions for initiation or membership shall be in writing, signed by at least two members of the Chapter, which petitions shall be presented at a regular meeting, be referred to a committee of three members, one of whom shall be a brother, for investigation, who shall report at the next regular meeting upon the applicants, unless further time be granted by the Chapter. No petition for the degrees shall be received from any person who has not resided in the jurisdiction of the Chapter to which said petition may be presented, the period of six months immediately preceding the application.

As to the decision of the M. W. Grand Matron:

No. 2. "Question No. 6—Is a negro eligible to membership in our Order?

"Answer—No."

Your Committee would respectfully report that the question is not one of color, but of the petitioner being a member of a lawfully constituted lodge. If a negro is a member of such a lodge, he is clothed with all the legal rights that our law requires. Whether or not he shall be received into our Order is a question to be settled by the ballot.

As to the decision of the M. W. Grand Matron:

No. 3. "Question No. 15—May the grand-daughter of a Mason be admitted?

"Answer—Yes, if she has been legally adopted."

In the opinion of your Committee, the question as stated should have been answered No.

No. 4. "Question No. 17—A lady whose husband has been dimitted that he may aid in organizing another lodge applies to our Chapter. Can we receive her petition?

"Answer—Better wait until the husband has joined the new lodge."

Your Committee are of the opinion that the answer should have been made to conform to the law governing the Order in regard to membership.

No. 5. "Question No. 26—May a Chapter appoint an Associate Patron?"

As to the appointment of an Associate Patron, the last decision of the M. W. Grand Matron (see page 26) we are compelled to report that we do not concur, for the reason that the number of officers of a Subordinate Chapter are governed by well established Ritual law.

H. L. STILLSON,
MRS. MARY C. TAYLOR,
MRS. EUDORA Z. PETTIGREW,
MRS. ALICE H. SMITH,
MRS. ELIZABETH SALTER.

The Most Worthy Grand Matron appointed the following tellers:

Upon motion of Mark P. Olney, the General Grand Chapter was called from labor to refreshment, to reconvene at 1:30 P. M.

In Triennial Session.

THIRD DAY—AFTERNOON.

WEDNESDAY, Sept. 21, 1904.

The General Grand Chapter was called to labor at 1:30 o'clock by the Most Worthy Grand Matron, and the "special order" of election was resumed with the following result:

FINANCE.

William H. Norris, from the Committee on Finance, presented the following report, and upon his own motion the same was adopted:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter, O. E. S.:

Your Committee on Finance, to which was referred the report of Mrs. Sallie E. Dillon as Chairman of the special committee appointed to raise funds for the maintenance of O. E. S. headquarters in the Temple of Fraternity at the Louisiana Purchase Exposition would respectfully state that it has

had under advisement the subject matter referred to therein, and would recommend the adoption of the report.

This Committee would further state that in its opinion the thanks of this Grand Body are due, and upon the adoption of this report are hereby tendered to Mrs. Dillon and the associate members of her committee for the great work, having for its purpose a practical illustration and demonstration of the tenets of our beloved Order so successfully accomplished through their instrumentality.

W. H. NORRIS,
MRS. MARY R. INGRAM,
MRS. SADIE D. MCGOLDRICK.

William H. Norris made further report, and upon his own motion the same was declared adopted:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter, Order of the Eastern Star:

Your Committee on Finance would respectfully report that it has carefully examined the books and accounts of the Right Worthy Grand Secretary and Right Worthy Grand Treasurer of this General Grand Chapter, and compared the same with the original vouchers, warrants and receipts, entering into the several transactions itemized and reported therein.

The Members of this Committee are pleased to report that they find the finances of this General Grand Chapter to be in excellent condition, the books and accounts showing the same systematically and neatly kept, and the balances on hand as reported true and correct.

The net balance of cash as shown by the printed report now in your hands, amounting to \$9,556.41 is much greater than ever before reported to this Grand Body. This Committee is, therefore, pleased to commend the wise and forceful administration that has brought about such good results.

Your Committee would further report that acting under the direction of this General Grand Chapter, the Right Worthy

Grand Treasurer has placed in interest-bearing securities, the sum of \$3,500 of the funds belonging to this General Grand Chapter, and that in addition to the interest collected on the same as reported by the Right Worthy Grand Treasurer, (\$122) there is interest earned on such securities but not yet due and collected, an additional sum of about \$100.

This Committee is especially impressed with the effectiveness and volume of the work accomplished by your Most Worthy Grand Matron during her triennial term of office, now drawing to a close. It is evident that she has given unsparingly of her time and talent for the betterment and upbuilding of our beloved Order. We can never repay her for the great good she has done. However, to partially recompense her for the sacrifices she has made and the strenuous labors she has put forth in our behalf,—though the same may have been looked upon as a labor of love—the Committee would recommend that an appropriation of \$1,000 be made to cover the three years of her effective service, and that in addition thereto, she be paid the sum of \$84, the amount of her expenses in attending this meeting of the General Grand Chapter, as provided by the Constitution.

This Committee would further recommend that an appropriation of \$200 be made in favor of the Most Worthy Grand Patron, in partial recognition of the valued services rendered by him during his term of office, and that in addition thereto, he be reimbursed for necessary expenses advanced, as fixed by the Constitution, in the sum of \$92.50.

The Committee would further recommend an appropriation of \$100 in favor of the Right Worthy Grand Treasurer, Mrs. Harriette A. Ercanbrack, as a slight recognition of the careful and valued services she has rendered this Grand Body, during her present term of office.

W. H. NORRIS,
MRS. MARY R. INGRAM,
MRS. SADIE D. MCGOLDRICK.

THANKS.

Upon motion of Mrs. Helen E. C. Balmer, thanks were extended Mrs. Sallie E. Dillon, Chairman of the World's Fair Committee, and also to Mrs. Nettie Ransford for the tablets she presented to the members of the General Grand Chapter.

FINANCE.

William H. Norris, from the Committee on Finance, read the following reports:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter, Order of the Eastern Star:

Your Committee on Finance is pleased to report that the system inaugurated by this Grand Body of requiring the investment of a part of its surplus funds in interest-bearing securities, has been productive of good results. The Right Worthy Grand Treasurer has so invested such surplus to the amount of \$3,500.

After a careful estimate of the receipts and expenditures

of this Body for the ensuing triennial term, this Committee is of the opinion that the amount so to be invested can safely be increased to \$5,000, and would recommend that the adoption of this report shall be construed as a direction from this General Grand Chapter, by and with the aid, advice and consent of the Most Worthy Grand Matron to make such investments within six months from and after the adjournment of the present stated meeting of this Grand Body.

W. H. NORRIS,

MRS. MARY R. INGRAM,

MRS. SADIE D. MCGOLDRICK.

On motion of William F. Kuhn, the above report was adopted.

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter, Order of the Eastern Star:

Your Committee on Finance would respectfully represent that Sister Evelyn Hart, at the instance and request of the Most Worthy Grand Matron, has been employed as stenographer and assistant to the Right Worthy Grand Secretary during the present session of this General Grand Chapter; that in the opinion of this Committee the services, so rendered on behalf of this Grand Body, are of the reasonable value of \$30. This Committee would, therefore, recommend that an appropriation be made in favor of Miss Evelyn Hart, for the services so rendered, in the amount of \$30.

Your Committee would further represent that Sister Jessie Inghram has rendered services in the matter of typewriting the reports of certain of the standing Committees, appointed by this General Grand Chapter; that the services so rendered were of the reasonable value of \$4.50. Therefore, the Committee recommends a further appropriation of \$4.50 in favor of Miss Jessie Inghram, to cover the services so rendered by her.

Your Committee would further recommend that an ap-

appropriation of \$20 be made in favor of Mr. Parks, the janitor of the Cathedral in which the sessions of this General Grand Chapter have been held, such appropriation to cover the services of the said Mr. Parks and his assistant in taking care of the Cathedral during the sessions of this General Grand Chapter.

On Motion of William F. Kuhn, the report was unanimously adopted.

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter :

Your Committee on Finance, to which was referred the subject contained in the resolution offered by Mark P. Olney relating to the matter of mileage and per diem, respectfully recommends that officers who have been regularly installed and members of all standing and special Committees notified of their appointment as such previous to the opening of this Convention, who are attending this session of the General Grand Chapter, be allowed mileage at the rate of two cents per mile one way; and per diem for a period not exceeding three days, at the rate of two dollars per day for the actual time in attendance upon the sessions of this General Grand Chapter.

Provided, that no person shall receive such mileage or per diem where provision is made or will be made for the payment of his or her expenses or any part thereof, by this Grand Body or the Grand Chapter of which such officer or member of Committee is a member.

And provided, further, that no mileage and per diem combined shall be allowed to any one person in excess of \$40, except as now constitutionally provided.

W. H. NORRIS,

The itemized bill of the Most Worthy Grand Matron, covering her necessary expenses as deputy of the Most Worthy Grand Patron in organizing the Grand Chapter of Scotland, and including her necessary postage and traveling expenses in coming to this meeting of the General Grand Chapter, is in the hands of your Committee and has been carefully examined by the members thereof and found to be correct. This Committee would, therefore, recommend that said account, as stated by the Most Worthy Grand Matron, be approved and the balance of \$23.93 shown thereby to be due the Most Worthy Grand Matron, allowed and ordered paid.

W. H. NORRIS,
MRS. MARY R. INGRAM,
MRS. SADIE D. MCGOLDRICK.

On motion of William F. Kuhn, the report was unanimously adopted.

MRS. MARGARET LUTKE.

A. C. McDaniel moved the adoption of the report, but after much discussion, the report of the Committee was rejected.

GREETING TO GRAND CHAPTER OF SCOTLAND.

Most Worthy Grand Matron, Most Worthy Grand Patron and Members of the General Grand Chapter:

Your Committee appointed to prepare resolution of thanks and congratulations to the Grand Chapter of Scotland present for your consideration the following:

Resolved, That this General Grand Chapter extend Fraternal Greeting and Congratulations to the Grand Chapter,

Order of the Eastern Star of Scotland, and cordially welcome them among the constellations of the world; and be it further

Resolved, That this General Grand Chapter hereby convey to the Grand Chapter of Scotland their high appreciation of the kindness shown our Most Worthy Grand Matron in her sojourn among them, and it gives us much pleasure to emphasize what our Most Worthy Grand Matron has said regarding that noble Brother, R. S. Brown, in his efforts to advance the interests of our Order in his country.

When "Old Glory" and "Union Jack" have joined forces, success has resulted, and we feel that this link has cemented the already strong tie binding the two flags. We together can better practice the teaching of Burns, their Noble Bard, who says:

"Gently scan your Brother Man,
Still gentler Sister Woman."

MRS. ALCENA LAMOND, District of Columbia.

MRS. IDA MILLER, Wyoming,

CHARLES A. NESBITT, Virginia.

HONORARY MEMBER.

R. S. Brown of Scotland was made an Honorary Member of the General Grand Chapter by a unanimous rising vote, upon motion of William F. Kuhn.

TIME AND PLACE OF MEETING.

Charles A. Nesbitt made the following report:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

Your Committee, appointed to decide upon the time and place of meeting of the Twelfth Triennial Session of the General Grand Chapter, would respectfully recommend that

we accept the invitation from Indianapolis, and that the date of meeting be during the month of September, 1907.

CHARLES A. NESBITT,
MRS. MARGARET LUTKE,
JOHN F. O'NEILL.

Joseph W. Hill moved to adopt the recommendation of the Committee. William Hinsey moved to amend by striking out the word "Indianapolis" and inserting in lieu thereof the word "Milwaukee," which was declared carried by a vote of 52 to 39.

FINANCE.

William H. Norris, from the Committee on Finance, presented his final report, and upon his own motion, it was declared adopted:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter, Order of the Eastern Star:

Your Committee on Finance, to which was referred the resolution of Sister Conrad, Past Grand Matron of Indiana, relative to the disposal of the things used in furnishing the O. E. S. Headquarters in the Temple of Fraternity, has had the same under advisement. The Committee is informed, by the report of the Right Worthy Grand Treasurer, that on the first day of September, 1904, there was on hand in the fund raised for the maintenance of said Headquarters, a balance of \$1,486.50. In conversation with Sister Dillon, Chairman of the Committee having this matter in charge, she states that a considerable amount of this balance has been used in the maintenance of the Headquarters to this date. From the same source, this Committee has learned that the probable balance at the close of the Exposition will be about \$800.

Your Committee is of the opinion that this Grand Body

should be just before assuming to be generous. The fund raised for the maintenance of these headquarters was subscribed for a specific purpose and the members of this Committee are of the opinion that the money on hand at the close of the Exposition should be returned pro rata to the several Chapters and Grand Chapters contributing the same.

The Committee is also of the opinion that any property on hand at the close of the Exposition should be converted into money by the Committee having the matter in charge, and the proceeds derived from the sale of the same disposed of in a like manner.

The Committee is further of the opinion that as the fund raised for the maintenance of said Headquarters was subscribed under the direction and authority of the officers of this General Grand Chapter, an itemized statement of all receipts and expenditures, including the matter of the sale of any property that may be on hand at the close of the Exposition, and the final disposition of the entire fund after all proper charges have been paid, should be made to this Grand Body at its next stated meeting.

In view of the foregoing opinions on the part of this Committee, which are presented to this General Grand Chapter as recommendations, your Committee would recommend that the resolution proposed by Sister Conrad be not adopted.

W. H. NORRIS,
MRS. MARY R. INGRAM,
MRS. SADIE D. MCGOLDRICK.

Grateful and sincere thanks were returned to Roseburg Chapter for this expression of confidence and love so practically demonstrated by her own Chapter.

Mrs. Margaret Lutke, Past Grand Matron of Oregon, presented a set of solid silver spoons from the delegation of Oregon.

Mrs. Lorraine J. Pitkin presented a handsome gavel tied with the emblematic colors, from Mrs. Nova J. Galbraith of Leahi Chapter No. 2, Honolulu, Hawaii, expressing the regrets of the sister at her enforced absence from the session.

Mrs. Mattie P. Barney, Past Grand Matron of Missouri, presented a sterling silver, gold lined Loving Cup, engraved as follows:

"William Frederick Kuhn, Kansas City, Mo., Most Worthy Grand Patron, General Grand Chapter, O. E. S.,

September 21, 1904. Presented by Sisters and Brothers of Missouri."

All the officers installed were presented with beautiful flowers, the Right Worthy Grand Secretary borrowing from those who had been abundantly remembered to distribute to those who had not been previously provided for. Thus the closing hour of a most successful session of the General Grand Chapter was made complete by the sentiment of harmony, fraternity and good will which everywhere prevailed.

In Memoriam.

CROSSING THE BAR.

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea.

But such a tide as moving seems asleep,
Too full for sound or foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark;
And may there be no sadness of farewell
When I embark.

For though from out the bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.

GRAND MATRON'S WELCOME.

The following address of welcome was delivered by Mrs. HELEN W. MONAHAN, Grand Matron of Wisconsin:

Most Worthy Grand Matron, Sisters and Brothers of the General Grand Chapter:

In behalf of the fourteen thousand Stars of Wisconsin, I extend our warmest greeting and heartiest welcome.

To us, this is one of the proudest days in the history of our beloved commonwealth, and busy Metropolis. On previous occasions, notable gatherings have met within our boundaries. Epoch marking history has been made and great events occurred, but never before have we had, and never again can we have greater honor bestowed upon us than now, when the

General Grand Chapter of the World, Order of the Eastern Star, the greatest women's organization on the globe, becomes our guest.

Reflect for a moment upon what this gathering is, and what it means. Sisters and Brothers may be welcomed here, not only from every state and territory of our Union, except one, but from continents and islands beyond the seas; from two hemispheres; from the tropics and the land of the midnight sun. Bound together by the golden links of love, animated by purposes lofty and aspirations high, each in her or his sphere following "Our Star" as it lights the way to that higher plane toward which the race has been toiling for centuries. A plane where the war of creeds will cease; the voice of selfishness be hushed; the contentions of unholy strife be forgotten. A plane where the people of each race and every clime will join hands as one great family, kneel at a common altar and offer a common prayer to God, the Father.

Great progress has already been made, but the journey is not ended, the final victory not yet won. Our pathway of progress stretches away into the night of superstition,—there are sloughs of doubt to be crossed and mountains of ignorance scaled, but with "Our Star" as a guide, armed with the sword of Truth, the shield of Charity and the armor of Loving Kindness, we can with confidence march onward, knowing that in the end the victory will be as great as the strife was fierce.

May "A Perfume from the realm of Wisdom wafted" be o'er you all, for there is a great work to be done, and because the representatives of such an Order have come with hearts attuned and willing hands to perform these labors of love, our greeting is most sincere, our welcome most cordial, and I am commissioned by Wisconsin Stars to assure you that we not only greet you as friends and welcome you as Stars, but pledge ourselves to extend to you every courtesy

within our power,—knowing that in thus honoring you, we greatly honor ourselves.

May you find Wisconsin's hospitality as fathomless as the sea, as boundless as the ocean. May your stay in our beautiful Milwaukee be pleasant and profitable. May peace and harmony prevail, and no unseemly strife mar our proceedings, and when this session of the General Grand Chapter closes and we have returned to our respective homes, may we each be able to think of it as one

"That bubbled up with jewel, and flung pearl
Where'er it touch'd, but drew not back again."

Again I bid you welcome, thrice welcome.

RESPONSE.

The response to the welcome was made by Mrs. Ella S. Washburn, Right Worthy Associate Grand Matron, as follows:

Worthy Grand Matron of the Grand Chapter of Wisconsin :

To me has been assigned the duty which is indeed a pleasure, to respond to your cordial words of greeting, and in behalf of the Most Worthy Grand Matron, officers and members of this General Grand Chapter I thank you. I thank you most sincerely, for I know the words spoken come from the bottom of your heart and that you sense the sentiment of every member of the Order in Wisconsin. Sisters and Brothers, it is a little bit hard for me to speak to-day, under the circumstances; I would like to say so much to Wisconsin, and at the same time greet Wisconsin's guests, and if at times it may appear as if I was almost personal I am sure you will pardon me. I know how untiring the members of Wisconsin Grand Chapter have been in their efforts to make us happy and comfortable. To invite one to sit at your table, to break

bread with you is an honor, to sit before your hearthstone is a privilege, and to-day, as we assemble around your hearthstone, as we break bread with you, the honor is mutual.

Our coming and our going will be to many like the ships that pass in the night, we shall exchange greetings and pass on, but leave an influence that will be felt by all whom we chance to meet. Ere this General Grand Chapter meets again some will have anchored their ship "safe within the harbor bar." Others will have covered the sea, spread the glad tidings of our work, and return to us bearing the sheaves from the harvest fields of love and duty.

"No stream from its source flows seaward, but what some land is gladdened; no star ever rose and set without influence somewhere."

Worthy Grand Matron, the Stars of Wisconsin have made many happy hearts, and their influence will now, as ever before, be felt only for good. We appreciate all you have done for us, but much more do we appreciate the true fraternal spirit which has actuated every loving thought, word, and deed.

I trust as we have come here to deliberate, and to plan the best methods of conducting the business of this General Grand Chapter, that we shall be governed by justice, with impartiality for all. That we shall remember the lesson we are first taught, to "Do unto others as we would that others should do unto us." That we shall be so happy, that our hearts shall be filled with such gladness through the influence sent out from these members of the Grand Chapter of Wisconsin, that when we go to our homes and look back in after years to this gathering, that the remembrance will be to each and every one here assembled, like leaves of lavender in stores of linen, for so does memory make life sweet.

Worthy Grand Matron of the Grand Chapter of Wisconsin, in behalf of the Most Worthy Grand Matron, her asso-

ciates and members of the General Grand Chapter, again I thank you, and bid you God speed.

Chicago, Illinois.

Dear Mrs. Pitkin:—I have received your circular of July 1st regarding a meeting of the General Grand Chapter of America on September 4th.

I regret that it will not be possible for me to attend the meeting, but at the same time, I take the opportunity of conveying my best wishes to all the members of the Order on your side of the water,

and to say how happy I shall be, if, when an opportunity occurs, I may have the privilege of attending your meeting.

I am pleased to say that the Order in Britain is flourishing, especially in Scotland, and that we are greatly extending our membership and Chapters.

We have from time to time had the pleasure of welcoming members of the Order who happened to be visiting Scotland, and in every case it has been exceedingly gratifying to make their acquaintance and to show them such courtesy as we could.

SISTERS AND BROTHERS :—You have been welcomed, responded, etc., etc., and yet I am wondering if there be not some word left unsaid by which I can assure you of my personal pleasure in your attendance at this session. I have looked forward to this hour, with the happiest anticipation of again meeting so many of you, whom it has been my privilege to meet in your home Grand Chapters. So many of you, whom I have learned to respect and admire ; so many of you whom I revere and esteem, and some of you whom I have learned to love.

I thank you for the help and inspiration you have been to me, for without your united assistance, my frail barque would have been tossed about, as a feather by the wind. If aught has been accomplished during the last three years, that will in

any way further the interest or future success of the Order, the credit is due to those of you who have so loyally stood by me in foul weather and fair, from the time when the gang-plank was hauled in; and farewells were spoken, until the strains of the joyous welcome reached our ears, and the grate of the keel was heard upon the shore.

A few times, it is true, the clouds hung low and heavy, the waves dashed high, the compass and chart were mislaid, and it seemed as though the great ship might be dashed against the rocks, but always there came a strong, experienced, trusty PILOT, who steered her safely into the open. But mostly the sky has been cloudless, the waters peaceful and calm, reflecting the splendors of the glorious sun, which never sets upon the lands where the Five Colored Banner of the Eastern Star has been unfurled.

The hours, days and years have been filled to overflowing; every moment of my time, every thought, every effort, every heart beat for the past three years, has been for the Eastern Star, but whether the log book will merit approval or not, is for you to say.

I bid you welcome, not to Milwaukee, whose hospitality you have already tested, not to the General Grand Chapter, where every moment of yours should be devoted to legislating for the progress and advancement of the Order which you so proudly represent; not to this beautiful Masonic Temple, which has been so generously tendered us free of charge, but just to my heart, and I earnestly ask your co-operation that we may make this the best Session ever held.

MEMORIAL.

To call the roll of the living, and hear the hearty, ringing response, is indeed a pleasant duty, but to call the roll of the missing, is a sad one. Let us pause upon the very threshold

of our work, and hold first a session of sacred solemn thought, in memory of those, who for years past have met with us; laboring here and in home circles for the establishing and upbuilding of our Order.

Some, when called from their earthly work into Heavenly rest, laid down strong and useful lives, but some, "Jaded by the harness, gladly threw it off, and sighed their breath away in sweet content, because they need not wear it more."

Twenty-three Grand Chapters have keenly felt the loss of fifty-nine Grand and Past Grand officers, while into the very heart's core of the General Grand Chapter, has death's messenger come five times, each time bearing away one of our loved members. Brother J. D. Vincil, the first Most Worthy Grand Patron, Sister Elizabeth Butler, the first Most Worthy Grand Matron, Sister Mary A. Flint, the fifth Most Worthy Grand Matron, and Brother Nathaniel A. Gearhardt, the ninth Most Worthy Grand Patron, have finished their work on earth.

Thus the dearly beloved Pioneers, who blazed the way for you and me, are going from us, but the record of their work will stand as long as the Order lives, a monument to their zeal, ability, courage and love. Each of these sisters and brothers, had lived more than the allotted time of man, and their years had been filled with good work. Their sheaves of ripened grain had been gathered and stored in God's Eternal Warehouse of good deeds, leaving only the brown, broken stubble at their feet. Their going from us was like the setting of the sun, when the day's heat and toil are over, and weary nature sighs for rest and repose. But, when the messenger came for Sister Chester, it seemed more like the sun's eclipse, ere reaching the zenith. Her life was just budding forth in the fullness of its strength and usefulness, when without a moment's warning, she was taken from us. Her *seemingly* untimely death, was sincerely mourned throughout the Eastern

Star world. Those who knew her best, loved her most. Her conception of right and wrong was keen; her judgment good; her advice not only sought, but followed. She knew no clan or favoritism; she was jealous of none, and a friend to all who deserved friendship. Her loss seems irreparable, yet God in His wisdom took her, and who knows but that the rays from this loved Star of ours, will shine with more force and greater brilliancy from His Royal Diadem, than from its accustomed place. Today, her going is a mystery, but "when the mists have cleared away," we shall understand in the clear sunlight of that Immortal Day, the lesson designed by Providence.

The following have passed through the Gates Ajar since last we met, leaving only a sacred remembrance in the hearts of those who knew them.

Upon the graves of each some teardrops fell, and in the heart of many there is an aching void, while we, who seem to live, are only ripening for the grave. Gethsemane and Calvary must come to each of us, and then the "rock-hewn tomb," until the "Angel rolls from the grave the stone away."

As a silent, yet eloquent outward testimony of our loving remembrance of those whose names have just been read, let

us drape the Altar, and place thereon our tribute of flowers, which symbolizes our faith and belief "That humanity blossoms on earth, but the fruit is gathered in Heaven."

"Let us drape the Altar gently,
For the loved ones gone before;
They have crossed the silent river,
We shall see them here no more.

"Place a wreath upon the Altar,
It may fade and be no more;
But the loved ones have only wandered
To the bright Celestial shore.

"We shall see them in His likeness,
When we, too have passed beyond,
Hand in hand around God's Altar,
When our work on earth is done.

"Yes, let us drape the Altar gently,
For the loved ones who have gone,
Let us kneel in supplication,
As we say, 'Thy Will Be Done'."

By-Laws of Mizpah Chapter, Utah, and the several Chapters organized in North Carolina, were not approved, for the reason that a Convention to organize a Grand Chapter was immediately called, and I deemed it opportune for them to wait, and be governed by their own Grand Chapter Laws.

The By-Laws of Alaska Chapter No. 1, located at Nome, Alaska, have not reached me, for approval.

CHARTERS ARRESTED.

Unfortunate conditions arose in Alpha Chapter No. 1, Rossland, B. C., in December, 1904. Repeated attempts by both the Most Worthy Grand Patron and myself failed to adjust the trouble. I arranged to visit the Chapter in June, 1905, but owing to accidental poisoning while in Bellingham, Washington, I was unable to go farther at that time.

During my illness the trouble became of such disrupting proportions that the Most Worthy Grand Patron caused the arrest of the Charter. Immediately upon taking up my work again, I instructed the Worthy Matron, Mrs. Emma Fitzwilliams, to forward to the Right Worthy Grand Secretary all belongings of the Chapter. Not wishing to lose a Chapter in Canada, I decided to try again to visit the Chapter, and before the order could be executed by the Worthy Matron, I instructed her to hold supplies until further notice. June 18—19, 1907, was the second time set for a visit to this doomed Chapter, but owing to a cloudburst while in Black Hills, which washed out the railroads, and kept us penned in for several days, it was impossible to reach Rossland on time, and meantime I had received information that "part of the troublesome trouble" was out of the Province and would not return for several months, hence it was not only impossible but impracticable to go and try to satisfactorily settle a trouble with only half of it there. I then decided to renew the former instruction sent the Worthy Matron, directing her to send to the Right Worthy Grand Secretary all supplies, informing her that Dimits would be granted all members whose dues were paid up to the time the Charter was arrested, or who would pay

their indebtedness to the Right Worthy Grand Secretary, believing it better to dimit a few unworthy, than to deprive many worthy members of their rights and privileges.

The Worthy Matron has complied with my instructions, so far as practicable, to wit: the money was forwarded to me, and turned over to the Right Worthy Grand Secretary. The supplies are all packed ready to ship, but when I learned that they embraced a set of dishes, five small stands, a large floor cloth weighing 125 pounds when rolled, and all emblems, I deemed it best that the same be held by the Worthy Matron, subject to the decision of the General Grand Chapter.

Very recent information tends to show that the main trouble was of a Masonic nature; this being probable, I would suggest that this matter be turned over to the incoming Most Worthy Grand Patron for adjustment, as no one but a Mason can deal with the Masonic differences in Canada.

SPECIAL DISPENSATIONS.

For reasons stated, have granted the following Special Dispensations:

1904.

Martha No. 5, Wadsworth, Nevada, to remove to Sparks, said town of Wadsworth having ceased to exist.

To hold regular and special meetings, until meeting of the General Grand Chapter, or organization of Grand Chapter, to all Nevada Chapters, who had no charter, since being taken from California, and whose Special Dispensation, granted by Sister Hart, expired with the last session of the General Grand Chapter, as follows:

Electa No 2.	Austin.
Esther No. 3.	Carson City.
Adah No. 4.	Reno.
Martha No. 5.	Sparks.
Silver State No. 6.	Winnemucca.
Argenta No. 7.	Virginia City.

Iphigenia No. 8	Eureka.
Sabra No. 9	Delamar.
Turquoise No. 10	Tonopah.
Ruth No 11	Lovelock.

1905.

Argenta 7, Nevada, to reballet, the box having been found to be at fault.

Turquoise 10, Nevada, Elect and install Associate Matron, same having removed from jurisdiction.

Ruth 11, Nevada; and Esscon 11, South Carolina, elect and install Worthy, Matron and Associate Matron, both having left the jurisdiction.

1906.

Esscon 11, S. C., elect and install officers, severe storm having made it impossible to hold regular meeting at specified time.

Alpha 1, B. C., elect and install Associate Matron, same having left the Province.

Lei Aloha, Hawaii, elect and install Worthy Patron, he having died.

Crystal Springs, No. 9, Miss., elect and install officers, quorum not present at regular time.

1907.

Mountain View 1, Olds, Canada, elect and install Worthy Matron and Associate Matron, both removed from jurisdiction.

Palmetto 10, S. C., elect and install Worthy Patron, he having left jurisdiction.

Hawaii 1, T. H., change place of meeting from place to place, until the Masonic Temple was completed, following in each move the Masonic Bodies.

DISPENSATIONS REFUSED.

Believing that no emergency can arise that will justify setting aside a law that was made to govern thousands, for the purpose of accommodating a few individuals, I have refused twelve requests for Special Dispensations, to receive and ballot the same evening.

For like reasons have refused eight requests to set aside the time of residence, believing that the outer door should be guarded with the utmost vigilance.

Refused four requests to elect Worthy Matron, believing that the Associate Matron must follow the duties assigned her in the Ritual. In each of the above instances, the Associate Matron did not wish to serve, because she would have the work to do, without the honors of the position.

Refused six requests to receive a Petition at Special Meeting and four to ballot at Special Meeting, the Petition having been received at a Regular Meeting, as I had no authority to set aside any Ritual provisions.

In this connection I wish to say, it is very hard to refuse applications for Special Dispensations, even though we know we should not grant them, for often they come from personal friends, some one whom you specially admire; for that reason, it would be indeed well if the General Grand Chapter, and all Grand Chapters, would so amend their Constitutions that the Most Worthy Grand Matron and Grand Matron cannot set aside any stated law.

GERMAN RITUAL.

The Grand Chapter of Illinois, through her Grand Matron Kate Aull Heath, asked permission to have the Ritual translated into the German language, that they might organize a German Chapter in the city of Chicago, where many prominent German Masons, desired to form a Chapter.

After due consideration it was decided to grant this permission to Sister Heath, to have one literal translation made, in the German language, she assuring me that only one translation should be made, and that by a thorough German scholar. The Chapter was organized and is successful. The translation by August Torpe, is herewith submitted to you

for inspection ; I trust this act will be approved, and that the Ritual will be ordered printed in the German language, as there are now several states desiring to organize German Chapters, and are waiting for the approval of this translation by the General Grand Chapter.

DATE OF MEETING.

Sisters Washburn, Pitkin and myself, met in Milwaukee, in February, 1907, at the Grand Chapter of Wisconsin, and as a majority of those upon whom fell the duty of setting the date of this session, after due consideration, decided upon the first week in September. The second week in September is the only week in which no Grand Chapter meets, and the second week is the National Convention of the W. R. C., to which many of our members are delegates, the second week was also impracticable, as it is the week of the state fair and races and we could not secure any hotel reservations. I immediately wrote the Grand Matrons of New Hampshire and Wyoming and explained the matter to them and have their gracious letters on file, saying that while they were disappointed, yet they fully understood. Both Grand Chapters are officially represented.

O. E. S. HEADQUARTERS—EXPOSITION.

Upon filing the Official Financial Report of Sister Sallie Dillon, Chairman of the St. Louis Order of the Eastern Star Headquarters Fund, with Sister Pitkin, Right Worthy Grand Secretary, there was found to exist a balance of more than one thousand dollars, which was immediately pro-rated by Sister Pitkin, ready to distribute to the various Grand Chapters, when there came from the Grand Chapter of Oregon a request that the General Grand Chapter give Oregon permission to ask for donations throughout the United

States for the purpose of establishing and maintaining Order of the Eastern Star Headquarters at Portland, Oregon, during the Lewis and Clark Exposition. After due consideration, it was decided by Brother Kuhn, Most Worthy Grand Patron, and myself, to assume control of the proposed headquarters, making them National in effect. Personal letters were immediately sent to each Grand Matron, asking if she felt justified in turning over the "St. Louis Fund" balance to the credit of her Grand Chapter, to the Oregon Fund, and if she would be willing to co-operate towards making the proposed headquarters a success; also if she would allow circular letters asking for one cent donations, sent to each of her Subordinate Chapters, through her Grand Secretary. With very few exceptions, the Grand Matrons replied to all requests in the affirmative.

An Executive Board was chosen, to take full charge and control of the matter, as follows:

Margaret Lutke, Oregon, President.
Hattie E. Ewing, Massachusetts, Vice-President.
Lorraine J. Pitkin, Illinois, Secretary.
Nettie Ransford, Indiana,
Mary C. Snedden, Kansas,
Ida M. Lewis, Oklahoma,

Auditing Committee.

William F. Kuhn, Most Worthy Grand Patron.,
Madeleine B. Conkling, Most Worthy Grand Matron,
Acting Advisory.

It is unnecessary to burden my report with full detailed account of all preliminary arrangements, as Official Report from the Executive Board will be made direct to this body. Suffice it to say, a Code of Procedure, which was to govern the Board in all executive, financial and social matters, was carefully prepared and submitted to each member thereof, who accepted the trust assigned to them, knowing full well the conditions under which they were to work. The provisions

of said Code were carried out as nearly as possible, under the varied conditions that arose. Many obstacles arose, and sometimes the outlook was not encouraging, but with Sister Lutke at the head, a woman who does not know the meaning of the word fail, we succeeded in giving to the members of the Order more than we promised. We only promised a *room*, but we gave you a beautiful cottage of six rooms, with all the necessary equipment to make your visit there pleasant and restful.

I wish at this time to publicly thank the Sisters who served so faithfully and well upon this Board. I feel fully justified in now saying that the plans could not have been better executed, nor the details more thoroughly carried out, than they were.

All letters written by me, or received, relating to the establishing, maintaining and closing the said cottage are on file, ready to be turned over to the proper committee, if desired.

I submit to you a picture of the cottage, leaving the routine details to be reported by the proper persons, and trust that you will endorse the methods pursued, and commend the Sisters who faithfully executed them.

WASHINGTON GRAND CHAPTER.

In June, 1905, I visited the Grand Chapter of Washington, for the purpose of trying to prevail upon it to affiliate with the General Grand Chapter, from which it severed its fraternal relations some years since.

In no Grand Chapter has greater courtesy been shown me than was here extended, and while they did not see their way clear at that time to affiliate (and it may be there were a few aching hearts, mine among them); yet when this Grand Chapter at its session in 1906 came back into the General Grand Chapter of its own free will, there was sincere rejoicing among the "90 and 9" over the ONE returned.

VISITATIONS.

September, 1904, Subordinate Chapters under the General Grand Chapters were located in ONLY FIVE States—Mississippi, North and South Carolina, Nevada and Utah, which I visited, as follows:

North Carolina—Mt. Vernon 2 and Lois 8, the only living Chapters in the State, at that time. Instituted four, and organized a Grand Chapter.

Utah—Lynds 1, Mountain View 2, Valley 3, and Queen Esther 4, being all of the Subordinate Chapters in the State. Instituted one, and organized the Grand Chapter.

Nevada—Esther 3, Adah 4, Martha 5, Silver State 6, Argentina 7, Iphigenia 8, Ruth 11, being all except two in the State. Organized a Grand Chapter.

South Carolina—Greenwood 4, Seneca 13, Adah 14, Ft. Mill 12, Esscon 11, Palmetto 10, being all in the State. Organized a Grand Chapter, the Baby Grand Chapter.

Mississippi—None. Organized a Grand Chapter. Although Mississippi seemed to have gotten on the Bad Books, they organized a Grand Chapter May, 1906, with ten chapters, and in First Annual Session, 1907, 40 Chapters were represented. Several have since been added.

It has been a special pleasure and privilege to visit, unofficially, 32 Subordinate Chapters under Grand Chapters.

UNIFORMITY UNITY.

It was several months after the close of the last session of the General Grand Chapter, ere I could see my way clear to make my plans, or map out any line of work, which I could follow during my term of office. Chaos and confusion met me on every side; there seemed to be so much uncertainty in the air; there were no guide posts, telling me which road to take, and there was no way of ascertaining where the many roads would lead, or what difficulties I should find along the way. In fact, I felt like I imagine a sea captain would, if he were on strange waters, with charts and compass lost.

I was muchly advised, first by one "to do this," then by a second "not to do this" and finally one day, was kindly informed, that my platform, did not meet the approval of many of the prominent workers of the Order. This was the last straw, for at that time, sisters and brothers, I had formed no

plans, made no comments, performed no official duties. I had carefully read and re-read the proceedings of the General Grand Chapter, from its organization, together with the Constitution, Rules and Regulations, and found that at one session, a law would be passed, at the next repealed; at another session resolutions would be offered to amend the Ritual, which would be lost at still another. I was confused.

The General Grand Chapter Constitution provides for the expenses of the Most Worthy Grand Matron, in visiting Subordinate Chapters under the General Grand Chapter, ONLY. But I was advised that Nevada and Utah, paid their dues promptly, were in good shape and did not need a visit. That both Sisters Ewing and Hart had visited the South, and found it impossible to revive the Chapters; that to visit Mississippi or South Carolina, would be simply throwing money away, that possibly some work might be done in North Carolina, but it would hardly pay to incur the expense of making such a long journey.

So you see, I had not even found a peg upon which to hang my hat, when I was informed my "platform" was wrong. I simply waited like a belated, befogged traveler, knowing not which way to turn, and I think I would have been standing there until now, if Indiana and Brother Kuhn had not come to my rescue. The former invited me to visit their Grand Chapter, as their guest, and Brother Kuhn, wished me to go into North Carolina and institute some Chapters. This was in February, 1905, between then and April I had made my own decision, as to what I would try to do, and have endeavored to the very best of my strength and ability, to carry out the plans then formed.

I found from the many letters received from the various Grand Matrons, that they were anxious to have uniform work in their Grand Chapters, and were willing to co-operate with me in bringing about general uniformity. Many desired me

to visit them, but could give me no assurance that my expenses would be paid. The Grand Chapters most needing and desiring visits, were those who could not afford to pay my expenses, as they were in debt, and did not even pay their own Grand Matrons' traveling expenses. After consulting Brother Kuhn, and several other prominent members, I decided to make as many official visits as possible, at the expense of the General Grand Chapter, firmly believing that such a procedure was necessary, and I trust the results will justify this course.

I hoped to visit every Subordinate Chapter under the General Grand Chapter, and every Grand Chapter, constituent thereto, and planned a schedule covering the ground with as little expense as possible. But my plans were shattered, first by the illness of my husband, and then by my own, which made it impossible to reach all.

I have witnessed the Ritual work in every Grand and Subordinate Chapter visited, except Washington, and have given to each such instructions as I deemed fitting according to my interpretation of the Ritual. I have striven to bring about uniformity of Ritual Work, as well as law, and have tried to establish between the Grand Chapters and the General Grand Chapter, a feeling of confidence, thus uniting our interests and efforts into one harmonious whole, hoping to bring about results that could not otherwise be obtained, for only in UNITY is there STRENGTH.

In no instance have I attempted to infringe upon the rights of any Grand Chapter, neither do I wish to, I only wish to bring about uniformities of ceremonies and laws; establish unity of purpose, effort and object, and if possible create stronger faith in the General Grand Chapter. How well I have succeeded, except in the first instance, time alone will tell. I have tried,—I have done my best—sparing neither time nor health, to bring about the desired end.

Three years ago, there was a great diversity of Ritual Ceremonies. Sometimes, you would hardly recognize the work; today as far as I know, there are but few exceptions to *perfect uniformity*. Kansas and Texas continue to use the square and compass upon the open Bible, Wisconsin takes up a pass-word, and Indiana uses small culms of barley in giving Ruth's sign. I notice from proceedings that California and Illinois have their own individual floor work, in place of the established Diagram of the Labyrinth, and that Texas promulgated a special form of secret work for its use.

Many of the Grand Chapters in order to comply with my earnest request for uniform work, gave up many customs, some of which were very dear to them, from long association. But their sacrifice was the lever which started the ball rolling and kept it rolling to the end.

And while I appreciate all sacrifices thus made, and rejoice in the abundant success attending this effort toward united work, yet I respect the stand taken by the Grand Chapters that have not yet seen their way clear to help in this work, and feel assured that whenever this General Grand Chapter will come out boldly and interpret its own Ritual, every Grand Chapter will gladly fall into line.

From information received, I find that almost universally, the delegates who visit the General Grand Chapter for the first time, are disappointed that they do not witness exemplification of the Ritual Ceremonies.

The General Grand Chapters Officers have graciously consented, and for the first time since its organization in 1876, the General Grand Chapter tonight will exemplify its own Ritual Work.

This will afford an opportunity to officially interpret the Ritual Instructions, which to say the least are confusing, oftentimes misleading and certainly open to varied interpretations.

It depends upon you, sisters and brothers, individually, whether or not from now on we have uniformity of work, or whether we continue in the same old way. The work will be given you according to my individual understanding, not that I consider my way the right way, but because some person must stand as a target, and I wish to do it for the sake of establishing the right way, be that what it may.

EXTRA JUDICIAL ACTS AND RESULTS.

CONSTITUTION.

For several Triennial Terms, the Executive Officers of the General Grand Chapter have felt that its present Constitution was deficient in many particulars, especially that its character was not specific enough in regard to matters of detail. The statement of organic law of 1876, had become in 1907 too much of a skeleton, leaving the weightier matters of law and jurisprudence of the Order Eastern Star, to the individual opinion of the moment, and to the intelligence of whomsoever happened to be in office, both in the General Grand Chapter and Grand Chapters of its constituency.

This feeling of insufficiency has been found to be widespread, every thinking member in the order apparently giving it serious consideration. No one has felt the inadequacy of the Constitution more than your present Most Worthy Grand Matron and Patron.

From a survey of action taken at Detroit, in 1901, in raising a Special Committee on Constitution, and its partial report in 1904, the subject having been referred back in part,

with directions to report at this Triennial session, it was found that the limitations of this committees' work ended with a partial revision of the present Constitution, and it was the consensus of opinion of several prominent members of the Order, that the said recorded privileges of this special committee were inadequate to afford the relief needed.

Therefore, a committee consisting of five representative members of the Order, from the East, West, South, North and Middle states, was officially appointed by me, with instructions to formulate an INSTRUMENT of ORGANIC LAW, that would meet the requirements of the Highest body of the Order Eastern Star, the sole source of the Ritual and its control.

Believing that by the appointment of this Special Committee better results would obtain than otherwise, because it is *sui-generis* rather than attempting to build on a tentative foundation, laid for another purpose.

The said committee are:

Mary C. Taylor, Minnesota, Chairman.
S. Penrose Williams, Rhode Island.
Oliver Lee McKay, Mississippi.
Mellie W. Guernsey, Washington.
Ellen J. Tilton, Wyoming.

A necessity exists, which very nearly approaches a positive mandate, that this General Grand Chapter, if it would continue to spread the Order of the Eastern Star throughout the world, must be clothed with sovereign powers, implied by its absolute ownership and possession of the Ritual of the said order. If the General Grand Chapter is to accomplish its destined mission, if it is to continue to spread the Order to Canada, and to other portions of the earth where regular Freemasonry exists, its powers must be stated, and not implied.

The form of Constitution chosen by this committee has been that of the United States, "The General Grand Chapter

Order Eastern Star", being paralleled to the general government of this free American people; the specified and constitutional autonomy of the several Grand Chapters (and such as may become constituent) answering to that of the states of this Republic, the best government upon which the sun has yet shone, but not inimical to the Constitutional governments of the British Empire, and others of the Old and New World.

The committee may not have been able to provide all the points in the high standard set up, but if you should find defects therein, it will be easy to build upon the sure foundation presented, and assuredly to the entire satisfaction of the whole Order.

With these preliminary statements, which I consider your just due, the PREAMBLE, CONSTITUTION, RULES AND REGULATIONS are submitted for your examination and approval, together with the report of the committee, and I would ask the reference of both to the Committee on Jurisprudence, and that a report be made thereon at this session.

I have reason to be grateful to each member of this committee, and especially so to Sister Taylor, the chairman, who has so diligently, faithfully and intelligently labored to prepare this report, and I trust the Finance Committee will give to this special committee the same consideration given to other committees.

The report of the committee is hereto attached and made a part of this address.

REPORT OF SPECIAL COMMITTEE.

CONSTITUTION, RULES AND REGULATIONS OF THE GENERAL GRAND CHAPTER, ORDER EASTERN STAR.

*To the Most Worthy Grand Matron, General Grand Chapter, Order
of the Eastern Star:*

Your committee appointed to draft a form of Constitution, to meet the requirements of the Order, at this time, have endeavored to per-

form the duty, in such a way, it will merit your approval. The time granted us, Most Worthy Grand Matron, was of such extreme limitations that we do not feel that we have done either ourselves or the Order justice. While we feel fully justified in defending the Constitution, Rules and Regulations, forwarded to you, yet we are gladly open to any suggestions that will tend to strengthen the said instrument.

We submit the following for your consideration:

MARY C. TAYLOR,
S. PENROSE WILLIAMS,
OLIVER LEE MCKAY,
MELLIE W. GUERNSEY,
ELLEN J. TILTON.

[PROPOSED]

CONSTITUTION OF THE GENERAL GRAND CHAPTER, ORDER EASTERN STAR.

PREAMBLE.

Declaration—Landmarks—Concordat with Scotland.

DECLARATION.

Sec. 1. On the fifteenth and sixteenth days of November, A. D. 1876, the General Grand Chapter of the Order of the Eastern Star was legitimately organized by a Convention of delegates of independent Grand Chapters, and after the manner analogous to the General Government of the United States of America.

Ses. 2. This proceeding had become essential to the future of a system which already was dear to thousands of Freemasons and their families, by means of degrees known as the Eastern Star,—sometimes called "The Adoptive Rite of Freemasonry." With the origin of these degrees this declaration will not deal; suffice to place on record the fact that through various methods of propaganda, an Order had arisen that promised beneficence to the near female relatives of the Ancient and Honorable Fraternity of Free and Accepted Masons, as well as to itself.

Sec. 3. The administrative part of the "Power and Authority" of the original Constitution having spread the Order of the Eastern Star to nearly all the States and Territories of the United States of America, establishing in each a regular Grand Chapter of the Order reaching out to jurisdictions beyond the bounds of the Nation of its birth, the second step of momentous import to the lasting welfare of the Order of the Eastern Star appears essential to its name: "The General Grand Chapter of the Order of the Eastern Star." It has become necessary to place the Order on a basis whereon there shall be a common meeting place, through this General Body; a sovereignty of unity in essentials, a modicum of liberty in non-essentials and a

charity in all things permitted; that the General Grand Chapter may become as it ought the conservator of the Order of the Eastern Star, —its fountain head, so to speak,—that the Grand Chapters established in State, Province, or other civil subdivision, may enjoy the customs of the Freemasonry of which they are measurably auxiliary in beneficent endeavor; that the Chapters subordinate may be assured of security in Chartered rights, to the end that all these rights and benefits may be held in equity and for all time to come, it is ordained that the Landmarks, the Concordat with Scotland, and this Constitution are of perpetual obligation.

Sec. 4. Wherever it is stated, whether in Constitution, Ritual, Laws, Rules or Regulations, that eligibility for membership in the Order of the Eastern Star, shall consist of "Master Masons in good standing, in a Masonic Lodge, and their wives, daughters, mothers, widows and sisters, who have attained the age of eighteen years," it is also provided as of perpetual obligation that the "Masonic Lodge" referred to shall be a *regular* Lodge of *regular* Freemasonry, wheresoever dispersed."

It is further provided that there are no other or higher degrees known to the Order.

THE LANDMARKS.

1. A belief in the existence of a Supreme Being.
2. In the Order of the Eastern Star there are only five degrees, known as Adah, the daughter; Ruth, the widow; Esther, the wife; Martha, the sister; and Electa the Mother.
3. The name of the Order, the nature of the degrees and modes of recognition are unchangeable.
4. Its lessons are Scriptural, its teachings moral and its purposes beneficent.
5. Its obligations are based upon the honor of those who obtain its secrets and are framed upon the principles that whatever benefits are due by Masons to the wives, daughters, mothers, widows, and sisters of Masons reciprocal duties are due to the Brotherhood.
6. That the obligation of our Order, voluntarily assumed is perpetual, from the force of which there is no release.
7. The ballot for candidates, for the degrees or membership, must be unanimous, without debate, and kept inviolably secret.
8. The degrees cannot be conferred unless a brother in good standing shall preside. He may call upon the Worthy Matron to assist in conferring the degrees.
9. Every member is amenable to the laws of the Order and may be tried for offenses, either by the Chapter to which the mem-

ber belongs, or by the Chapter within whose jurisdiction the member resides.

10. The right of every member to appeal from the decision of a subordinate Chapter, to the Grand Chapter, or its executive head.

11. The right of every member to decide, from among eligible candidates, who shall be admitted to membership.

12. The right of every member to visit any regular Chapter unless lawful objection is made to such visitor.

CONCORDAT WITH SCOTLAND.

A. That all the Chapters of the Order of the Eastern Star in Scotland here represented, or declaring their adherence hereto, shall be and are hereby united under one jurisdiction; and the representatives of such Chapters now present or adhering, not only bind themselves to sign this resolution in token of their acceptance thereof, but also bind and obligate themselves and the Chapters which they represent, to ratify and confirm the same and to support and further said procedure as may be requisite to carry this resolution into effect.

B. That the Body formed by this resolution shall be known at present as the "Grand Chapter of Scotland," but shall have supreme and exclusive jurisdiction over Great Britain, Ireland and the whole British dominions (excepting only those upon the Continent of America) and that a Supreme or General Grand Chapter of the British Empire shall be formed as soon as Chapters are instituted therein and it seems expedient to do so.

C. That the Constitution and the laws of the late existing Supreme Grand Chapter of the Order of the Eastern Star in Scotland shall, with some slight alteration, be and are hereby adopted as the Constitution and Law of the Grand Chapter now formed.

D. That the Ritual to be used by all the Chapters under this Constitution shall be that now issued by the General Grand Chapter of America.

E. That this Grand Chapter as now constituted shall take over all Assets and Liabilities of the preceding Supreme Grand Chapter of the Order in Scotland.

F. That all Grand Office bearers and Past Grand Office-bearers of the preceding Supreme Grand Chapter of the Order in Scotland shall be and are hereby accorded Past Grand Rank and shall be entitled to all privileges and precedence thereto.

G. That the Office bearers of the Grand Chapter as now constituted be here and now nominated, elected and installed to hold office till January, 1906.

ALFRED A. MURRAY,
LAURA B. HART.

H. That the General Grand Chapter of America whose Ritual we have adopted will exchange with the late Supreme Grand Chapter of Scotland an official number (three) of said Ritual, in lieu of those the said Body have been using, the same to be furnished free of charge.

LAURA B. HART.

ALFRED A. MURRAY.

Note—This was ratified and confirmed by the General Grand Chapter, the report of the Committee on Jurisprudence, stipulating that the words "of America" in paragraphs "D" and "H" shall not be held on our part to be a waiver of the legal name of this Body, which is and must ever remain, "The General Grand Chapter, Order of the Eastern Star"; and that it does not by this concordat release jurisdiction over any territory except as specified, which was unanimously adopted.

DECISIONS.

In Book of Decisions, there is recorded over five hundred questions, but with the following exceptions the answers have been made by reference to the laws, or former decisions:

LAW.

Question 1: Is the wife of a Master Mason, belonging in Mexico, eligible?

Ans.: No. (This was just NO, because I could not see where to draw the line on recognized and unrecognized Masons of Mexico.)

Question 2: Can we elect as Secretary of our Chapter a person not yet a member?

Ans.: No.

Question 3: Can members from New York visit our Chapters?

Ans.: Yes, provided that all brothers hailing from New York MUST be members of some Chapter in said State.

Question 4: Can a Grand Matron grant Special Dispensation to receive and ballot on petition, at a called meeting.

Ans.: No. All petitions must be received at a regular meeting, and balloted on at regular meeting, in compliance with Ritual Instructions.

Question 5: What course shall be pursued to rid a Chapter of members who are found to be Clandestine Masons?

Ans.: Strike their names from the membership roll, as Masonically, ineligible. (A detailed account of this matter is submitted to the Jurisprudence Committee.)

Question 6: Would it be allowable to have photograph taken of the correct movements of the several signs, and given to the W. M. for guidance?

Ans.: No.

Question 7: What is the voting sign of the Order of the Eastern Star?

Ans.: Uplifting of the right hand.

Question 8: A Mason who has lived in the jurisdiction all of his life, has recently married a lady from another State. Is she eligible to petition our Chapter at once?

Ans.: No. She must gain her individual residence by actual residence.

RITUAL.

Question 1: Do you take up a PASS WORD during the Opening of a Chapter?

Ans.: No.

Question 2: In voting, do you salute the Bible, or the Worthy Matron?

Ans.: Neither. The sign is given, with the eyes upon the Bible, as public renewal of our obligation, reminding us to vote for the good of the order.

Question 3: Does the Worthy Matron step down from her station to shake hands with the Candidate, during the closing of her last address?

Ans.: No.

Question 4: Does Ruth, in giving her sign, hold in her hands "whisps of barley."

Ans.: No.

Question 5.: Who destroys the ballot?

Ans.: The Worthy Matron.

Question 6: Does Adah use the veil in giving her sign?

Ans.: Yes. (Later I found where a decision had been rendered upon this directly opposite.)

Question 7. Can the Grand Chapter fix the price of rituals they are using in its jurisdiction?

A. Yes, a Grand Chapter may sell it to its subordinate chapters at any price fixed by the Grand Chapter itself.

FINANCIAL STATEMENT.

It would be impracticable to give here an itemized account of expenses during the last three years, but any one desiring to examine such, can do so by applying to the Finance committee, who have in their possession, complete itemized yearly statements, with vouchers for all disbursements. BILLS NOT APPROVED.

Two bills from the Right Worthy Grand Secretary, Sister Lorraine J. Pitkin, one for engrossing Charters for the Chapters in North Carolina, and the other for salary for stenographer, were not approved by me, for the reason I held that the former expense should be borne by the Right Worthy Grand Secretary, provided she did not desire to write the Charters in her own office, as it is clearly the duty of the said officer to write all Charters for Subordinate Chapters organized.

The second bill I did not approve for the reason that there was no law allowing this expense, and I did not deem the work of the said Right Worthy Grand Secretary's office sufficiently burdensome to warrant this extra expense; neither

could I convince myself that the results of this expenditure would justify me in approving the employment of a regular stenographer at \$30.00 per month.

RENTS RAISED.

A few months after the close of the last session of the General Grand Chapter, Sister Pitkin, Right Worthy Grand Secretary, notified me that she could not maintain the office for this General Grand Chapter longer in her home for the sum of \$15.00 per month, and that an office down town would have to be secured. Later, she informed me that the office could remain, providing I was willing to pay \$30.00 per month rental. I have since the beginning of the year 1905 approved bills for the said amount, and signed warrants covering same.

RITUAL.

It is true that the Ritual of the Eastern Star is not a masterpiece of ancient literature, translated from hieroglyphics, found upon tablets of stone, that have lain buried beneath the ruins of antiquity since before the flood; neither is it a volume of modern literature renowned for its profound depth of thought, or its skyward flights of oratory, and yet, withal, it is one of the greatest books ever written; it is a book written by one who was inspired with love toward his fellowmen; it is a book of inspiration to all who carefully study and practice the beautiful and holy lessons therein; it is a book sublime for its purity and simplicity, and from this view point has never been excelled by ancient or modern pen.

It sets forth in plain, unvarnished words the religious, moral, mental and physical standard by which to live.

There is an alarming tendency at this time to measure everything from a spectacular standpoint. The quiet, modest church has given place to piles of granite and marble, and the

congregations vie with each other as to style of pipe organ, and size of choir, while the daily newspapers advertise the appearance of some noted soloist, to draw a crowd.

The popularity of the public schools is now based upon the length of the curriculum, and the number of graduates turned out, while the fundamental principles upon which to build a solid education are lost in the mad rush for stage diplomas, flowers and plaudits. The theatre is measured by the number of special cars it requires to move its troops, while even the Home has lost much of the old, peaceful quiet so essential to true happiness.

It is true that the eye is being thoroughly trained in its power of conception of the beautiful, and correct estimate of proportions, but the heart is being neglected in this spectacular training, and man is being cheated out of his rightful heritage.

The lessons of the Ritual are not intended to leave a fanciful picture upon the retina of the eye, but rather to sink deep into the heart, leaving impressions for good that will spring forth as never-failing fountains of pure thought, noble deeds, mental, physical, moral and spiritual advancement.

When we endeavor, as some of us do, to embellish the Ritual work with brilliant lights, moving pictures, stage effects, etc., we mar the sublimity of its simplicity, and defeat the very purpose for which it was intended. We cannot improve the Ritual work by adding any spectacular additions, any more than we can improve the fragrance of the rose or lily by artificial perfumes. Let us keep the work pure and simple, and not lose sight of the object for which this Order was established.

LITERATURE.

Opportunity will be afforded you at this session to examine the several Eastern Star papers, meet their editors personally,

and convince yourselves which paper you wish to subscribe for. And I trust that not one member of this General Grand Chapter, who does not already take one of the papers, will fail to leave their name and their dollar in the hands of the editors or their agents. No member of the Order should be without a good Eastern Star paper, and no Grand Matron or Grand Patron can afford to miss the great help and inspiration for one whole year that can be secured for just one dollar.

MASONIC AND EASTERN STAR HOMES.

It is claimed that to woman is granted the privilege of changing her mind, but there are a few matters upon which I do not crave this privilege—one is the *need* and *utility* of Masonic and Eastern Star Homes. In 1898, when Grand Matron of Oregon, I made the assertion that we needed these homes, and today, after years of close observation, and especially the experience of the last three years, I am still more forcibly of the same opinion.

Sisters and Brothers, the Five Pointed Banner of the Eastern Star will never wave from the highest hilltop of fraternal organizations until we have in the great majority of Grand Chapters a Home.

It is a noticeable fact that in the States where Masonic and Eastern Star Homes exist, there you find the greatest amount of interest and harmony, with the largest amount of money on hand.

The question: "How shall we keep up interest in the Chapter?" is not asked, for there is work to do. There must be some object, else ambition to excel is dead.

It was my intention to give a brief synopsis of the Homes in operation, and those in contemplation, but this minute the sun is setting for August 23, and this report must go to the printer at once. I can only ask you, sisters and brothers, to

reflect. We know not what changes may come upon you and me, in the coming years.

APPROPRIATE COLORS.

Many times have I been requested to give the official regulation colors for Officers' Robes, to both members and manufacturing houses. There being no official regulation, I could not grant the request.

The colors appropriate for six of the seventeen officers are given—the balance is left to the personal opinion of the Worthy Matron, or Committee who provides the robes, or to the manufacturer, it must follow that great diversity prevails. As this is a matter relating to uniformity, and a matter certainly under the control of the General Grand Chapter, I trust some action will be taken at this time, and Official Regulation Colors adopted.

COURTESIES EXTENDED.

Under this head it would be impossible to enumerate all the courtesies extended me, for never once has the sun rose an set, since September 1904, without recording some kindly act or word. Without this, sisters and brothers, it would have been impossible for me to have completed my work, even as well as I have, and I thank you from the most sacred depth of my heart. May your many kindnesses be as "Bread cast upon the waters."

INVITATIONS.

Three times, from each Grand Chapter, has come the invitation to attend their Annual Session. A few times I have failed to reply, not being at home; sometimes the date escaped me, but in the great majority of cases I sent personal greeting, and often reached them by telegram as the last resort.

Many invitations to attend Subordinate Chapters have been received; but only in a few instances has it been possible to accept. Whenever I could accept these invitations, the most generous greeting and hospitality has awaited me.

LAYING CORNER-STONE.

Nine invitations to assist in laying corner-stones have been received, but with the exception of Kansas Grand Chapter, when the corner-stone of the Eastern Star Chapel was laid, it has been impossible to accept. The remembrance of this occasion is recorded as one of the happiest events of my work. Inspiration was there imbibed that has aided me materially in stimulating the lagging enthusiasm of some of the members along the lines of practical work.

DEDICATION CEREMONIES.

Three invitations to attend Dedication of Homes, and fifteen Masonic Temples have been received, but unfortunately all came at such time when acceptance was impossible.

I regretted my inability to attend the dedication of a column in Luray Cave by the Grand Chapter of Virginia, named in my honor.

PUBLIC ADDRESSES.

Over forty invitations have come requesting public addresses, but only in five instances has it been accepted personally. Upon special request I have sent fourteen typewritten talks, and four record addresses.

SCHOOLS OF INSTRUCTION.

I failed to keep record of the number of requests which came for me to hold Schools of Instruction for Grand Chapters, but can recall ten, only three of which I could attend.

Indian Territory for Deputy Grand Matrons.
Pennsylvania, Subordinate Chapters of Pittsburg.
Wyoming, entire Grand Chapter.

Each of these meetings were fraught with much interest, and excellent work done. I wish it had been possible to accept all such invitations, as in my opinion here can be accomplished the most good for the greatest number with the least outlay of time and money.

HONORARY MEMBERSHIP.

Among the many courtesies extended me, the one perhaps appreciated most of all was being elected honorary member of many of the Grand Chapters visited; also Subordinate Chapters and several Associations.

While this honor carries with it no privileges, neither does it impose any demands. Nearly all of the Grand Chapters have followed the first courtesy by handsomely engrossed Certificates of Membership, which almost entirely cover the walls of my library. These, with the remembrance of the gracious, loving words, will ever be one of the sunniest spots in memory of the past three years. With so much sunshine in a room, it could not be gloomy or lonely.

Have been elected Honorary member as follows:

GRAND CHAPTERS.

Alabama,	Maryland,	Ohio,
Arkansas,	Massachusetts,	Oklahoma,
Colorado,	Michigan,	Pennsylvania,
Florida,	Minnesota,	South Carolina.
Illinois,	Mississippi,	South Dakota,
Indian Territory,	Missouri,	Tennessee,
Kansas,	Nebraska,	Utah,
Louisiana,	Nevada,	Virginia,
Maine,	North Carolina,	Wisconsin,
		Wyoming,

SUBORDINATE CHAPTERS.

Maple No. 90, Chicago, Ill.
Esther 11, Pawnee, Okla.
Mt. Vernon 2, Orr Hill, North Carolina.
Orient 77, Northville, Mich.
Mizpah 5, Salt Lake City.
Oklahoma No. 1, Oklahoma.
Stroud, Oklahoma.
Lei Aloha No. 2, Honolulu.

ASSOCIATIONS.

Matrons and Patrons' Association, Mass.; Grand Matrons and Patrons' Association, Kansas, and Queen Esther Auxiliary, O. E. S., Indiana.

NAMESAKES.

Out of the overflowing love in their hearts, a number of Chapters have been named for me, some using the full name of Madeleine B. Conkling Chapter, others "Madeleine." While I appreciated the spirit that prompted this honor—and it certainly is an honor—yet I do not approve of naming Chapters after any living person, and have so informed the various Chapters, suggesting that I would like to name their Chapter instead; and in some instances the request has been granted, but in others they held to the name, despite my protest.

LIFE MEMBERSHIP.

My own Chapter, Roseburg No. 8, of Oregon, the Chapter that was instrumental, and in whose hall the Grand Chapter of Oregon was organized, unanimously voted me a Life Member, thus relieving me of dues. While this courtesy was appreciated

more—a hundred times more—than any received, yet I could not accept, as I wish *always*, as long as life shall last, to be a contributing member to the Chapter that made it possible for me to receive from your hands the greatest honor in your power to bestow upon one of your members.

SOCIAL ENTERTAINMENTS, RECEPTIONS, ETC.

These are too numerous to even try to record, but there have been drives, banquets, theater parties, private and public receptions, upon every possible occasion or provocation. All have been appreciated to the fullest extent.

REMEMBRANCES.

So many tokens of kindly and loving remembrance have come to me that I have no words with which to express my appreciation, fitly or in volume, as would even dimly reflect the true feeling that is in my heart. But I thank you, and know that when the work of the past three years has become record only, that many times will I live over again in memory my pleasant associations with you.

CONCLUSION.

Sisters and Brothers, the time allotted to my keeping, in which to complete my work as your Most Worthy Grand Matron is now consumed. Three times have the Christmas bells pealed joyously forth, and three times have we turned a spotless page upon which to begin the record of a New Year. While every moment of my time has been given, yet I have not accomplished half I had hoped.

In my visits to the Subordinate Chapters under the General Grand Chapter, I found the Ritual Work, with few exceptions, well rendered. To the Chapters of Nevada is due special

praise for Ritual Work; also for the excellent condition of their books. These Chapters, it will be remembered, were formerly under the control of California.

At all of the Grand Chapters visited, there has been good attendance, much interest and enthusiasm manifested, and a growing determination to establish Masonic and Eastern Star Homes, where not established, and complete harmony of action in helping maintain those already in operation. With one or two exceptions the rendition of the Ritual Work has been excellent, and in the main correct. The business has usually been dispatched with a thoroughness that defies criticism. Upon every visit, whether to Grand or Subordinate Chapters, I have received the same true fraternal courtesy. I would it were possible for me to go into detail regarding these visits, for the "Little Red Book" certainly has a most interesting record.

I have been repeatedly assured that the suggestions offered were received in the same spirit in which they were given. It would, indeed, be most disastrous for our advancements, or the advancement of any enterprise, if "all were of the same opinion." But if we expect consideration of our opinions, we must respect the opinions of others, and allow them the same privileges we demand for ourselves. I have tried to do this; whether I have or not, you know.

In performing the various duties, as I understood them, I have traveled 54,160 miles, and written more than 12,000 letters.

Knowing that WORDS were inadequate to fitly express my appreciation of the honor received at your hands, or my sincere gratitude for the manifold kindnesses and personal courtesies extended to me, during the three years which are fast slipping from me, I have tried to *prove* the same by daily work for the betterment of the Order.

Those of you who have helped me know it, and so do I, and I assure you that no woman was ever more grateful or appreciative.

Sincerely and fraternally,

MADELEINE B. CONKLING.

After the reading of the Memorial in the Most Worthy Grand Matron's Address, she called the General Grand Chapter from labor, to reconvene at two o'clock P.M.

IN TRIENNIAL ASSEMBLY.

FIRST DAY—AFTERNOON.

Wednesday, September 4, 1907.

The General Grand Chapter was called to labor at two o'clock by the Most Worthy Grand Matron presiding, who completed the reading of her report.

Upon order of the Most Worthy Grand Patron, the Address of the Most Worthy Grand Matron was referred to the Committee on Distribution.

ADDRESS OF MOST WORTHY GRAND PATRON, WILLIAM F. KUHN.

To the Members of the General Grand Chapter:

SISTERS AND BROTHERS: "Twelve times the iron tongue of Time has tolled" the triennial sessions of this General Grand Body. When measured by man's brief span of life, a generation has passed away since this organization was formed. Yet man's life or a generation is the mere tick of the clock whose dial indicates centuries and whose chimes toll out ages and eons.

As we meet here today, many may pause in retrospection, and find joy and satisfaction in the growth of the Order, as it has surmounted every obstacle, overcome prejudice, made enemies into friends and seeming defeat into victory.

We can to-day study with much satisfaction the onward march of civilization in its upward trend toward a higher standard of morality and ethics; in the equality of man and woman, in the court of public opinion and in the halls of justice.

We begin to realize that moral rectitude is not an expediency, but that it is the only safe standard in private and public trusts. I can see a greater and a more influential future for our Order than at any period of the past. We as members are caring less for the non-essentials, but more for the essentials. The martinet of grips, words and signs is rapidly passing away, but the thinking and acting man and woman are increasing — the man and woman who believe that humanity needs less of ceremonies, but more of cheer, less abstract Ritual, but more love; men and women who will pay less "Tithes of mint and anise and cummin," but more attention to the weightier matters, mercy, faith and charity.

The doctrine of hearts made lighter, lives made brighter, will outlive all theory, Ritual, official distinction and self-aggrandizement. Our Order, I trust, will recognize in its Twelfth Triennial Session that:

"God is a Father,
Man is a Brother,
The Earth is our Mother,
Life is a mission and not a career.
Knightship is service,
His scepter is gladness,
The least is the greatest,
Saving is dying,
Giving is living,
Life is eternal and Love is its essence."

The unseen player on the golden harp of our Order has touched a sweeter chord; its notes speak of love, of joy, of gladness, of Home; whose harmonies will touch the heart of a cold, grasping and selfish world. May its seraphic sweet-

ness be carried as on the wings of the morning to the uttermost parts of the earth, to hamlet and palace, to the rich and the poor. So that it may roll back as a mighty chorus in that angelic song of Bethlehem's Plains, "Glory to God in the highest, on earth peace, good will to men."

In this spirit I greet you.

EXTENSION OF THE ORDER.

At the beginning of my official term I immediately took up the matter of the extension of the Order. I concluded to conduct all the correspondence and manage this duty through the office of the Most Worthy Grand Patron. All blank forms were printed in the name of this officer for two reasons: First, to save time; second, that the unoccupied territory of the General Grand Chapter might know that there was such an officer.

I issued a circular letter in reference to the Order and mailed it to every Lodge under the following Grand Lodges: South Carolina, North Carolina, Mississippi, Delaware, Nevada, Utah, Ontario, Manitoba, Alberta, British Columbia, Quebec, New Brunswick, Prince Edward Island and Nova Scotia.

Soon inquiries came from the several States, but from Canada they were very meager. The Provinces of British Columbia, Alberta and Manitoba are promising fields, owing to the immigrations of many Americans into these Provinces. The prospects in Ontario and Quebec are only fair; a few Chapters may be organized in these Provinces, especially where a colony of Americans are located, but the advancement will be slow.

In the Eastern Provinces of Canada there is very little to hope for now. The prejudice of anything from the States, as well as the fossilized notions against "Woman Masonry" will

require years to overcome. "Woman Masonry," as the enemies call the Order, is as a red rag to them, just as it once was in our States, and some are roaring yet. When a proper knowledge of the mission of the Order has become disseminated in these Provinces, light will come and prejudice will pass away.

Unfortunately some of our friends in these Provinces, in their eagerness and zeal to win the Grand Lodges for the Order, went into the Grand Lodges for an endorsement. The result was inevitable. Not only were their efforts frowned upon, but an edict promulgated against the Order. "Do men gather figs from thistles?" Not that any one has heard. Neither can you catch a thief with a brass band.

In the good old days of Charlemagne, men were converted in their religious views by the soothing exhortation, "Change, or off goes your head." The advancement of the Order must be conducted on rational educational methods. "By their fruits shall ye know them." If the Order in our own country had waited for the endorsement of a Grand Lodge before a Chapter could be organized, then that one Chapter would still be unorganized. The Order of the Eastern Star has converted the Grand Lodges by its sacred mission, its aims, its fruits.

In our own country the work was easy, so that we can now proudly claim that the banner of a Grand Chapter floats over every State, except little Delaware. This State, with its five Lodges, is still without a Chapter within its borders.

In taking up the work in the unorganized States, I found chaos. The few Chapters in North Carolina, South Carolina and Mississippi were nearly all dead. They existed in name merely, and were worse than useless. In North Carolina I found a few enthusiastic members, and, after securing four applications for Charters and one in South Carolina, I commissioned your Most Worthy Grand Matron as my Deputy to organize them.

This plan was adopted because I realized that the Order of the Eastern Star graveyard had been filled by the poor work of incompetent deputies. The effort surpassed my expectations. Not only were these Chapters well instituted, but the Order of the Eastern Star zeal so increased that a Grand Chapter was organized within a month thereafter. This Grand Chapter has fulfilled our trust. My special thanks are due to Brother L. M. Cook at Red Springs, now Past Grand Patron, and Mrs. Emma Siler, of Siler City.

The vicissitudes of the Chapters of Nevada have been many, as the records of the General Grand Chapter will show; but there was hope and zeal in the sisters and brothers. After organizing a Chapter at Fallon, and after a unanimous vote of the Chapters expressing a desire for a Grand Chapter, I commissioned our Most Worthy Grand Matron, Sister Conkling, to organize the Grand Chapter of Nevada, which was excellently done at Reno, September 19, 1905.

The Chapters in Utah were anxious to form a Grand Chapter, but lacked one Chapter of the Constitutional number. With some effort, a Chapter, Mizpah, No. 5, was instituted and the Grand Chapter of Utah was organized by Sister Conkling, as my Deputy, on September 20, 1905. While it may seem hazardous to organize a Grand Chapter with only a Constitutional number, yet the end will justify it, as a Grand Chapter can organize and take care of its own territory better than the General Grand Chapter.

The Grand Chapter of Utah will never be a large one, yet it will live and do equally as good work as a large one. Besides, think of the possibilities of a Grand Chapter in which every expectant, palpitating Matron and Patron has a sure passport to being a Grand Officer.

Mississippi seemed hopeless until the Goddess of Fortune found for me Brother O. L. McKay, of Meridian, who was the first Patron of Meridian Chapter, No. 11, instituted June

22, 1905, with 110 Charter members. While this Chapter was numbered 11, it should have been No. 1, for its work and enthusiasm. Six new Chapters were organized rapidly and I again commissioned our Most Worthy Grand Matron to organize a Grand Chapter. The Grand Chapter of Mississippi was born on the 29th day of May, 1906, and it is a lusty youngster.

The Chapters in South Carolina, numbering ten, were all dead except one. The Most Worthy Grand Patron has no authority to even bury a dead Chapter, but the opportunity came, during the illness of the Most Worthy Grand Matron, when your Most Worthy Grand Patron seized the reins of government and became a sexton, a gleeful grave digger. I buried eight at one digging. This act was followed by a resurrection, through the efforts of Brother W. F. R. Cahall, who organized four new Chapters.

During the visit of the Most Worthy Grand Matron to the Chapters of this State, I commissioned her to organize the Grand Chapter. This was done on the 1st day of June, 1907.

The greatest difficulty that has beset the advancement and growth in many of the Southern States has been the itinerant degree peddler. These male hawkers have obtained possession of some old Ritual and have sold their shoddy wares in many Lodges. The organizations of Grand Chapters has put this Simon Magus out of business.

One more Chapter has been organized in the Hawaiian Islands, two in the Province of Alberta, Canada, one in Dawson, Yukon, and at Nome, Alaska.

Several opportunities have presented themselves to organize Chapters in Mexico, but owing to the unsettled condition of Masonry in Mexico, where there is only one legitimate Grand Lodge, the Grand Lodge de Valley of Mexico, and even this one has not been accorded recognition by all the

Grand Lodges of the United States, I have not pushed the organization.

I received a petition for a Chapter from Cananea, Sonora, signed by Americans who live there, and as its organization was enthusiastically urged by the late lamented Sister, Mrs. Bessie H. Grosetta, of Tucson, Arizona, I granted the dispensation. I think that as Mexico is rapidly being filled by Americans, the field for Chapters will soon be very promising.

I have constituted the following Chapters: Mississippi, 6; Nevada, 1; North Carolina, 5; South Carolina, 5; Utah, 1; Hawaiian Islands, 1; Canada, 3; Alaska, 1; Mexico, 1. Total, 24.

Right Worthy Grand Secretary.

Grand Matron, Mrs. Mary P. Ouzts, Greenwood; Grand Patron, Henry P. Boggs, Seneca; Grand Secretary, J. H. Thornwell, Fort Mill.

With the organization of subordinate and Grand Chapters, the labors of the Most Worthy Grand Patron terminate. Under the Constitution there is nothing else for him to do, except to act as an Aaron and Hur in supporting the arms of our Moses, the Most Worthy Grand Matron. This I have tried to do, and experienced no difficulty, as all her acts have had my hearty approval and support.

CIRCULAR LETTER NO. I.

Early in the triennial period your Most Worthy Grand Matron issued under joint signature Circular Letter No. 1. The necessity of such a letter was very evident. The Constitution clearly places the control of the Ritual and qualification for membership under the authority of the General Grand Chapter.

A wide divergence of views as to the interpretation of many things in the Ritual demanded some official utterance for the guidance of the Grand Chapters, until the General Grand Chapter shall have made a declaration thereon.

This Circular Letter contained: First, decisions on mooted questions in the Ritual; second, suggestions as to uniformity of work; third, questions and suggestions as to the jurisprudence.

It was very gratifying to know with what almost universal unanimity this letter was received. It seems needless to discuss portions of it here, but as it will come before you for consideration, I will briefly give my reasons for its hearty support.

In some subordinate Chapters all manners of marches and preliminary ceremonies were introduced. Much of it is evidently borrowed from fraternal insurance societies. This was not done by the sanction of the Grand Chapters, but on individual responsibility. The attention of Grand Chapters was

called to this condition and that the Ritual specifies to some extent the preliminary ceremonies.

The collection of a Pass, while not prevalent, yet it occurred frequently enough to cause confusion. It is unnecessary to discuss this question, as there is no authority in the Ritual for collecting a Pass in the opening ceremony.

The second violation of the Ritual was the use of the Square and Compasses upon the Altar. Where this custom of using a Masonic Altar in a Chapter of the Order of the Eastern Star originated, I do not know. The Ritual clearly specifies that the Order of the Eastern Star Altar has "upon it an open Bible." An Altar is a square or oblong box and is common to all organizations. But that which makes an Altar distinctive is not so much the shape, the upholstery, its beauty or its finish, but it is that which rests upon it.

The Masonic Altar is the Holy Bible, Square and Compasses. The Bible is a common heritage. No one society, church or organization can pre-empt it and it is doubtless found on the altar of many secret societies. The Masonic Altar is distinct in this, that on the open Bible rest the implements of the Master's Craft. These two implements of themselves and in their position have a special significance and symbolism to every Mason. In the Order of the Eastern Star they are meaningless. They add nothing to the Altar. The framers of our Ritual recognized this and therefore specified that which bears to every member a great lesson: "Upon the Altar an open Bible." Open, not shut. A Bible open to all, unchained. Because the Square and Compasses are on the jewel of the Worthy Patron is no argument for its use upon the Altar. The whole argument lies in this, that when a candidate kneels at our Altar to take the solemn vow, he or she should kneel at an Order of the Eastern Star Altar and not at a Masonic Altar.

The qualification for membership is definitely stated and no Grand Chapter can make a step-daughter eligible.

A wide latitude has been given in the matter of robes, collars and regalia. The minimum only has been prescribed. I think that this is wise. I believe that each Grand Chapter should prescribe definitely of what this regalia shall be in excess of the minimum.

In reference to this question of regalia your General Grand Chapter officers made the suggestion that aprons be not worn for reasons assigned. That it is prejudicial in the opinion of Masons. This suggestion was not binding upon Grand Chapters, but I sincerely believe it should be adopted.

There is a custom in many Grand Chapters, and even the General Grand Chapter is guilty of the same offense, in giving special duties to the Marshal and Grand Marshal. This "May have Officer" is elevated to be a great factotum, and not only pre-empts the duties of the Conductress in introducing and accommodating visitors, but also becomes a herald and proclaims Grand Chapter opened and closed. I have always labored under the idea (possibly it was a delusion) that a Grand Matron was at the head of the Order and did not have to delegate the announcement of her wishes through a herald.

This custom was evidently borrowed from some semi-military organization where orders were promulgated through heralds and adjutant generals. If we are to continue this custom, why not arm this Marshal with a bugle instead of a baton and clothe her in armor? The only instance in which a Marshal would have a function to perform in reference to visitors would be in case of a visitation of a Grand Officer, when she would conduct a committee with the Conductress to greet the Grand Officer and reconduct this procession to the room; but the Conductress introduces the visitors. The Marshal holds identically the same position as the Marshal in a Masonic Lodge, whether Grand or subordinate, whose

duty, solely, is to take charge of all processions and annually proclaim the officers duly installed.

Before leaving the subject of the Ritual, may I ask by what authority do Grand Chapters and the General Grand Chapter open with any other ceremony than that laid down in the Ritual?

We are closely related to the Masonic Fraternity, yet no Mason has ever heard a Grand or General Grand Masonic Body opened upon any other ceremony except that of a subordinate body. The only change is that of the title of the officer addressed.

The Circular Letter contains suggestions which were merely given to promote uniformity. These suggestions were based merely upon a personal opinion.

The Circular Letter placed restrictions on the admission of visitors who claimed to be members of the Order and hailing from New York and New Jersey. That such restrictions are necessary is evident, because these jurisdictions merely obligate some Master Masons to secrecy and who are not members of the Order.

I trust that this General Grand Chapter will give forth no uncertain sound on this matter.

The Circular Letter called attention to clandestine masonry and urged special care thereto. The Western States are not permeated with clandestine masonry, but east of the Mississippi River much mischief and trouble have arisen. In the Grand Jurisdiction where such masonry exists, special care should be exercised in the selection of material.

I would again emphasize another point, that the jurisprudence of the Order should be based as far as possible upon the Masonic Jurisprudence of the State in which the Grand Chapter exists. One need but read the decisions of Grand Matrons, Grand Patrons and the reports on jurisprudence of the Grand Chapters to note the chaos that exists in many instances.

Law, it seems, is merely an expediency to be set aside at a whim.

NEW JERSEY.

This Grand Chapter claims to be an independent Chapter, yet is using the General Grand Chapter Ritual with such addenda as it may see fit. This Grand Chapter follows in the footsteps of the Grand Chapter of New York, permitting any Master Mason to visit a Chapter merely on the pledge of secrecy.

This Mason is not a member of the Order, pays no dues, owes no allegiance and is not entitled to its rights and privileges except to visit and be present at feeds. He is in possession of all the secrets yet not a member, an anomalous condition. In law, he is and he is not. He is a sort of a "What is it?" He has been called a "Parlor Star." This term is very expressive. He toils not neither does he spin in the Order of the Eastern Star loom, hence is only fit as an ornament in a parlor. Sort of a bric-a-brac set on a "what-not." I have no objection to the Grand Chapter of New York having this bric-a-brac, as they use their own Ritual, which provides for such pledges of secrecy, but the Grand Chapter of New Jersey uses our Ritual and then deliberately violates it. This Grand Chapter, while claiming to uphold our landmarks, permitted for several years one of these bric-a-bracs to preside at the initiation. Think of a person who is not a member of the Order administering an obligation to which he himself is not bound. Yet this General Grand Chapter has permitted this, all for the sake of selling Rituals and the lack of courage of enforcing the laws.

This General Grand Chapter is something or it is nothing. This wishy-washy, shilly-shally policy ought to cease. Why not eat plenty of starch for the next three days and stiffen

OF THE ORDER OF THE EASTERN STAR

our backbone. If we simply exist to elect a few officers and pay a few persons salaries, let us adjourn sine die.

If we are a governing body then let us govern. I admire the courage of a lion, but despise the flabby jellyfish.

The sale of Rituals to the Grand Chapter of New Jersey should cease and stop now. If they wish to be independent, well and good, but not on our Ritual.

GERMAN RITUAL.

Many inquiries have come to both of your Most Worthy Grand Officers as to the organization of German Chapters. In several Grand Jurisdictions excellent Chapters in the German language can be organized.

Your Most Worthy Grand Matron accepted the kind offer of Brother August Torpe, of Chicago, to translate the Ritual into German. It has been done and two Chapters under the Grand Jurisdiction of Illinois have used it.

I have a copy of it and read it carefully, and while I do not claim to be a German scholar or versed sufficiently in classic German to be a critic, yet I have found no trouble in reading it understandingly. I believe all competent critics will pronounce the translation as excellent in its exactness and beautiful in its language.

I would heartily recommend the adoption, printing and promulgation of this translation, and, further, that in publishing it due credit be given the translator and a handsome honorarium be given Brother Torpe by the Finance Committee.

RECOMMENDATION.

I would recommend that hereafter all blank forms, literature, etc., issued for sale or distribution, be issued in the name of the General Grand Chapter and not in the name of a Grand Officer.

FINANCES.

It has been my misfortune and your good fortune that I have not been able to spend any General Grand Chapter funds, except for stationery and stamps.

But under our present system of finances, it will appear as if I had been very free with the funds.

This preliminary statement is made merely to call attention of the Committee to the fact that a certain sum should be set aside for the Deputy account of the Most Worthy Grand Patron.

I have made it a practice that Deputy expenses for instituting Chapters were paid. In several instances the Deputy refused to receive such expense money; but such expenses are legitimate, and should be paid out of a Deputy Fund and not charged up to the Most Worthy Grand Matron or Most Worthy Grand Patron.

The expenses incident to the organization of Grand Chapters should be paid out of such a fund.

During the past three years I deputed the Most Worthy Grand Matron, not only to organize subordinate Chapters, but also the new Grand Chapters.

These expenses should not be charged as personal expenses to either of us, but against the Deputy Fund.

CONSTITUTION.

The need of a Constitution for the General Grand Chapter and general regulations for the Grand and Subordinate Chapters are apparent to all.

The crying need in the Order is a little knowledge of law. But where can it be found? If there has been one demand above all others during this triennial period upon your Most Worthy Grand Patron, it has been "Send me some Order of the Eastern Star laws and regulations." To the men

this may seem strange. Yet we must not forget that every Mason, if he has paid any attention to his Lodge, has been schooled, yes, saturated, with Masonic Jurisprudence. The Sisters have not had this opportunity. A new field of study and investigation suddenly opens before her the moment she is elected Matron of her Chapter, and still greater become the perplexities and complexities of law when she is elected Grand Matron. Masonic Grand Jurisprudence differs somewhat in minor details and local matters, but the general principles of Masonic Jurisprudence is universal in its acceptance and application.

If you place side by side the Masonic Code of California, Missouri and Maine—the West, the middle and the East—the unity of the three become apparent. So should it be in the Order of the Eastern Star. This unity can come from but one source, the General Grand Chapter, the governing body.

The General Grand Chapter has furnished nothing except a few contradictory decisions. Our Constitution is a monstrosity and we have no by-laws or general regulations for the information and government of the Order.

The Ritual contains some law and general regulations, but these do not appear to have ever been adopted as a part of the Constitution. If they have ever been adopted, why are they not printed as a part of the Constitution?

This chaotic condition of law is well illustrated by a Grand Matron who said: "She had granted Dispensations, because she had read that Grand Matrons of other jurisdictions had done so."

I have heartily seconded the efforts of the Most Worthy Grand Matron in bringing this question of a new Constitution and general regulations before this Body this Session, and I sincerely hope that as the Order asks for "bread we will not give it a stone."

CONCLUSION.

My work is done. It is not in my province to discuss many of the phases of our Order, however tempting they may be. I am here to render to you merely an account of my stewardship and to return to you my emblem of authority that I have worn with pleasure for three years. Be assured to-day that I am not insensible of the high honor which you have intrusted to my care and keeping.

In laying aside official duties, I can assure you that the position of honor has concerned me least. Mere official distinction is a mere gew-gaw. It brings no soul to the soulless; no heart to the heartless; no intellect to mediocrity. It may make a queen more queenly, a king more kingly, but it may also make a buffoon the more a fool.

Official distinction should mean work and self-sacrifice; without it no glory, no reward. Life if truly lived is full of sacrifice; and without it life is a failure. The simplest life finds this even so. It is a law of nature that the greatness of official distinction is measured by the greatest sacrifice and toil.

The Triennial period has passed. My labors have not been difficult or hard; yet I realize that it has been one of the most successful three years in the history of the General Grand Chapter. We know one another better; we are nearer together; the bond of union between Grand Chapters has been strengthened. We have a better, clearer and nobler conception of what it means to be a member of the Order of the Eastern Star. May I say it? This General Grand Chapter has attained to this end because Madeleine B. Conkling, your Grand Matron, has lived in it, sacrificed for it, during the past three years. I was but an associate officer and could do but little, save to stand by and applaud a woman's unselfish, heroic labors. To her belongs the credit. Un-

tiring, alert and aggressive has been her policy. She has had my enthusiastic support and commendation. To her, to the Grand Secretary, to the Grand Treasurer and the other Grand Officers, I thank you.

WHAT OF THE MORNING?

The order of the Eastern Star is still in its formative period. In the morning of its life. Are there signs of promise? Are there inherent forces that will carry it onward in a glorious mission and to a triumphant end? Or will it fail and pass into forgetfulness, like many other human agencies that have flourished and passed away? The answer is readily found in what may be your conception of the Order. If your conception does not mean a willing sacrifice for some one's good, a sublime devotion to a principle that takes hold of humanity here and places it on a higher and loftier plane yonder; if the work of the Order does not consider others and is purely selfish, then it will die and ought to die.

If your conception of the Order is purely social, then it will prove a failure. If you think it is an arena for purely intellectual combat, it will prove a sorry spectacle. If it is a field for theological or philosophical discussion, it will be a disappointment. If it contains no more for you than the ceremonial of the degrees, what a disastrous conception. If it is a mere official position, and a few days of glory, the dregs of the official cup will indeed be bitter.

The possibilities of the human soul make life a pleasure and its destiny eternal. The possibilities of the soul, the spirit of our Order, will make it a pleasure for its members, a great factor in the world's progress, and infinite in its influence and fruitage.

Principles live, ceremonials die; selfishness is an ogre of destruction. Altruism, to live for others, is an angel of peace.

Our Order should be social; it should be intellectual; it

should be a moral agency; a family circle to which only the kind-hearted should come; where the ignorant and illiterate cannot enter; where the scandal monger cannot intrude his or her unsightly carcass; where love to humanity shall reign.

Will our Order live? Will it meet the demands of the world and the lofty conception of the heart? Yes. The two points of our Star reach out toward the East like extending arms, as if to grasp the rising Sun, emblem of light, purity and joy.

In this receptive attitude our Star must stand; facing the coming Sun of charity as it gilds the mountain top in iridescent glory; facing the glow and heat of self-sacrifice; facing the rising sun of every opportunity; facing the golden rays of love as they by magic touch, brighten and illumine the dark recesses of despair and misery; facing the dawning of a new morning of progress, of advancement; to higher ideals, a day dawn of triumphant hosannahs.

The principles of our Order find their best fulfillment in humanity's needs and point to a higher destiny. Mortality and immortality, the beginning and the ending.

Shall the Order live? I would build a Star whose two points rest on the foundation of love as exemplified in Electa, and devotion to duty as exemplified in Adah. Love, Charity, two words. Let us make it one word—Lovecharity. The stone on which the weary in life's battle may rest. The pillow from which the tired sleeper sees the heavenly ladder with the angelic throng. Devotion the willing sacrifice, a foundation stone laid centuries ago in fair Judea, which time has not destroyed, and ages can not cause it to crumble and decay. As long as human hearts love the heroic and true devotion, so long will Adah live. A life based upon charity and devotion. An Order whose foundation is love, charity and devotion can not end. Here a superstructure must rise adorned with the attribute of immortality.

From these two fundamental principles will arise two more points as represented in Ruth and Esther. Doing one's duty, whether it be among the lowly or exalted. Whether it be for me to glean among the fields already reaped, with but a handful as my reward, unseen, unknown, yet labor on; or whether I stand clad in the robe and crown of wordly wealth and honor, duty, my duty; for who knows but that "Thou hast come into the kingdom for such time as this."

Duty the only mandate; duty in hovel or palace; duty in the field or on the throne; for these are the beautiful attributes founded on Devotion and Love.

Aye, more, from these must come one more; as the unfolding of the flower brings its fragrance, so the unfolding of love to humanity, of fidelity to vows, of doing our duty where'er our lot be cast, there will come in its beauty and glory to the breathing of every soul, to the prompting of every heart, the evergreen ray of Immortality, pointing upward to our destiny—Home!" "Believest thou this?"

"If Peace is thy prompter and Love is thy guide,
And white robed Charity walks by thy side,—
If thou tellest the truth without oath to bind,
Doing thy duty to all mankind,—
Raising the lowly, cheering the sad,
Finding some goodness e'en in the bad,
And owning with sadness if badness there be,
There might have been badness in thine and in thee,
If Conscience, the warder that keeps thee whole,
Had uttered no voice to thy slumbering soul,—
All God's angels will say, "Well done,"
Whenever thy, mortal race is run.
White and forgiven,
Thou'lt enter Heaven,
And pass unchallenged the Golden Gate,
Where welcoming spirits watch and wait,
To hail thy coming with sweet accord,
White and forgiven,

"If thou art humble and wilt not scorn,
However wretched, a brother forlorn,—
If thy purse is open to misery's call,
And the God thou lovest is God to all,
Whatever their color, clime or creed,
Blood of thy blood, in their sorest need,—
If every cause is good and true,
And needs assistance to dare and do,
Thou helpest on through good and ill,
With trust in Heaven and God's good will.—
All God's angels will say, "Well done,"
Whenever thy mortal race is run.
White and forgiven
Thou'lt enter Heaven,
And pass unchallenged the Golden Gate,
Where welcoming spirits watch and wait,
To hail thy coming with sweet accord,
To the Holy City of God, the Lord."

Yes, our Order will live.

Fraternally submitted.

WILLIAM FREDERICK KUHN,
Most Worthy Grand Patron.

By order of the Most Worthy Grand Matron, the Address
of the Most Worthy Grand Patron was referred to the
Committee on Distribution, which is as follows: Mrs. Allena
D. Ward, Mrs. Lina H. Baldwin and Mrs. Anna E. Manhein.

Of the Accounts Receivable on the 15th of July, 1907, the Grand Chapters of Mississippi, Illinois, Indian Territory, Michigan, New Hampshire, Nevada, Arkansas have since paid their indebtedness.

Proceedings of the General Grand Chapter held in St. Louis, Missouri, in September, 1904, were printed and distributed.

All moneys have been promptly forwarded to the R. W. Grand Treasurer. The "Contingent Expense Account" which was reported at the last session has been continued with the approval of the M. W. Grand Matron, and the same manner of paying small bills has also been continued during this term.

CHARTERS SURRENDERED.

Sabra Chapter No. 9, Delamar, Nevada, surrendered its charter March 2, 1905, and 29 dimitts were issued June 8, 1905 to the following named persons: Maggie Campbell, Tennie Eisenmann, Libbie Giles, Elizabeth Neal, Annie Oxnam, Matilda Roeder, Kate M. Turner, Sabra T. Howard, Rev. B. J. Darneille, Jerry Engle, James Giles, Chas. R. Hobbs, John E. Jennison, Henry W. Miles, Robert McAfee, Cyrus W. Neal, George Nesbitt, Wm. Oxnam, John Roeder, Henry Stevens, Peter Sabovich, John Shier, Frank Swindler, Chas. M. Swindler, Thos. H. Tresidder, Frank Tracy, E. D. Turner, Fred E. Vickers, Hugh J. Wright.

Electa Chapter No. 6, Greenville, S. Car., surrendered its charter September 29, 1906.

September 12, 1906, we received instructions from the M. W. Grand Patron to call in the charters of seven Chapters in South Carolina, namely, Nos. 2, 3, 5, 6, 7, 8, and 9 (for names and location see page 13) which was done at once, and Electa Chapter No. 6 was the only one which complied.

Upon authority of M. W. Grand Patron I issued a dimit June 20, 1905 to Solomon Debolt, reported as member of Queen Esther Chapter No. 1, Howard, South Dakota.

Also upon above authority I issued a duplicate charter to

Long Beach Chapter No. 2, Gulfport, Miss., the original having been destroyed by fire.

September 15, 1906, I received from the M. W. Grand Patron the following: "Please notify the Chapter at Rossland, British Columbia, that their charter has been arrested and direct them to forward charter and all property to you. Notify them so they will receive it by the 19th."

This notice was sent to Alpha Chapter No. 1, British Columbia, the same day the instructions were received

Under date of July 8, 1907, the M. W. Grand Matron wrote me that as soon as I had received the books and property of Alpha Chapter, to notify all members of their arrearage, and advise them that upon payment of same dimits would be granted them.

On July 26, 1907, I received through the M. W. Grand Matron \$82.35, money reported as remaining in treasury of the above named chapter. Up to the present time I have received no books or property belonging to that Chapter, and the \$82.35 having arrived after I closed my books on the 15th, the amount does not appear in my report for this term.

CIRCULAR LETTER NO. 1.

About April 25, 1905, I received Circular Letter No. 1 from the office of the M. W. Grand Patron, he naming in his instructions the persons to whom they should be sent, which was done at once. In reply to the many inquiries regarding omission of official seal, I could only reply that the circular came to me printed ready for distribution, but I was not asked to sign nor seal it.

WAIVERS OF JURISDICTION.

On May 31, 1905, I received from the M. W. Grand Patron the following:

"Issue a dispensation to Lawn Chapter No. 527, Chicago, Illinois, to confer the degrees upon John McNeill, a resident of Parry Sound, Canada. Send this dispensation to J. R. Mc-

Dougall, 3833 S. Campbell Ave., Brighton Park, Chicago, Illinois."

I had never before been requested to grant a dispensation under such conditions and I sent the M. W. Grand Patron a form for his approval and signature, that he might know just what was issued under his orders.

Under date of June 6, 1905, he recalled this order and instructed me to issue in lieu thereof a waiver of jurisdiction. I had never been requested to issue a waiver of jurisdiction, so made a form which I sent the M. W. Grand Patron for his approval and signature, and upon its return to me I at once signed and sealed the same and forwarded it to the Grand Matron of Illinois.

Under date of August 19, 1905, I was instructed by the M. W. Grand Patron to sign and seal a waiver of jurisdiction over Mrs. Mollie Davis of Webb, Miss., in favor of the Grand Chapter of Indiana, which I did, and forwarded same to Mrs. Agnes I. Hartsuck, Grand Matron.

From the M. W. Grand Matron I received three waivers of jurisdiction in favor of the states of Illinois, Maine and Texas, with request that I sign, seal and forward them to the proper parties, which I did at once. They are in brief as follows:

Oct. 2, 1905—Over William D. Baxter, Gadwich, Ontario, Canada, in favor of the Grand Chapter of Illinois.

May 8, 1906—Over twelve parties residing at Woodstock, New Brunswick, in favor of Fidelity Chapter No. 32, Holton, Maine, as follows: J. F. Tilley, Hattie A. Gabel, Harold L. Grant, John Allison Lindsay, Janie Tille Brewer, Minnie L. Grant, George E. Phillips, Daniel W. Kyle, George W. Gibson, Raymond M. Gabel, Lothe L. Kyle, Jennie V. Gibson.

March 18, 1907—Over Mrs. Wilcox and Mrs. Gillispie, residents of Mexico, in favor of Miriam Chapter, O. E. S., Laredo, Texas.

Miss Eunice Murphy was a member of Queen Esther Chapter No. 2 at Trion, Georgia, and was reported as such in 1894. The Chapter paid dues to the General Grand Chapter on

74 members in 1895 but made no report then and have remained dormant since that time.

The Grand Chapter of Georgia was organized February 2, 1901 and the jurisdiction relinquished. Miss Murphy now requests a dimit of the General Grand Chapter through the Grand Patron of Georgia, John P. Davis. In view of this condition, which remains the same in most jurisdictions that have paid dues to the General Grand Chapter, I would recommend that the dues of all members of the Order be remitted in chapters which were under the immediate jurisdiction of the General Grand Chapter, and which were dormant at the time the jurisdiction was relinquished by this grand body and a grand chapter formally organized. This will then permit grand chapters to determine the standing of the members of the Order who are in similar positions to the case above cited, and provide a way to reinstate such.

Subordinate Chapters under the jurisdiction of the General Grand Chapter, with number of Chapter, membership and amount of dues paid. The delinquent Chapters also appear in this list:

PAYMENT OF MILEAGE.

The General Grand Chapter at its last session ordered "that officers who have been regularly installed and members of all standing and special Committees notified of their appointment as such previous to the opening of this Convention, who are attending this session of the General Grand Chapter, be allowed mileage at the rate of two cents per mile one way; and per diem for a period not exceeding three days, at the rate of two dollars per day for the actual time in attendance upon the session of this General Grand Chapter.

Provided, that no person shall receive such mileage or per diem where provision is made or will be made for the payment of his or her expenses or any part thereof, by this Grand Body or the Grand Chapter of which such officer or member of Committee is a member. That no mileage and per diem combined shall be allowed to any one person in excess of \$40, except as now constitutionally provided."

Through the kindness of Mr. George F. Lee, Chicago, Agent of the Rock Island Railroad, a list of miles was made by the rate-clerk, who is detailed for this particular work, and from *this list* the mileage was paid by warrant.

GRAND CHAPTERS ORGANIZED.

Grand Chapter of North Carolina, at Asheville, May 20, 1905.
Grand Chapter of Nevada, at Reno, September 19, 1905.
Grand Chapter of Utah, at Salt Lake City, September 20, 1905.
Grand Chapter of Mississippi, at Meridian, May 29, 1906.
Grand Chapter of South Carolina, at Greenwood, June 1, 1907.

Calls were made for the organization of the above named Grand Chapters through this office, under the authority of Mr. William F. Kuhn, M. W. Grand Patron, with the exception of the Grand Chapter of South Carolina. Official notices of recognition were all issued by the same authority, and will be reported by him.

SECRET WORK.

The Secret Work has been printed in cipher and full print and furnished to Grand Chapters as they have ordered it, through the Grand Secretaries and Grand Matrons.

PETITIONS FOR CHARTER.

There have been twenty-three petitions for charter received at this office since Sept. 19, 1904. Dispensations and charters have been issued under the authority of the M. W. Grand Patron, William F. Kuhn, in whose report they will appear in full.

It is very gratifying to be able to report the Order extended into new territory, as has been the case during this term, one Chapter each having been organized in Alaska, Yukon Territory, and Mexico.

TIME OF MEETING.

The Committee provided for to select the time of meeting did so, and named September 4, 1907, Milwaukee, Wisconsin, having been selected as the place at the last session of the General Grand Chapter, and due notice was given the Order at large.

RITUALS.

The M. W. Grand Matron presiding at the Ninth Session of the General Grand Chapter at Washington, D. C., Mrs. Mary E. Partridge, presented an amendment to the Ritual to strike out the word 'fourteen' and insert the word 'seventeen',

making the Chaplain, Marshal and Organist regular officers. their duties to be defined and printed in the Ritual, to conform to such amendment.

This was referred to the Committee on Jurisprudence, who reported favorably, and the amendment was adopted. The Constitution provides that an amendment to the Ritual must be adopted at one regular meeting, by a majority vote, lie over until the next meeting, then if adopted by a two-thirds vote, it becomes a part of the Ritual. (See page 154 9th session).

At the same session a Memorial was presented by Mrs. Laura B. Hart, in behalf of Texas Grand Chapter, asking that the Ritual be printed in two books, and also for the appointment of a Committee with instructions to carry out the provisions of the Memorial. (See page 124).

Also at this same session, the Grand Chapter of Pennsylvania presented a resolution of protest (see page 127) and both were referred to a Committee, which reported through its Chairman, Willis D. Engle, as follows:

Resolved, "That a committee of five be appointed by the incoming M. W. Grand Matron to so revise and arrange the Ritual that it may be printed in two volumes, one containing only the Secret Work, and the other the balance of the Ritual, and report to the next meeting of this body for primary action." (See page 163).

The resolution was adopted, and Mrs. Hattie E. Ewing, M. W. Grand Matron, appointed Mrs. Mary E. Partridge, Willis D. Engle, Mary C. Snedden, Lorraine J. Pitkin and Mrs. Laura B. Hart as such committee.

At the Tenth Session, held in Detroit, Michigan, the Committee on Unfinished Business, Henry L. Stillson, Chairman, (page 150) reported that they found all undetermined matters of Ritual had been referred to the Special Committee on Ritual, so took no action upon that part of the Unfinished Business which was laid over from the previous session, and the report was adopted.

The Committee on Ritual reported through its Chairman,

Mrs. Mary E. Partridge, and the matter of detailing the duties of the Chaplain, Marshal and Organist was considered by the Committee, but was not recommended for adoption, so that part of the Ritual remained the same, as it would have necessitated an entire new set of plates.

The amendments to the Ritual as adopted at that session were printed on slips and distributed as ordered by the General Grand Chapter.

In preparing the amendments, I took the precaution to send a copy to each member of the Committee; also the presiding M. W. Grand Matron and M. W. Grand Patron, and have in writing the approval of them all so far as the correctness of the printing of the slips are concerned.

The report of that Committee and the original minutes showing the action of this body at Detroit is now in the hands of the Jurisprudence Committee, and I would respectfully ask that they be instructed to examine the same and verify the above statement, which is presented at this time.

It is impossible for anyone to realize what the numerous details of this office have been during the past eighteen years. Postage or express is paid on Rituals where the express charges are less at "special prepaid rates," the bill for the amount being sent to the Grand Secretary, and one can easily appreciate how much additional work this requires, but it has always been willingly done. Express charges are prepaid on all other supplies since no discount is given Grand Secretaries from the price-list.

Upon order of Grand Secretaries we send out Rituals from one copy up, and it requires just as much time to carry on our books the charge of the one copy and postage, as it does for 100 Rituals or more. This explains the items of Postage and Express under the head of RECEIPTS.

Scarcely a day passes but I receive orders with money for Rituals from someone of the five thousand Secretaries in the United States. This necessitates notifying them that orders for all Rituals must come through the Grand Secretary of their state, whose name and address we give them. I then

write the Grand Secretary of that state asking if I shall fill the order for the Rituals, charge the same and send them the bill, giving them credit for the amount of money received from their jurisdiction. Some times I am instructed to do this, and then again I am instructed to return the money to the party ordering.

Quite a little complaint has reached this office regarding Secretaries of subordinate Chapters selling Rituals in neighboring states where the sale of same has been curtailed, and in the cases above cited, it requires time, patience and much correspondence to satisfactorily adjust matters.

Since it is the duty of the R. W. Grand Secretary to act as Financial Agent of the General Grand Chapter in the purchase and sale of Rituals and such other articles as yield a revenue to its treasury, it may not be out of place at this time to call your attention to such conditions as may affect its revenue.

The General Grand Chapter was called into existence to meet a special emergency,—that of arranging and publishing a Ritual which should be uniform in work and price, and it adopted the first Ritual May 10, 1878. (See page 12, 2nd Session). It provided for a Committee of three "to arrange and have it printed." It was also "ordered that the price at which the Ritual shall be sold shall not exceed 80 cents per copy." (Page 16, same session).

It was my pleasure to be present at that session as proxy of the Grand Matron of Illinois, and I know that uniformity in price of the Ritual to the members of the Order at large was most earnestly discussed at that time, and the General Grand Chapter legislated for the protection of its members, regardless of locality. The only Ritual published at that time sold for one dollar per copy, and the publisher printed a new issue nearly every year, so that uniformity of work was impossible.

The Chairman of the Printing Committee, Mr. T. M. Lamb of Massachusetts in his closing address to the General Grand Chapter (see page 12 Appendix) said in substance:—that fears had been expressed that this grand Body would be an expensive and otherwise burdensome institution, but he took

pleasure in reporting that the revenue had taken care of the expenses, notwithstanding the Ritual would be sold at 20 per cent. less than any heretofore sold, and still be a source of revenue to the General Grand Chapter.

In 1880, the Chairman of the Committee, Mr. T. M. Lamb, M. W. Grand Patron, appointed to arrange and print the Ritual, reported in his address to the General Grand Chapter as follows:

"It is a significant fact that while the members obtain our Ritual at twenty-five per cent. less than the cost of those previously in use, yet most of the Grand Chapters will derive an income from their sale sufficient to defray the expenses of one or more delegates to nearly all of the regular meetings of the General Grand Chapter." -See page 38 3rd Pro.)

The Committee on Ritual made the price of same 50 cts. each to Grand Chapters and 75 cts. each to subordinate chapters and members. It will be noted that when the price of Rituals is mentioned as above quoted, *members of the Order* are specified without exception. In 1892 I submitted price-list of supplies which were sold for the benefit of the General Grand Chapter, and therein the Rituals were listed at "50 cts. each to Grand Chapters" and "75 cts. each to subordinate Chapters and members," and it was adopted.

When Grand Chapters were organized I have given them the information that Rituals were sold to Grand Chapters at 50 cts. each, they paying the cost of transportation. Other supplies go prepaid express, since no discounts are made Grand Secretaries from this list, but they have been advised that they must charge their subordinate chapters and members 75 cts. for each copy of the Ritual. When receiving orders accompanied by money for Rituals, I found that in two or three Grand Chapters they were charging \$1.00 each per copy. Desiring to learn if the price of the Ritual in all Grand Chapters was uniform I wrote the Grand Secretaries and learned that all but three adhered strictly to the above named prices. One state had never taken action in the matter, but the grand officers had made the price. I sent them a file of the

Proceedings calling their attention to certain portions, when they decided that the price of the Ritual was determined by the General Grand Chapter, and made theirs according.

I feel a personal pride in being able to report to you a balance in the hands of the Right Worthy Grand Treasurer of Sixteen Thousand Five Hundred Ninety Six dollars and seventy cents (\$16,596.70).

From the reports of Grand Secretaries and our own, I am able to report a membership of Three Hundred Ninety One Thousand Five Hundred and Ninety-seven, in Five Thousand Three Hundred and Ninety-five Chapters, and these figures will be somewhat augmented in the next issue of the Proceedings, as many Grand Secretaries were unable to give me the correct membership in their respective jurisdictions on July 15, 1907, since their reports were not due from their subordinate chapters.

What can I say in acknowledgment of the many kindnesses extended to me by members of the Order wherever I have been during the past eighteen years that I have served you as R. W. Grand Secretary!

I take this opportunity to express my grateful thanks to the several Grand Secretaries who have so kindly remembered this office with invitations to their annual sessions, copies of their proceedings, etc. Also to the Eastern Star and Masonic Editors who never forget us. We also greatly appreciate the receipt of the Proceedings of the several Grand Lodges A. F. & A. M., and while it is our desire to acknowledge all these courtesies at the time, it is not always possible.

Nothing inspires one to greater effort than the confidence expressed by the suffrage of those who permit us to enjoy a position of honor and trust. In 1878 this grand body elected me R. W.A. Grand Matron; in 1880 Most Worthy Grand Matron, and in 1883 R. W. Grand Secretary. At that session I resigned, and six years later you again called me to serve you in this capacity. During all these years it has been my con-

stant aim to merit your approval, and so I have given you and the Order the very best service of my life.

To my superiors in office I tender my deepest gratitude for every courtesy and consideration received at their hands, and with kindness for all and malice toward none, this report is

Respectfully submitted,

LORRAINE J. PITKIN,
R. W. Grand Secretary.

Under date of Aug. 17, 1905, I was requested by the M. W. Grand Matron to go to Portland as R. W. Grand Secretary to assist in disposing of the property and closing up the affairs of the Lewis & Clark Exposition, and if possible make report to her within fifteen days after its close. I was also instructed to pro rate the amount of money left over to be returned to the Chapters and Grand Chapters contributing and submit same with the report.

In six days after the close of the Exposition, the cottage and furnishings were sold and the proceeds therefrom were in hand. We found it impossible to make a report at that time on account of some bills which had been paid but were not in hand, also there were bills to be paid which must first go to the Finance Committee for approval. Weeks passed and for some unavoidable reason the matter was not adjusted. Under date

May 7, 1906, the M. W. Grand Matron notified me that the "out bills" had been approved at Indianapolis, Ind., on April 1, 1906, that Mrs. Ransford would make note of it in the papers and the money left over from the Exposition would remain in the hands of the R. W. Grand Treasurer until this meeting.

I was on duty as R. W. Grand Secretary *full six weeks* at expense of \$166.15, the Hostesses each serving one month.

I wish to thank the sisters and brothers of Oregon for their hearty co-operation in disposing of the effects on hand at the close of the Exposition, thereby making it possible to make a report, so far as I was concerned, within the time specified.

Respectfully submitted,

LORRAINE J. PITKIN,

R. W. Grand Secretary.

By order of the Most Worthy Grand Matron, the above report was referred to the Committee on Distribution, as it contained some matters other than finance.

REPORT OF RIGHT WORTHY GRAND TREASURER,
MRS. HARRIETTE A. ERCANBRACK.

To The General Grand Chapter, Order of the Eastern Star.

Your Right Worthy Grand Treasurer presents the following report:

By order of the Most Worthy Grand Matron this report was referred to the Finance Committee.

A telegram of Greeting was received from the Grand Chapter of Wyoming in session, appointing a proxy for the four first officers newly elected, which was turned over to the Committee on Credentials with instructions to enter the name of Mrs. Ellen J. Tilton, Past Grand Matron, to represent the jurisdiction.

DISTRIBUTION.

Mrs. Allena D. Ward, from the Committee on Distribution, presented a report, which, upon motion of L. Cabell Williamson, was adopted, as follows:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

Your Committee, to whom has been referred the Addresses of the Most Worthy Grand Matron and Most Worthy Grand Patron, do hereby submit the following report and recommendations:

We have taken pleasant note of the Greeting of our Most Worthy Grand Matron to the members of this Grand Body, and feel assured that her welcoming words have reached the hearts of all those in attendance. To those who sleep the last sleep her tribute is most tender, embodying as it does the special mention of one so well known, and who was taken so suddenly from our midst. We recommend that the report of these loved and lost be referred to the Committee on Necrology.

We recommend also that that portion of the Address of the Most Worthy Grand Matron referring to bonds of Right Worthy Grand Secretary and Treasurer; O. E. S. Headquarters at Exposition; financial statement of Most Worthy Grand Matron; bills which were not approved, and rent raised, be referred to the Committee on Finance.

That the subdivisions referring to new Grand Chapters organized, and subordinate chapters instituted, be referred to the Committee on Charters and Dispensations.

That the matters contained in subdivisions relating to Waivers of Jurisdiction; By-laws approved; Special Dispensations; Dispensations refused; new Constitution and By-laws for the General Grand Chapter, Charter arrested, and Decisions of law made, be referred to the Committee on Jurisprudence.

We recommend that a Special Committee be appointed to take charge of and note of all matters connected with Ritual and its ceremonies. We realize the great importance of this in connection with our Grand Chapters, and feel that a goodly number on this Committee would benefit the cause, leaving this to the judgment of the Most Worthy Grand Matron. To this Special Committee we would refer the subdivisions of Ritual; Uniformity of work; Questions and Answers under the head of "Ritual", etc. These matters your Committee considers would be better to leave to this special committee on Ritual, which it is suggested be appointed by the presiding officer.

We feel assured that the subdivision known under the heading as "date of meeting" has been decided in the best manner possible considering all things, by our officers, and therefore are glad to approve the same. We are also assured that the visit of our Most Worthy Grand Matron to the State of Washington is to be heartily commended; the proof of this being the fact that that state has returned to the fold of the General Grand Chapter. It is also a great pleasure to note that so many Grand Chapters have been visited, and we do not doubt but what great benefit has ensued, in fact, your Committee know of some Grand Chapters which have been greatly benefitted, although the visits and large amount of necessary travel involved would naturally be productive of great exhaustion on the part of our Most Worthy Grand Matron.

We most certainly also approve her sentiments regarding the establishing of Order of the Eastern Star Homes, and appreciate the courtesies shown by the various Grand Jurisdictions.

That the question of proper colors for robes of officers, which is certainly an important one if we desire uniformity, be referred to a Committee of Grand Secretaries, as they have much to do with regalia of all kinds used. This Committee to decide on the advisability as to whether a uniformity of color be established and what that shall be, or whether each Grand Chapter shall decide upon its own colors.

In our Most Worthy Grand Patron's Address, he has struck at the root of the existing evils in our Order, or perhaps we should say shortcomings, with an effect that we trust will shake them from their foundations.

We recommend that those portions relating to extension of the Order and Grand Chapters be referred to the Committee on Charters and Dispensations.

That Circular Letter No. 1 be referred to the Jurisprudence Committee.

That the subdivision relating to Finances be referred to the Finance Committee.

That the portions of the Most Worthy Grand Matron's and Most

Worthy Grand Patron's Addresses referring to the German Ritual be referred to a Special Committee of German scholars selected for the purpose.

We most heartily approve the subdivisions under the head of New Jersey and the Constitution, and we trust that intelligent and just legislation may ensue under both of these heads.

We recommend that the subdivision "New Jersey" be referred to the Jurisprudence Committee. Our Most Worthy Grand Patron has set for us a lofty destiny, and we feel assured that his incumbency of this high office during the last Triennial period will have assisted to place the Order beyond and above the position it has occupied in the past.

Respectfully submitted,

MRS. ALLENA D. WARD,
MRS. ANNA EGAN MANHEIN,
MRS. LINA H. BALDWIN.

RESOLUTIONS.

The Right Worthy Grand Secretary read communications from the Grand Chapters of Washington and Vermont, received through their respective Grand Secretaries, and upon instructions of the Most Worthy Grand Matron they were referred to the Committee on Jurisprudence and made a part of these Proceedings, as follows:

TACOMA, WASH., July 5, 1906.

*To the Right Worthy Grand Secretary, General Grand Chapter,
Order Eastern Star:*

Enclosed please find copy of resolutions as adopted unanimously by the Grand Chapter of Washington at its recent Session.

LIEBIE J. DEMOREST, Grand Sec'y.

WHEREAS, This Grand Chapter did by a vote some years ago sever the relations existing at that time between it and the General Grand Chapter of the Order; and

WHEREAS, Although the reasons for said severance are as cogent today as they were then, and believing that our attitude has been misunderstood that this Grand Chapter still maintains its sovereign right over all matters pertaining to the legislation in this Grand jurisdiction and only recognizes the authority of the General Grand Chapter as de-

fined in Sec. 1, Art. III. of its Constitution as published in its Proceedings of 1892 as follows: "Sec. 1. The General Grand Chapter shall possess no other power than is expressly delegated to it. It can exercise no doubtful authority or power by implication merely. All Eastern Star authority not hereby granted to it is reserved to the Grand Chapters, Subordinate Chapters and their members individually"; and

WHEREAS, The power claimed to have been delegated to the General Grand Chapter was delegated to it by the Sovereign Grand Chapters of the United States of America, thus making said General Grand Chapter a creature of the Grand Chapters, with limited powers and authority and not a Supreme Grand Body, as claimed by some of its admirers; and believing that it is for the best interests of the Order of the Eastern Star that all matters pertaining to the Ceremonies should be uniform throughout the world, and that thus acknowledging the right of the General Grand Chapter to maintain control of said ceremonial work, the Grand Chapter of Washington does not surrender its right as a Sovereign Grand Body nor lose its right to withdraw from such relationship at any time it may see fit should the General Grand Chapter assume any power or authority not expressly delegated to it; therefore be it

RESOLVED, That the Grand Chapter of Washington, Order of the Eastern Star hereby rescinds its former action in the matter.

MRS. EMMA P. CHADWICK,
E. H. VAN PATTEN,
YANCEY C. BLALOCK.

BENNINGTON, VT., July 12, 1907.

To the General Grand Chapter, O. E. S.:

At the 35th Annual Convocation of the Grand Chapter of Vermont, held in Burlington, June 5, 1907, the Grand Patron recommended and the same was adopted, as follows:

"RESOLVED, That this Grand Chapter requests the General Grand Chapter to revise and reprint the Ritual of the Order; and to omit from the new Ritual all its regulations applicable only to the Chapters under its immediate jurisdiction; that when the Ritual is reprinted it shall be in cipher and the syllabus of Secret Work be done away with."

This was adopted in the Committee of the whole, the Grand Matron in the chair, the Grand Patron taking the floor, and making the affirmative motion.

ATTEST:

H. L. STILLSON, Grand Secretary.

The Right Worthy Grand Secretary read a telegram from Mrs. Jennie E. Mathews in response to the message of sympathy ordered sent to her yesterday, and it was made a part of the records upon order of the Most Worthy Grand Matron:

ROCKFORD, IOWA, Sept. 4, 1907.

Lorraine J. Pitkin,
Plankington House, Milwaukee, Wis.

Thanks for the message of sympathy just received. May God bless you all. Am trying to be brave. Love to all who inquire.

JENNIE E. MATHEWS.

INVITATIONS.

The Right Worthy Grand Secretary then read invitations from the Grand Chapters of Florida and Pennsylvania to the General Grand Chapter to hold its next Triennial Session, 1910, in their respective states.

The Most Worthy Grand Matron announced that if there were no objections, no action would be taken at this time regarding these invitations, but each state which desired to invite the General Grand Chapter to meet within its borders would be given an opportunity to speak later.

RESOLUTION.

The Right Worthy Grand Secretary read a resolution, which upon motion of the Most Worthy Grand Matron was referred to the Committee on Jurisprudence, and is as follows:

RESOLUTION.

WHEREAS, From time immemorial, it has been the custom of the people to honor their dead, to speak of their merits and to linger lovingly upon the recollection of their virtues; and

WHERRAS, This sentiment is peculiar to no clime and confined to no class. It is common to humanity everywhere. In the lowly cabin

of the peasant, and in the great palace of the king, the people stand with uncovered heads, and listen to the recounting of the virtues of the one who has gone before.

It is a beautiful thought and feeling that we shall be remembered after death. Let us nourish this sentiment and at least once a year turn from the affairs of the world and call up the memories of our departed friends. In so doing we shall become better women and better men.

It is a beautiful thought, too, that all members of the Order of the Eastern Star, are gathered together, in one grand memorial service, in honor of their dead.

Therefore be it Resolved, By the General Grand Chapter of the Eastern Star; That the last Sunday in the Month of June of each and every year from and after this date, be set apart as a memorial day for the Order of the Eastern Star;

That the Most Worthy Grand Matron of the General Grand Chapter shall at least sixty days before said last Sunday in June, issue her proclamation to the several Grand Chapters in her jurisdiction calling for the observance of said day; and the several Grand Matrons shall at least thirty days before said last Sunday in June issue their proclamation to all the Subordinate Chapters in their jurisdictions, in accordance therewith, and at the same time fix the hour of meeting. That no special Dispensation shall be required for holding such memorial services in public or private and in such place as may suit the surroundings.

Respectfully Submitted,

SOPHRONIA I. BOLIN,

Grand Matron of Ohio.

The Minutes of yesterday's sessions, morning and afternoon, were read by the Right Worthy Grand Secretary, and no objections appearing, they were ordered approved as read, by the Most Worthy Grand Matron.

GERMAN RITUAL.

William F. Kuhn, from the Committee on German Ritual, presented the following report, and upon motion of Alexander Hug, the recommendations contained therein were adopted:

To the General Grand Chapter, Order of the Eastern Star:

Your Committee, to which was referred the German Ritual, would report that we have carefully examined said Ritual and find it to be a correct and careful translation of the authorized Ritual of the Order.

Your Committee therefore recommend that it be adopted and promulgated as the authorized German Ritual of the General Grand Chapter, Order of the Eastern Star. That one thousand copies be printed as quickly as possible, in order that the German Chapters may not be hindered or impeded in their noble and glorious work. That the title page contain the following:

GERMAN RITUAL.

"Translated by Brother August Torpe of Germania Chapter No. 552, Chicago, Illinois, from the authorized English Ritual of the General Grand Chapter, Order of the Eastern Star.

"Adopted and promulgated Sept. 5, 1907, at the Twelfth Triennial Assembly, held at Milwaukee, Wisconsin."

In view of the fact that Brother Torpe does not desire any pecuniary reward for his excellent service, we recommend that a vote of thanks be tendered him for his meritorious labors, and a duty so exceedingly well done.

Fraternally submitted,

WM. F. KUHN,

MRS. MARGARET MEGENHARDT,

WILLIAM CONRAD.

Mrs. Kate A. Heath introduced Brother Torpe, who addressed the General Grand Chapter, giving the reasons why he had translated the Ritual, with the consent of the Most Worthy Grand Matron.

LOUISIANA PURCHASE EXPOSITION.

The Right Worthy Grand Secretary read the report of Mrs. Sallie E. Dillon, Chairman of the Ways & Means Committee, which was ordered referred to the Finance Committee by the Most Worthy Grand Matron. The part relating to finances appears in connection with the R. W. Grand Secretary's report, page 131, and therefore is not given here. The report is as follows:

ST. LOUIS, MO., Sept. 1, 1907.

Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

I herewith present my report as Hostess of the Order of the Eastern Star Headquarters, Fraternal Building, Louisiana Purchase Ex-

position. I deeply regret my inability to be present at this session to be able to present in person this report. The day previous to the opening of the General Grand Chapter I shall be greeted by over eight hundred smiling little faces returning from their vacation. Owing to this, you see how impossible it is for me to leave home; however, if not present in person I shall be in thought.

Many cheering memories come to me day by day of the pleasant hours spent at the Headquarters, the hearty hand-shakes and greetings from the many tired, weary pilgrims who came and rested.

The greetings from these and the expressions regarding the restful home, and the thanks for the many kindnesses shown them amply repaid the Hostess for all her laborious tasks.

"Should Auld Acquaintance be forgot, and never brought to mind
Should Auld Acquaintance be forgot in the days of
Auld Lang Syne."

I now leave my report in your hands. You are to judge my acts, and I feel you will charitably temper justice with mercy.

Trusting we may all have the Fidelity of Adah, Constancy of Ruth, Purity of Esther, Faith of Martha, Fervency of Electa and Love One Another, thereby making us Fairest Among Thousands Altogether Lovely.

Fraternally submitted,

MRS. SALLIE E. DILLON,

National Chairman, O. E. S., and Hostess O. E. S. Headquarters.

Upon motion of the Most Worthy Grand Patron, the special hour of election was set for 2:30 o'clock this afternoon.

Jesse C. Bradley, Grand Patron of Wisconsin, announced that the automobiles were at the door to take the delegates and visiting members for a ride about the City.

INVITATION.

Casimir J. Wood, Grand Patron of California, addressed the Assembly, and very earnestly expressed the appreciation of the Californians for the prompt assistance rendered them by the Order at large during the trials resulting from the earthquake which visited them last year. He thanked the members of the Order of the Eastern Star sincerely, heartily and gratefully for such assistance, and extended an invitation to the

General Grand Chapter to hold its next Triennial Assembly in the City of San Francisco, California.

The General Grand Chapter was called from labor to refreshment, to reconvene at two o'clock P.M.

IN TRIENNIAL ASSEMBLY.

SECOND DAY—AFTERNOON.

Thursday, Sept. 5, 1907.

The General Chapter was called to labor at two o'clock, the Most Worthy Grand Matron presiding.

The Right Worthy Grand Secretary read the Minutes of the Sessions of last evening and this morning, and no objections appearing, they were approved by order of the Most Worthy Grand Matron.

Owing to the contradictory terms of the Constitution, the Most Worthy Grand Matron ruled that no representative was entitled to a vote who had not filed a credential, which ruling was sustained.

The hour for special election having arrived, appointment was made of the following

TELLERS:

Mrs. Katherine S. Hughes,	Mrs. Kate J. Willats,
Mrs. Jennie E. Bell,	Elmer C. Patterson,
Will W. Grow,	Mrs. Mattie Davis,
George A. Pettigrew,	Charles W. Pomeroy.

UNFINISHED BUSINESS.

Mrs. Mary E. Partridge, from the Committee on Unfinished Business presented the following report, and, upon motion of W. F. Kuhn, the report was adopted as read:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

We, your Committee on Unfinished Business, do hereby respectfully submit to your most Honorable Body, Art. XVI., Sec. 4½, page 154, Pro. 11th Session, which reads:

"All matter printed in the Ritual published by authority of the General Grand Chapter under the head of Subordinate Chapters, on pages 4 and 5, and the Article under the head of Membership on page 7; also any legislation or decisions of the General Grand Chapter shall be held as binding only on Subordinate Chapters under the immediate jurisdiction of this Body."

The above Article was referred to the Special Committee composed of Sterling M. Price, Joseph W. Hill and Lorraine J. Pitkin.

We furthermore submit to your notice paragraphs 1-2, page 164 of said Proceedings relative to the disposition of the funds remaining at the close of the Louisiana Purchase Exposition held in St. Louis, Mo., 1904, which matter was referred to the Special Committee in charge of said Exposition.

MRS. MARY E. PARTRIDGE,
MRS. ESTELLA G. POMEROY.
MRS. MARY P. OUZTS.

RESOLUTION.

Casimir J. Wood, offered a resolution relative to the emblem of the Order of the Eastern Star, and upon motion of W. F. Kuhn, it was referred to the Committee on Ritual.

(This resolution was not returned to the Secretary by the Ritual Committee.)

NECROLOGY.

Mrs. Ellen E. Dobson, from the Committee on Necrology, presented the following report, and, upon motion of W. F. Kuhn, it was declared adopted by a rising vote:

Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

To this Committee has been referred that part of the Most Worthy Grand Matron's Address which relates to deceased members, and we ask for a few moments from this busy session in which to pay the last tribute of respect to those of our number who have passed away since our last session.

We find that twenty-three Grand jurisdictions have suffered bereavement in the loss of sixty members, and to them we extend our sincerest sympathy.

We note that from the golden chain of past officers of the General

Grand Chapter, four links have "fallen away in death." Only those of you who knew them best and have worked with them in past years, can fully realize what their loss means to the General Grand Chapter.

For the first time in eighteen years the immediate circle of officers of the General Grand Chapter has been broken by death. Since 1889 the Address of every Most Worthy Grand Matron has contained these words: "I rejoice that I can report that the circle of officers remains unbroken." But alas, Sisters and Brothers, these words have not been spoken at this session. The Chair of our Worthy Grand Esther, Sister Mate L. Chester, is draped with black, and "The places that have known her shall know her no more forever."

In reading the Proceedings of past sessions of the General Grand Chapter, we note the appearance each time of new names, which reappear at succeeding sessions. In the course of years, some of these names drop from the pages unrecorded. Some rise step by step until they reach the highest offices within the gift of this Order, while to others a Memorial Page is dedicated.

It is in the report of the Proceedings of twelve years ago that Sister Mate L. Chester first makes her appearance before the General Grand Chapter. She stands with "a beautiful bouquet of pink and white roses" in her hands, which she presents with words of love and appreciation to our beloved Sister Pitkin.

She reappears at subsequent sessions performing similar labors of love. At the last session she was appointed Worthy Grand Esther, which office was probably only a stepping-stone to higher honors to which a woman of her ability and energy would naturally have attained, but, "Man proposes, God disposes."

To the bereaved families of these departed sisters and brothers our hearts go out in truest sympathy. Most of us have at some time been called upon to "pass through the valley of the shadow of death," with someone near and dear to us. After we have laid them away to rest, we come back into the busy world of life, and we wonder how the sun can shine. We look on in dumb apathy while men and women come and go. We watch the industries and activities of the world's work, never ceasing;

"And the stately ships go on
To their haven under the hill.
But oh! for the touch of a vanished hand
And the sound of a voice that is still."

My sisters and brothers, at such times as these, what do we care for wealth and social position? What difference does it make to us whether we live in a cottage or a palace? All we want is some word of comfort, some little ray of light in the darkness of our despair.

And sooner or later it comes, and we hear a calm loving voice saying:

"Let not your hearts be troubled."

"Lo! I am with you always."

Then we remember that we have received a promise that some time, some where, we shall all meet again. "Where God shall wipe away all tears from our eyes. Where there shall be no more death, neither sorrow nor sighing, nor any more pain, for the former things have passed away."

Sister Jennie Randall, Grand Matron of Idaho, has the following beautiful thought to add to this report:

"There is no death. The stars go down
To rise upon some fairer shore;
And bright in Heaven's jewelled crown
They shine forevermore."

"And ever near us, though unseen
Those dear immortal spirits tread:
For all the boundless universe
Is life.—There is no death."

And Sister Nettie V. Turner of Florida brings us this:

"Whatsoever things are true; whatsoever things are honest; whatsoever things are just; whatsoever things are pure; whatsoever things are lovely; whatsoever things are of good report, if there be any virtue, if there be any praise, think on these things"; preparing our minds even as Adah for the coming of Him of whom it is written: "I am the resurrection and the life," resting in the assurance that He who raised up the Lord Jesus shall raise us up also, and we shall see our loved ones face to face."

This Committee recommends that to the memory of each of these departed members a page be dedicated in the Proceedings of this Assembly.

MRS. ELLEN E. DOBSON,
MRS. NETTIE V. TURNER,
MRS. JENNIE RANDALL.

ELECTION OF OFFICERS.

The "special order" of election was taken up, resulting as follows:

Mrs. Ella S. Washburn, Most Worthy Grand Matron.
William H. Norris, Most Worthy Grand Patron.
Mrs. M. Alice Miller, Right Worthy Associate Grand Matron.

Willis D. Engle, Right Worthy Associate Grand Patron.
Mrs. Lorraine J. Pitkin, Right Worthy Grand Secretary.
Hrs. Harriette A. Ercanbrack, Right Worthy Grand Treasurer.

The election was continued until the next morning; tellers the same as today.

JURISPRUDENCE.

Henry L. Stillson, from the Committee on Jurisprudence, to which had been added the names of Mrs. Elmira Foley, William H. Norris and L. Cabell Williamson to assist the said Committee in the press of business, presented a report, and upon motion of the Most Worthy Grand Patron, the report of the Committee was adopted, and the decisions of the Most Worthy Grand Matron were approved as follows:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

Your Committee on Jurisprudence, to which was referred that part of the Most Worthy Grand Matron's report relating to official acts, including "waivers of jurisdiction," "charter arrested," "special dispensations and refusals," "date of this Assembly," and other matters relating to the administration of the Triennial term, have carefully examined the same and would recommend that these acts be approved; and that the subject of "charter arrested" be referred to the incoming Most Worthy Grand Patron for adjustment.

Your Committee fully realize the pressure that is often brought to bear upon an executive to multiply special dispensations, and commend our Most Worthy Grand Matron for her judicial selection of the subjects for which she has granted said special dispensations.

In relation to the Grand Chapter of the State of Washington and the resolution submitted in addition to the report of the Most Worthy Grand Matron, we appreciate the action of this Grand Chapter in rescinding its edict of dissolution of fraternal relations with the General Grand Chapter, and welcome them with as much courtesy and even greater cordiality than that with which they greeted our Most Worthy Grand Matron on her visit to the Annual Convocation of 1905. In so doing we but emphasize and reaffirm the circular letter sent out by the Most Worthy Grand Matron and Most Worthy Grand Patron, attested by the Right Worthy Grand Secretary, at the time of the reception of the said resolution.

In regard to the resolution from Vermont relative to a change in

PROCEEDINGS OF THE GENERAL GRAND CHAPTER

Ritual, both in its form and publication, we would respectfully suggest that the subject matter is inexpedient to consider at this Triennial session. The said Grand Chapter is referred to the revised Constitution reported from this Committee as a partial answer to some of the requests contained in said resolution from the Grand Chapter of Vermont.

In relation to the Memorial from Ohio; while the Committee is in full sympathy with the beautiful sentiments expressed therein, yet we deem legislation at this time impracticable, because the General Grand Chapter, all the Grand Chapters and Subordinate Chapters have held Memorial Services in memory of those "gone before".

In regard to the report of the Committee on unfinished Business, your Committee have embodied all the suggestions and even exceeded them in a report on Revised Constitution.

DECISIONS.

1. Question. Is the wife of a Master Mason belonging in Mexico eligible?

Answer. No. (This is just "No" because I could not see where to draw the line on recognized and unrecognized Masons of Mexico).

Approved, with the statement that the question is too indefinite to admit of any other reply.

2. Question. Can we elect as Secretary of our Chapter a person not yet a member?

Answer. No.

Approved.

3. Question. Can members from New York visit our Chapters?

Answer. Yes, provided that all brothers hailing from New York *must* be members of some chapter in said state, and present proper credentials that they are members of the Order.

Approved.

4. Question. Can a Grand Matron grant special dispensation to receive and ballot on petition at a called meeting?

Answer. No. All petitions must be received at a regular meeting and balloted on at a regular meeting, in compliance with Ritual instructions.

Approved, because it is so stated in every Constitution, grand or subordinate, of which we have knowledge. We deprecate the references to the Ritual applied to questions of law.

5. Question. What course shall be pursued to rid a Chapter of members who are found to be clandestine Masons?

Answer. Strike their names from the membership roll as Masonically ineligible.

Approved, and we would include "irregular," "bogus" and all nondescript societies calling themselves Masons.

6. Question. Would it be lawful to have photographs taken of the correct movement of the several signs and given to the Worthy Matron for a guidance?

Answer. No.

Approved.

7. Question. What is the voting sign of the Order of the Eastern Star?

Answer. Uplifting of the right hand.

Approved.

8. Question. A Mason who has lived in a jurisdiction all his life has recently married a lady from another state. Is she eligible to petition our chapter at once?

Answer. No. She must gain her individual residence by actual residence.

Approved. This decision was also approved in 1904.

9. Question. Can a Grand Chapter fix the price for Rituals that are used in its jurisdiction?

Answer. Yes; a Grand Chapter paying the General Grand Chapter the fixed price for the Ritual may sell it to the subordinate chapters or members at any price fixed by the Grand Chapter.

Approved.

10. In regard to the matter of New Jersey from the Most Worthy Grand Patron's Address, which was referred to us as follows: "The sale of Rituals to the Grand Chapter of New Jersey should cease."

Approved.

New Jersey was one of the Grand Chapters which joined in the formation of the General Grand Chapter, and, after a few years alleged to withdraw therefrom, but still continued to use the Ritual of the General Grand Chapter. In the opinion of your Committee and from the record which we would here reaffirm, the Grand Chapter of New Jersey is bound morally and legally to loyally obey all the acts, rules and regulations of the General Grand Chapter to which they gave assent during the time of their *unchallenged* fealty, one of which was the non-nutilation of the Ritual. Therefore, the sale of rituals to the

Grand Chapter of New Jersey is hereby interdicted from this date, Sept. 5, 1907.

All of which is respectfully submitted,

H. L. STILLSON,
 MRS. ALCENA LAMOND,
 MRS. MARGARET LUTKE,
 W. H. NORRIS,
 MRS. ELMIRA FOLEY,
 L. CABELL WILLIAMSON.

Henry L Stillson made further report, and upon motion of the Most Worthy Grand Patron, the consideration of the adoption of the report of the Committee on Constitution was set for nine o'clock to-morrow morning:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

Your Committee on Jurisprudence, to which was referred the report of special committee on revised Constitution, General Regulations, and Rules of Order of the General Grand Chapter, with the document annexed, would respectfully report:

That we have given the subject careful attention. That in the consideration of the instrument itself we have been assisted by a number of prominent members of the Order and by the Chairman of the Committee of the said special committee.

That the endeavor has been to weigh carefully every word of importance and guard the interests of the entire Order. Whether we have been successful or not we leave to the good sense of our sisters and brethren. With these preliminary remarks, the revised Constitution of the General Grand Chapter, as revised by this Committee is hereby submitted for your consideration.

H. L. STILLSON,
 MRS. ALCENA LAMOND,
 MRS. MARGARET LUTKE,
 W. H. NORRIS,
 MRS. ELMIRA FOLEY,
 L. CABELL WILLIAMSON.

APPEALS.

Mrs. Mary Barry, from the Committee on Appeals, read her report, and upon motion of the Most Worthy Grand Patron, it was declared adopted as read:

*To the Most Worthy Grand Matron, Most Worthy Grand Patron,
Officers, and Members of the General Grand Chapter:*

We, your Committee on Appeals and Grievances, beg leave to report that up to the present time, no Appeals and Grievances have been laid before us, which condition would indicate that the wise government exercised during the past three years has tended towards a higher and better feeling among our members.

Fraternally submitted,

MRS. MARY BARRY,
MRS. ELLIE LINES CHAPIN,
L. M. COOK.

CHARTERS.

Mrs. Annie C. Banes, from the Committee on Charters, read her report, and upon motion of Mrs. Adency Irons, it was declared adopted:

*To the Most Worthy Grand Matron, Officers and Members of the
General Grand Chapter, Order of the Eastern Star:*

Your Committee on Charters would respectfully report that their duties according to the By-laws are "to examine the returns of Chapters under the immediate jurisdiction of the General Grand Chapter; their work, records and By-laws, and shall note all improper, informal or illegal proceedings, and shall report the same to the General Grand Chapter."

We have examined all papers submitted to us, which have been the preliminaries to and organization of twenty-four Subordinate and five Grand Chapters; the annual returns, reports and the book "Synopsis of Returns" of Subordinate Chapters.

So far as the work in organizing the Grand and Subordinate Chapters is concerned, we find that the official actions of the Most Worthy Grand Matron and Most Worthy Grand Patron have in each and every instance been in strict conformity with the laws and customs governing the General Grand Chapter. We would, therefore, recommend that said actions be approved by this Grand Body.

We would further state that the files concerning dispensations and charters of subordinate Chapters and proclamations of Grand Chapters are very incomplete. We are informed by the Right Worthy Grand Secretary that there is not provision made whereby copies are preserved of these Dispensations, Charters and Proclamations issued by the General Grand Chapter. We find that there is no record of the work, by-laws and records of subordinate chapters. As a result of this

lack of information, we are unable to pass upon the proceedings of these bodies.

Your Committee would therefore recommend in order that this branch of the work can be carried forward in a systematic and business-like manner, that the Right Worthy Grand Secretary be instructed to procure books for duplicate dispensations and charters for subordinates and proclamations for the Grand Chapters. - A set of books that individual accounts can be kept with Grand and Subordinate Chapters, and a complete set of blanks for the formation of both Subordinate and Grand Chapters.

Fraternally submitted,

MRS. ANNIE C. BANES,
MRS. ELIZABETH SALTER,
GEORGE A. PETTIGREW.

GREETINGS.

The Right Worthy Grand Secretary read a telegram from the Grand Chapter of New Hampshire, in annual session, and upon order of the Most Worthy Grand Patron, it was made a matter of record, as follows:

MANCHESTER, N. H., Sept. 5, 1907.

Lorraine J. Pitkin, Right Worthy Grand Secretary,

Masonic Temple, Milwaukee, Wis.

To the Officers and Members of the General Grand Chapter, O. E. S.:

The Grand Chapter of New Hampshire now in annual session extends Greetings.

A. FRANK POTTER, for Committee.

RITUAL.

L. Cabell Williamson, from the Committee on Ritual, read the following report:

To the Most Worthy Grand Matron, Most Worthy Grand Patron, Officers and Members of the General Grand Chapter:

Your Committee on Ritual, with a desire to procure general uniformity of ritual work throughout the Grand Chapters, one of the chief reasons for which this General Grand Body was organized, has carefully considered all matters referred to it, and respectfully submits the following report:

1. We approve the decisions on ritual made by the Most Worthy Grand Matron, with the exception of

Question No. 2. In voting do you salute the Bible or the Worthy Matron?

Answer. Neither. The sign is given with the eyes upon the Bible, as public renewal of our obligation, reminding us to vote for the good of the Order.

Your Committee is of the opinion that each member in voting salutes the presiding officer, and before voting waits for the response.

2. In the official circular sent out by the Most Worthy Grand Matron in April, 1905, to the Grand Chapters, the use of the Square and Compass upon the altar was forbidden.

Your Committee recommends that this decision be adopted.

3. In this circular were also five decisions on matters upon which the ritual is silent.

Your Committee recommends the adoption of these suggestions. Uniformity in all these minor matters, although each state makes a little sacrifice, will tend to bring about the desired end.

4. While the ritual permits the elaboration of the opening march, it is the opinion of your Committee that the position of the officers at the end of the march should be as indicated on page 16.

5. The Associate Matron should not be escorted to her station in the opening ceremony, as the ritual does not provide for such ceremony.

6. The Worthy Matron should be escorted in a direct line to the East, passing on the South side of the altar, the Conductress being on her right.

7. Attention is called to the fact that the Ritual does not provide for the taking of a pass in the opening ceremonies.

8. The customary means of examination on page 17 contemplates a sight identification, or the usual examination as provided for in the Secret Work.

9. Persons presenting themselves for examination or avouchment should be referred to as visitors, and not as sisters, brothers or strangers. See Ritual page 74, par. 5.

10. Attention is called to the fact that the salutation sign must not be given until after the Bible is opened, as prescribed in the opening ceremony (page 30) nor after the Bible is closed (page 33), and when given should be responded to by the presiding officers in the usual manner.

11. Attention is called to a slight variation in instruction for giving raps at door of chapter room (see pages 35-37). It is the opinion of the Committee that the door must never be opened while the

chapter is in session, without the usual raps being given. The raps should always be given as prescribed on pages 13 and 14.

12. When the Associate Conductress assists in conducting candidates, she should remain with them during the entire ceremony of initiation.

13. The Worthy Matron and Worthy Patron should not exchange chairs when the Worthy Patron is called on to preside.

14. Attention is called to page 44 of the ritual, which requires the star officer to remain standing in her position until the Conductress and candidate have passed her.

15. The Worthy Patron should not repeat after the Conductress the cabalistic motto.

16. The Conductress should take the Bibles from the candidates before the Worthy Patron says "Arise, etc".

17. The Associate Conductress should not give signs and grip (page 63).

18. According to Diagram of Labyrinth, Figure 3, the officers should not step back of the candidates.

Respectfully submitted,

L. CABELL WILLIAMSON,
MRS. HATTIE E. EWING,
MRS. SENIE M. HUBBARD,
MRS. SADIE D. MCGOLDRICK.
MRS. MARGARET T. MOORE,
MRS. SARAH T. TERRY,
CHARLES A. NESBITT,
MRS. ALICE E. ROBBINS,
MRS. AUGUSTA V. HUNTER,
JESSE C. BRADLEY.

Norris, from the Committee on Jurisprudence, presented for consideration the report of the Committee relative to the proposed Constitution, which was taken up, read section by section, amended slightly in some of its phraseology, and as so amended was adopted *seriatim*; and, finally, as a whole was adopted, the Committee giving way at times for the consideration of minor business. At the close of the morning session, further consideration of the report of the Committee was postponed until afternoon.

FINANCE.

Joseph G. Ralls, from the Committee on Finance, submitted the following report, and upon motion of William A. Hinsey, the recommendations of the Committee were declared adopted:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter, O. E. S.:

Your Committee on Finance, Ways and Means, beg leave to submit the following report:

Under the circumstances we have not had time to visit the Right Worthy Grand Secretary's office, but she has produced her books and vouchers, and we have gone through them carefully and find them *correct, well and systematically kept.*

The financial condition of this General Grand Chapter, as shown by the Right Worthy Grand Secretary's books, is as follows:

Cash in hands of Right Worthy Grand Treasurer, July 15,	
1907, General Fund	\$16,596.70
Merchandise in hands of Right Worthy Grand Secretary....	2,532.71
Due from Grand Chapters and others	1,064.37
<hr/>	
Total.....	\$20,193.78

There is an additional item in the hands of the Right Worthy Grand Treasurer amounting to the sum of \$419.43, which is held specially by her, the same being the balance from the St. Louis and Portland Exposition.

During the three years just closed, there has been received by our Right Worthy Grand Secretary and paid over to the Right Worthy Grand Treasurer, the sum of \$22,418.06, and in addition to this amount, the Right Worthy Grand Treasurer has collected the sum of \$672.18, as interest upon certificates of deposit in National Banks.

We find the Right Worthy Grand Secretary's office has increased in business, and the increase seems to continue, as well as the financial condition of this General Grand Chapter.

TREASURER'S BOOKS.

We have examined the Right Worthy Grand Treasurer's books and find them correct and well kept. She has exhibited to your Committee a draft and certificates of deposit amounting to the sum of \$16,596.70 of the General Fund, and an additional sum of \$419.43 from the World's Fair Fund.

We find her books to show the following:

To balance on hand from last report.....	\$ 9,556.43
Received from Right Worthy Secretary during this term..	22,418.06
Received as interest on National Bank certificates.....	672.18

Total receipts	\$32,646.67
Total amount paid out on 141 Warrants drawn on the Treasurer by the Right Worthy Grand Secretary	\$16,049.97

Balance on hand at this time..... \$16,596.70

In addition to the above, there is in her hands that balance of \$419.43.

We recommend that this \$419.43 be transferred to the General Fund of this General Grand Chapter, as it arises from a matter covering a space of about four years, and to attempt to return to the various Grand Chapters their pro rate share would entail considerable expense and work upon the officers of this General Grand Chapter.

We have presented to us a bill by the Right Worthy Grand Secretary covering two items, one for engrossing charters for chapters in North Carolina, and the other for stenographer fees paid, the first being for \$17.50, and the latter for \$660.

We have examined that part of the Most Worthy Grand Matron's report on these two items, and since her report has been made, it is conceded that the charge for engrossing these charters should be paid for by this General Grand Chapter, as the engrossing thereof was ordered by our Most Worthy Grand Patron.

We have investigated the matter of the stenographer's salary and have reached the conclusion that our Right Worthy Grand Secretary should be reimbursed for this item in the sum of \$660, and in this connection we beg to submit that there are many items of expense for which there is no specific provision, but the business of this General Grand Chapter has increased so rapidly that we feel its officers should exercise their judgment and discretion in incurring such bills, and that when incurred, that we should pay them.

An investigation of the duties of the Right Worthy Grand

Secretary reveals to us an enormous amount of labor that should be performed for the good of the Order.

Again we recommend the allowance of these two items, which make a total of \$677.50.

On investigation we find that our Right Worthy Grand Treasurer has considerable duties to perform in connection with the funds in her hands, keeping the same invested, and also had considerable work in connection with the O. E. S. Headquarters maintained at St. Louis and Portland, and we therefore recommend that the sum of \$100 be appropriated to our Right Worthy Grand Treasurer, Mrs. Harriette A. Ercanbrack.

MOST WORTHY GRAND MATRON.

We have examined the account of our Most Worthy Grand Matron and find that during the last three years she had led a strenuous life for the good of the Order, and that her expenses including postage, stationery, telegrams, miscellaneous and traveling amounts to \$1,745.44, and that of this amount the various Grand Chapters have donated the sum of \$365, and that she has drawn warrants on this General Grand Chapter for the sum of \$1,531.33 to cover these expenses; and that she has on hand the sum of \$140.89 unexpended.

We are informed by her that the expense of printing her Address amounts to the sum of \$69.85 and has not as yet been paid; that she desires to pay said amount out of the \$149.89 in her hands. On investigation we find that her expenses in attending this General Grand Chapter will amount to the sum of \$75.50.

As before stated, many items of expense cannot be foreseen or provided for, and many have no real provisions made for them. We believe that these expenses are matters that are and should be left to the judgment and discretion of our Most Worthy Grand Matron and that she should not be a figurehead, but be a real active officer, to go to such places as she believes will result to the good of the Order, and we further believe that such trips as shown in her report are a great benefit to the Order.

We therefore recommend that the account be approved, and that she be permitted to apply the \$140.89 in her hands for printing her Address and upon her expenses in attending this session.

As a slight proof of our high appreciation of her strenuous efforts and the good results coming therefrom, we recommend that an appropriation of \$1,000 be made our Most Worthy Grand Matron, Mrs. Madeline B. Conkling.

MOST WORTHY GRAND PATRON.

To slightly reimburse our Most Worthy Grand Patron, William F. Kuhn, we recommend an appropriation of \$300.

JOSEPH G. RALLS,
HARRIS W. HUEHL,
MRS. ADA E. GASKELL.

The Most Worthy Grand Matron asked permission to correct her report, as she had omitted entering some contributions received from Grand Chapters toward her expenses, which was granted.

Mrs. Annette H. Hooper, from the special committee appointed to consider the regulation colors, presented the following report, and upon motion of Mrs. Mary E. Partridge, the same was adopted:

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

Your Committee appointed to decide upon official regulation colors have duly considered the same, and respectfully submit their report:

The color appropriate to the office of Worthy Matron and Associate Matron shall be purple.

For the points of the star, the color appropriate to the several degrees, and for all the remaining officers, the five colors combined.

LEWIS & CLARKE EXPOSITION.

The following reports were submitted, and upon motion were ordered printed in the Proceedings, and a rising vote of thanks extended:

PORTLAND, OREGON, Aug. 8, 1907.

To the Officers and Members of the General Grand Chapter, Order of the Eastern Star:

As President of the Executive Board of the Eastern Star Headquarters at the Lewis & Clarke Exposition held at Portland, Oregon, 1905, I submit to you a full report of my stewardship.

In 1903 I presented a resolution to the Grand Chapter of Oregon asking for the appointment of a Committee on Headquarters at the Lewis & Clarke Exposition in 1905, and the five highest Officers of that Grand Body were appointed as such Committee. In presenting the resolution to the Grand Chapter of Oregon I did not dream that it would result in my being put at the helm that would steer the Ship of State to an "Eastern Star Cottage" such as we maintained at the Lewis & Clarke Exposition.

At that time efforts were being made toward erecting a Temple of Fraternity, but nothing tangible had materialized. Later the Fraternal Temple Association was organized, the Worthy Grand Matron of Oregon holding the office of second Vice-President in the Association.

On my return from St. Louis in November 1904, Sister Houston, Worthy Grand Matron of Oregon, placing confidence in my ability by my experience as Chairman of Oregon on the Committee of Ways and Means for the St. Louis Fraternal Temple, prevailed upon me to take the matter up, and the Exposition was scheduled to open June 1st of the year following. Therefore no time was to be wasted in debating or considering the matter.

Realizing that Oregon was not able financially to carry the full burden, I at once wrote sisters Conkling and Pitkin asking their advice and assistance. This resulted in the Most Worthy Grand Matron, Sister Conkling, taking the matter up and assuming the responsibility, and appointing the following Executive Board:

Mrs. Margaret Lutke, P. G. M., President, Oregon.	
Mrs. Jennie E. Mathews, P. G. M., Vice-President, Iowa.	
Mrs. Lorraine J. Pitkin, R. W. G. Secy., Secretary, Illinois.	
Mrs. Nettie Ransford, P. M. W. G. M., Indiana,	} Finance Committee.
Mrs. Mary C. Snedden, P. M. W. G. M., Kansas,	
Mrs. Ida M. Lewis, P. G. M., Oklahoma,	
Mrs. H. A. Ercanbrack, R. W. G. Treas., Custodian of the Fund,	
Iowa.	

Mrs. Madeleine B. Conkling, M. W. G. M., Oklahoma, } Advisory
Dr. William F. Kuhn, M. W. G. P., Missouri, } Comm.

I had no voice in the "Code of Laws" that governed the Board and did not see a copy of same until after I accepted the Presidency. Had I known the contents of the "Iron Clad Code", I would have declined to serve, for by its contents I was held personally responsible for all bills that I incurred. However, we continued to labor for the good of the cause, expecting to have Headquarters in the Temple of Fraternity. When we needed the funds that had been pledged by the various fraternal orders, the money was not ready. Hearing that the Fraternal Temple Association would fail in erecting a Temple, I began to look elsewhere for quarters and consulted brother Hodson, Chairman of the Grand Lodge A. F. & A. M. Committee. He informed me that if we would withdraw from the Temple Association, they would unite with us in erecting a cottage for the exclusive use of Masons and their families and the Order of the Eastern Star. This was a bright ray of light, when hope was dim. I lost no time in informing the M. W. Grand Matron and M. W. Grand Patron and other members of the Committee. We withdrew from the Association without paying our proportion of the expenses that had been incurred by the Association. We built our Cottage and had it open to visitors within three weeks after we secured the site. The members of the Executive Board being widely separated, the telegraph wires had to be used for all the advising I did with the other members of the Board. The haste in which I had to act at times made it impossible for me to live up to the code of laws, and placed a greater responsibility upon my shoulders. In every instance when I departed from the straight letter of the code, I advised with the Worthy Grand Matron of Oregon, Mrs. Houston, and members of her Committee, feeling that Oregon was most interested in the work of the Executive Board, and being on the ground, best understood the conditions.

To Sister Pitkin is due the honor of being the first to suggest the idea of a cottage.

To Sister Conkling, Most Worthy Grand Matron, Oregon owes a debt of gratitude for formulating the plan that not only made the Headquarters a possibility, but also a success.

The building was erected jointly with the Masonic Brotherhood of Oregon and the Eastern Star Grand Jurisdictions that contributed funds. Each assumed half of the cost of the building and the furnishings of their own half, each purchasing the furniture that we deemed most useful and comfortable for what it was intended, and withal we tried to keep a uniformity in fitting up the building.

Brother Hodson of the Masonic Committee, W. G. Matron Della

Houston and I selected and purchased the furnishings at the lowest price we could obtain. To brother J. M. Hodson, we of the Eastern Star are greatly indebted for valuable services in superintending the construction of the building and rushing it to completion as specified in the contract.

HOSTESSES.

The Most Worthy Grand Matron appointed the following to serve as Hostesses for one month each:

Lorraine J. Pitkin, June,	Jennie E. Mathews, September,
Mary C. Snedden, July,	Ida M. Lewis, October,
Nettie Ransford, August,	Margaret Lutke, November.

Changes in the above arrangement were necessary owing to unavoidable circumstances.

The original cost of the building was \$1,530. Later we found we needed a kitchen and a place to serve, so added a canvassed addition at a cost of \$60, making our part of the building cost us \$825.

In the above contingent fund were included an oil stove, vases towels and other small articles which we found it necessary to have. The Oregonian and the J. K. Gill bills were contracted by me while we were a part and parcel of the Fraternal Temple Association, and I personally was held responsible for them. The Temple Association could not pay them, and I was of the opinion that it was no more than right and just that they should be paid. Upon making full explanation to the Most Worthy Grand Matron, she approved these bills and they were paid, for which I hold receipts. The bill of Olds & King for \$8.50 was in payment of loaned vases which were broken. Bills covering the above amounts were all that passed through my hands. The bills of all the Hostesses were not submitted to me for approval, and therefore I am not in position to make full report of the financial part of this undertaking.

However, I am satisfied that the Headquarters were economically managed and were what they were intended to be,—a haven of rest to the weary wayworn sightseer at the Lewis & Clarke Exposition grounds; a place where the sisters and brothers from North or South, East or West were sure of a glad handshake and a cordial welcome. Those of our members who visited our Cottage I know will ever remember it and have a greater love for our beautiful Order.

The social features of the undertaking were under the management of the Grand Chapter of Oregon, Della L. Houston, Worthy Grand Matron serving until after the Annual Grand Chapter session in June, after which time the Worthy Grand Matron, Inez M. Ryan, assumed the duties of presiding as Social Hostess. All expenses for such entertainments were paid out of the fund set aside for that purpose by the Grand Chapter of Oregon.

In conclusion, permit me to say that while the undertaking was a weighty one, and at times was a source of great worry to me, nevertheless, I enjoyed the labors, knowing that the Headquarters gave comfort to many. Any mistakes made were of the head and not of the heart, and if the work meets with your approval, I shall feel fully rewarded for all the time and strength given to the cause.

I desire to thank Sisters Conkling, Pitkin, Houston and Ryan for their valuable advice and services; also sister jurisdictions for their financial aid and all others who in any way contributed to the success of the undertaking, I extend heartfelt thanks. May God bless you and reward you.

Fraternally submitted,

MRS. MARGARET LUTKE,
President Executive Board, O. E. S. Headquarters,
Portland, Oregon.

WICHITA, KANSAS, Sept. 1, 1907.

To the Most Worthy Grand Chapter, Officers and Members of the General Grand Chapter:

In obedience to the gracious commands of our Most Worthy Grand Matron, I reached Portland and entered upon my duties as Hostess of the Masonic and O. E. S. Cottage on July 1, 1905. My daughter accompanied me, and together we received a cordial welcome in the home of Sister Lutke, where we received our breakfast and room-rent at moderate cost, and were most comfortable and happy, and I desire to thank Brother and Sister Lutke for their great kindness to us.

We found the Masonic rooms under the care of Past Grand Patron, Brother Weigand, who took us under his protecting care and did everything possible to make our stay delightful. We so arranged matters that the Cottage was never left alone while the gates were open.

The Grand Chapter of Oregon was Hostess and in charge of all social functions, and the three Portland Chapters vied with one another in assisting us in our daily task. One of the chief pleasures of the occasion was the meeting of the different sisters who thus came to assist us. Fresh flowers were daily sent, and only those who have seen them can appreciate what that means, for Portland is rightly named "The City of Roses."

The Grand Chapter of Oregon gave us a farewell reception, and every courtesy was shown us during our sojourn. We can never forget the many dear sisters, and thank one and all for their kindness to the stranger within their gates.

The object was to have a resting place for members of our Order, and from the expressions heard, we believe the object was attained. It also served to strengthen the bands of the General Grand Chapter, and we believe was a successful effort in every way.

Respectfully submitted,

MRS. MARY C. SNEDDEN,
Hostess during July.

INDIANAPOLIS, INDIANA, Sept. 1, 1907

To the Most Worthy Grand Matron, Officers and Members:

In compliance with the request of the Most Worthy Grand Matron, I will try to tell you something of my stay at our O. E. S. Cottage on the grounds of the Lewis & Clarke Exposition at Portland, Oregon.

I left Indianapolis on July 26, 1905, reaching Portland July 29th, where I was met by sister Mary C. Snedden, Past Most Worthy Grand Matron, who had been the Hostess of the Cottage during July. Sister Snedden only gave me time to drop in at Sister Margaret Lutke's, Past Grand Matron of Oregon, where we had secured a room during our stay and leave my suit-case, then whisked me off to the Cottage, where each day but one was spent until September 4th, when I turned my face homeward.

I kept tally of those who registered during my stay as Hostess, and find that 2,958 names were entered. During the first two days twenty-four states were represented. The smallest number registered in any one day was August 20th, when the tally sheet showed twenty-four, and the largest number was August 16th, when 162 were registered. It will not be difficult to see that a Hostess who was on duty each day from eight o'clock in the morning until seven o'clock in the evening was kept moderately busy.

When reaching Portland, Sister Snedden informed me that the sisters of Portland had been assisting as Hostesses, but had found the work growing burdensome and rather expensive for the Grand Chapter of Oregon, and if I could get along without assistance the custom would be discontinued, to which I gave answer that I was there to represent the General Grand Chapter and was ready to discharge the duties and assume the responsibilities of such representation. However, I am indebted to several sisters who at their own expense, kindly came and shared with me the pleasure and duties of Hostess. Two of my own Indiana sisters, Mary E. Thayer, Past Matron of Plymouth Chapter, and Mary Whitting of Queen Esther Chapter, Indianapolis, were my companions on the entire trip, and to these two sisters I am greatly indebted for companionship and assistance.

The fact that the O. E. S. Headquarters at the Lewis & Clarke Exposition was a success is evidenced by the expressions of appreciation by the members from all parts of our country, for the welcome and comfort provided, and for the generous hospitality of the membership in Oregon.

The social functions tendered by the Grand Chapter of Oregon were most enjoyable.

To Sister Lutke I am indebted for the hospitalities of her home, and to Past Grand Matron, Sister Margaret Kellogg, for a most delightful day's outing up the beautiful Columbia River.

MRS. NETTIE RANSFORD,

Hostess during August.

TECUMSEH, OKLA., Sept. 1, 1907.

To the Most Worthy Grand Matron, Officers and Members of the General Grand Chapter:

It was my privilege to be honored by appointment of the Most Worthy Grand Matron her representative as official Hostess at the Masonic and Eastern Star Headquarters at the Portland Exposition during the month of September, 1905.

A description of the Cottage is useless, as it has been given so often it is familiar to all.

I reached Portland August 30th and went direct to the Cottage, where I was cordially welcomed by Sister Ransford, who was Hostess for August, and was very kindly instructed by her in the mysteries of my duties.

I took up my pleasant work September 1st and registered 2,000 O. E. S. members during the month, besides welcoming many who had registered with my predecessors, and many friends who accompanied the Stars.

Every moment of the day was fully occupied I can assure you. I reached the Exposition grounds every morning by nine o'clock, and nearly every morning unlocked the Cottage door myself and admitted the many who were waiting on the porches to register and leave lunch baskets, umbrellas and wraps for the day. I remained on duty until six o'clock in the afternoon.

The inestimable benefits of the Cottage could be fully appreciated after a day of wandering around the Exposition grounds, with no place to sit or feel at home, and surrounded by indifferent strangers.

A very pleasant reception and greeting was given me at the Cottage a few days after my arrival, by the Grand Chapter of Oregon. The Reception was in charge of the Secretaries of the five Chapters in Portland, in appreciation of the fact that I was a Secretary myself. The decorations were carried out in the five colors of the Order, and on the porches, where refreshments were served, Autumn leaves glowed under the rays of many Japanese lanterns, and instrumental and vocal music lent charm to a very successful event.

I was the guest of Honor at all five of the local Chapters where banquets were spread, gifts presented and every courtesy extended me as Official Hostess at the Masonic and Eastern Star Cottage.

I cannot go into detail regarding the many private dinners, luncheons, drives and special courtesies shown me, but I want to say here that I am sincerely grateful for every gracious act and kindness shown, and in counting up the pleasant things of life, these will be given a prominent place.

I desire to express my infinite sense of obligation to sisters Lutke, Ryan, Houston, Stiles and Whipple, and to brothers Wiegand and Hodson for the roses they strewed in my path while I was very much alive to enjoy them.

Toward the close of my stay I had the pleasure of spending a few most pleasant days with Sister Pitkin, who came out to succeed me and close up Headquarters.

A delightful reception was given us by Sister Lutke at her beautiful home, where among other things, I was presented with a gold clock by the Grand Chapter of Oregon,—a token, as Sister Pitkin said in the presentation speech, of my having worked on time.

I listened closely to many comments upon the "Cottage," and no adverse criticism was ever heard, but on every side, hearty praise and gratitude that sister Conkling had caused to be established a place so suited to the needs of the members.

I feel certain that all who visited the Exposition and enjoyed the rest and recreation afforded by the Cottage will join me in the opinion that it was a decided success and could not well have been dispensed with, without greatly diminishing the pleasures of a visit to the Fair.

I was reimbursed my expense for the month, \$122.90.

Sincerely,

MRS. IDA M. LEWIS,

Hostess during September.

As the Right Worthy Grand Secretary and Right Worthy Grand Treasurer had made reports of the receipts and disbursements for the Lewis & Clarke Exposition, and they appear in their respective reports, no further report was made by them.

FINANCES—LEWIS & CLARKE EXPOSITION.

Mrs. Nettie Ransford from the Committee on Finance of the Eastern Star Cottage at the Lewis & Clarke Exposition, made the following report, which upon motion was referred to the Finance Committee appointed at the opening of this Assembly.

Most Worthy Grand Matron Officers and Members of the General Grand Chapter, O. E. S.:

Your Committee appointed to audit the bills of expenditure of the O. E. S. Cottage, furnishing and maintenance during the Lewis &

Clarke Exposition held at Portland, Oregon, June 1st to October 14th, 1905, submit the following report:

The original thought was to follow the plan so successfully carried out at the Exposition at St. Louis, Missouri, and take a room in with Fraternal Building Association.

The proposition that came to this Committee from the Fraternal Building Association was to authorize the expenditure of "\$1,500 or more." Your Committee did not feel justified in entailing upon the General Grand Chapter an uncertain expenditure, and the proposition was not accepted. However, through the efforts of sister Margaret Lutke, Past Grand Matron of Oregon, the efficient President of the Executive Board of which this committee are members, the General Grand Chapter became a co-worker with the Masonic Grand Lodge F. & A. M. of Oregon, and a Cottage was built, where during the entire time of the Exposition the members of the Order found a royal welcome and a haven of rest.

For the building and furnishing of this Cottage, the Right Worthy Grand Treasurer was authorized to forward to the President, sister Margaret Lutke, a draft for \$1,500.

By direction of the Most Worthy Grand Matron, the Chairman of this Committee during her stay at the Cottage as Hostess in August was directed to check up the bills, which she did, and these checked bills are filed with this report.

After paying all bills for the building and furnishing of the Cottage, of the \$1,500 sent the President, there was a balance of \$82.43, which was returned to the Right Worthy Treasurer.

The financial statement of the General Fund, with receipted bills, are submitted with this report. Also the bill of each Hostess and bills for contingent Fund, which were O. K'd by this Committee.

The following bills were audited by the Finance Committee: 1905.

The Most Worthy Grand Matron asked the privilege of presenting the Register used at the Lewis & Clarke Exposition to Mrs. Margaret Lutke, and no objections appearing, it was so ordered.

The Right Worthy Grand Secretary stated that the writing desk, with all accessories, used at the Columbian Exposition in Chicago, 1893, at Eastern Star Headquarters, was at the close of said Exposition sent to Mrs. Mary C. Snedden, then Most Worthy Grand Matron, and has been in her possession all these years as the property of the General Grand Chapter, and asked that as a token of appreciation of her labors at that time that the desk be given Mrs. Snedden. No objections appearing, it was so ordered.

The Most Worthy Grand Matron announced that if there were no objections. Henry L. Stillson would take the Constitution and prepare it for the printer and forward same to the Right Worthy Grand Secretary, and there being none, it was so ordered.

William H. Norris requested consent to name the

Trustees to be elected, as provided for by the Constitution, which was granted, and they were:

George A. Pettigrew, South Dakota,
Joseph G. Ralls, Indian Territory,
Mrs. Alcena Lamond, District of Columbia.

The Most Worthy Grand Matron instructed the Right Worthy Grand Secretary to cast a unanimous ballot for the parties named above, and there being no objection the ballot was cast and the election declared.

The General Grand Chapter was called from labor until 7:30 o'clock P.M., and the Most Worthy Grand Matron announced that at that time the report of the Committee on Ritual would be considered.

The Right Worthy Grand Secretary read the Minutes of the morning and afternoon sessions, which were approved as read.

ELMER C. PATTERSON, Worthy Grand Sentinel.

PRESENTATIONS.

The Most Worthy Grand Matron, Mrs. Ella S. Washburn, received the following gifts, accepting them in a most charming and affecting manner, replying to each only as she can:

From her own Chapter (Racine No. 45) a box of silver spoons and forks, presented by Judge Max W. Heck, Past Grand Patron.

From the Past Grand Matrons and Past Grand Patrons of Wisconsin, solid silver knives, presented by Mrs. Nellie M. Towner, Past Grand Matron.

From the four Milwaukee Chapters, an immense cut glass vase presented by the Worthy Matron of No. 2.

The Most Worthy Grand Patron, William H. Norris, received a Loving Cup from the Grand Chapter of Iowa, the presentation speech being made by Hugh W. Hughes, Grand Patron.

The Past Most Worthy Grand Matron, Mrs. Madeleine B. Conkling, received a silver water pitcher and tray from her officers.

The other officers were all presented with flowers.

Mrs. Margaret Howard, the representative from the Hawaiian Islands, presented Mrs. Washburn with a beautiful article of adornment called in Hawaii "Lei Aloha", and upon motion of Mrs. Nettie V. Turner of Florida, the presentation speech was ordered made a part of the records by unanimous vote, as follows:

Permit me, in behalf of Lei Aloha Chapter No. 3, O. E. S. of Hawaii—one of the youngest chapters under your immediate jurisdiction—to present you with this wreath, or lei, as the Hawaiians say. In order that you may understand the motive which prompted this gift, and the significance of this unique present, I will explain: Lei means wreath: aloha, love; and this then is a "wreath of love" to you. This yellow lei is the nearest representation of the royal mamalo lei of yellow feathers, worn only by kings and queens and chiefs of the highest families of Hawaii.

There were several grades and colors distinguishing the rank of the families permitted to wear these royal leis. The highest and most sacred were the royal yellow mamalo. These were made from feathers of a little black-feathered bird, one yellow feather being found beneath each wing. The birds were caught by a sort of paste made from the bread-fruit tree, and were released after the two yellow feathers were plucked. This was strictly a king's monopoly, and no commoner dared have the feathers in his possession under penalty of death. The birds which furnished the feathers are now entirely extinct, and these leis are considered precious and sacred, being handed down from generation to generation.

In presenting this lei aloha to you, Most Worthy Grand Matron, it is in strict accord with the olden custom—to be worn only by our highest in authority—our queen. By it you are to be reminded that each article of this lei is a token of genuine love and esteem—that you have loyal and loving friends in Hawaii, who recognize you as their queen.

The Most Worthy Grand Matron addressed Mrs. Howard with feeling words of gratification, and presented her with a portion of her own magnificent roses, asking also that each officer contribute from their flowers, which was immediately done.

The pleasing influence of this charming incident in the

closing hours of this assembly of the General Grand Chapter was felt by all, and will long be remembered by those present.

Mrs. Howard also presented each officer with an imitation of this "Lei Aloha" after their installation, in a few beautiful words of greeting from their sisters and brothers in the far distant islands.

L. Cabell Williamson read the following poem, which was ordered printed in the Proceedings:

THE EASTERN STAR.

Adapted to the tune of "Nearer, my God, to Thee."

God bless our Eastern Star,
Thy praise we sing;
Our homage from afar,
To thee we bring.
We love thy precepts true;
Thy lessons, ever new!
Thy mandates we will do,
And to thee cling.

• Oh, may we ever stand
In Thy pure light.
To labor, hand in hand.
For truth and right.
Our cause will not be vain,
For "Strength to strength" we'll gain.
To our loved "Golden chain,"
By thy great might.

We, then, should strive to prove
Our loyalty,
By our unselfish love
And "Charity."
Then we will surely find
Our lives with thee entwined.
And teach to all mankind
Fraternity.

To our loved Worthy Grand Matron, Sister ALICE M. METCALFE,
these lines are affectionately dedicated by Dr. S. M. McMILLAN, Worthy
Grand Patron, O. E. S., Maryland.

Riverdale, Md., June 25, 1907.

Mrs. Kate J. Willats of California requested the several Grand Secretaries to aid her in replacing their library, which was destroyed by fire.

Mrs. Emilie C. Mensing, Grand Matron of Washington, in a few brief remarks, expressed her thanks to those present for the courtesies received, and extended a greeting from her own jurisdiction.

Mrs. Nettie V. Turner, Grand Matron of Florida, extended thanks for the selection of their jurisdiction to hold the next Triennial Assembly at Jacksonville, 1910.

In Memoriam

"The stream is calmest when it nears the tide;
The flowers are sweetest at eventide;
The birds more musical at close of day,
And saints divinest when they pass away.

Morning is lovely, but a holier charm
Lies folded close in Evening's robe of balm;
And weary man must ever love her best,
For Morning calls to toil, but Night to rest.

'Until evening' we must weep and toil,
Plow life's stern furrow, dig the ungrateful soil,
Tread with torn feet our rough and thorny way,
And bear the heat and burden of the day.

Thus, when our sun is setting may we glide
Like summer evening down the golden tide,
And leave behind us as we pass away,
Sweet, starry twilight round our sleeping clay."

APPENDIX.

CONSTITUTION

OF THE
GENERAL GRAND CHAPTER, ORDER OF THE
EASTERN STAR.

As Revised and Adopted at the 12th Triennial Assembly, held at Milwaukee, Wisconsin, September 4—6, A. D., 1907.)

PREAMBLE.

Declaration—Landmarks—Concordat with Scotland.

DECLARATION.

SECTION 1. On the fifteenth and sixteenth days of November, A. D. 1876, The General Grand Chapter, Order of the Eastern Star, was legitimately organized by a convention of delegates of independent Grand Chapters, and after the manner analogous to the General Government of the United States of America.

SEC. 2. This proceeding had become essential to the future of a system which was already dear to thousands of Freemasons and their families, by means of degrees known as the "Eastern Star,"—sometimes called "The Adoptive Rite of Freemasonry." With the origin of these degrees this declaration will not deal; suffice to place on record the fact that through various methods of propaganda, an Order had arisen which promised beneficence to the near female relatives of the members of the Ancient and Honorable Fraternity of Free and Accepted Masons, as well as to itself.

SEC. 3. (a) The administration of the "Power and Authority," vested in the original Constitution by the Grand Chapters participating in its creation, having spread the Order of the Eastern Star to nearly all the States and all of the Territories of the United States of America, establishing in each a *regular* Grand Chapter of the Order, reaching out to jurisdictions beyond the bounds of the Nation of its

birth; the second step of momentous import to the lasting welfare of the Order of the Eastern Star appears essential to its name: "The General Grand Chapter, Order of the Eastern Star."

(b) It has become necessary to place the Order on bases whereon there shall be a common meeting-place through this General body; a sovereignty of unity in essentials, a modicum of liberty in non-essentials, and a charity in all things permitted; that the General Grand Chapter may become, as it ought to be, the conservator of the Order of the Eastern Star,—its fountainhead, so to speak,—that the Grand Chapters established in State, Territory, Province, District or other political division, may enjoy the customs of the Freemasonry of which they are measurably auxiliary in, beneficent endeavor; that the Chapters subordinate may be assured of security in chartered rights—to the end that all these rights and benefits may be held in equity and for all time to come—it is hereby ordained that the "Landmarks," the "Concordat with Scotland," and this Constitution are of perpetual obligation.

SEC. 4. (a) Wherever it is stated, whether in Constitution, Ritual, General Regulations, or otherwise, that eligibility for membership in the Order of the Eastern Star, shall consist of "affiliated Master Masons in good standing in a Masonic Lodge; their wives, daughters, legally adopted daughters, mothers, widows, sisters, and half-sisters, who shall have attained to at least the age of eighteen (18) years," it is also provided as of perpetual obligation that the "Masonic Lodge" referred to shall be a *regular* Lodge of *regular* Freemasonry, where-soever dispersed.

(b) It is further provided that there are no other or higher degrees known to the Order. This shall be held to include extraneous degrees, and all voluntary associations using the name of the Order of the Eastern Star.

THE LANDMARKS.

1. A belief in the existence of a Supreme Being.
2. In the Order of the Eastern Star there are only five degrees, known: Adah, the daughter; Ruth, the widow; Esther, the wife; Martha, the sister; and Electa, the mother.
3. The name of the Order, the nature of the degrees and modes of recognition are unchangeable.
4. Its lessons are Scriptural, its teachings moral and its purposes beneficent.

5. Its obligations are based upon the honor of those who obtain its secrets, and are framed upon the principle that whatever benefits are due by Masons to the wives, daughters, mothers, widows, and sisters of Masons, reciprocal duties are due to the Brotherhood.

6. That the obligation of our Order, voluntarily assumed, is perpetual, from the force of which there is no release.

7. The ballot, for candidates for the degrees, must be unanimous, without debate, and kept inviolably secret.

8. The degrees cannot be conferred unless a brother in good standing shall preside. He may call upon the Worthy Matron to assist in conferring the degrees.

9. Every member is amenable to the laws of the Order, and may be tried for offenses, either by the Chapter to which the member belongs, or by the Chapter within whose jurisdiction the member resides.

10. The right of every member to appeal from the decision of a Subordinate Chapter, to the Grand Chapter or its executive head.

11. The right of every Chapter to decide, from among eligible candidates, who shall be admitted to membership.

12. The right of every member to visit any regular Chapter unless lawful objection is made to such visitor.

CONCORDAT WITH SCOTLAND.

A. That all Chapters of the Order of the Eastern Star in Scotland here represented, or declaring their adherence hereto, shall be and are hereby united under one jurisdiction; and the representatives of such Chapters now present or adhering, not only bind themselves to sign this resolution in token of their acceptance thereof, but also bind and obligate themselves and the Chapters which they represent to ratify and confirm the same and to support and further such procedure as may be requisite to carry this resolution into effect.

B. That the Body formed by this resolution shall be known at present as the Grand Chapter of Scotland, but shall have supreme and exclusive jurisdiction over Great Britain, Ireland and the whole British dominions (excepting only those upon the Continent of America), and that a Supreme or General Grand Chapter of the British Empire shall be formed as soon as Chapters are instituted therein and it seems expedient to do so.

C. That the Constitution and the laws of the late existing Supreme Grand Chapter of the Order of the Eastern Star in Scotland

shall, with some slight alteration, be, and is hereby adopted as the Constitution and Laws of the Grand Chapter now formed.

D. That the Ritual to be used by all the Chapters under this Constitution shall be that now issued by the General Grand Chapter of America.

E. That this Grand Chapter as now constituted shall take over all assets and liabilities of the preceding Supreme Grand Chapter of the Order of Scotland.

F. That all Grand Office-bearers and Past Grand Office-bearers of the preceding Supreme Grand Chapter of the Order in Scotland shall be and hereby are accorded Past Grand Rank and shall be entitled to all privileges and precedence appertaining thereto.

G. That the Office-bearers of the Grand Chapter as now constituted be here and now nominated, elected and installed to hold office till January, 1906.

ALFRED A. MURRAY.

LAURA B. HART.

ADDENDUM.

H. That the General Grand Chapter of America whose ritual we have adopted will exchange with the late Supreme Grand Chapter of Scotland an official number (three) of said ritual, in lieu of those the said Body have been using, the same to be furnished free of charge.

LAURA B. HART.

ALFRED A. MURRAY.

The foregoing resolutions and addendum are certified by us to be the Resolutions and agreement adopted by a Convention of all the Chapters of the Order in Scotland held in Glasgow on August 20th, 1904.

Note.—This was ratified and confirmed by the General Grand Chapter, the report of the Committee on Jurisprudence stipulating that the words "of America," in paragraphs "D" and "H," should not be held on our part to be a waiver of the legal name of this body, which is, and must ever remain: "The General Grand Chapter, Order of the Eastern Star," and that it does not by this Concordat release jurisdiction over any territory, except as specified, which was unanimously adopted.
